Olympian '85 Presents The Gunn Experience

Spring, 1985

Friendship

Friendship

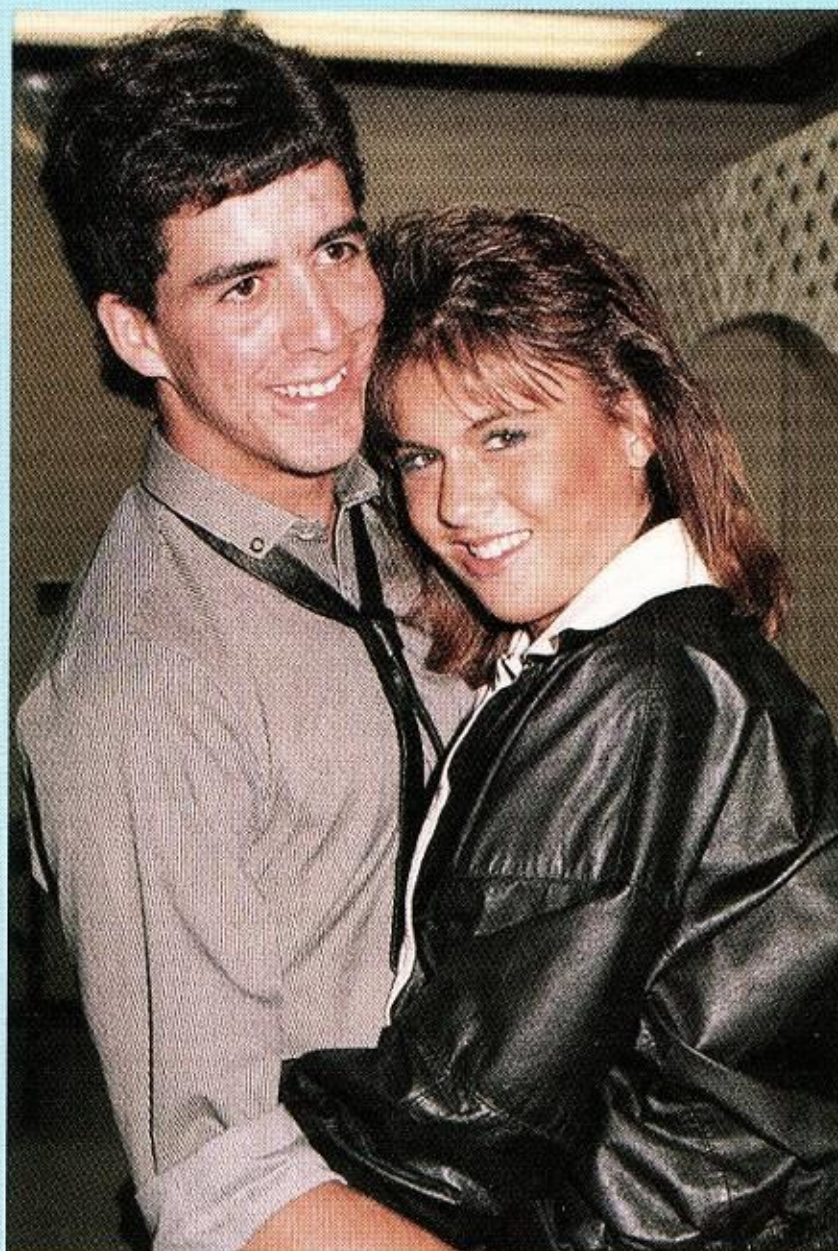

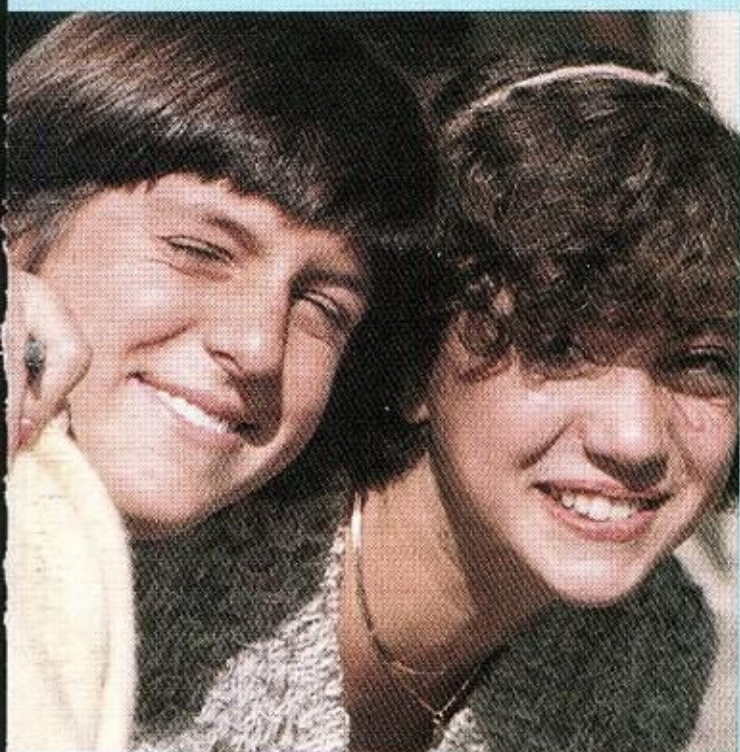

Friendship

Friendship

We treasure those times we spend with people special to us. Being with them becomes memorable even when the things we do together are as ordinary as a stroll across campus or relaxing in the sun. Sharing the fun of dress-up days and dances adds zest because we share them with those close to us. We call it friendship.

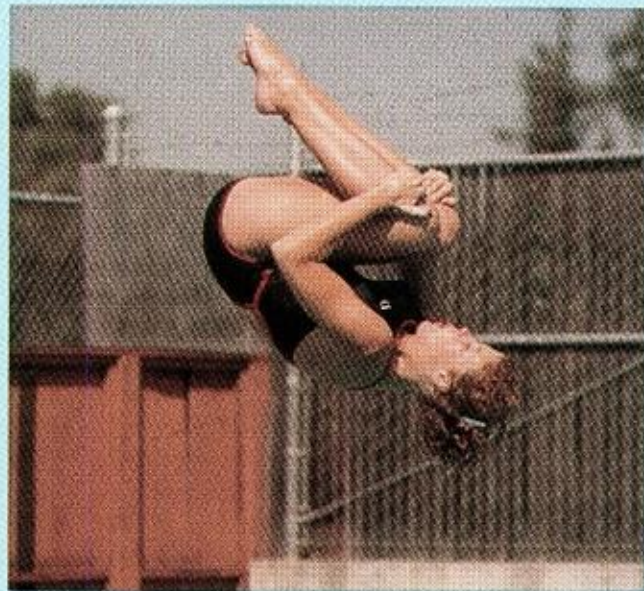

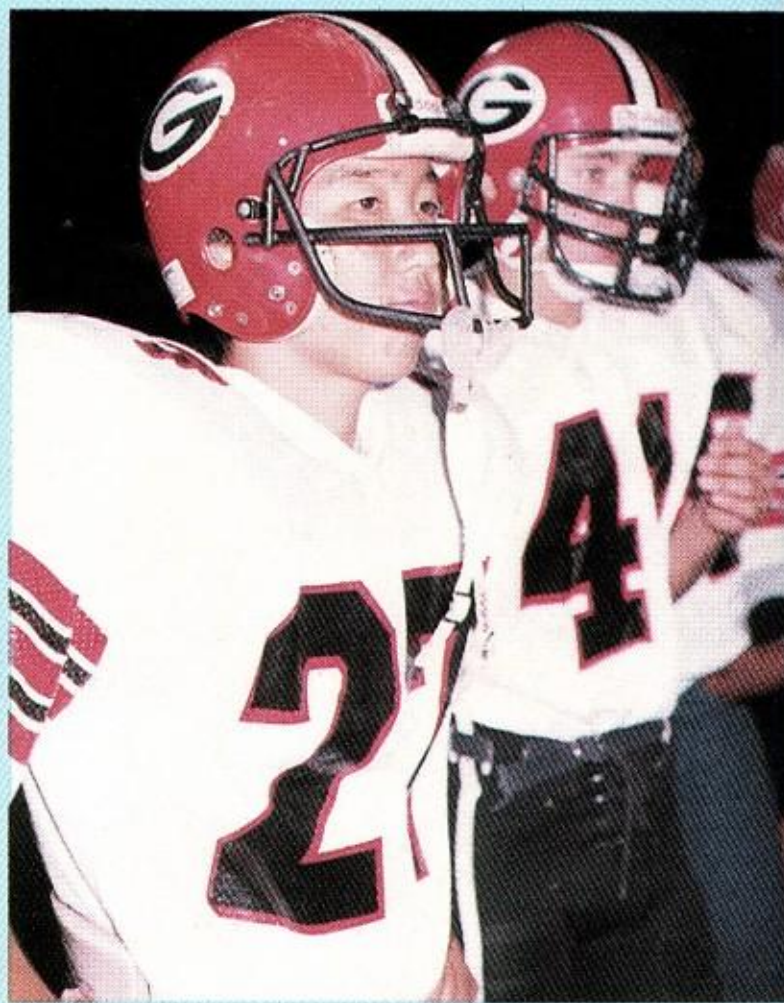

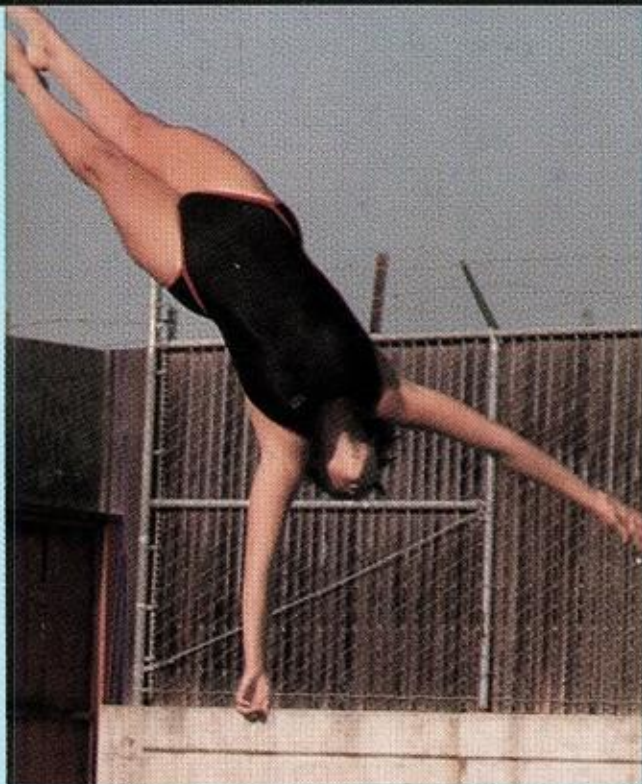

Competition

Competition

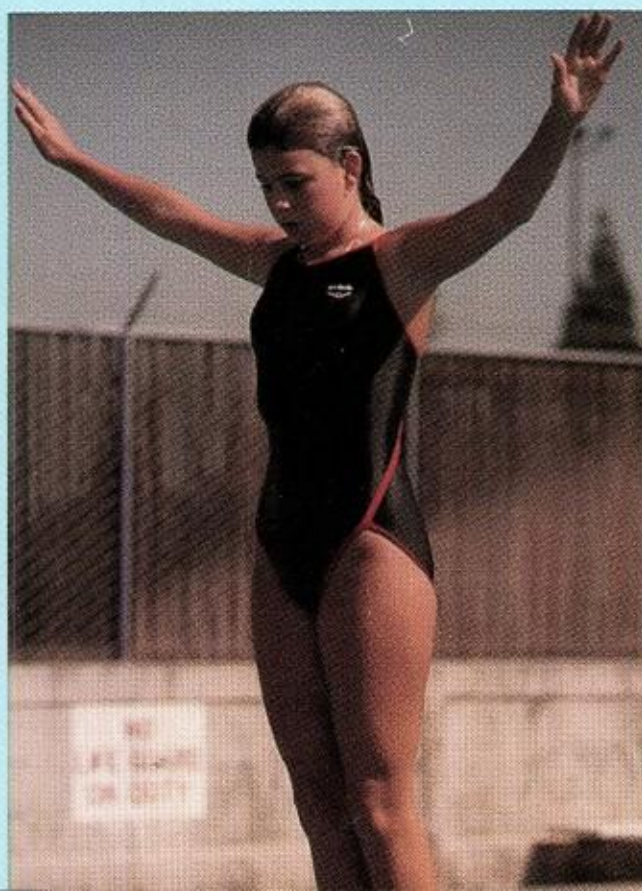

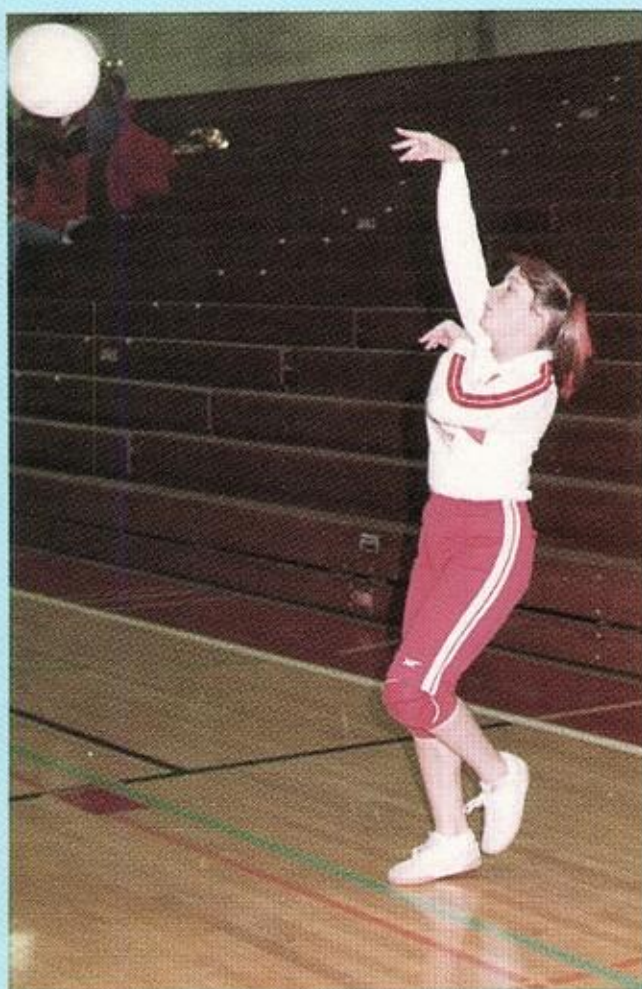

Competition

Competition

The experience gained in athletic competition is a major highlight in the lives of many a Gunn Titan. It offers an opportunity for us to be ourselves and to do those things we do best and enjoy most. Whether on the field, in the gym, or at the pool, sports are a significant part of the Gunn scene.

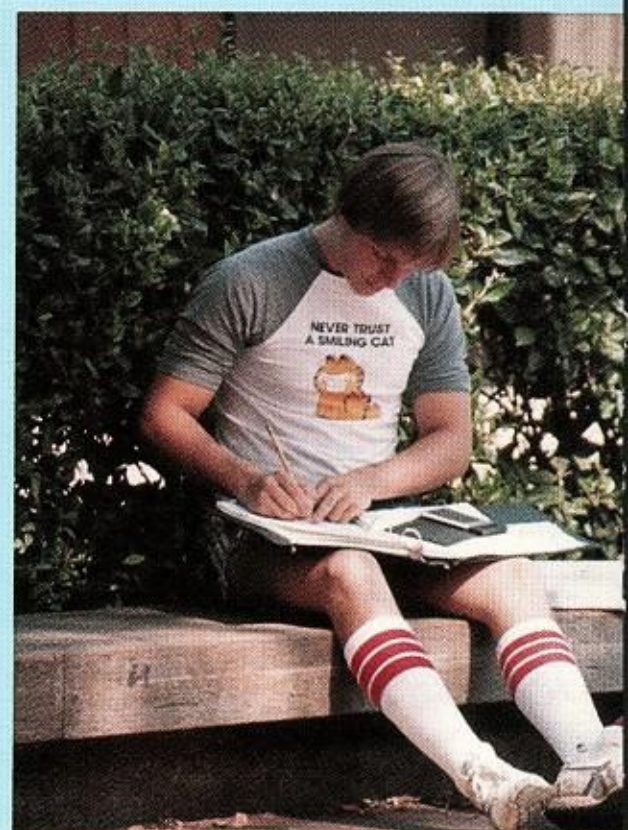

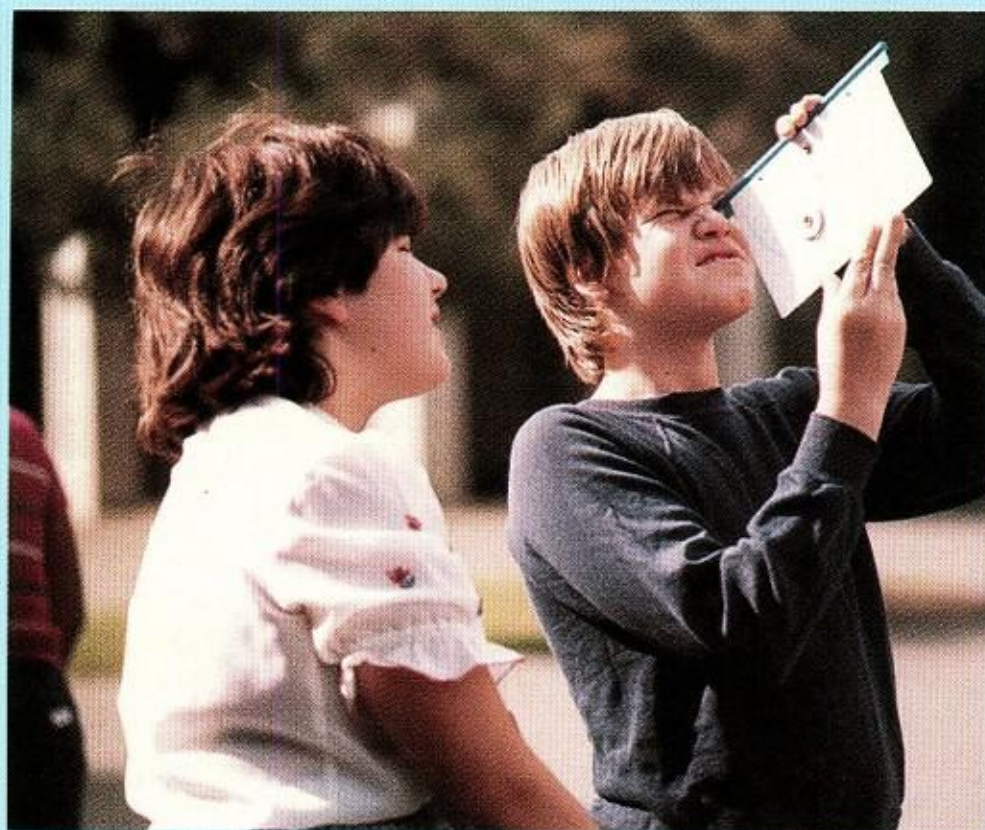

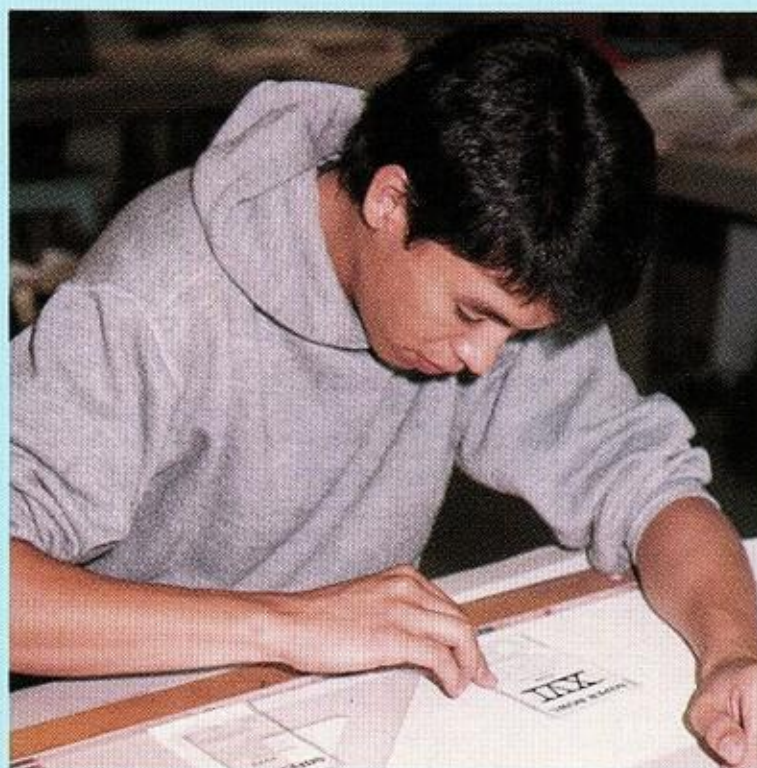

Learning

Learning

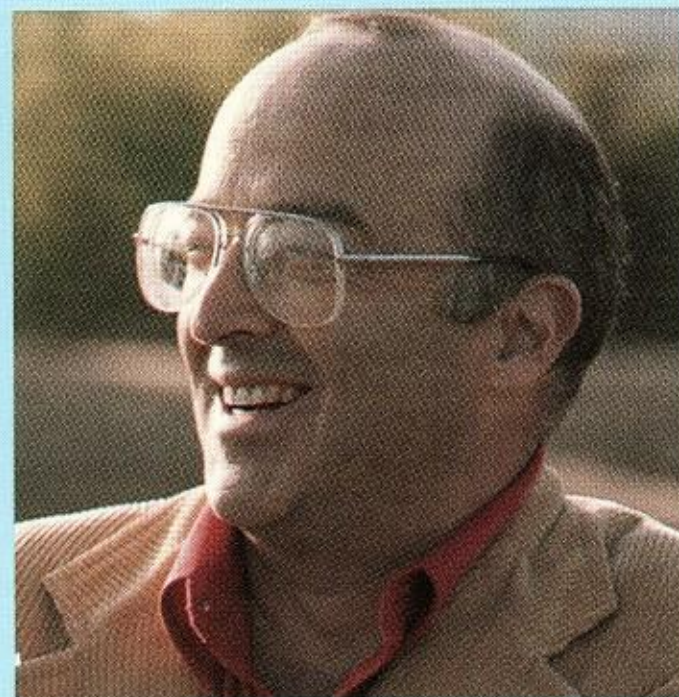

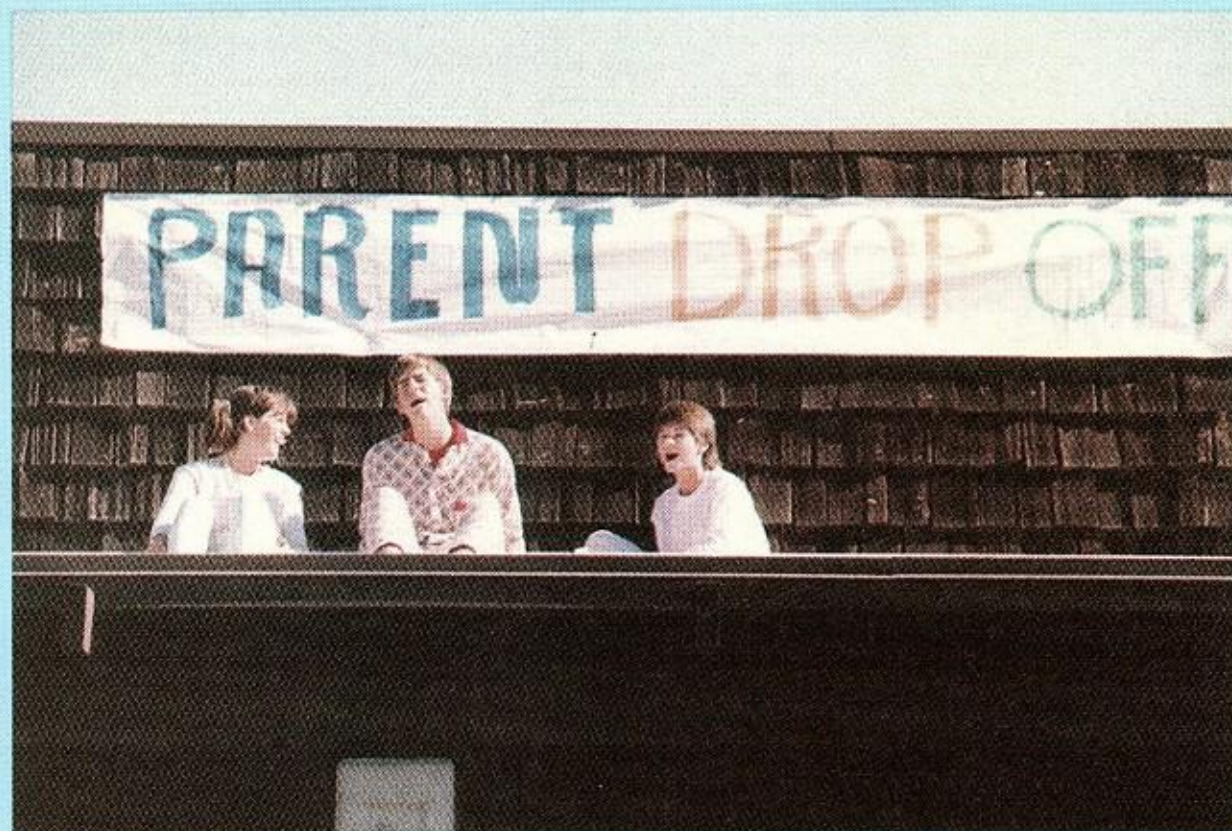

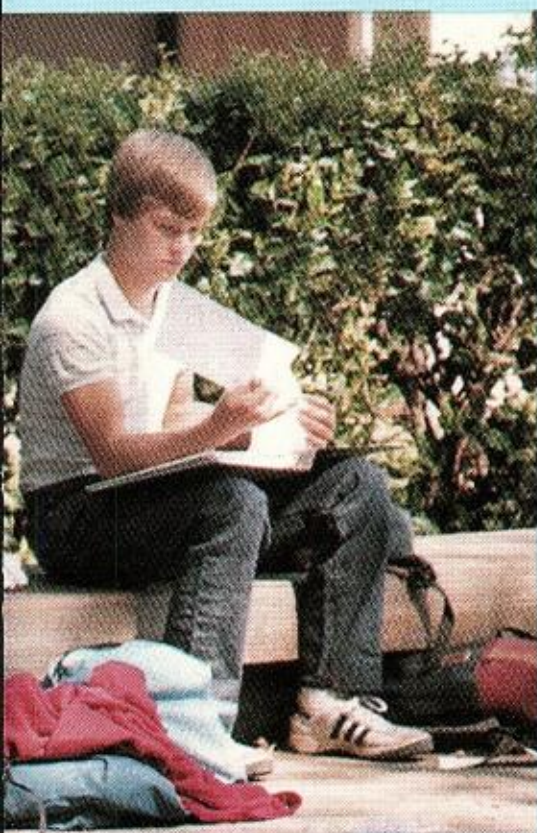

Learning

Learning

The learning experience is a traditional part of one's high school career, and it takes many forms and happens in many places at Gunn. Perhaps it is due to this variety that we cherish the years spent on campus.

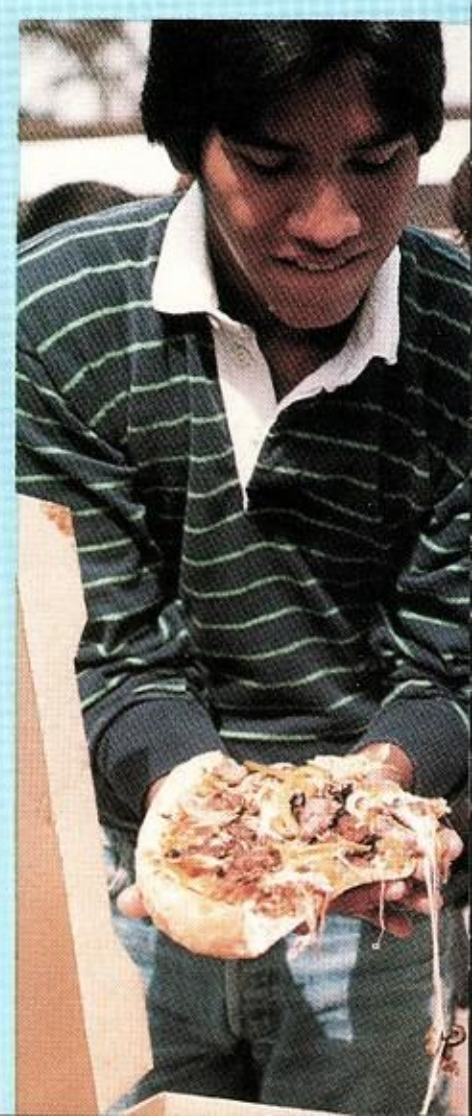

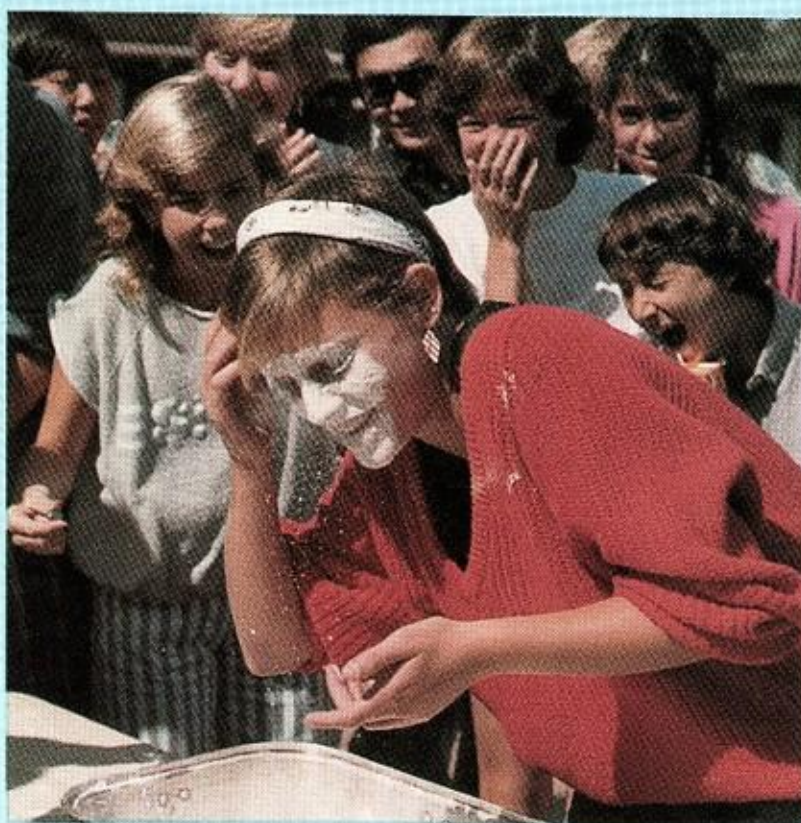

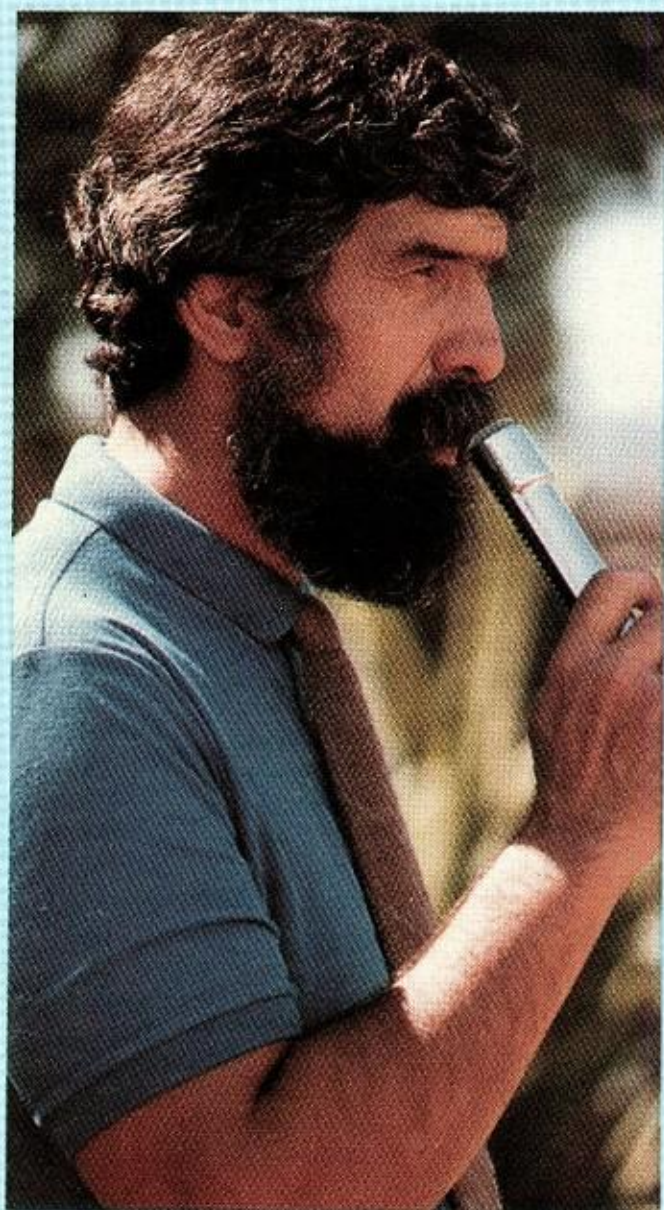

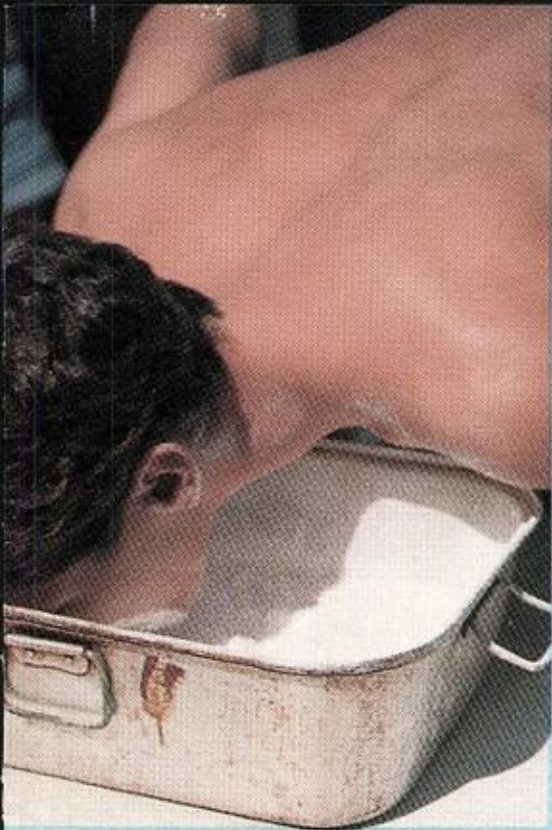

Wednesday Whoopies

Wednesday Whoopies

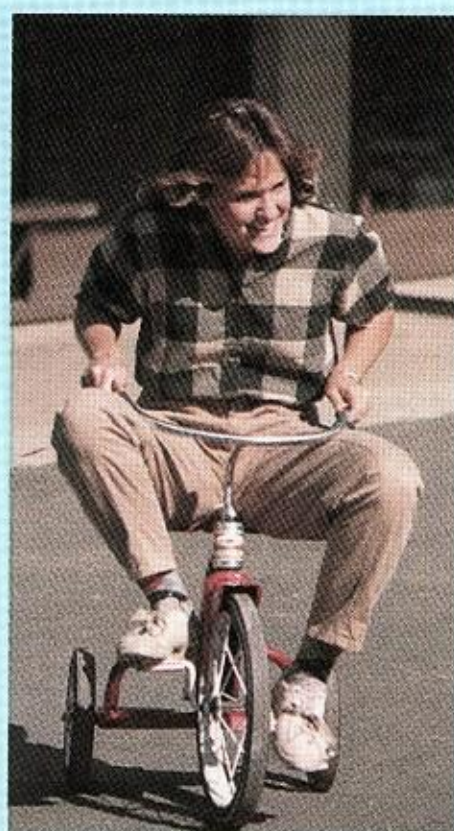

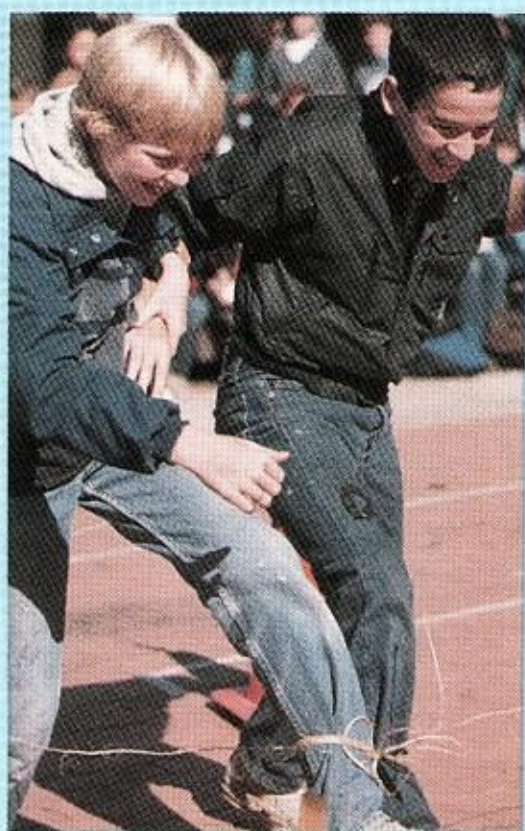

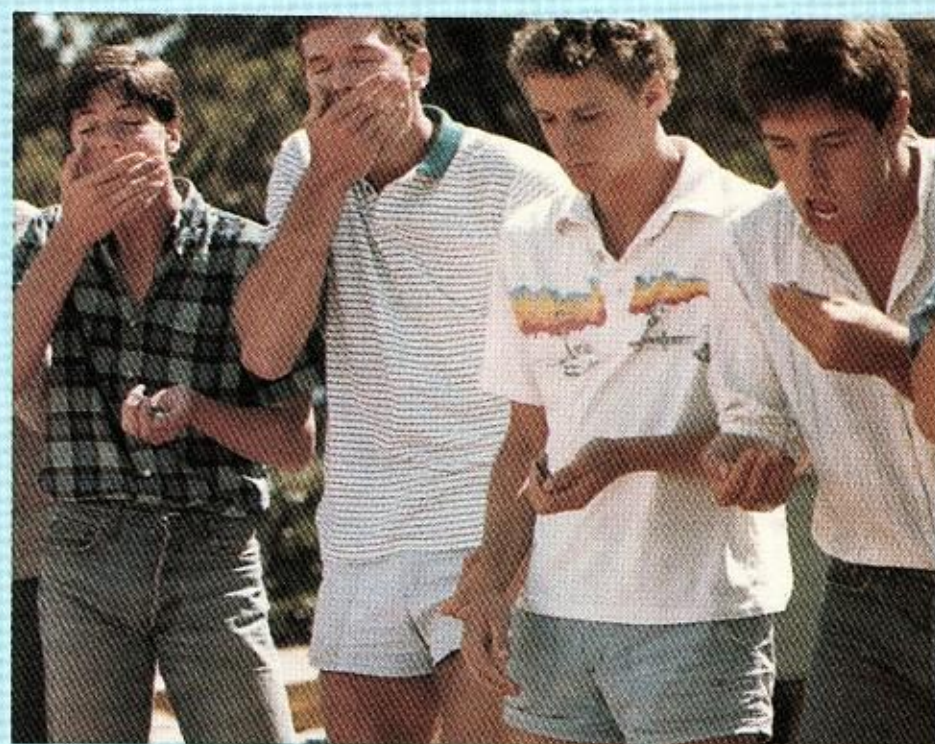

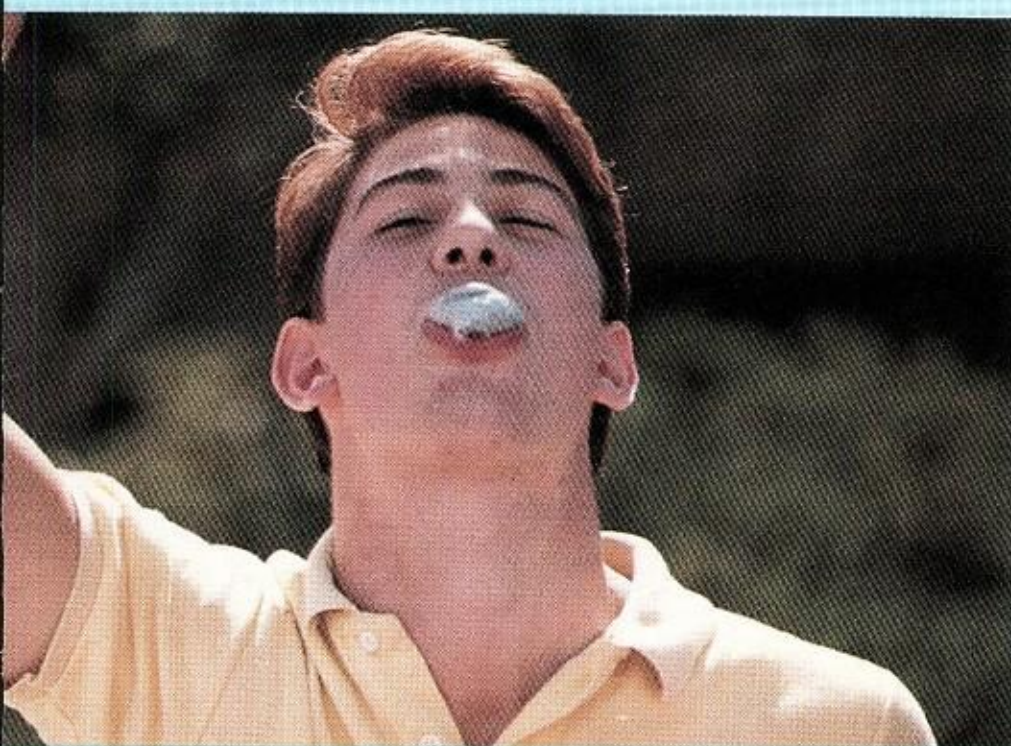

Wednesday Whoopies

Wednesday Whoopies

During the 1984-1985 school year, a strange new experience has been added to the weekly routine. Led by Ron Cooper, it happens during lunch on Wednesdays, and features class competition. Such events as trike races, bubble gum chews, pizza gobbling, three-legged races, jelly bean digs, and dressup days may never appear on the Olympic schedule, but such hilarity makes the "Wednesday Whoo-pies" special to us at Gunn.

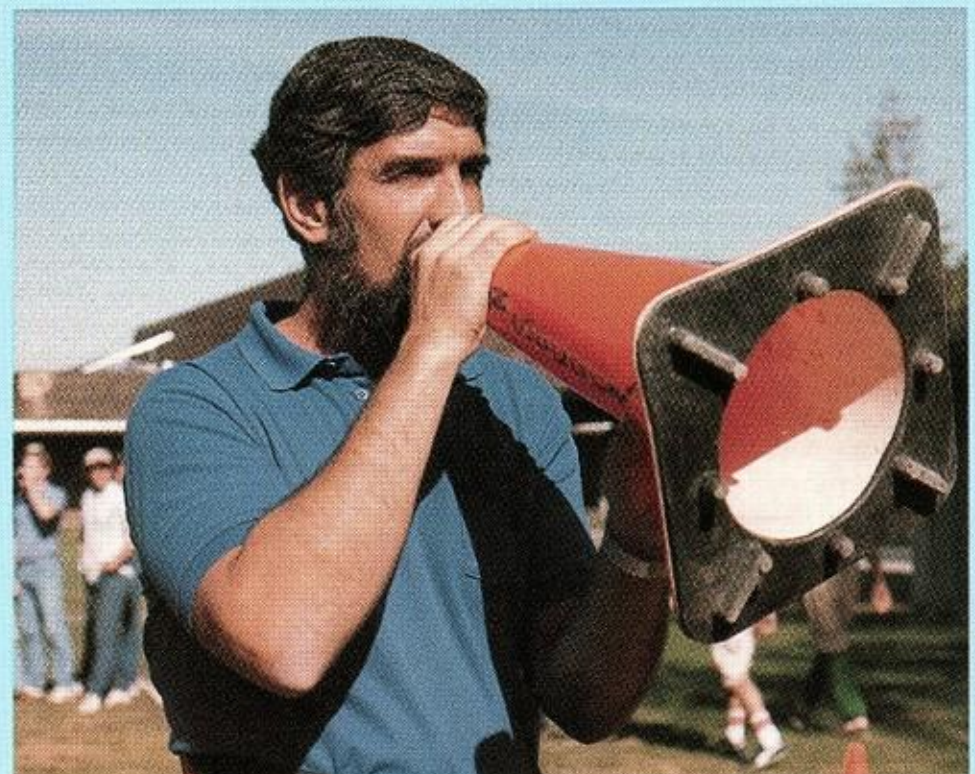

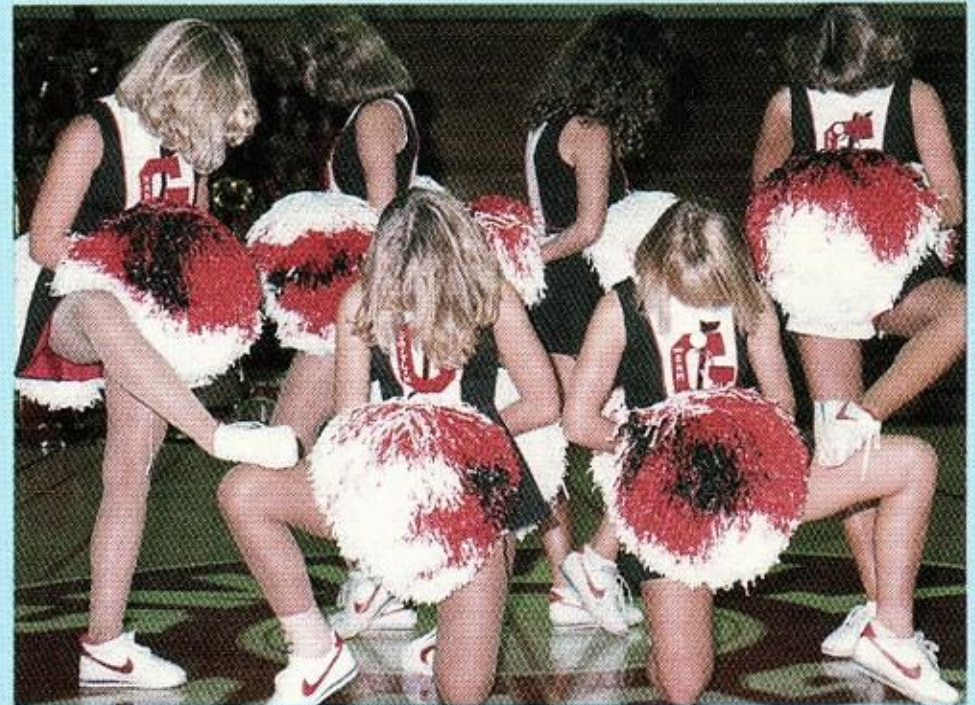

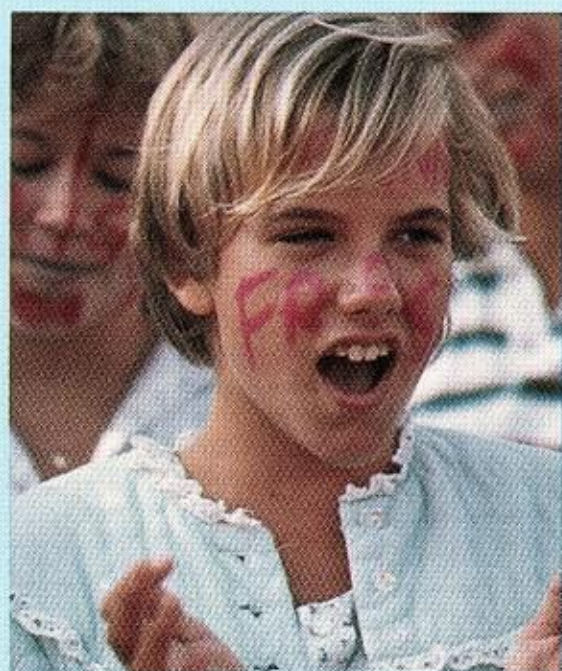

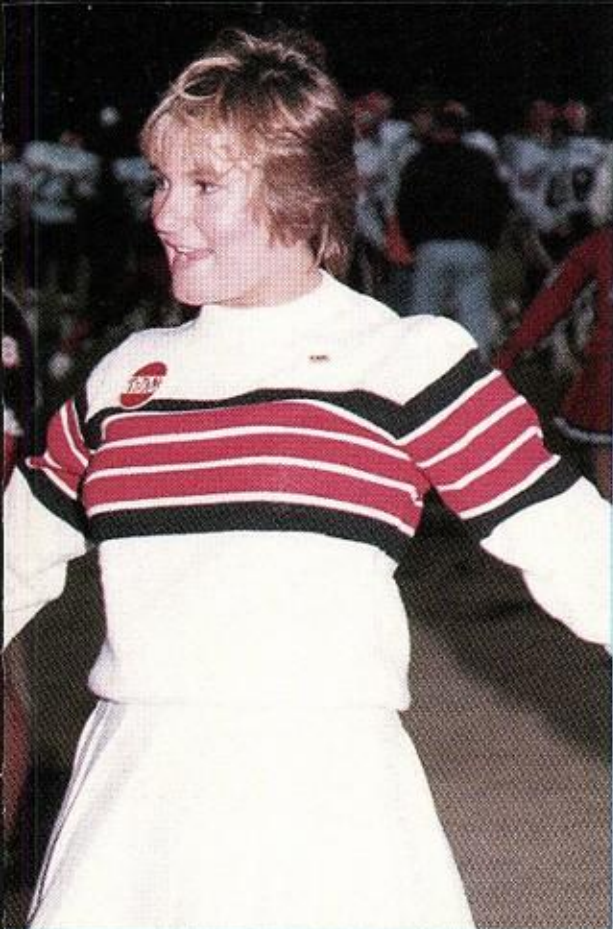

Spirit

Spirit

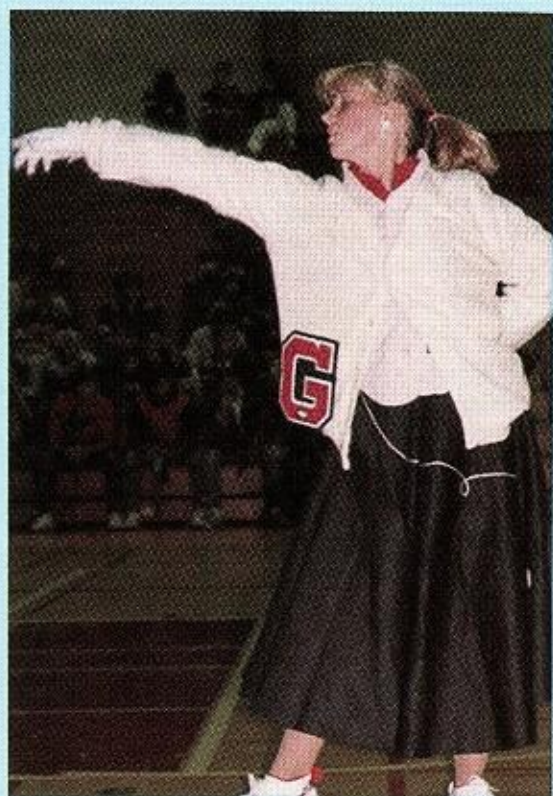

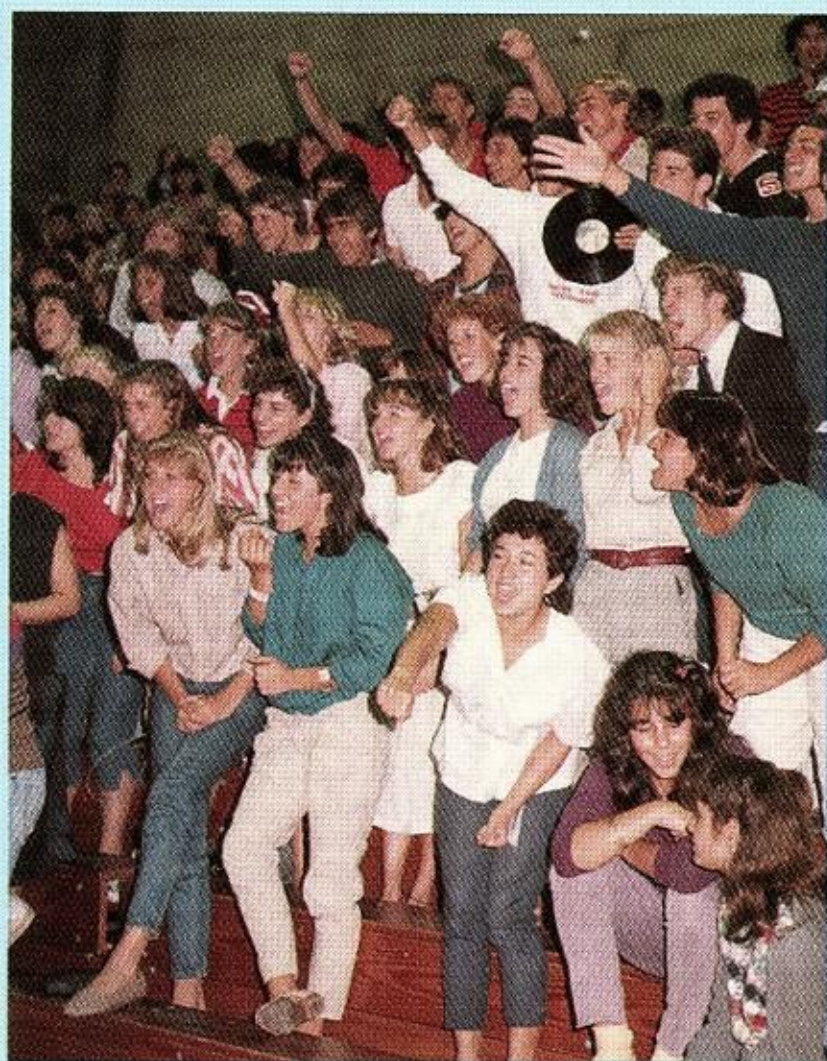

Spirit

Spirit

Spirit during the year has run especially high at Gunn. Participation in rallies, performances by the newly organized color girls, the marching band with its great new uniforms have all added sparkle to life on campus. The color and sounds make all of us glad to be Titans.

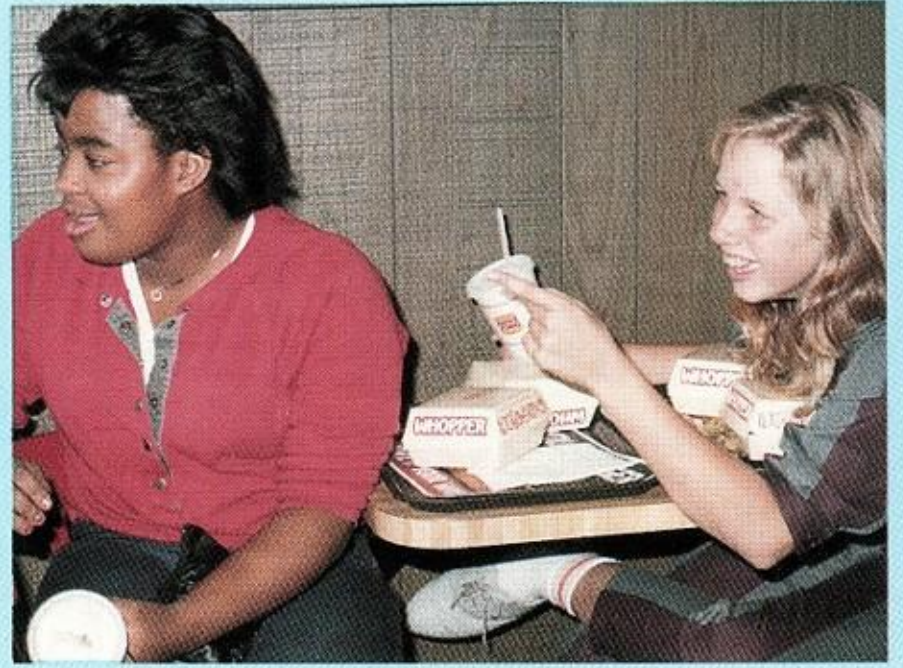

Off Campus

Off Campus

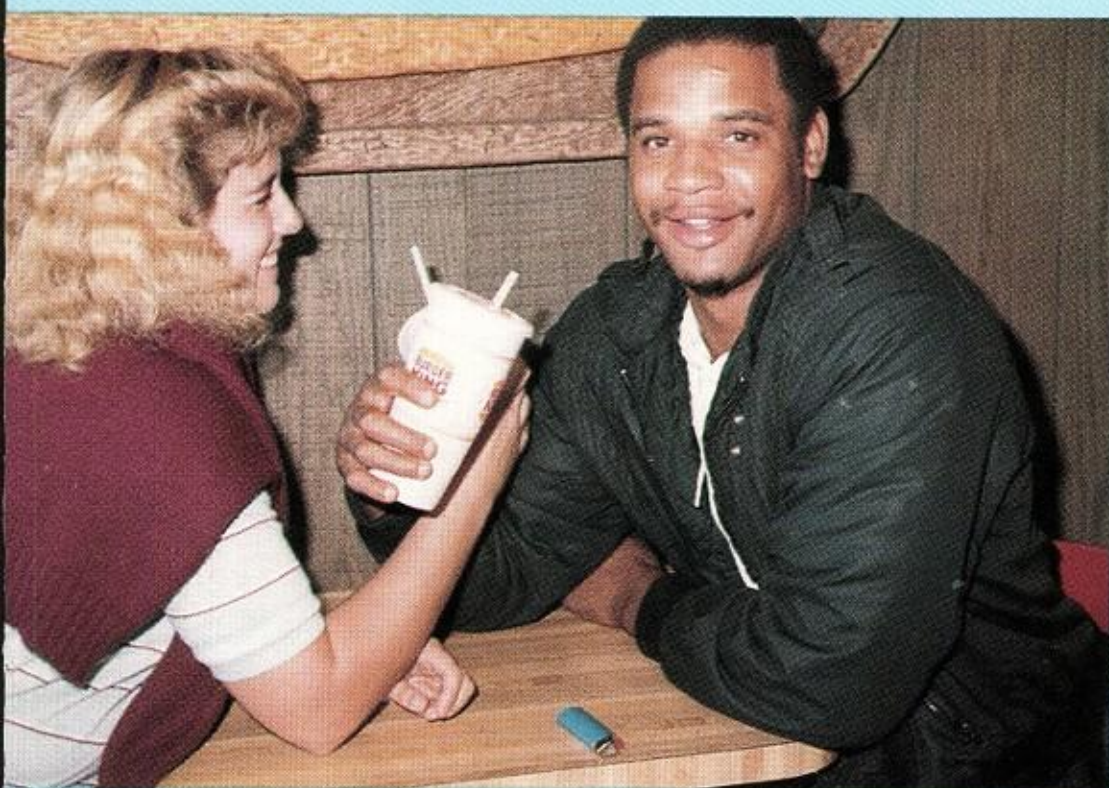

Off Campus

Off Campus

Some parts of campus life take place far from the quad and the classrooms at such favored hang-outs as *Burger King* and *Tower Records*. Browsing through *Norney's* and *The Puppet Store* or the various shops in San Antonio Shopping Center provide relaxation and fun for a host of students.

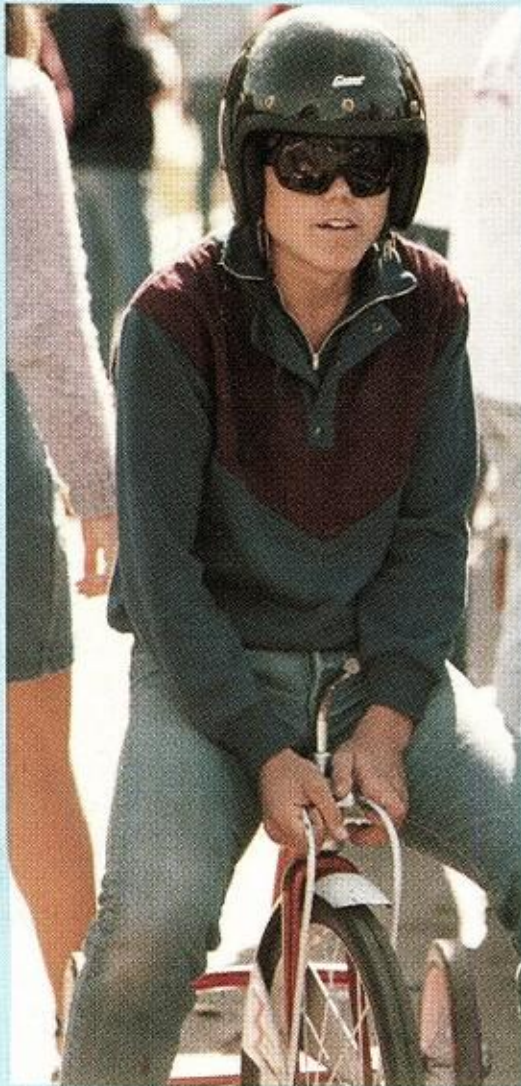

Homecoming

Homecoming

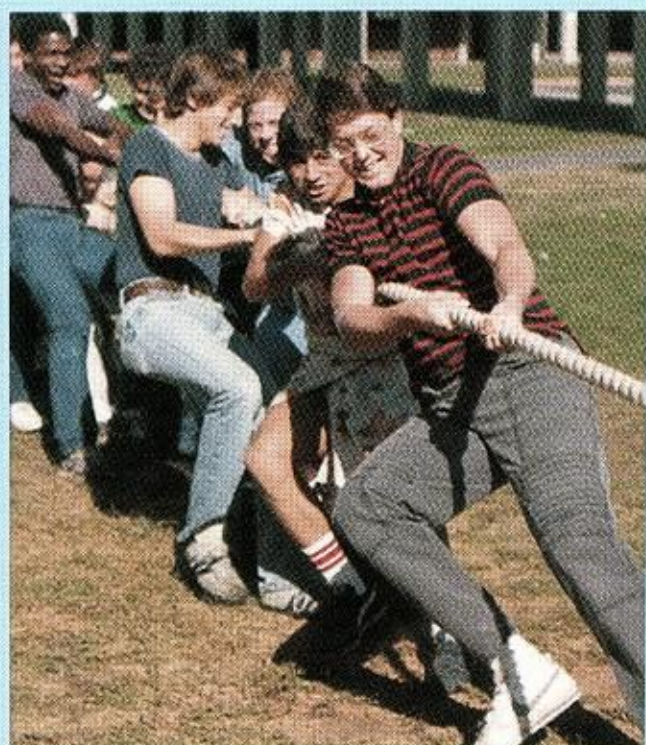

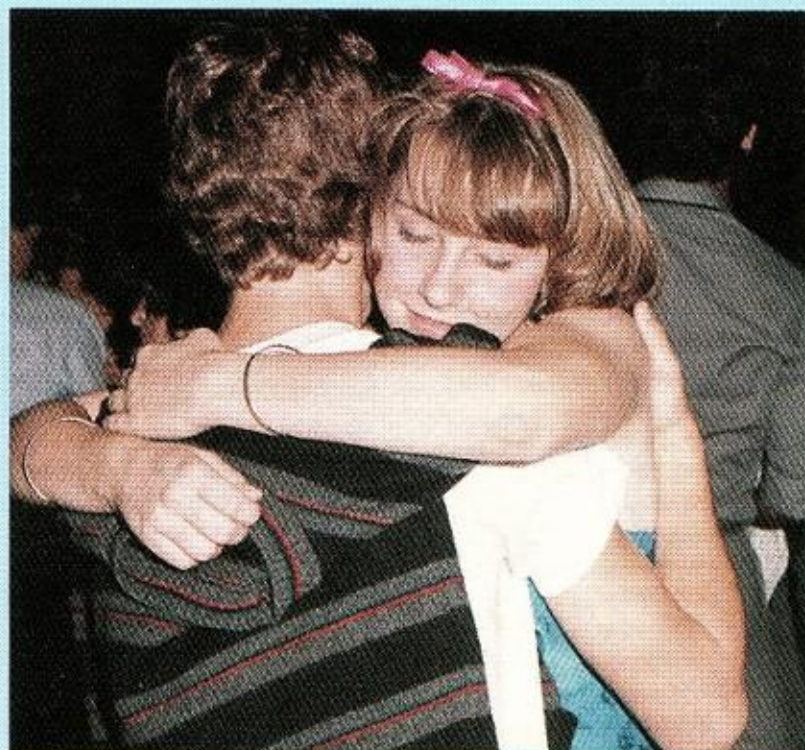

Homecoming

Homecoming

Homecoming. Ever familiar yet always changing. This year's homecoming featured a variety of events and gave the entire student body ample opportunity to be a part of the festivity. Highlights included an exciting football game, a great halftime featuring some of the best floats seen in a long time, and the crowning of King Jacob Roth and Queen Sarah Pearson. The dance following the game was a nice bit of icing on the cake. Well done, Titans.

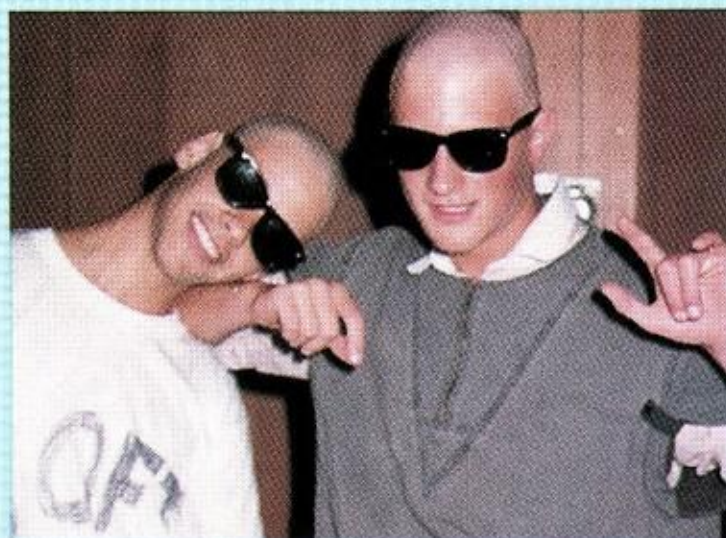

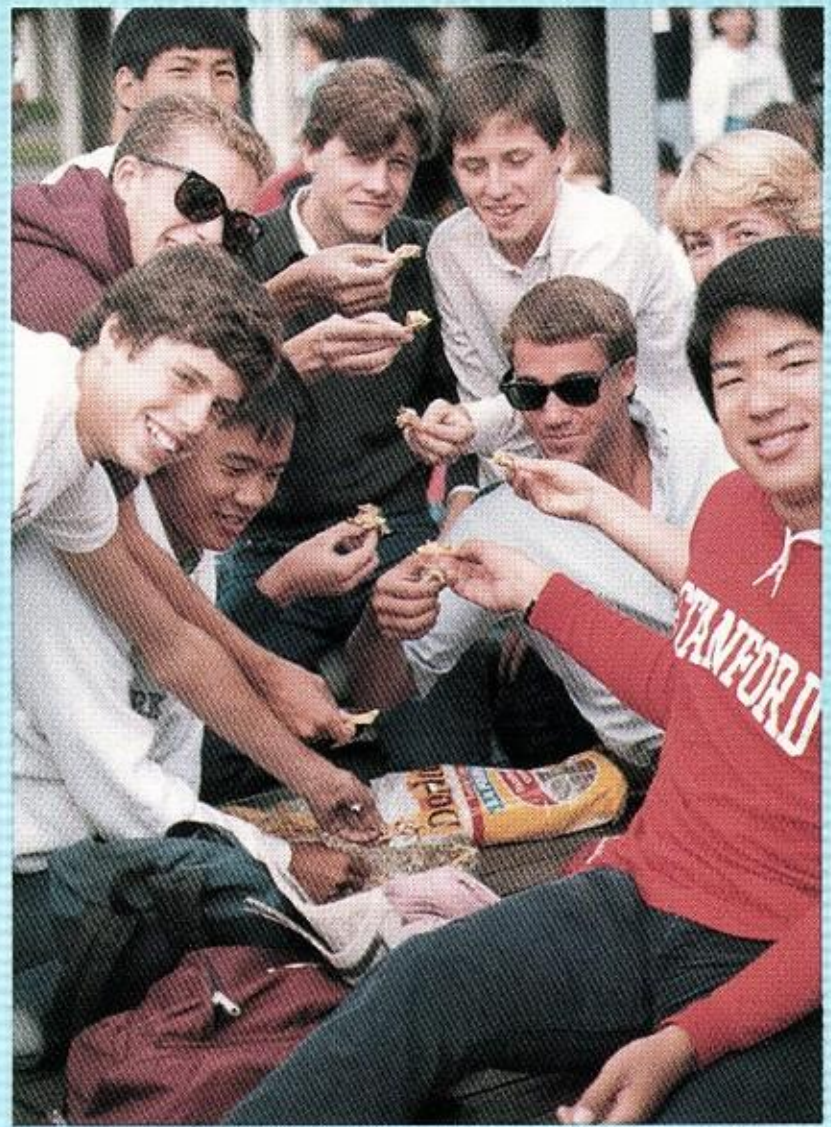

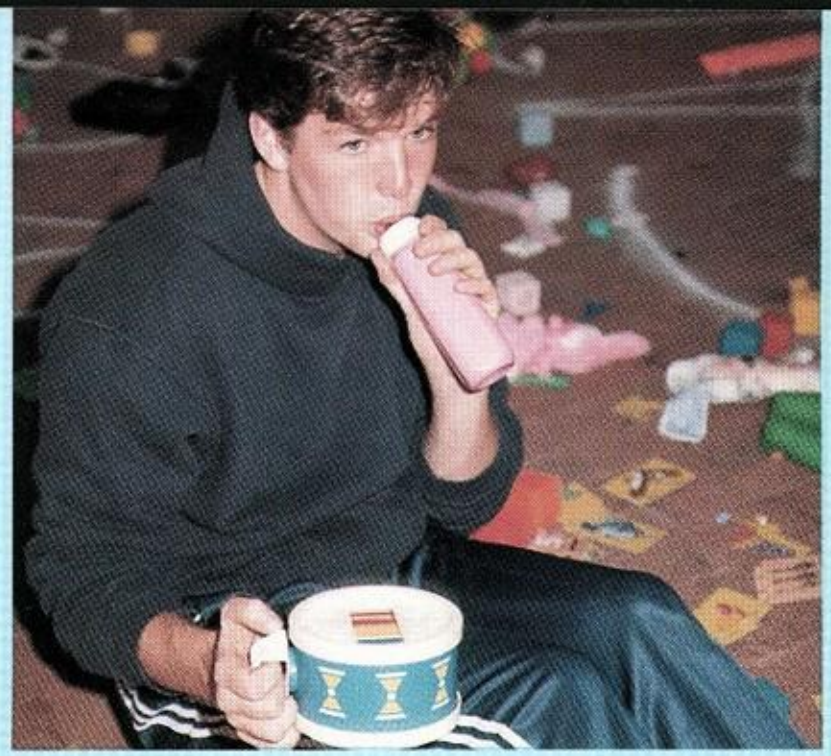

In Summary

In summary, the Gunn Experience has been a great one to live. The memories mainly are happy ones of times spent among good friends.

IDEALISM! GUNN, I BID YOU ADIEU!

A smile costs nothing, but gives much. It enriches those who give it. It takes but a moment, but the memory of it can last forever.

None is so rich or mighty that he can get along without it, and none is so poor that he cannot be made richer by it.

A smile can perk up the weary, bring cheer to the discouraged, sunshine to the sad.

Yet it cannot be bought, begged, borrowed or stolen, for it is of no value to anyone until it is given away.

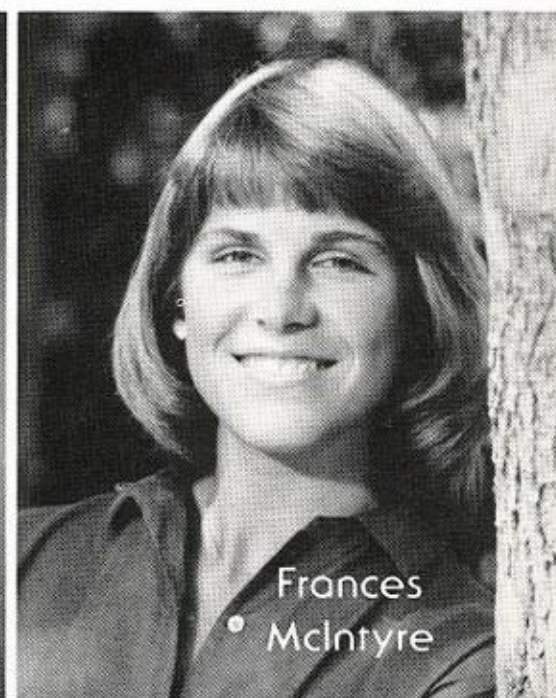

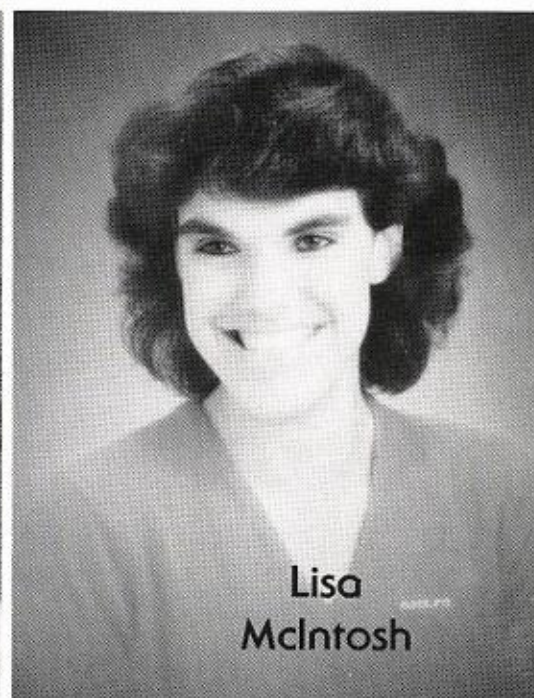

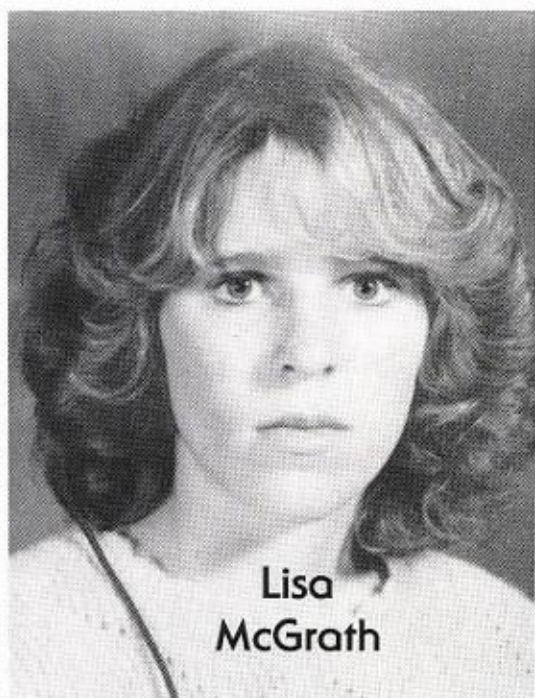

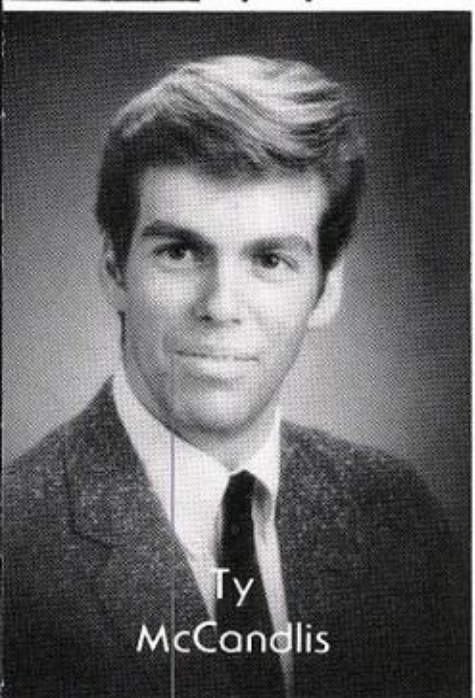

When people are too tired to give you a smile, give them one of yours, for nobody needs a smile so much as he who has none to give...

Thank you, gum, for all the smiles you gave to me! cm.

Now I lay me down to study, I pray the Lord I won't go nutty. If I should fail to learn this junk, I pray the world I will not flunk. But if I do, don't shed a tear, just put a rose behind my ear. Tell my teacher I did my best, then pile my books upon my chest. If I should die before I wake, that's one less test I'll have to take.

ments made use of the same general subjects: subjects were asked to guess numbers and playing cards. But soon came to recognize the importance of a new ESP test. This should be that were not already loaded with the subject. Numbers, for example, because they have values; we think in order (1, 2, 3, etc.), and certainly 7 are more likely to be selected than 13. This applies to playing cards. What was some new combination of designs that were as nearly equal to one another as possible, to seem strange to the subject.

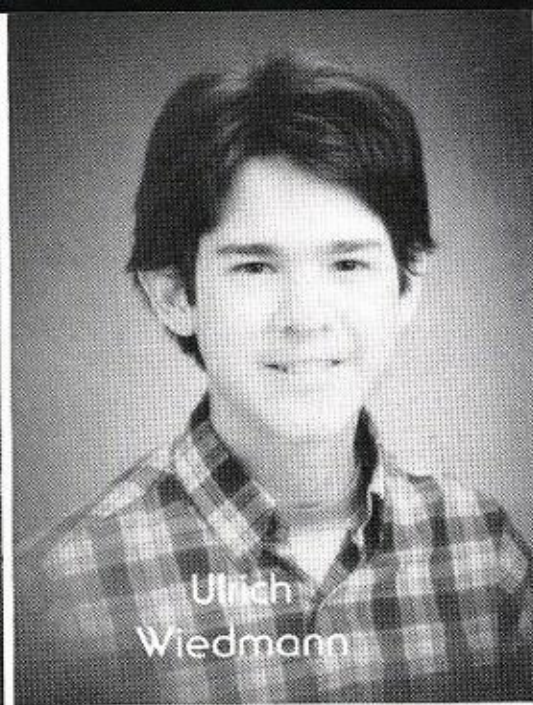

Christopher Whitmore

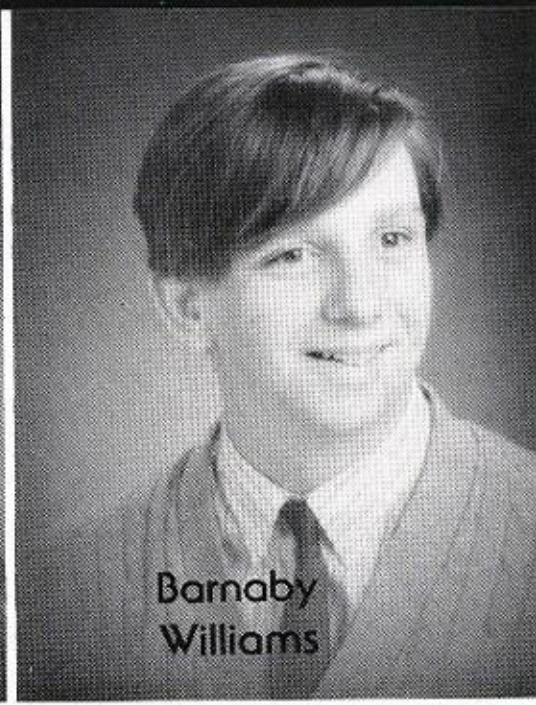

reflecting on my four years at Gunn, I feel happy, happy, happy, happy, happy, happy, happy, happy. Yes, it's a happy happy happy happy day, happy happy happy happy. We're all happy, yep yep yep. You won't catch anyone not happy around here, nope nope nope...but watch out...don't break your neck.

you want me to do what?
Reflect back on my four
years at Guinn? I'll bet
you want me to say how
great it's been thanks to all
my friends, and then list
their initials. Then your
going to want me to say
thanks to my family and
Julie. you'll probably want
me to say how much work I
has, named me these nice
years. Finally you'll want
me to write some green
quote and say "see you
later", or something
like that.
well, I don't think
I'm going to.

Varsity Football

Row 1: Gray Levy, Terry Fujitani, Manny Freitas, Jason Olaine, Tony Berendes, Dave Brown, Pablo Hernandez, Row 2: Coach Art Coan, Matt Wadleigh, Nick Angelhoff, Jon Williams, Gary Buckley, Brian Scott, Robert Kull, Andy Blum, Oliver Weiler, Coach Bob Peters, Row 3: Dan Familant, Bob Schilling, Kelly Coan, Justin Befu, Andy Coan, Tom Sutherland, Peter Hill, Scott Bridges, Gabriel Radavero, Row 4: Coach Jim Stephens, Scot Belli, John Reimers, John Hardy, Andrew Michel, Dane Stark, Troy Warren, Kirk Ellern, John Burdick, Coach Jim Malazzo, Row 5: Bill Rutledge, Scott Bunell, Jeff Turk

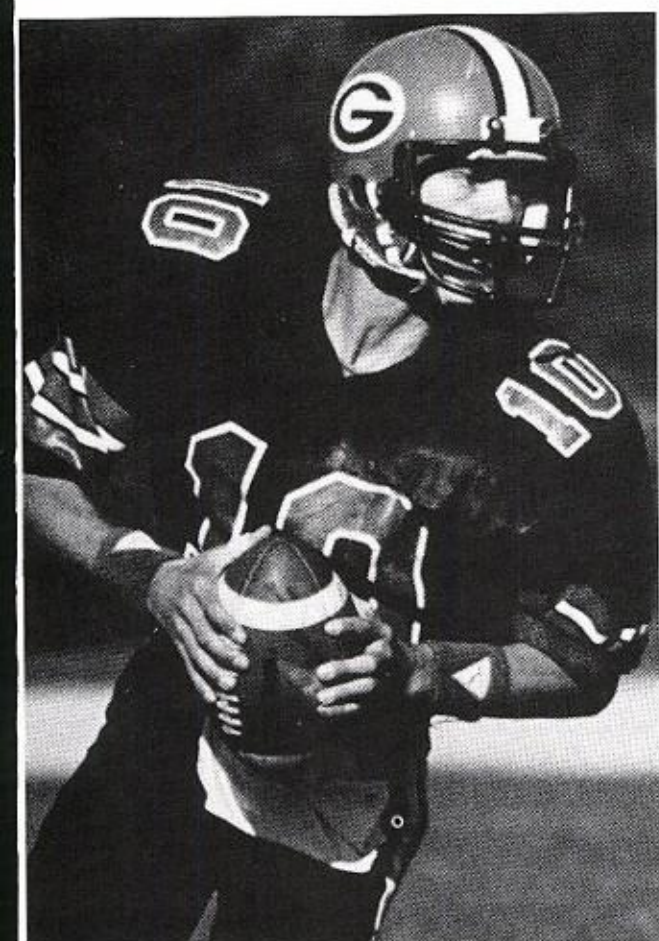

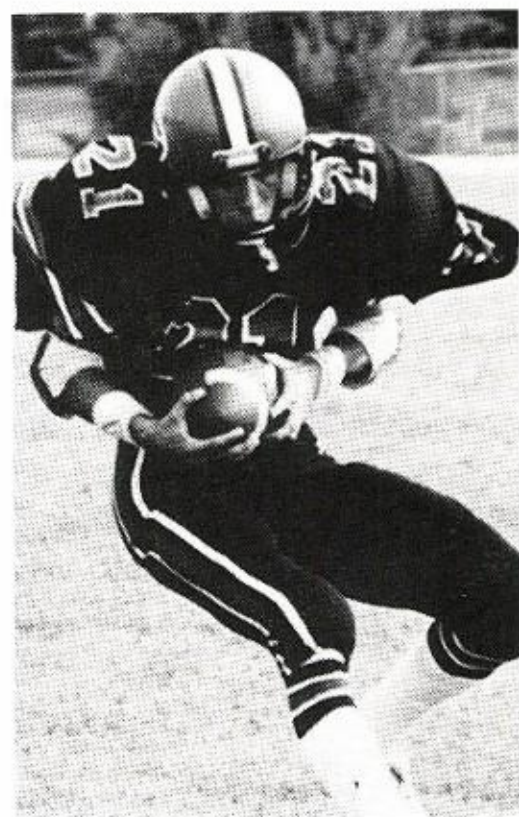

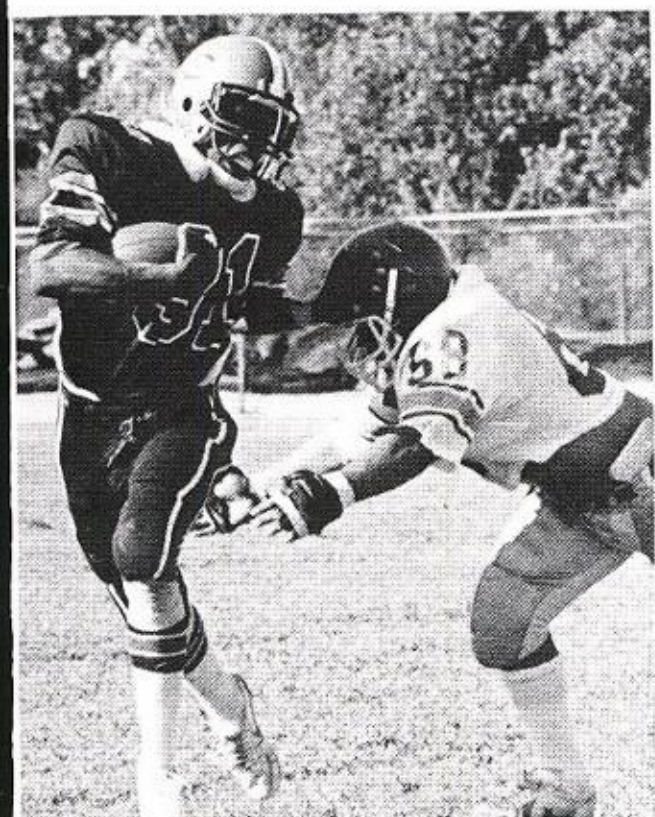

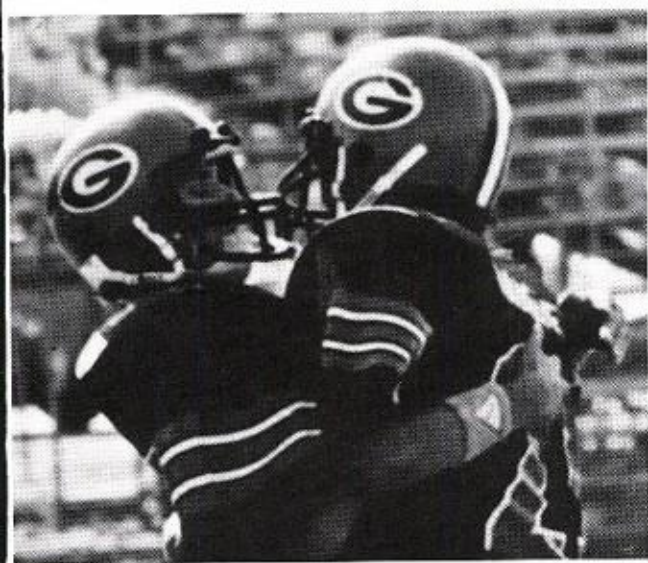

The support of the entire Gunn community toward the development of a quality football program added encouragement to the players as well as the coaches. Coach Peters felt that there were a few players that should be mentioned. He said, "Andy and Kelly Coan are two of the finest players ever to wear a Gunn uniform. Their records speak for themselves. Scot Belli and Scott Bunnell were two of the finest tackles in the league. Troy Warren delivered the hardest hit against Paly and Manny Freitas was the major participant in the most spectacular play at Gunn H.S. against Milpitas. Justin Befu was our most consistent back and other seniors who played a major role in helping Gunn, "turn the corner" included John Burdick, Gabe Raddavero, Rob Kull, Terry Fujitani, Dan Familant, Nick Angelhoff, John Hardy, Dane Stark, and John Reimers." The team this year is said to be more of a we team rather than a me team. The team members said, "Practices were much more brutal this year." The players began their practice season much earlier this year and worked very hard to produce the best team possible.

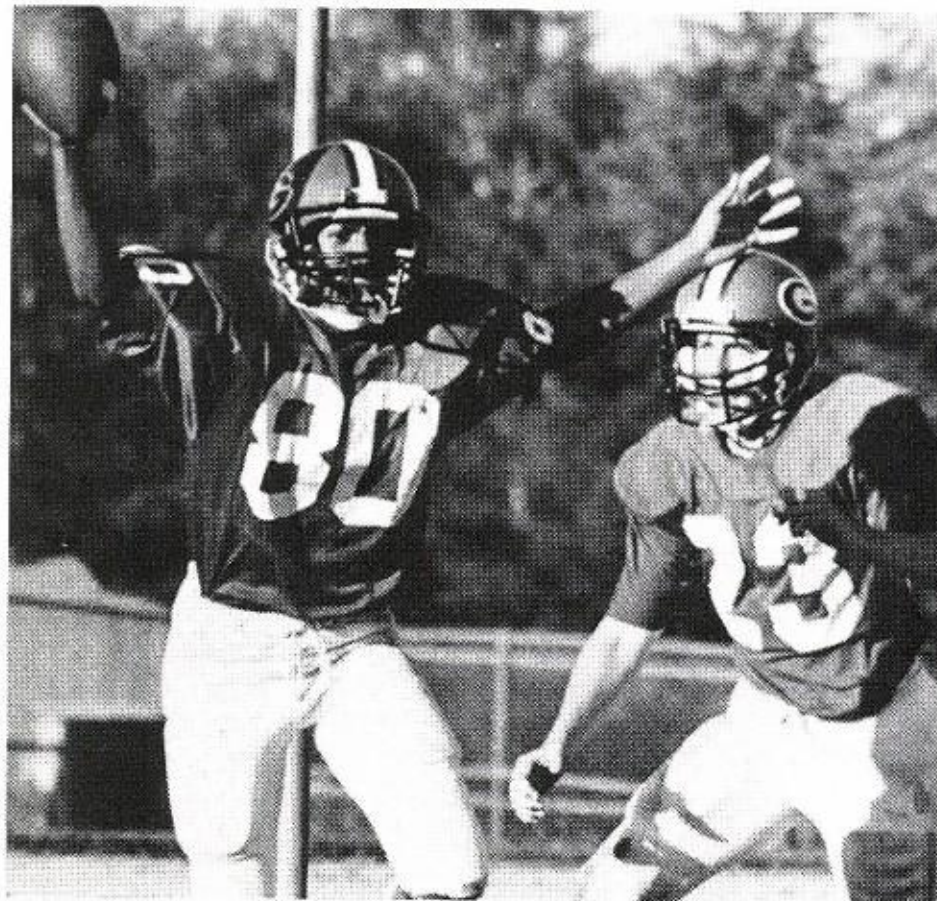

The most difficult game was our 14-13 loss to Milpitas which knocked us out of the playoff picture. The most difficult game to prepare for was Paly, because there is no underdog in a Gunn-Paly contest. It was also our most satisfying victory. The loss to Los Altos was the biggest blow to our ego, and the win (our first league win) over Santa Clara wrote the first chapter in the new Gunn football image.

The homecoming game against Milpitas didn't follow the script the team had written for the outcome of the game, but all the actors played their parts admirably. Coach Peters said, "It was the first time during my career at Gunn High School that I felt the game presentation was complete — complete from spirit to the marching band and the attendance of our supporters. He ends by saying, "It was fun. Let's do it again!"

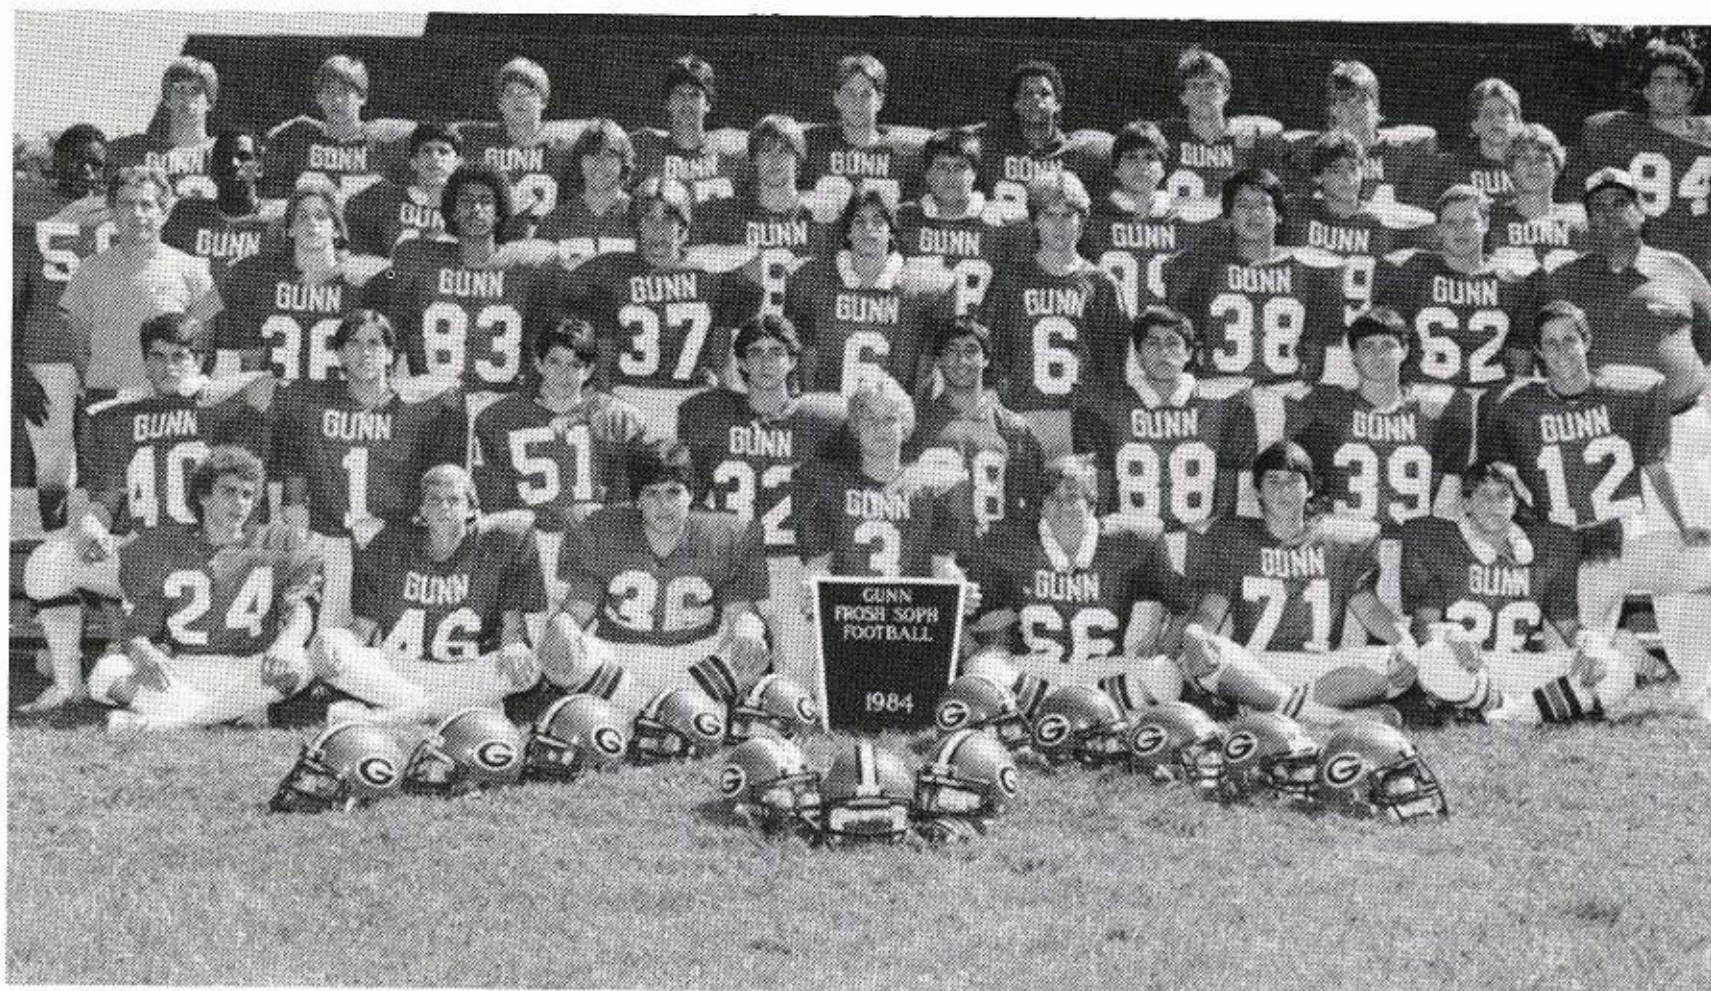

A couple of players, John Hardy and Scott Belli, said, "We actually looked forward to going to practice." The members of the team also stated that the coaches this year were really helpful and wanted a winning season. The team worked as a whole this year and produced a team that won games.

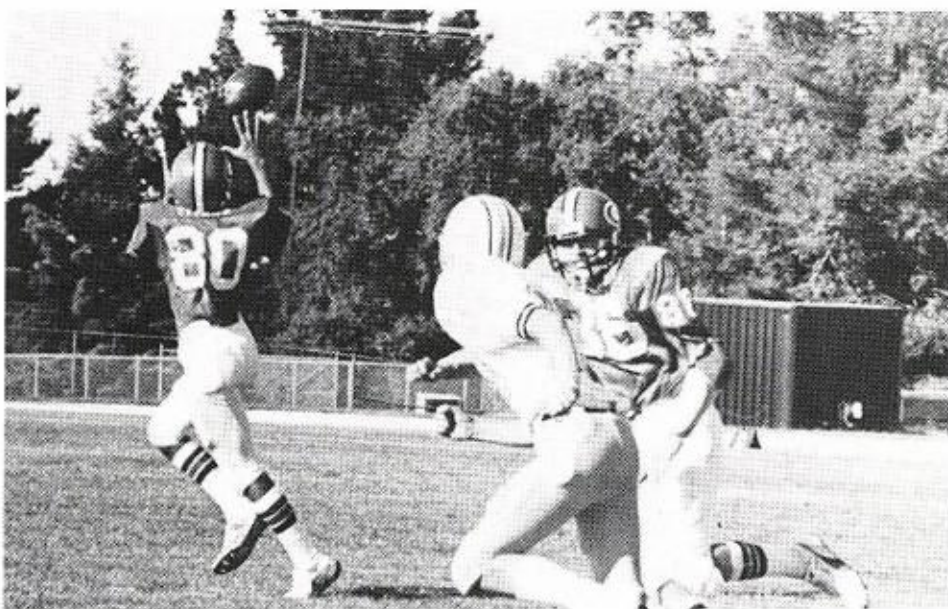

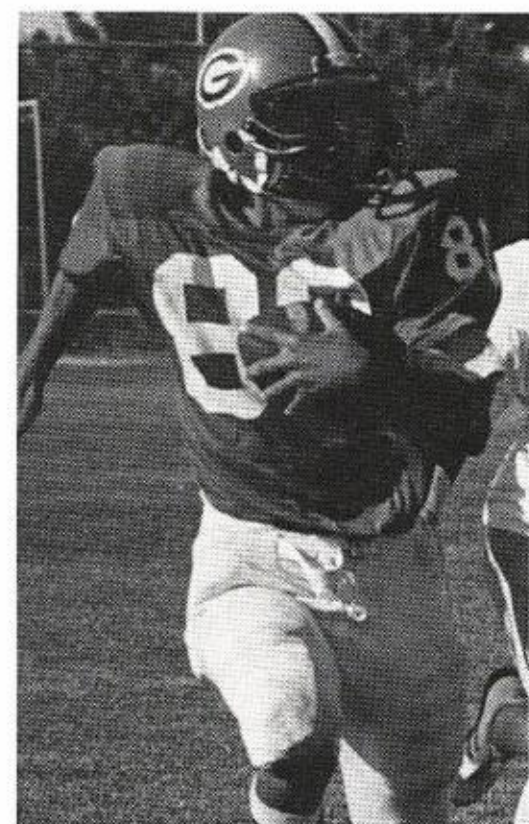

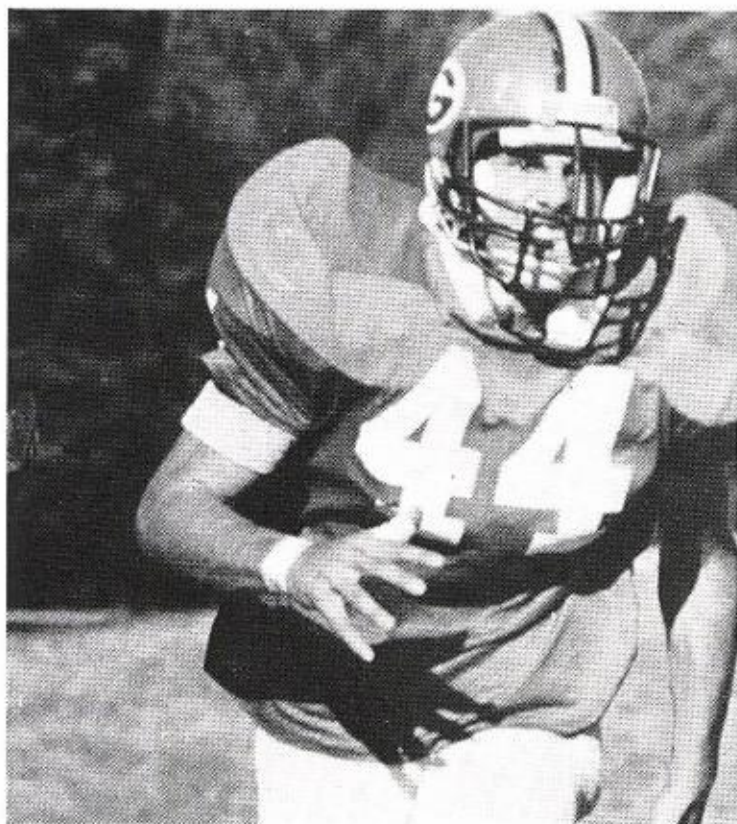

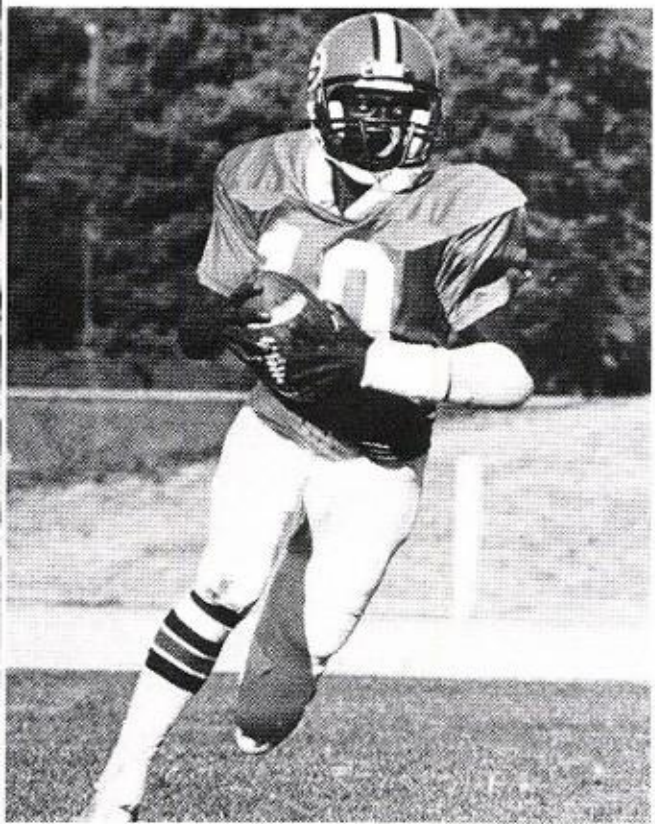

Frosh-Soph Football

The Frosh-Soph football team started a new tradition at Gunn High School this year. They had a winning season. The team is ranked third in the league. They had a chance at first place but lost their games to Paly and Santa Clara. The games were close, but our Frosh-Soph team gave it their all. The team this year has two new coaches, Norm Airolti, and Chevy Eusebio. The team members felt that the coaches pushed them hard and that it was all worth it. The encouragement from the students and faculty was much appreciated by the team. The team began their practices early this year and were prepared for a hard working season. The teams winning season is partly credited to the coaches a few of the team members said. The team worked as a whole this year and had a lot of team spirit among themselves. The team felt very satisfied by the results of their season and felt that they were better prepared to face next year's football season.

Swimming And Diving

"We're cool. We're hot. We win." This psyched-up spirit carried the Titans to a second SCVAL sweep in as many years. After another 6-0 season, with their only loss in a non-league meet against St. Francis, Gunn captured the Varsity championship in a cliffhanger of a meet. Paly challenged the Titans all the way through; the meet was finally decided by 7 points. The JV's won by a comfortable margin, beating their closest competitors, Los Altos, by over 100 points. In both categories, the divers gave the Titans an extra boost in their consistently outstanding performances which earned Gunn crucial points. Leora Broydo and Wendy Crossman had especially good seasons, along with Jv'er Geula Groner.

One big reason behind both the swimming and diving success is the team's depth. "This isn't a team of a few stars-it's a team of a lot of dedicated, team-spirited swimmers," Coach Little commented. "If I need someone to fill a gap in the lineup, there's always plenty of people who volunteer, even if they don't like the event." But with 75 swimmers, there are bound to be some who are exceptional: Varsity leaders Carrie Larson, Aimee Vosti, sisters Julie and Michelle Hopkins, and Kaaren Eagle helped the Titans to a 7th place finish in CCS, along with freshman standouts Alicia Briggs and Amanda Oakson. The medley relay team of Oakson, Larson, Vosti, and Robin Leckonby almost made an All-American time, only missing by one-hundredth of a second. Altogether, an impressive team.

But it is their spirit and camaraderie that makes the Titan swimmers and divers special. As Coach Little put it, "This the most team-spirited group of athletes Gunn has, fall, spring or winter." Most Center Quad frequenters can tell about the Titan team cheers before big meets. And any member recalls the swim team experience. "We're one big happy family," as one swimmer remarked. Congratulations to our champion Titan family.

Cross Country

This year's Titan runners had a hard time with illnesses and injuries: at one point none of the Varsity girls could run, and the Frosh-Soph girls were forced to fill in. Even with many runners in and out with problems ranging from the flu to a bee sting, the team had almost 70 people working out every day. "It's controlled madness," Coach Daner described the various groups of runners moving off in every direction. Of the four teams comprising the whole Cross Country team. Three placed second in the league and the other placed third. The most hard-fought meet, the boy's Varsity championship, was lost to Mountain View by only one point. "We did quite well, considering how many people were sick," Daner remarked, "but . . . it *would* have been nice to get that extra point." Boy's all-leaguers Roger Kohne, Bill Arnoff, and Mike Sheehan redeemed Gunn by placing 2nd, 5th, and 10th, respectively, in the regional meet. Boy's Frosh-Soph, led by Kingdon Offenbacher and Jeff Dukes, placed third in SCVALS. Both girls teams came in second in the league. The Varsity runners, hardest hit by illness, pulled together for CCS, beating the champions, Mountain View; Molly Black and Jenny Pickering made all-league. The F/S girls had four all-leaguers; Kara Ormsrein, Sarah Shure, Tsofir Arieli, and Anne Vlaschke. "In terms of working hard, pulling together and caring about each other, I think it's been a very successful year," Coach Daner concluded. "I can't complain."

"Both the Varsity and Frosh/Soph teams had building years," said Coach Matt Stoll of his water polo teams, "We had a good season, but we will continue to grow and get stronger for next year." Second year Coach Stoll believes that the inexperience of many players leaves much room for improvement.

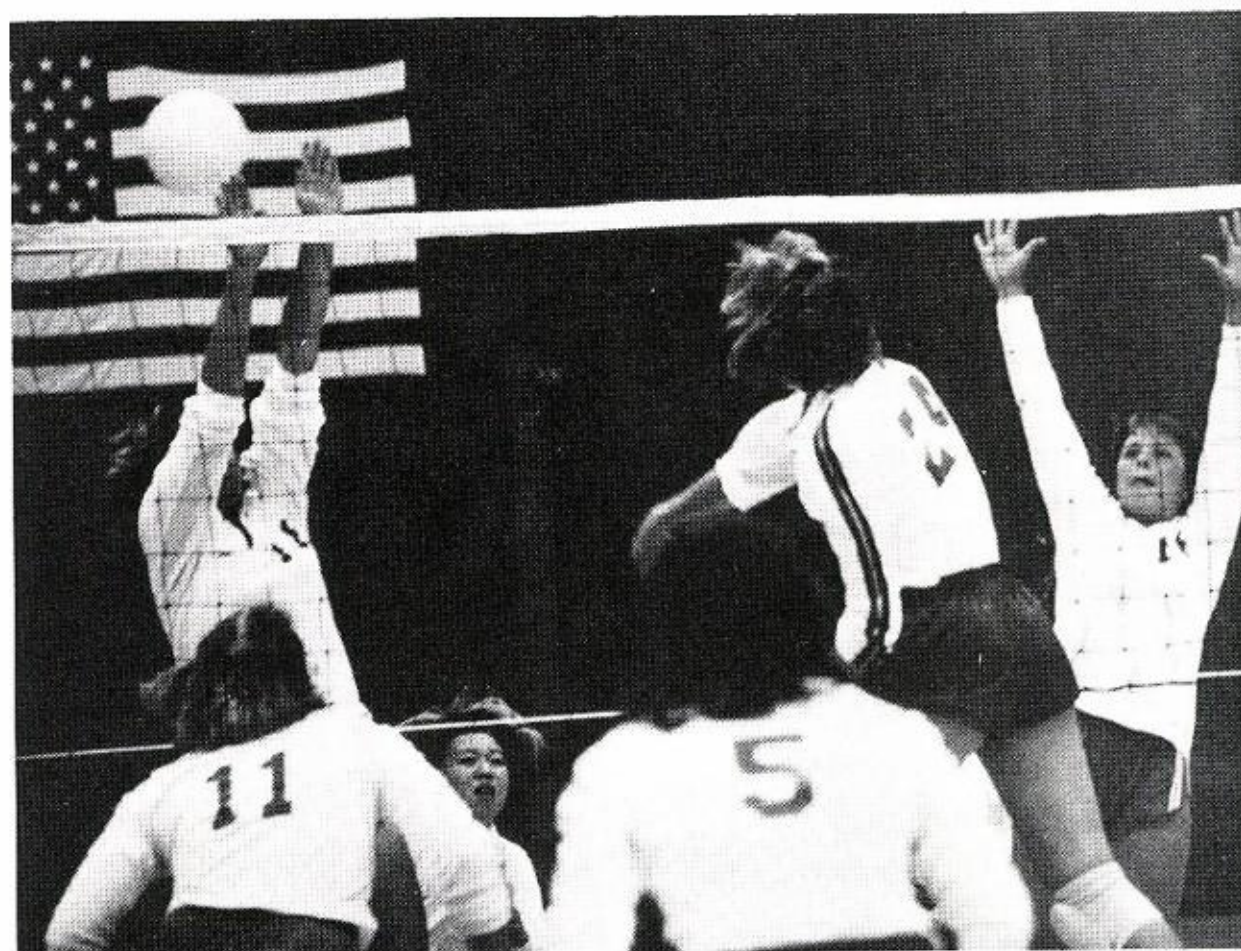

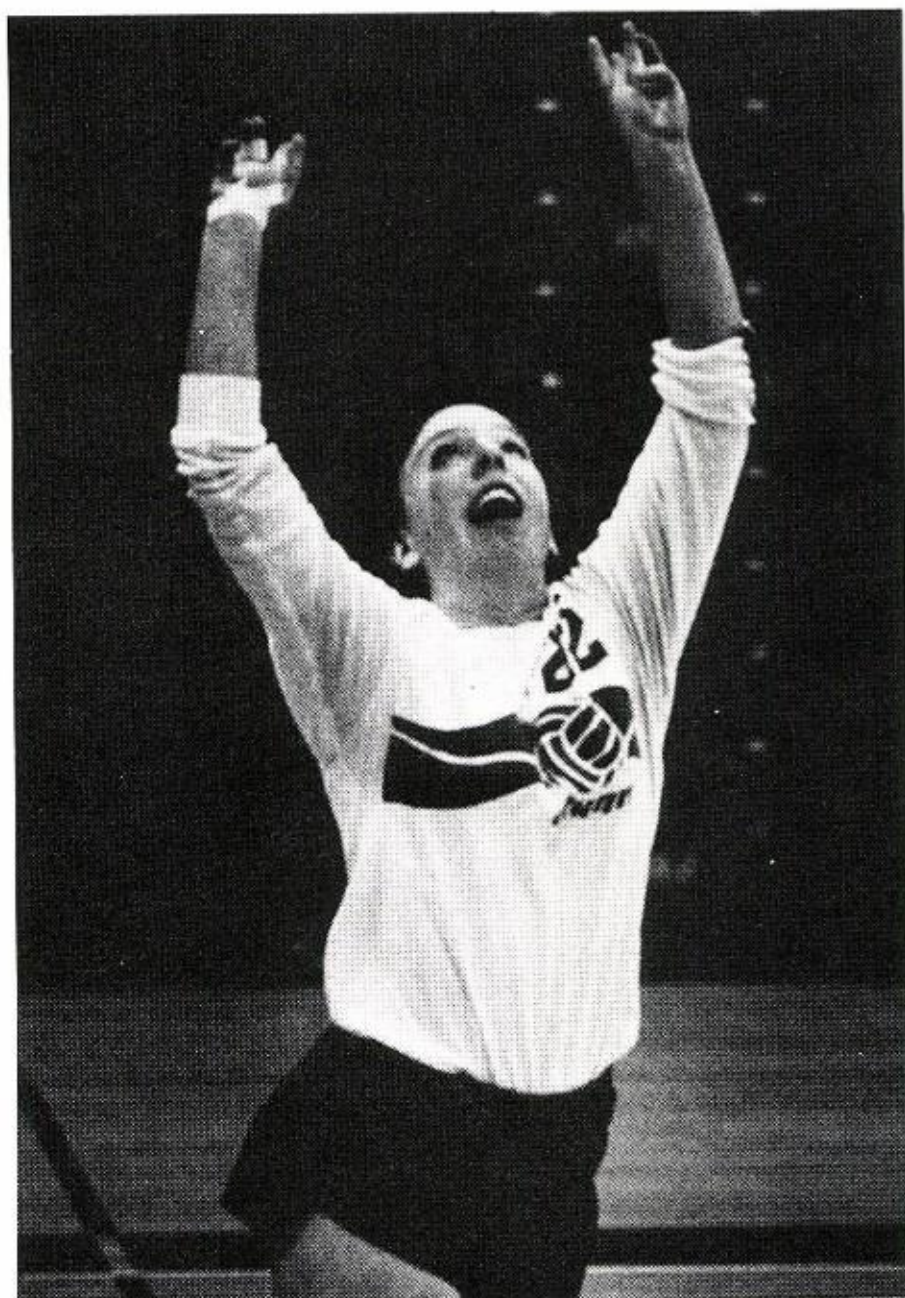

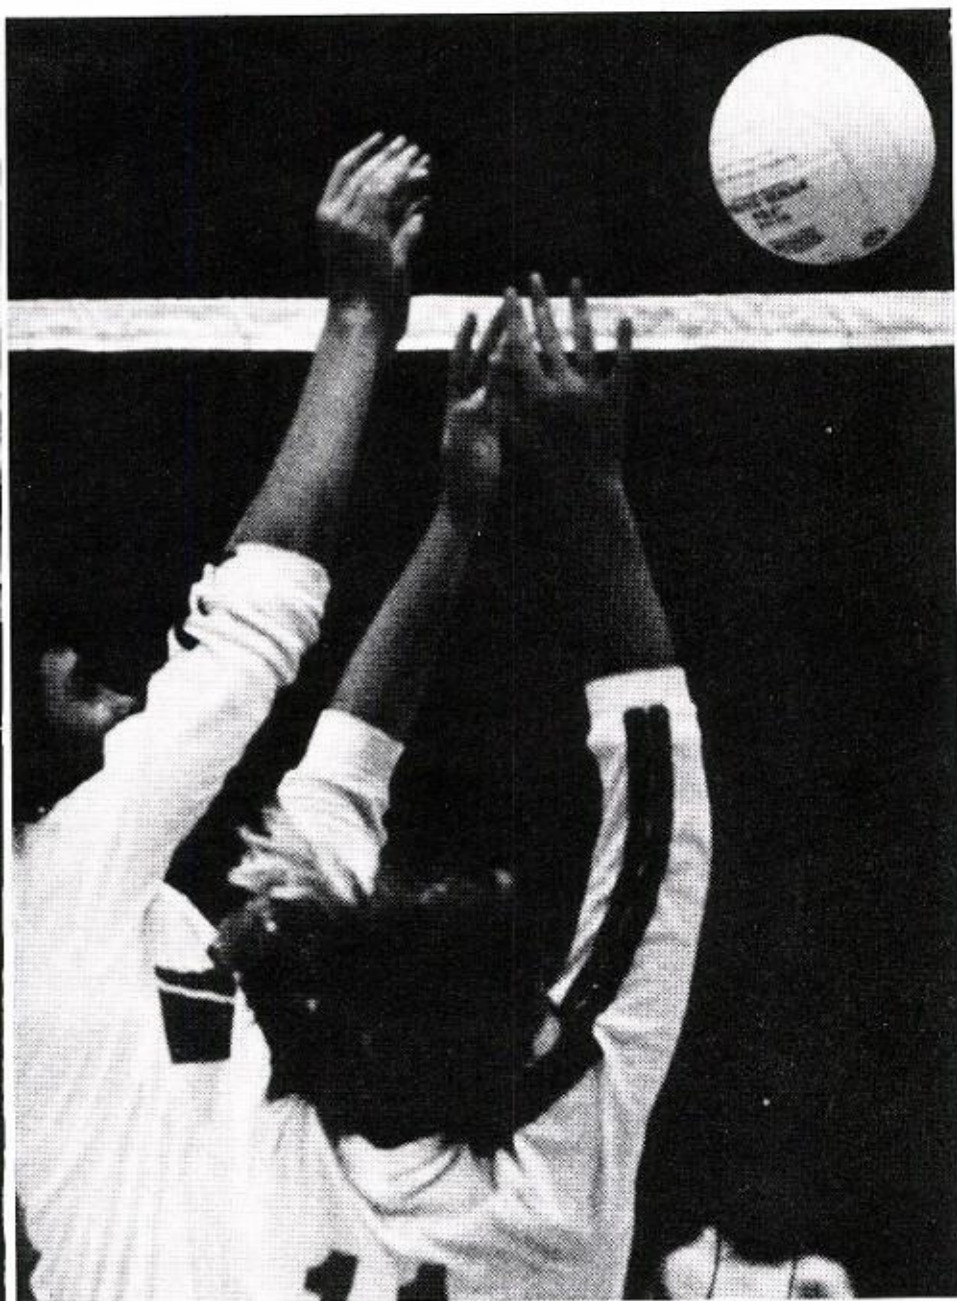

Plagued by sickness throughout the year, the teams managed to hang on to winning records. (10-6, Varsity and 7-5, F/S) The Varsity's most memorable moment was against Paly, in which Gunn, led by senior captain Lenn Rosenberg and junior Joe Murad, beat Paly for the first time in four years. Although the F/S team was very inexperienced, Coach Stoll expects to have future Varsity standouts in players such as sophomore Doug Little and freshmen Chris Laliberte and Joey Taylor. Because of the different skill levels apparent on both teams, Stoll is optimistic about the success of future Gunn water polo programs. "We had many obstacles to overcome this year (inexperience, sickness) but we still managed to have a winning season. That's the sign of a "winning" team."

Varsity Volleyball

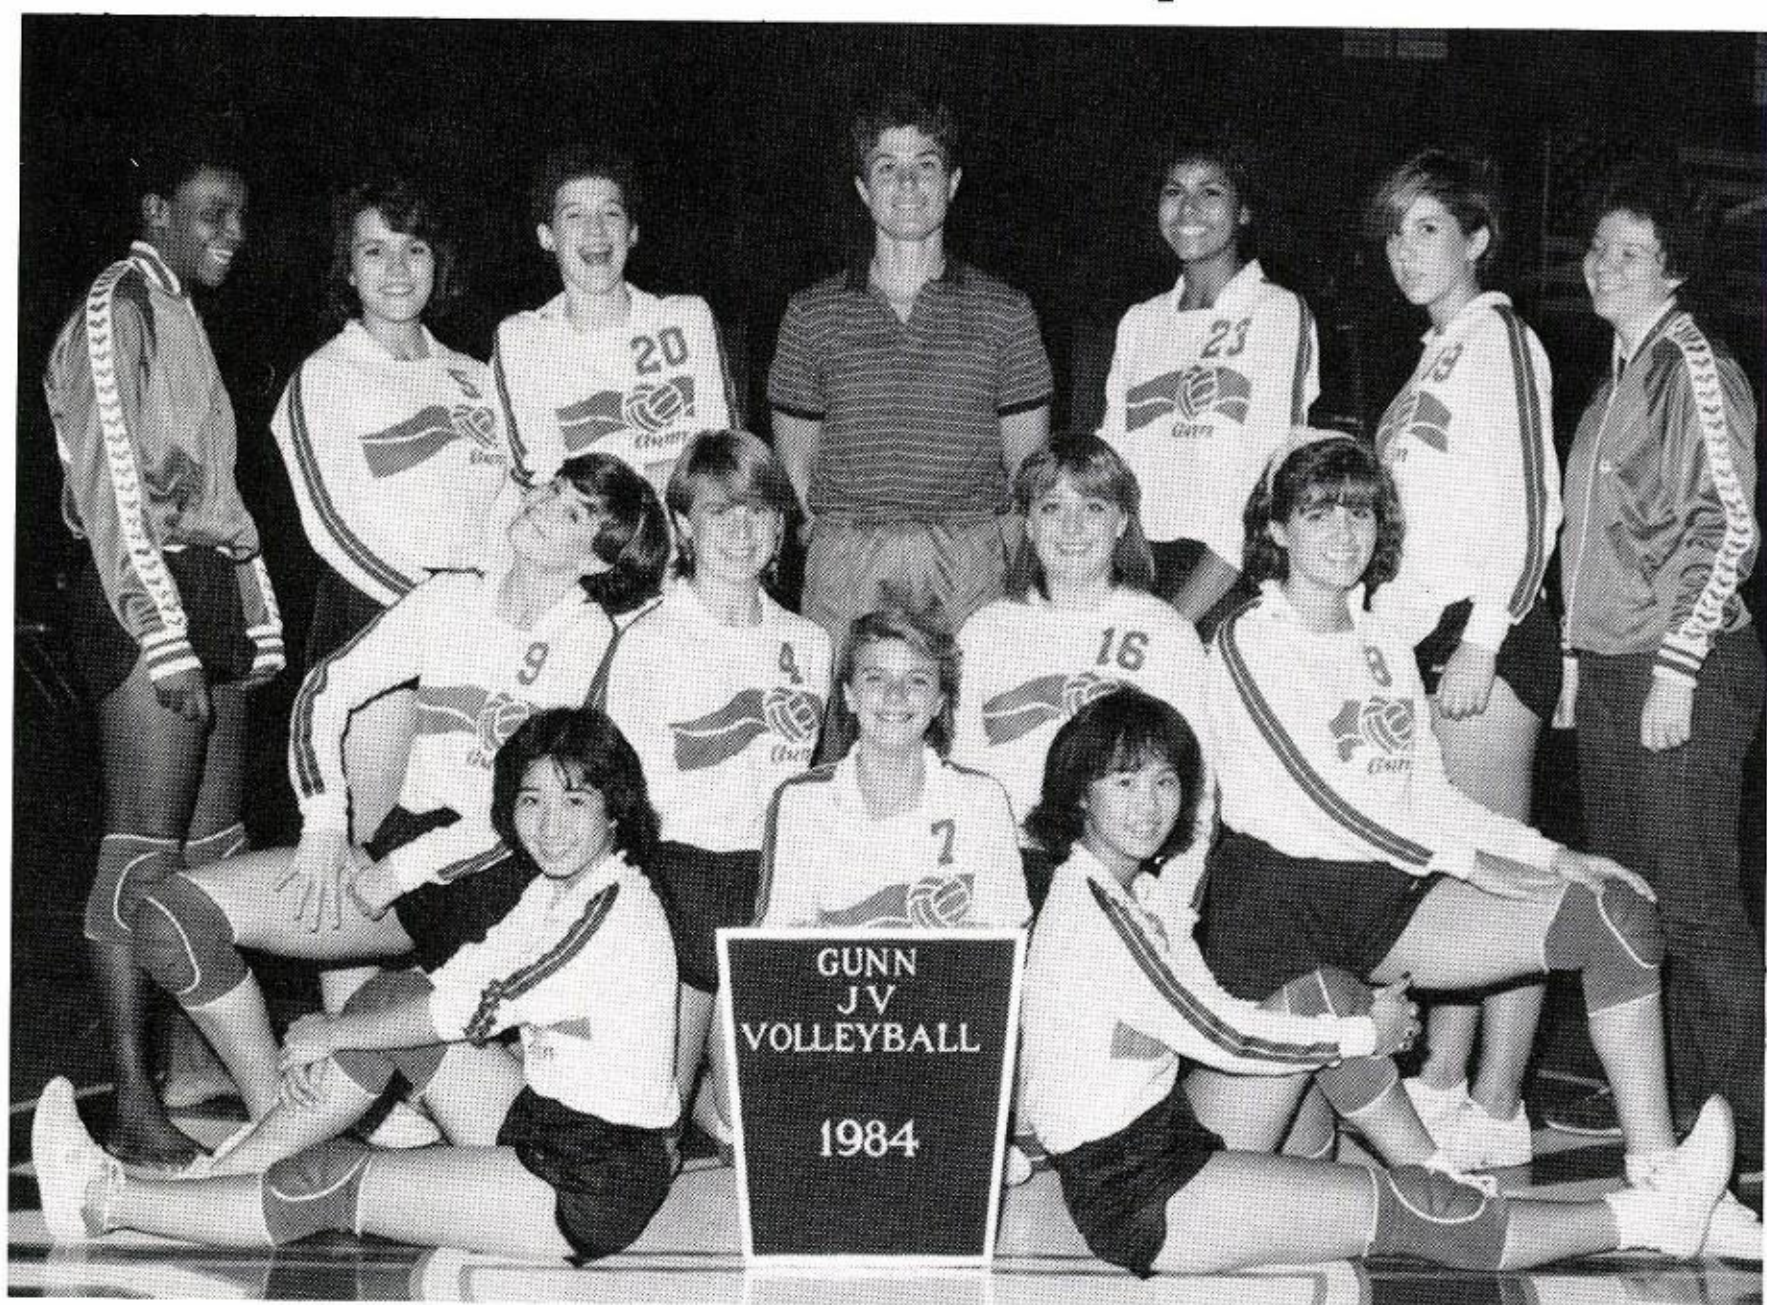

Row 1: Coach Paul Draper, Liz Peters, Virginia Thompson, Dorothy Vendley, Joanne Nielsen, Lisa Drews. Row 2: Carrie Nivison, Paige Coan, Alice Moore, Alison Vickland, Stephanie Wissig. Row 3: Heather Beach, Mindy Dalrymple.

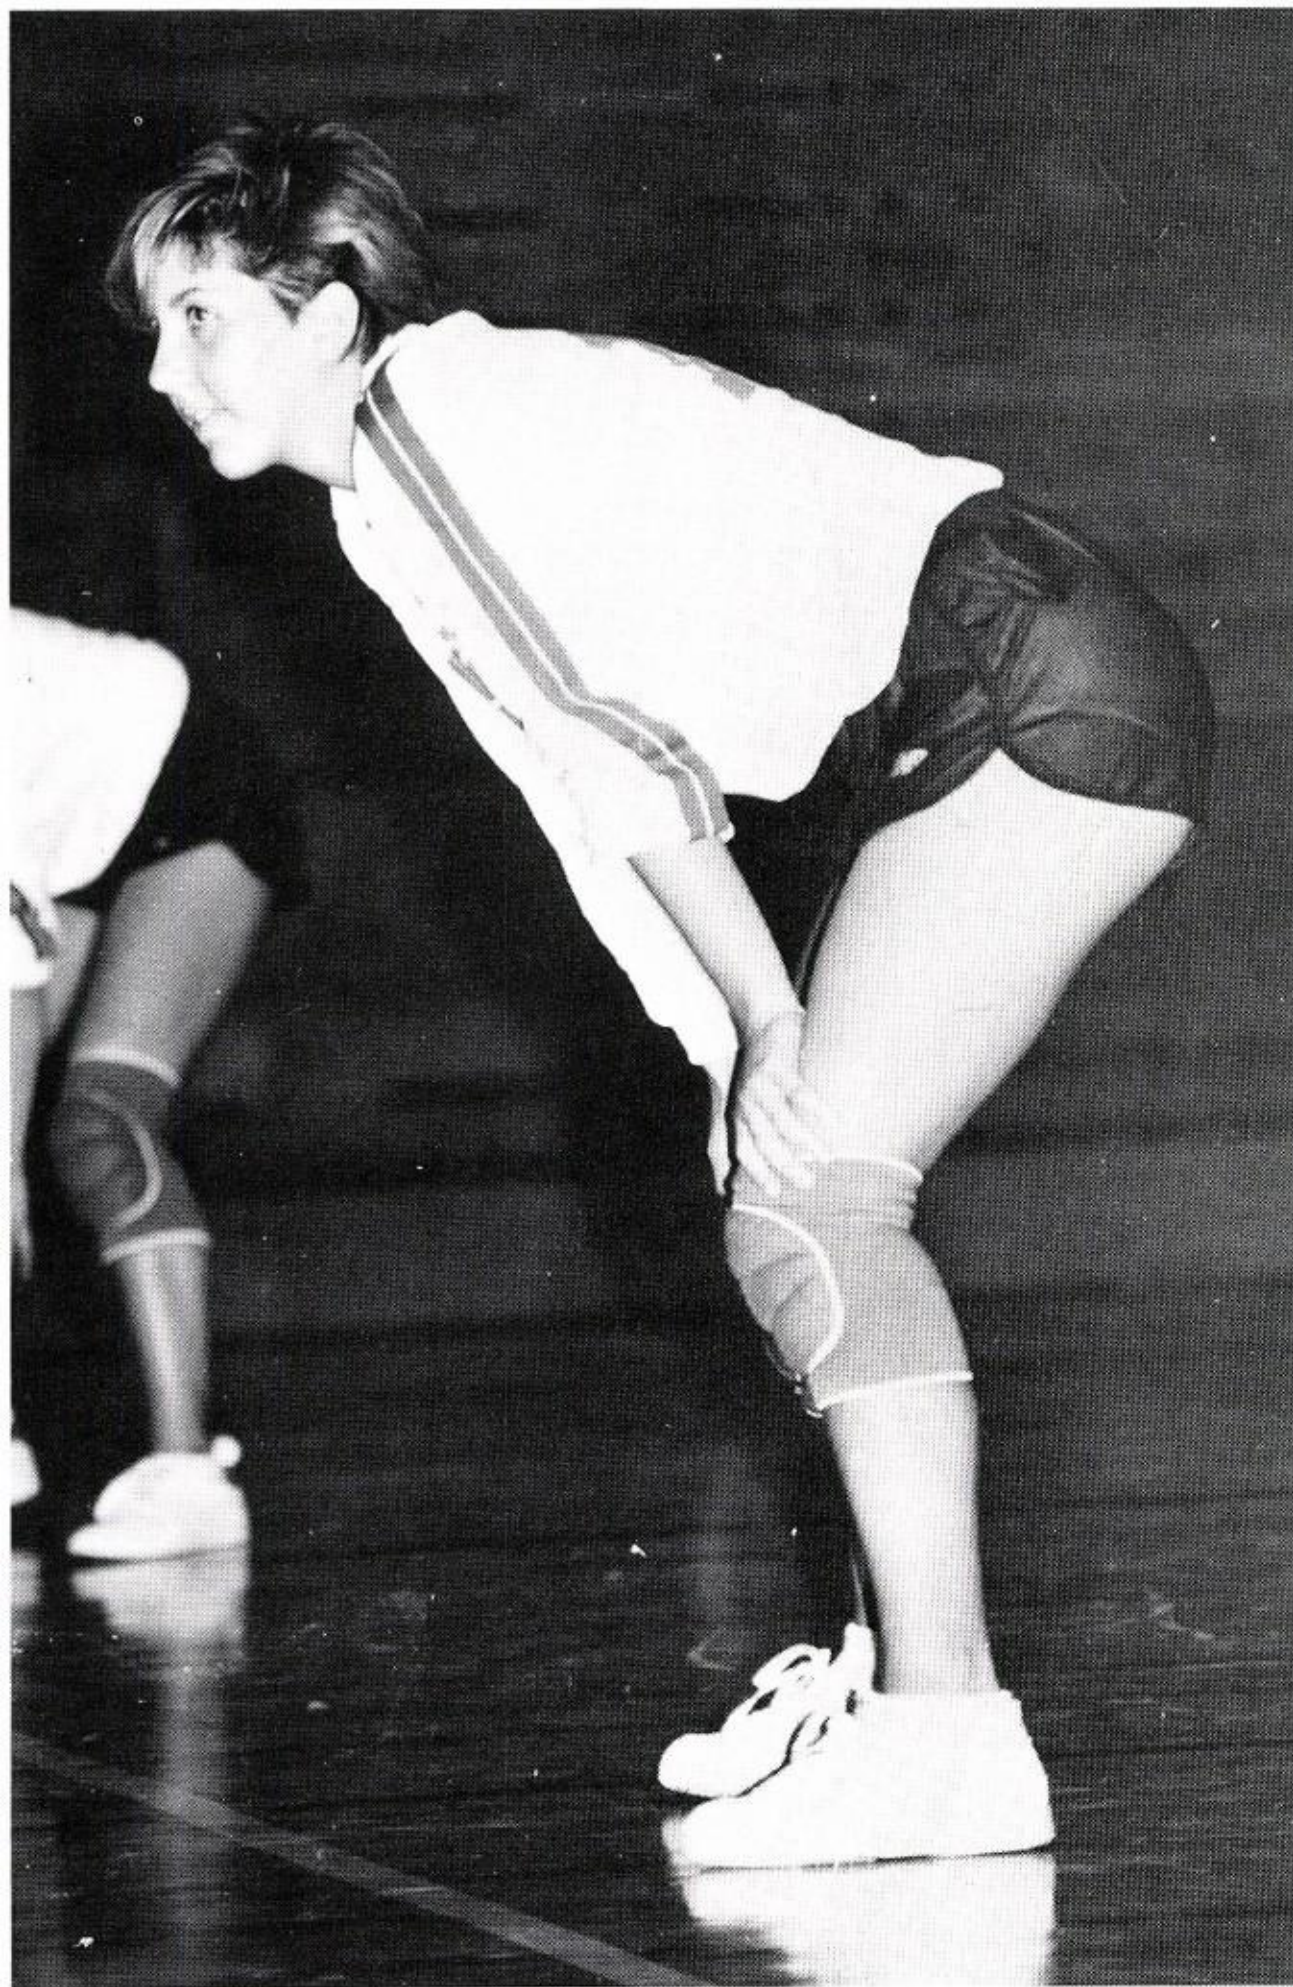

A shout of "Little Animals" from varsity volleyball coach Paul Draper brings his players sprinting to a certain spot on the court, dropping everything behind them. This scene was familiar to the Gunn High gym. Practice was getting serious. The outcome was inevitably a few pressure relieving moments of uncontrollable laughter. But, after all the fun and games, the squad would settle down and "would really work their little hearts out" claims second year coach Draper. And work they did! The girls served, hit, blocked, and spiked their way to second place behind Los Altos in the S.C.V.A.L. Gunn met with Los Altos again in the semi-finals of the Northern California competition. Those four games were the highlight of the season and although the Titans lost, (5-15, 15-11, 3-15, 13-15) coach Draper states, "We had a very very good season and have gone further than I expected." He credits the team success in part to the leadership of captain Liz Peters and Virginia Thompson and outstanding play by Joanne Nielson, Carrie Nivison, and Alison Vickland. Returning players will resume practice in August '85 and look forward to another successful season next year.

J.V. Girls Volleyball

Co-captain Mary Jane Marcus concentrates on the serve to come.

Somewhat left in the shadow of the success of the Varsity, this year's J.V. volleyball team put forth their best effort throughout the season. Coach Stephanie Adcock was proud of the performance of the girls and is optimistic about the success of these players as future Varsity standouts. Through leadership of sophomore co-captains Mary Jane Marcus and Louise Laub, the J.V. squad played to a 6-6 record. "We had a good season, but we could've done better. We had many great individual players, but seemed to have trouble working as a team," stated Louise. Mary Jane adds, "I don't think we took practice as seriously as we should have. We had great spirit, but our short concentration span at practice hurt us in league play. "Overall, the team had a good season and key players such as Linet Johnson, Deanna Huang, and the two co-captains added depth to the '84-'85 J.V. volleyball squad.

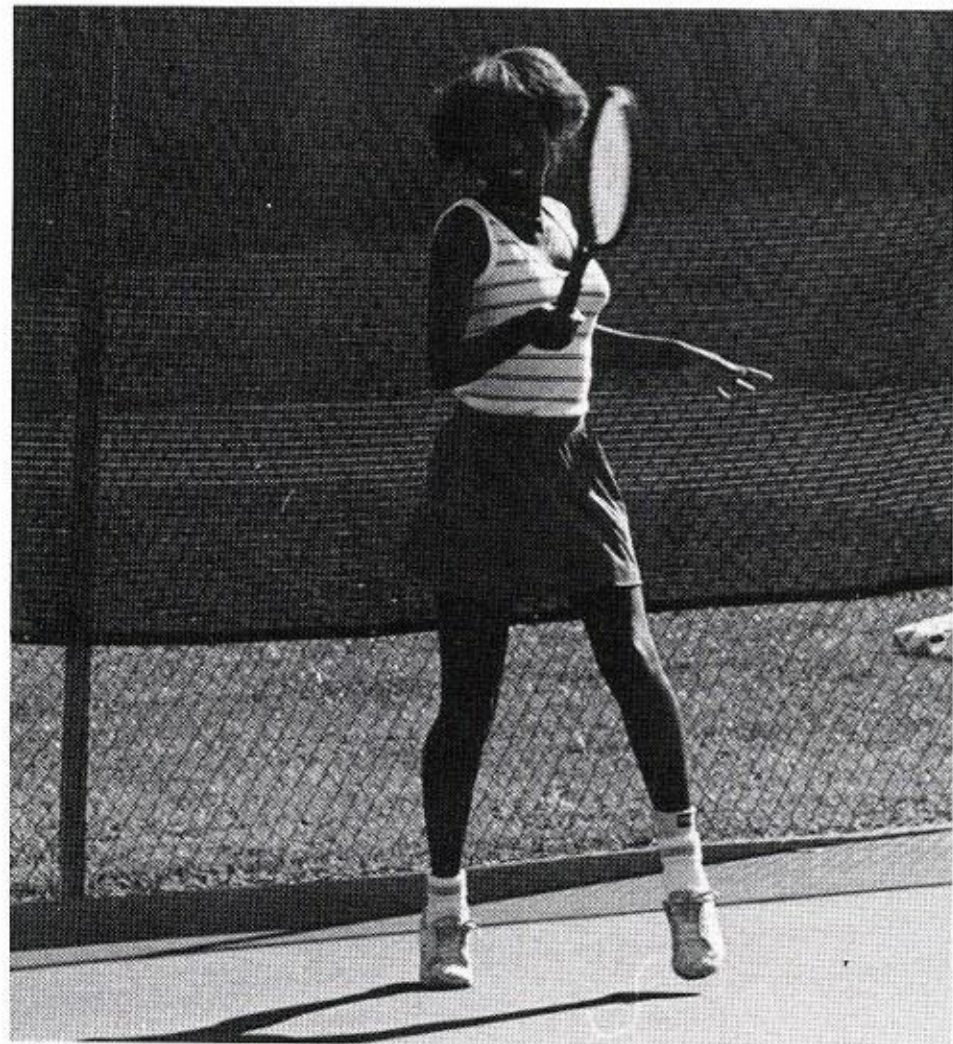

The *Olympian* Sports Staff regrets that accidental damage to our film prevented us from providing better coverage of J.V. Volleyball. Through the generosity of Tony Tam we are able to publish the pictures on these pages. Our most sincere gratitude to Tony.

The Gunn tennis team had an excellent season this year. The varsity team won the league and became the league champs. The J.V. team finished undefeated and also was the league champ. The girls practiced very hard to prepare themselves for C.C.S. and were excited for the tournament. The varsity team received much support from the J.V. team. Varsity lost in the semi-finals of C.C.S. to Los Garos. The score was 5-2, but it was a close match. The girls of the tennis team felt that they all had a close relationship and worked well together. There were a few setbacks in the beginning of the year, but the girls pulled through with a winning season.

This year the wrestling team has worked very hard during their preseason practices. The team is under the leadership of two new coaches, Jonas Haro and Jackson Sapudar. The coaches feel that the wrestling team this year has the ability to be as good or better than it has ever been before. Alan Mirsky, Allan Manzagol, Daniel Popp, Dan Familant, Andy Wolf, and Steve Quintana are all returning wrestlers from last year and have shown outstanding ability. The team as a whole is going to be the start of a winning tradition at Gunn High. With the experience gained this year, the team is looking forward to an even better season next year.

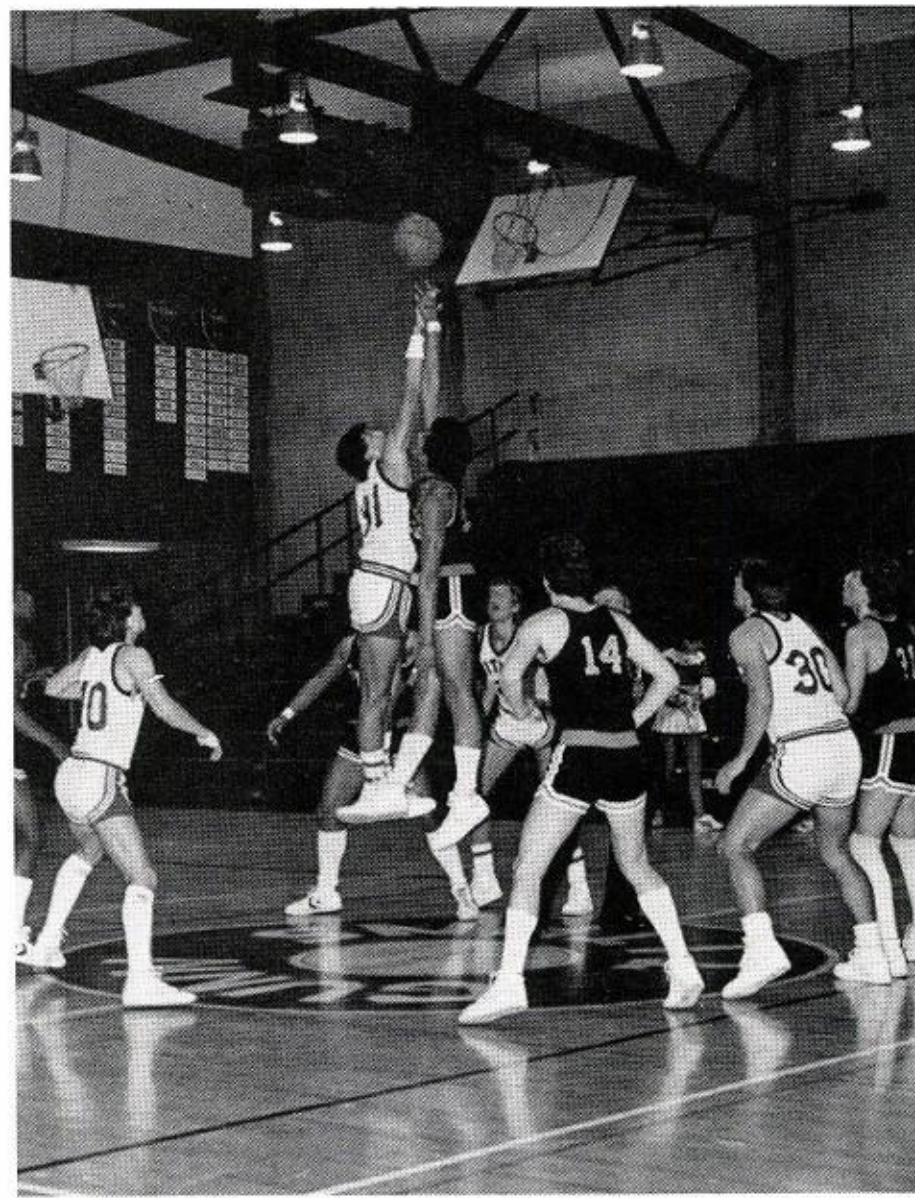

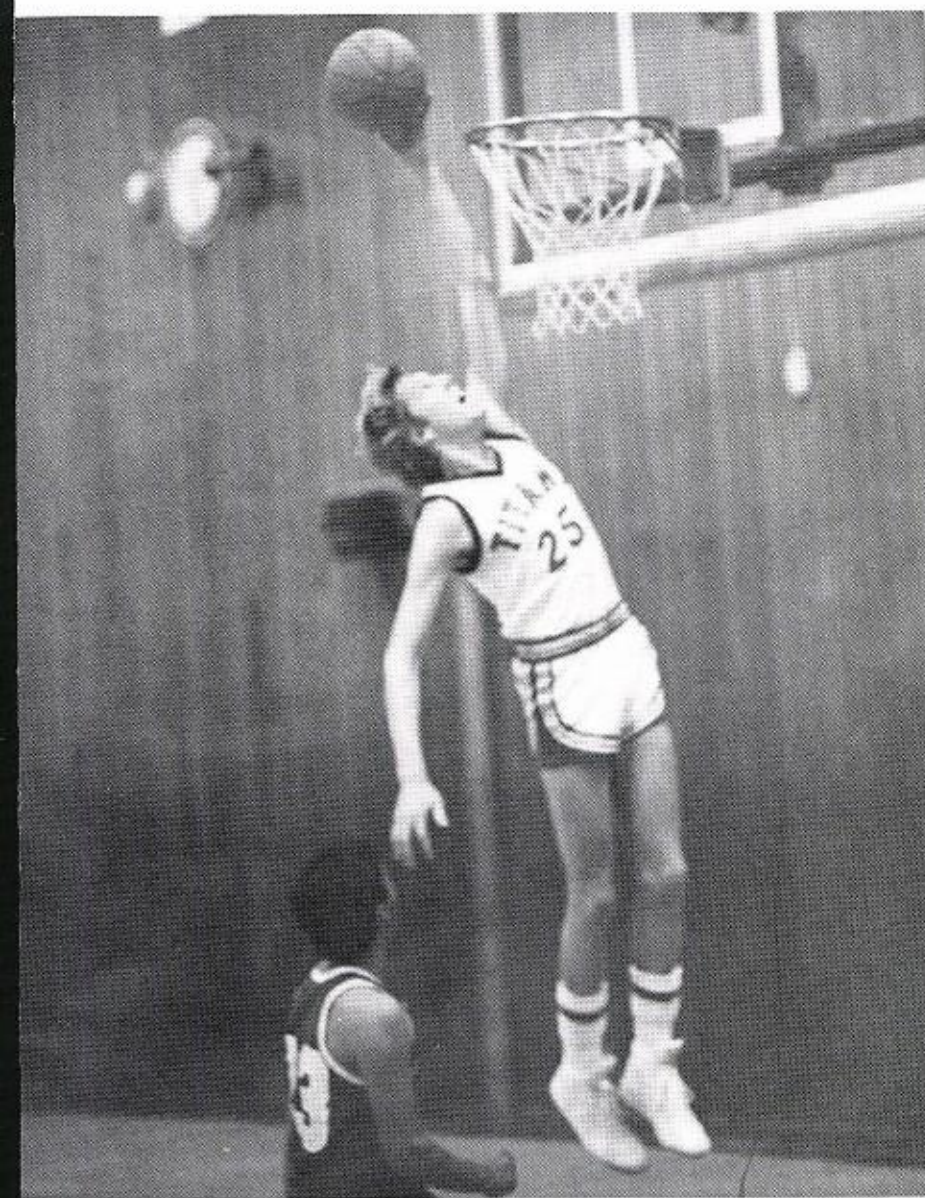

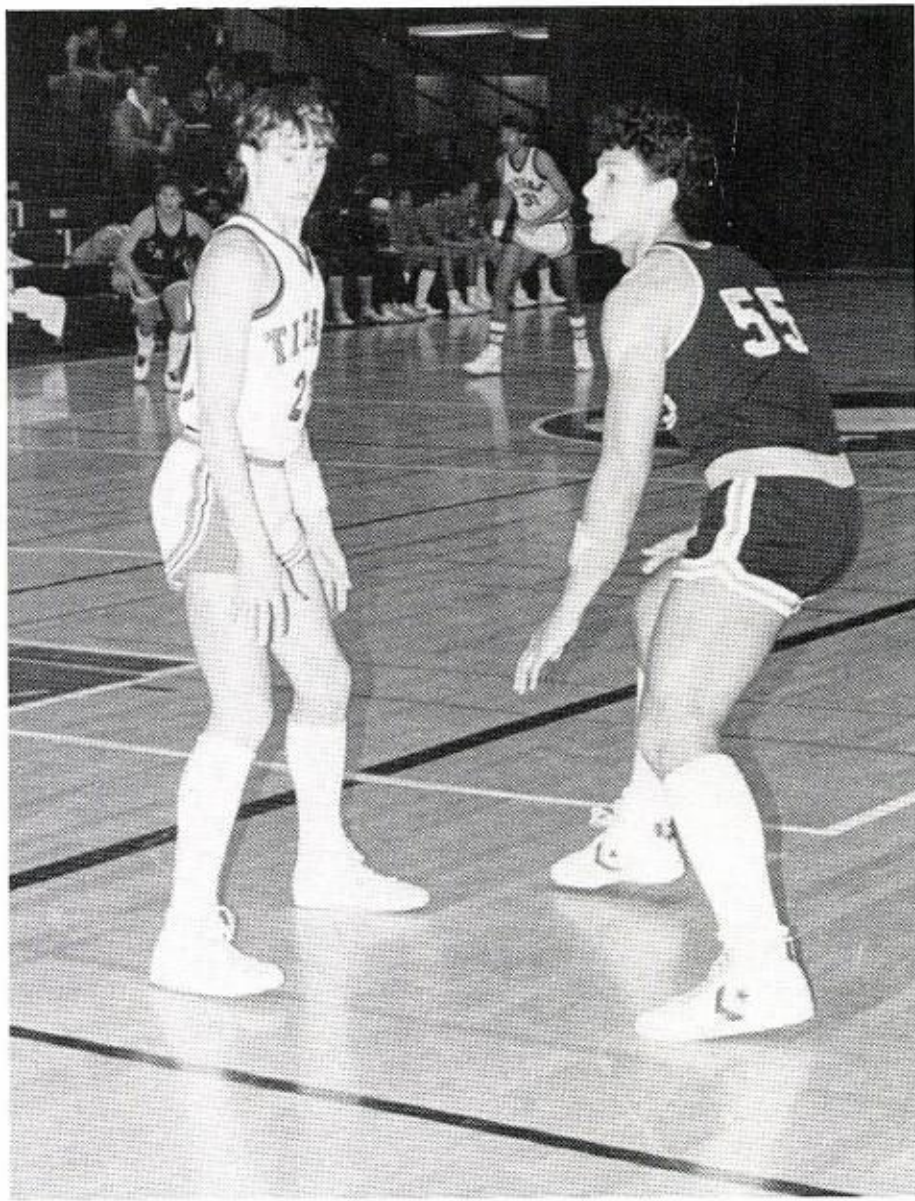

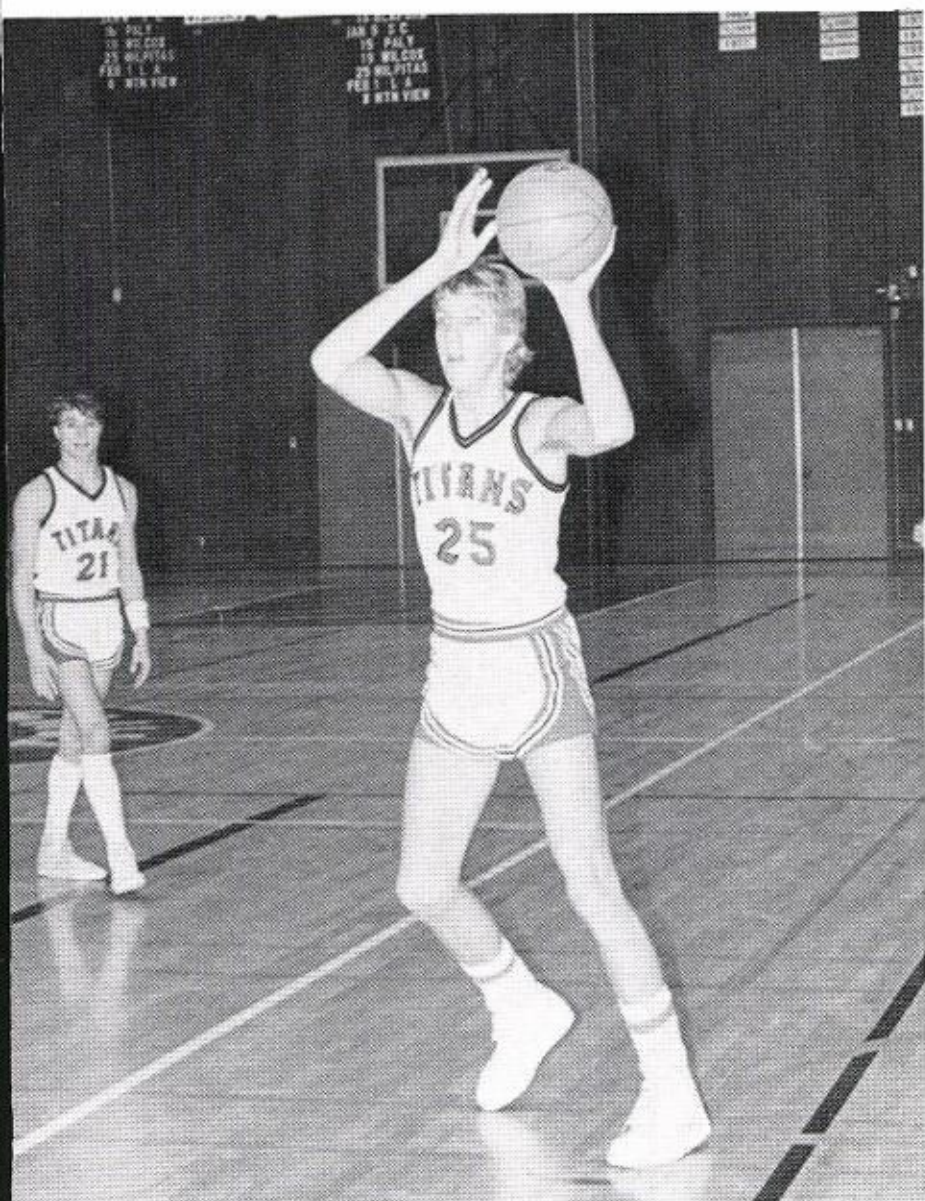

Boys' Varsity Basketball

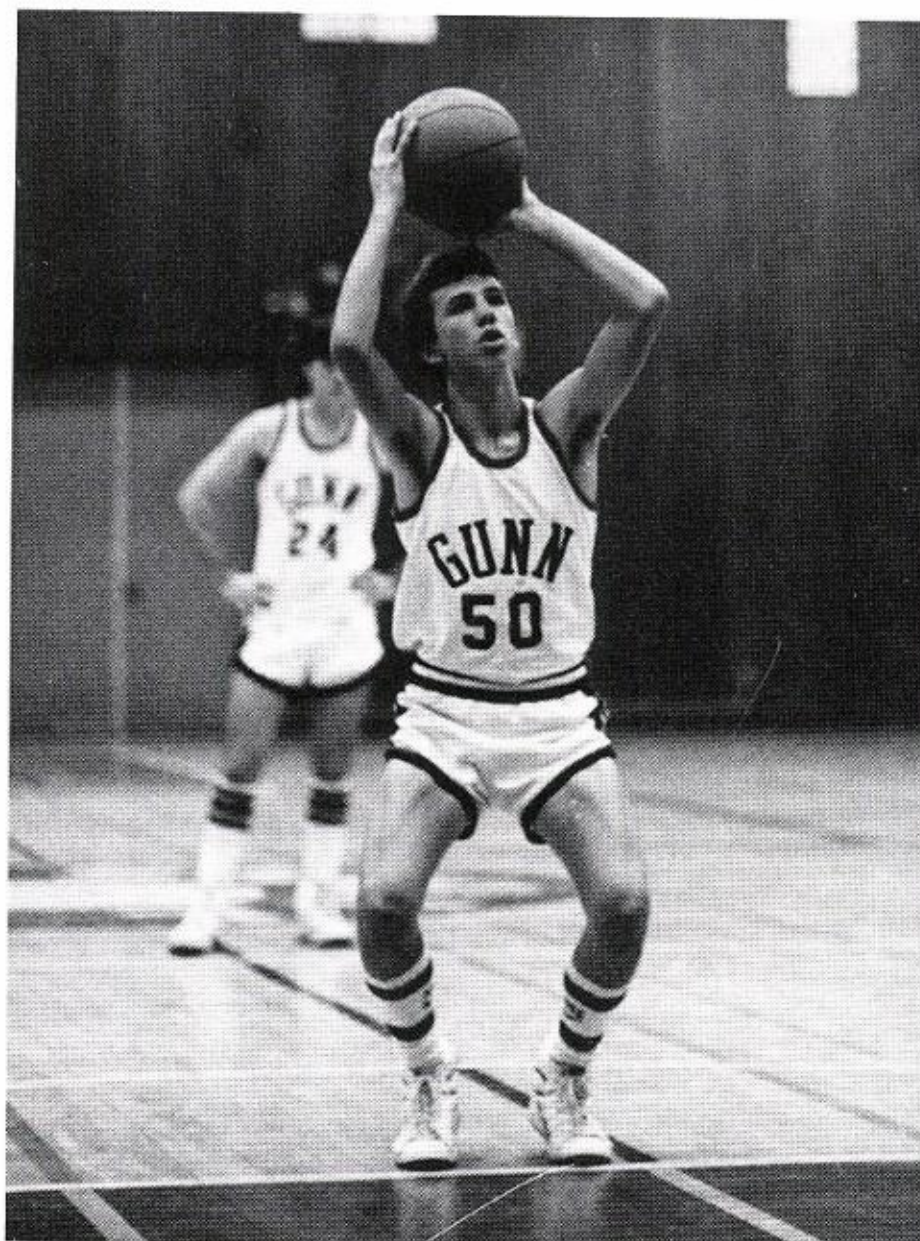

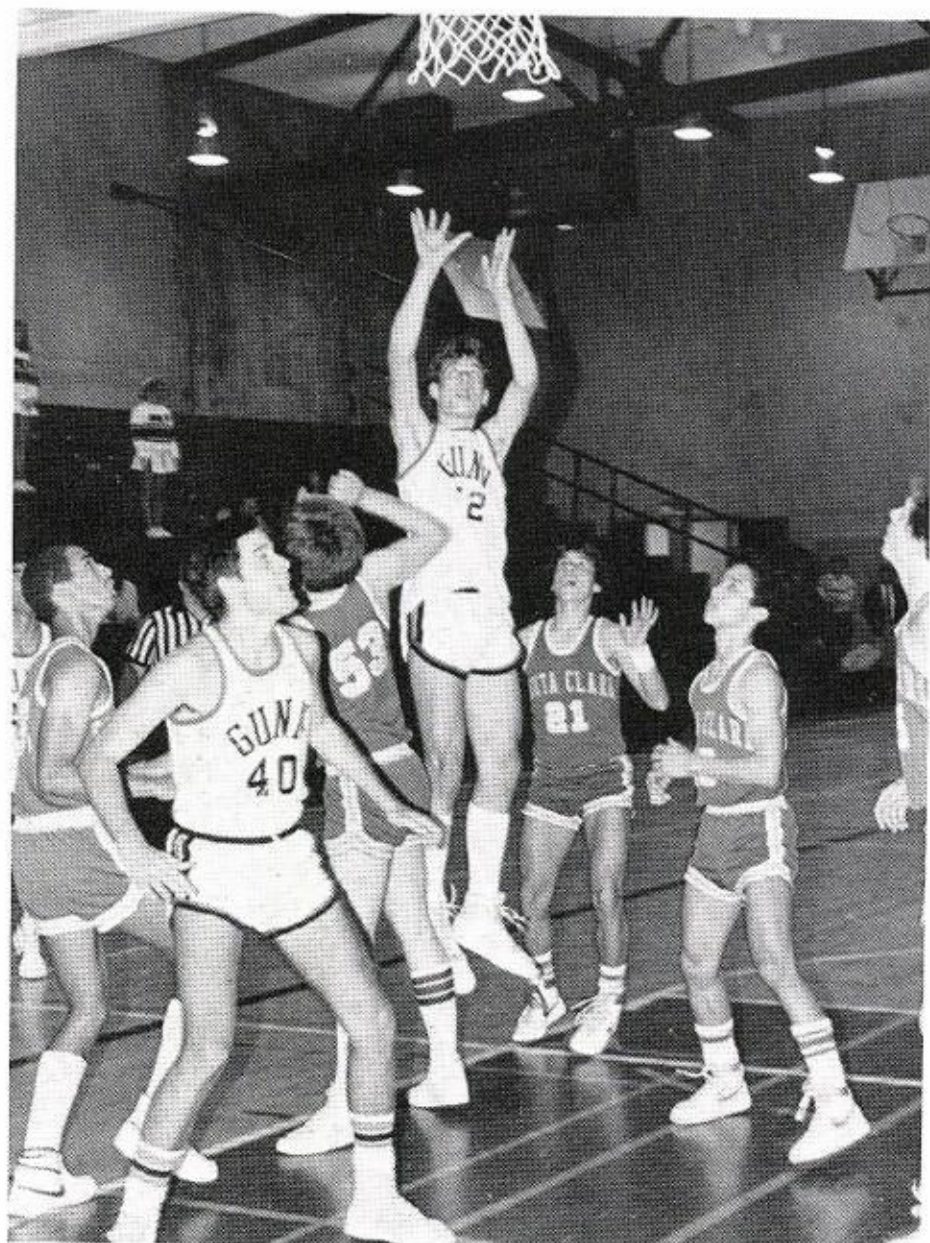

Row 1: Jason Olaine, Ken Bochholt, Tom McCall, Ryan Tsunoda, Row 2: Coach Leroy Williams, Kelly Coan, Jeff Turk, Bruce Bridges, John Burdick, Scott Bunnell, Rick Morgan, Andy Coan

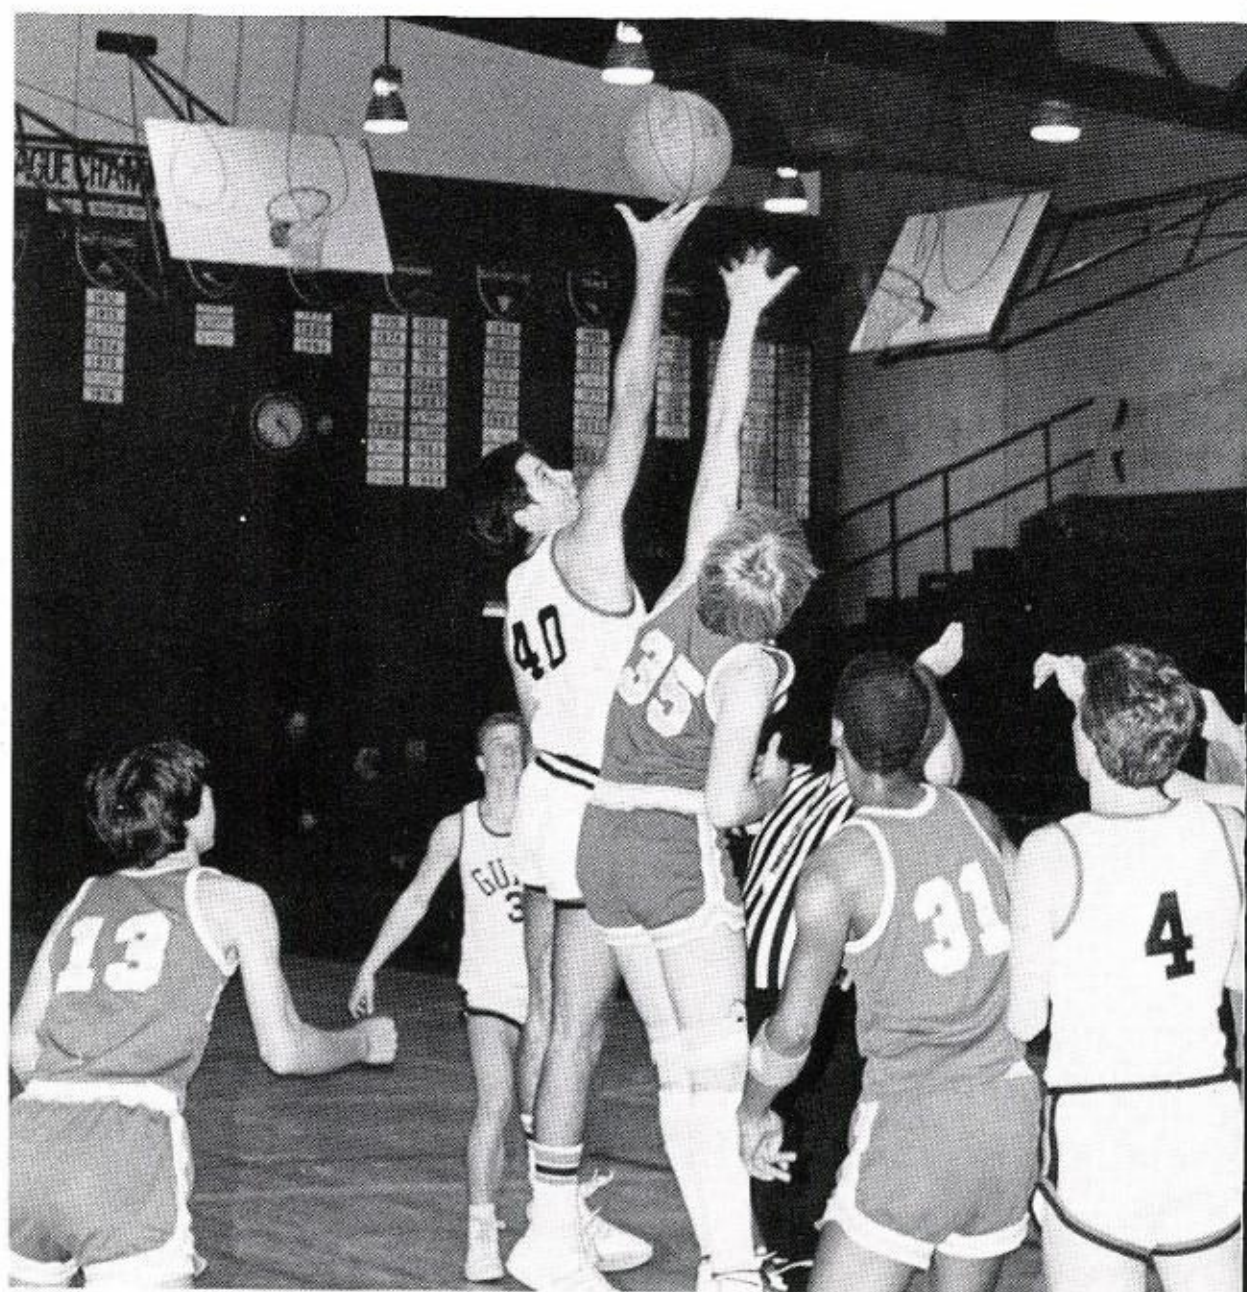

The Boys' Varsity basketball team has had an exciting season. Several of their games have been very close. Star player Andy Wagstaff suffered a knee injury early in the season and was not able to play in few of the games but returned to play against Paly. "There are several really good players on this team all of whom contributed greatly to the team success," said Coach Williams. "Seniors Bruce Bridges, John Burdick, Andy Coan, Kelly Coan, Rick Morgan, and Andy Wagstaff supplied the needed experience for the 'rookies', said one of the team members. This years Varsity boys basketball team is a team we all can be proud of.

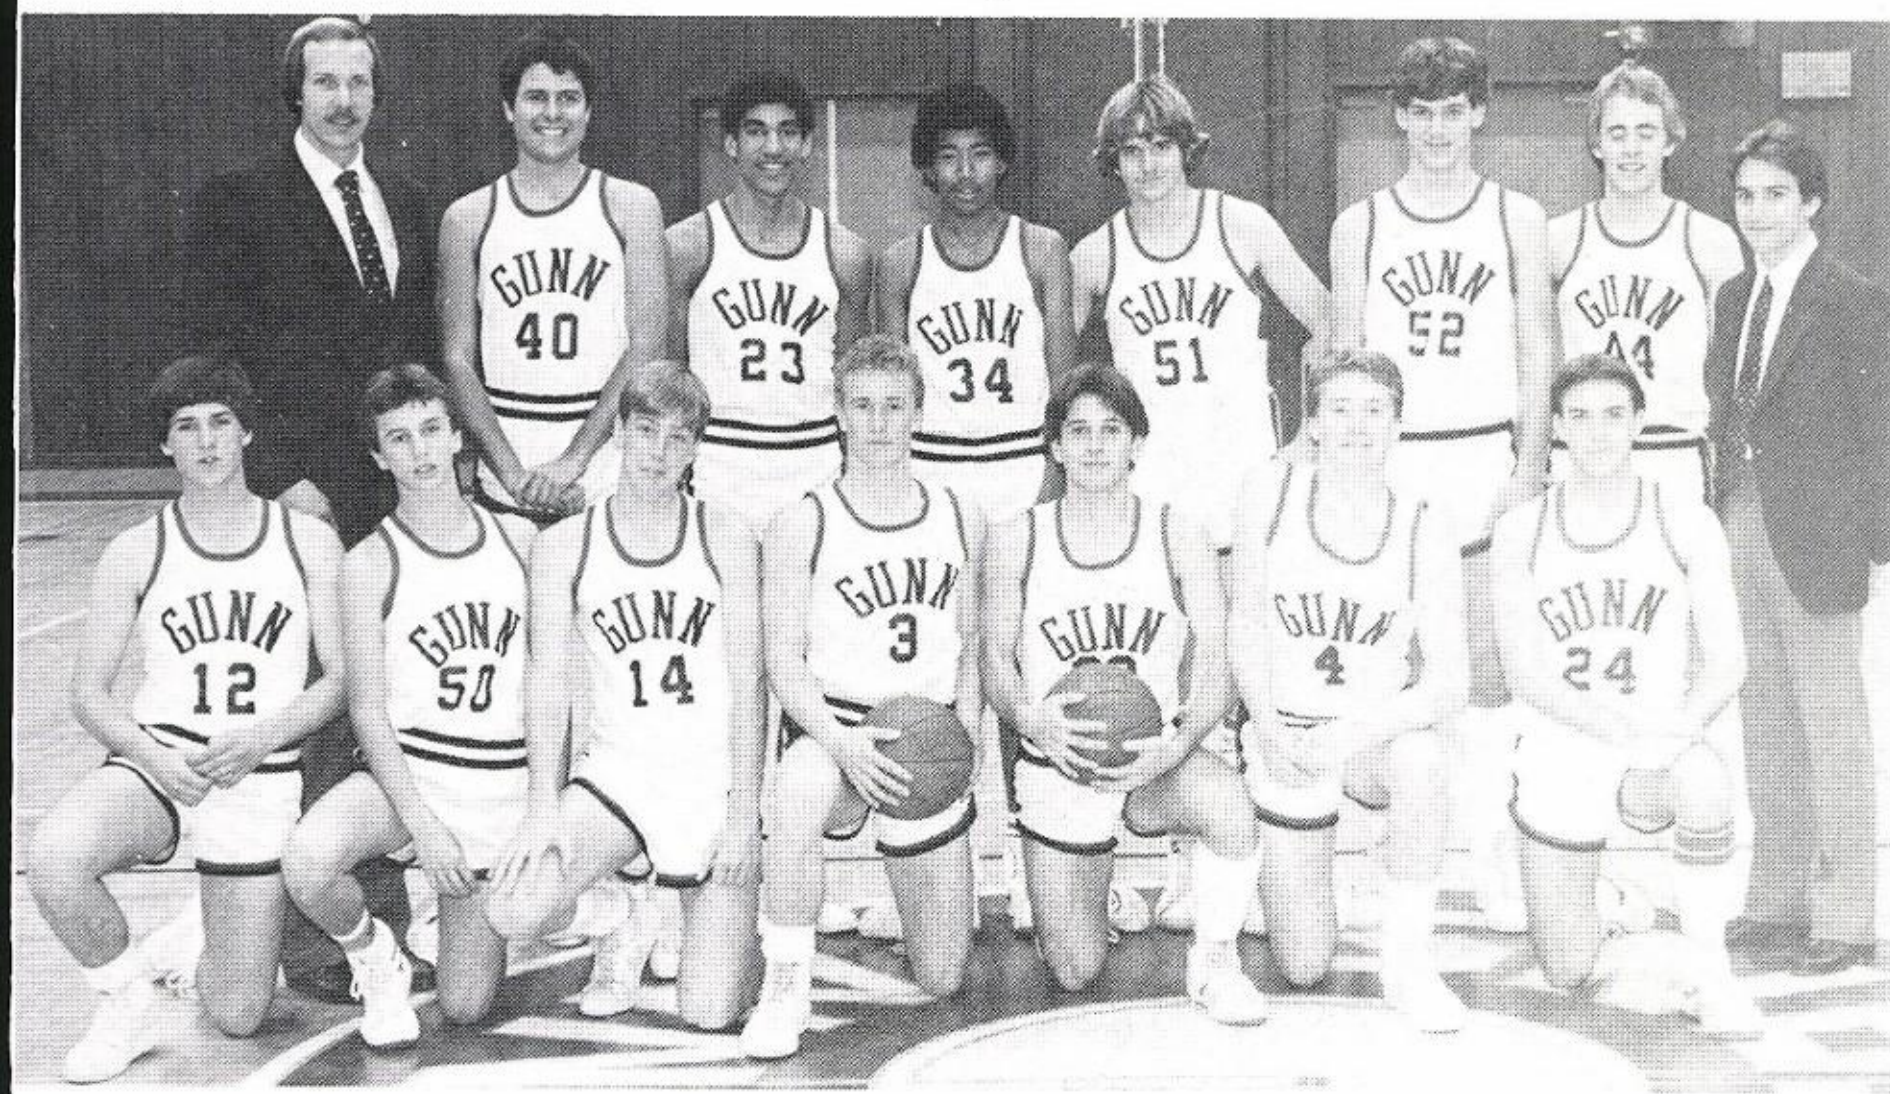

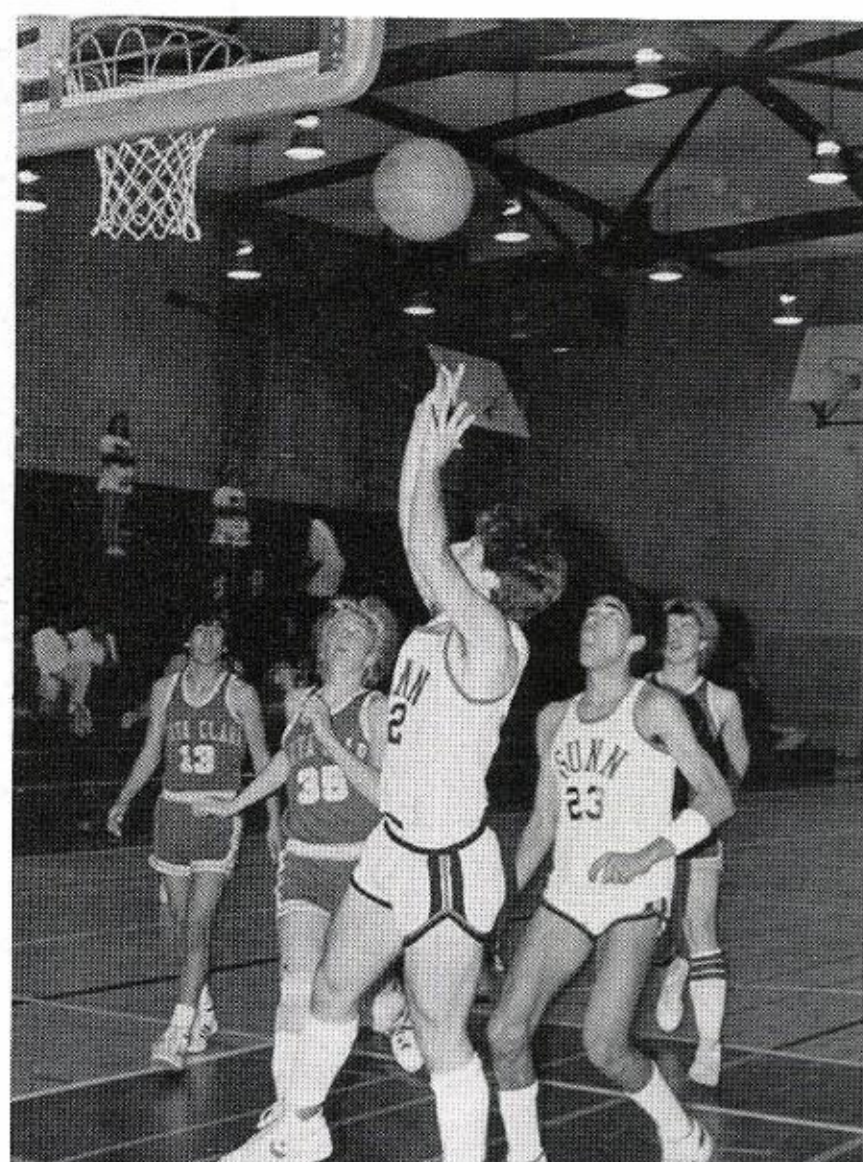

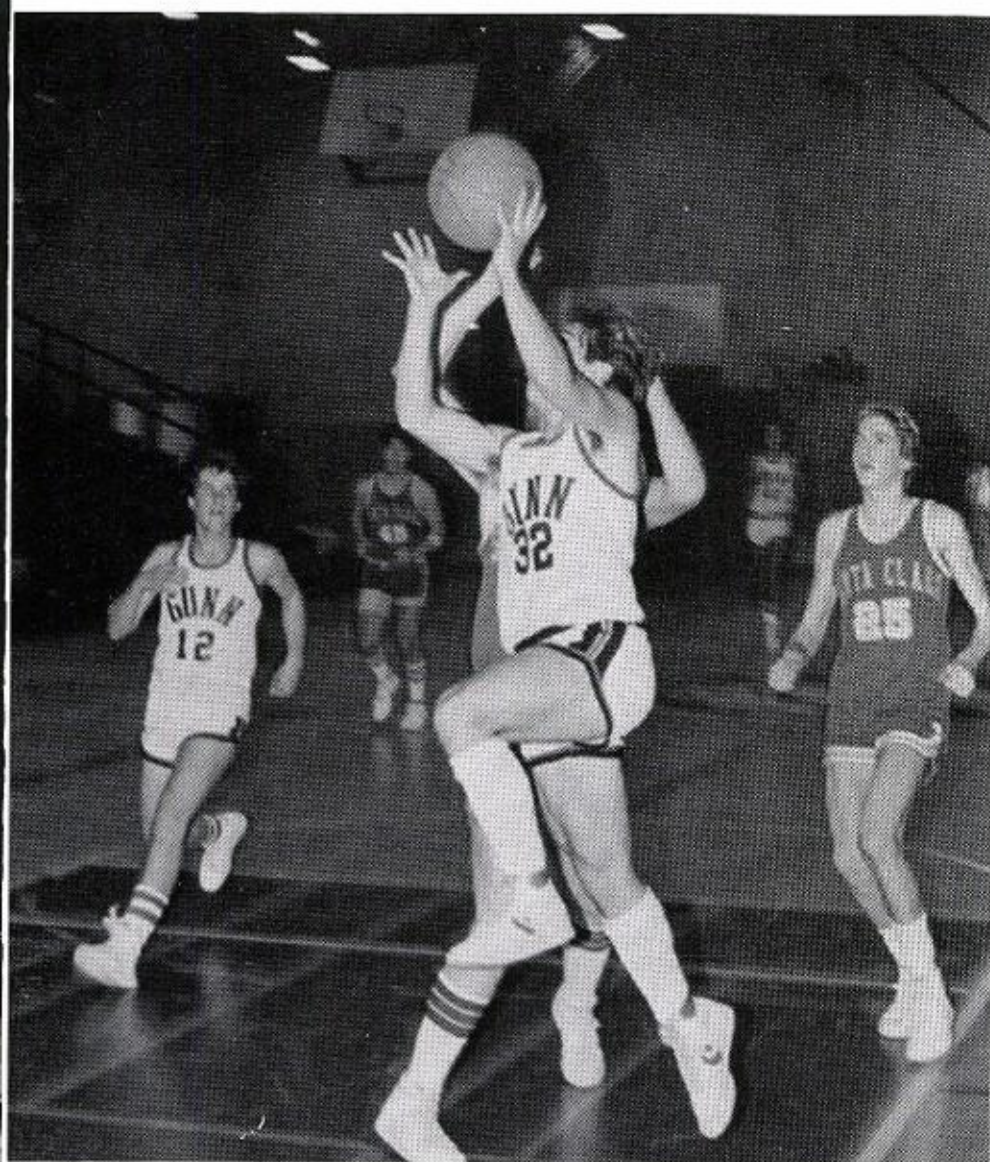

The Frosh-Soph Boys' basketball team had a successful season. "The team's new coach, Dale deBruin, played a vital role in the team's performance," said one of the team members. Coach Dale deBruin said, "The boys worked hard during practices to produce a team Gunn could be proud of. The team also worked very well under pressure; when the going got rough so did Gunn." Greg Nielson and Dan Irwin were two of the top scorers. Team players said "We have a team with a lot of team spirit and ambition."

Girls' Varsity Basketball

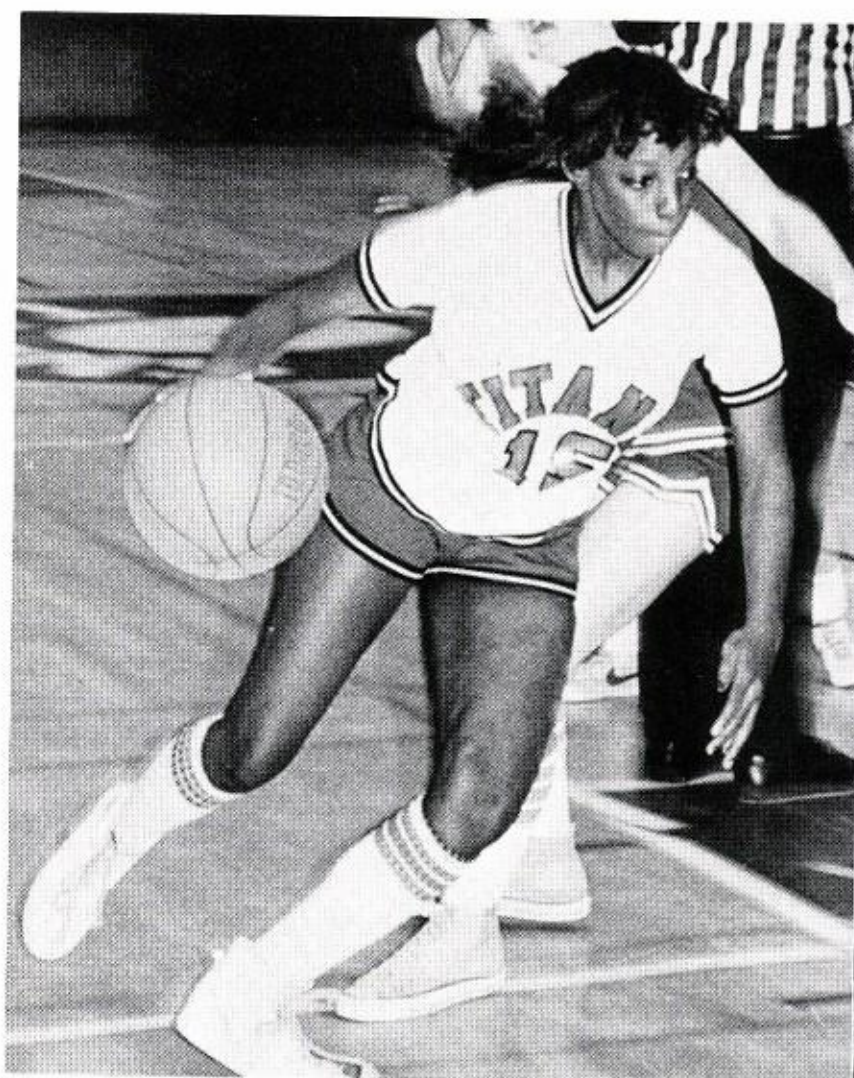

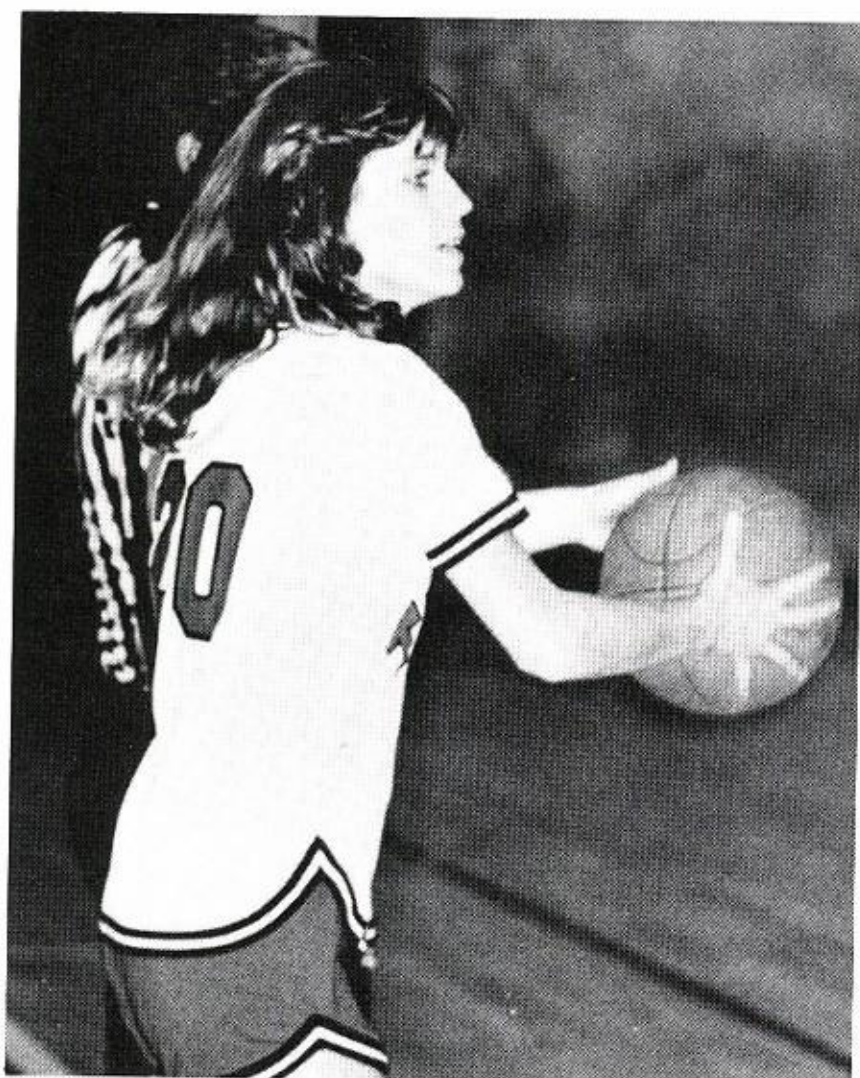

Despite the Titans' "slow start" and many injuries this season, the team has been improving fast, going into the season with a 7-3 record. Coach Louise Smith has confidence in her team and in their ability to win a spot in SCVAL's. With this goal in mind, they have been working hard and getting psyched. Top scorers Liz Peters, Kim Seigmund, and Grace Lin, along with Darlene Menor on offense, have led their team to an exciting and increasingly successful season. With the help of Saturday morning practices and plenty of hard workouts, the Titan cagers are feeling good and ready to take on SCVAL's.

JV Girls' Basketball

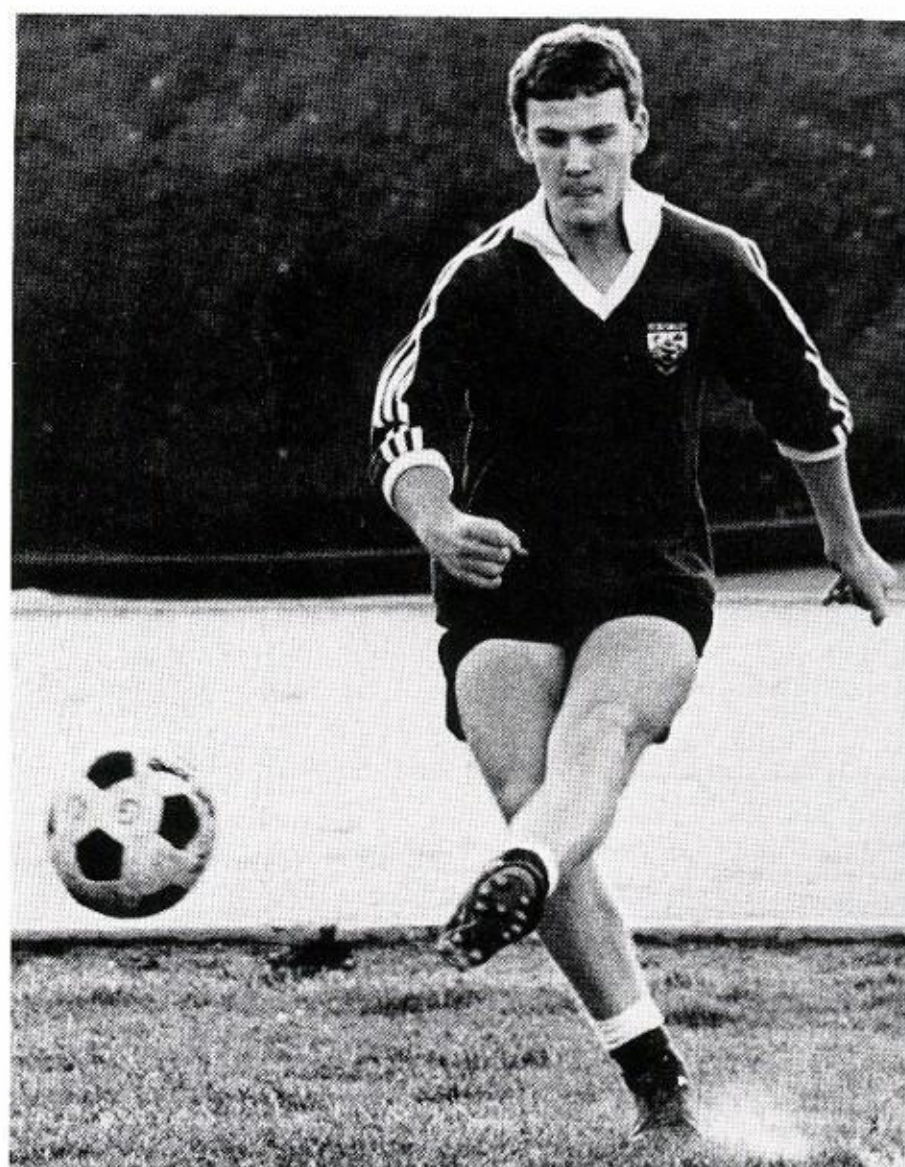

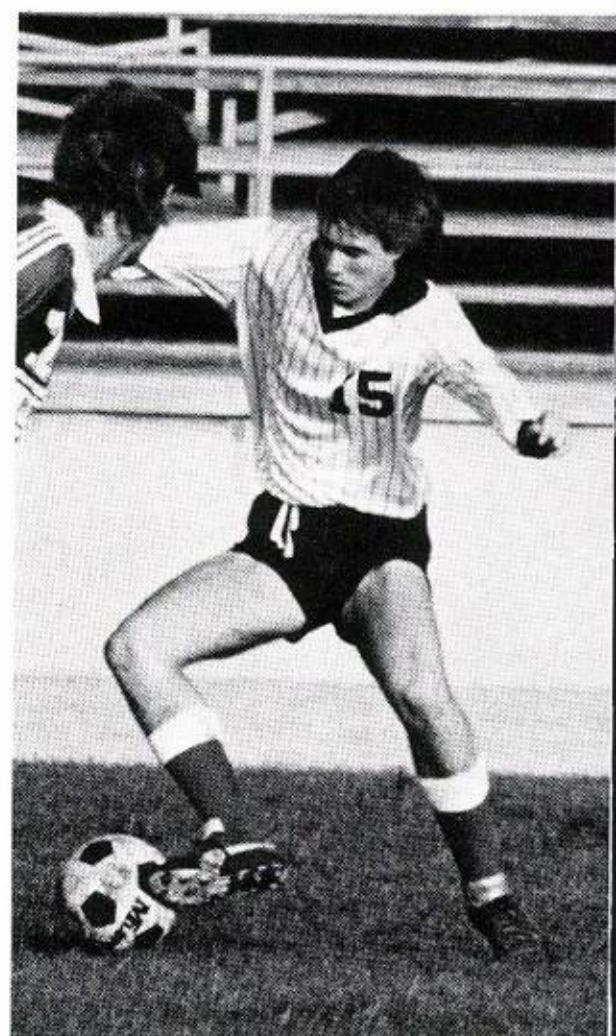

Row 1: Sandi Fujitani, Andreo Fulcher, Deana Huang, Lindsay Thompson. Row 2: Grace Fagan, Tammy Dujmovich, Melissa Buss, Tracy Jackson, Jeannette Washington.

Although they had some trouble living up to the success of their '84 season, this year's JV basketball team has had a string of "tremendously exciting" games. With a final record of 5-7, the season has not been a winning one, but the players worked hard, played well, and had a good time doing it. Sophomore Melanie Morgan did a good job both on the court and off. "It's been a great experience," said Junior Grace Fagen. "We've got a lot of spirit."

Boys' Varsity Soccer

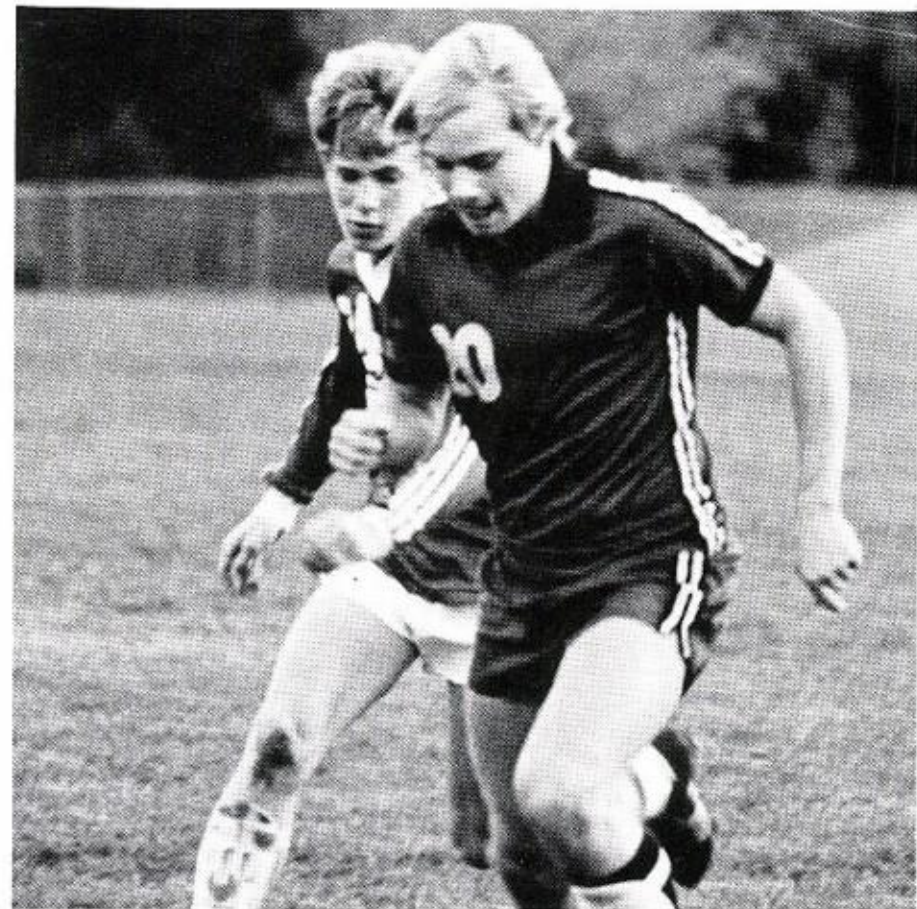

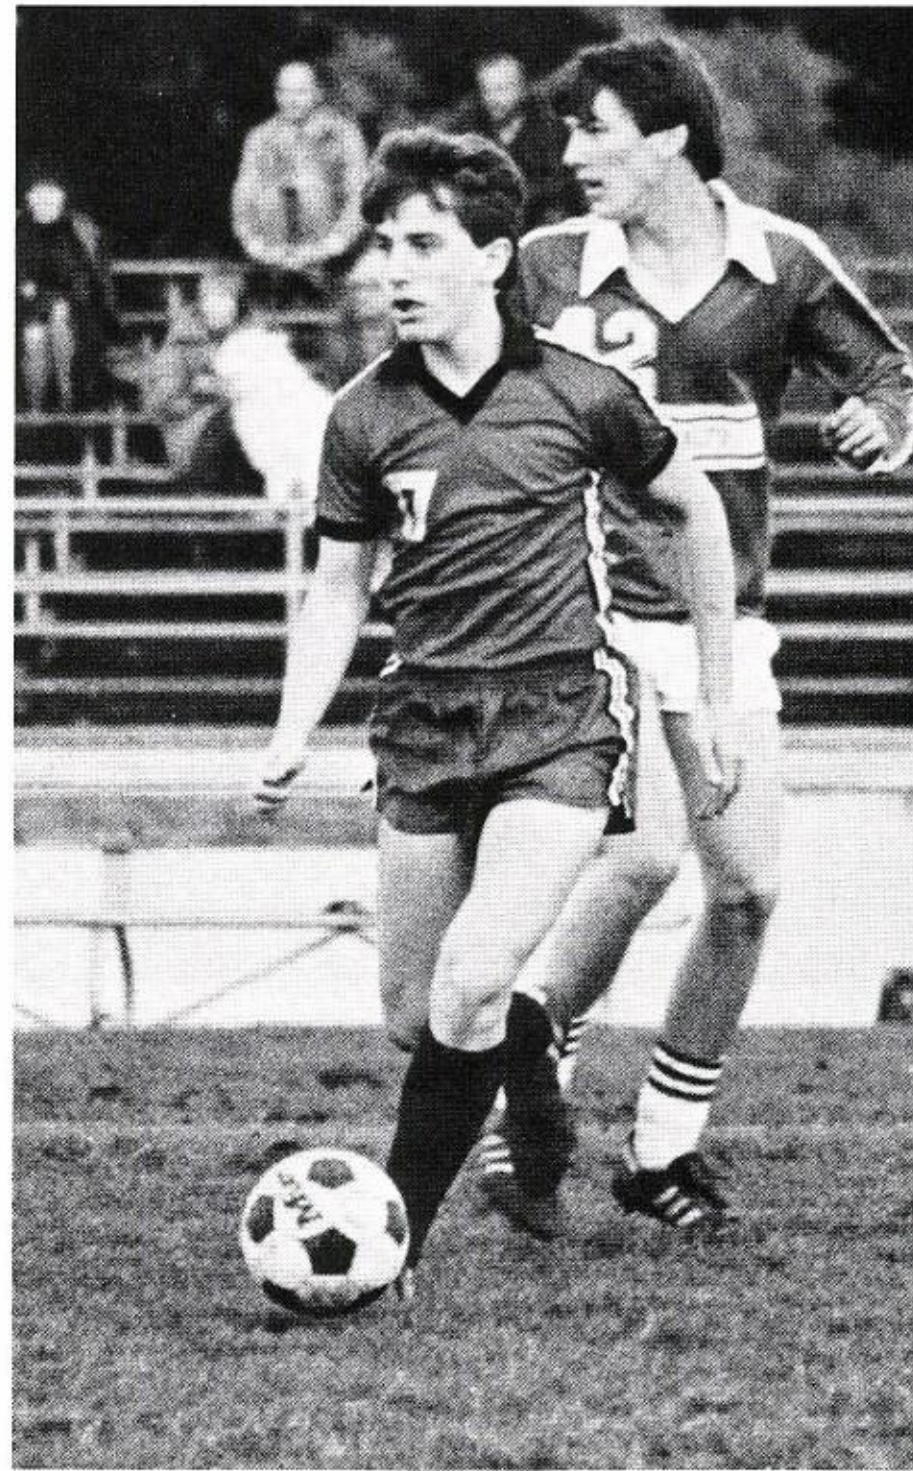

Row 1: Coach Ron Cooper, Greg Snodgrass, Eric Glader, Jon Herzenberg, Mike Elman, Terry Livingston, Paul Young. Row 2: Mike Hirsch, Brendan Mac Millan, Manny Freitas, Steve Banks.

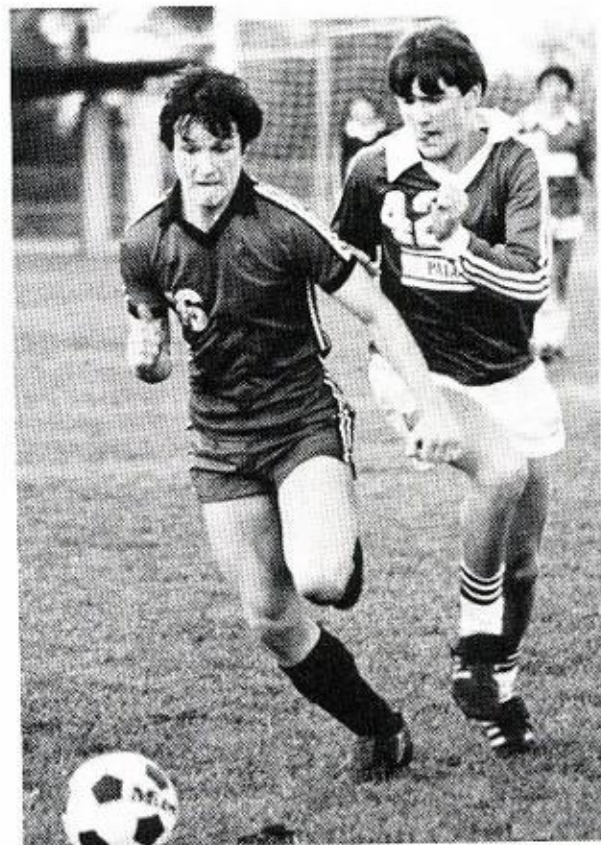

With two regular season league games left in the boys Varsity Soccer season, the team has had what may be described as a bittersweet season. With a record of 4-3-3, Coach Ron Cooper says, "The season seemed bittersweet in the fact that we are second in the league in scoring, and yet second in the league for goals let in. It was time for an off year in boys soccer." Although Cooper claims the team has no real standouts, he says Manny Freitas, Erich Heilman, co-captains Steve Banks and Paul Young, Greg Snodgrass, and Mark Robinson have been steady performers throughout the season. In reaction to the season in general, Cooper says, "All our losses have been 1-0 and things just haven't been going our way. But, the boys kept their spirits up and we're looking for a fresh start next year." With many seniors on the team this year, next year's "fresh start" will give players such as Jon Herzenberg and Andrew Feldman (sophomores), and Mark Robinson (junior) a chance to develop to their full potential. Cooper sees these players as key members of Gunn soccer teams in years to come. Summing up the season, Cooper says, "It was mediocre, yet satisfying since the boys seemed to have fun. That's what counts!"

The boys J.V. soccer team had an incredible season with a record of 8-0-1. Coach Aldo Quesada says this is the best team he's seen at the junior varsity level, and never has he seen a team with more skill, motivation, and determination to be the best they can be. The team's success is based on the dedication of their coach. Not only did he frequently give up his weekends to practice, he also appeared at a game, ready to coach, the day his wife gave birth to their first child. But Quesada agrees the success was not only a result of his great dedication. "I had a great group of boys who not only like the game of soccer, but take pride in playing it well. They were virtually able to coach themselves," he says. "Well . . . sometimes," he adds with a smile.

A second year J.V. player comments, "In comparison, this year was much better. We have a great coach who works us hard, sometimes harder than we would like, but the 4 hour practices pay off in the games." The team was able to reach its peak and remain there early in the season partly due to players such as Steve Chapman, Kevin McClure, Dan DeArmond, Hal Derman, and Willie Patterson. Looking over the J.V. talent, it is not difficult to predict an excellent Varsity squad next year and in years to come.

Girls' Varsity Soccer

One game past the halfway mark of the '84-85 season, the girls varsity soccer team is optimistic about becoming CCS Champions. Says fourth year coach David Gold, "We are right where we expected and deserve to be at this point — top of the league!"

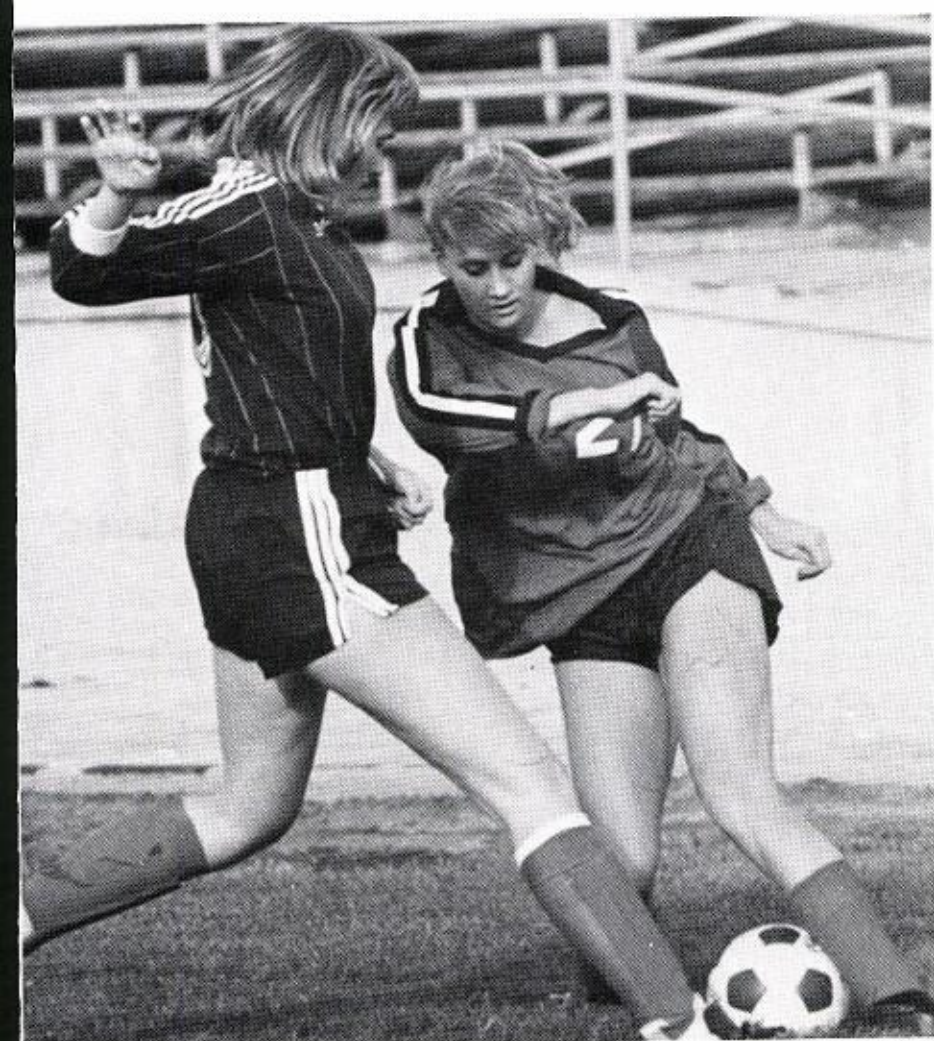

After a disappointing league opener, a 0-0 tie with Paly, the Titans settled down to win their next 9 games, scoring 30 and conceding no goals. Highlighting the season's midpoint was the second matchup between crosstown rivals. Before the game, Paly players hung a sign reading, "The value of Gold has gone down." Yes, Paly players were amused by their sign, cleverly putting down the Gunn coach, but for only the first minute and 50 seconds, at which time Gunn scored its first of six goals. Gold comments with a laugh, "If (Gold's) value is up by about six points, I do believe." Paly's offense was able to score one goal, making the final score 6-1, therefore breaking the no goals against record Gunn had accumulated for over 20 league games. (A record dating back to the '82 season) But the Titans remain undefeated in league play. The lady booters need only three more wins to secure the S.C.V.A.L. title and both coach and players are looking forward to the CCS Competition.

Forming the backbone of the team are senior Kristen Spiegel and sophomore Claire Walters, (co-captains) seniors Emilie Wilson and Kate Dixson, and sophomore Shirine Kharaka. But Gold credits the team success to no one player, and says unity and teamwork is the key. Gold comments, "I've learned that soccer is a simple game made difficult by coaches. I try to reach the simple game, but also add more technical aspects to get the entire team up to a greater mental ability because soccer is a thinking man's game." Keeping the team as a whole at the same high level of performance is a main goal of the team, which will lead them, perhaps, to real "GOLD", a CCS Championship.

The coaches and players alike of both the Varsity and Junior Varsity girls soccer teams would like to acknowledge the devout and unsurpassable support Ms. Kaye Little showed to them throughout the season. Thanks for everything Msel!

Girls' J.V. Soccer

Although labeled a "J.V.", the Gunn Girls Junior Varsity Soccer team is not limited to a typical "J.V." style of play. Second year coach Jason Field agrees, "We've begun to really think about what we're doing on the field and so we have become stronger than most of the varsities in the area."

Field credits this strength in part to players such as Stephanie Wissig, Carol Turner, Jill Grumer, and Jessica McConnell. "But that's not to say these players are indispensable," assures Field, "the team is very balanced." The addition of new players Dawn Emery and Kim Van Derr Maaren along with consistent hard work for Annelies Loggerwerff, Adrienne MacMillan, Aileen Nacey, and Louise Laub are also key factors. "We rely on our play as a team, not as eleven individuals to make us successful," Field adds.

And successful they have been! With a current record of 8-0-2 (with two games left in the season), the Titans currently place second in the league, trailing Palo Alto by only one point. Highlighting the season were two very exciting games against Palo Alto, both of which could be described as frustrating (both ended in ties). Says Field, "The games were frustrating for us because we were winning both until the last ten minutes. It's very disappointing to dominate games and come away with only two ties."

Small faults early in the season may be credited to the great abundance of new faces and lack of experience playing with each other, but Field is confident about the future. He says, "Earlier in the season, we concentrated on developing our skills, and now we have begun working well together. The future looks promising!"

Boys' And Girls' Track And Field

Gunn's track team is back on the run. The 1985 team looks as promising as last year's team. The coach Mr. Daner has been very involved in attempting to receive a roster of over 150 students names. There are many members of the team this season. Coach Daner says, "Everyone is doing a great job," and mentioned that Senior Roger Khone in the mile; Junior Scott Dunell in shot and discus; Kanik Chung and Bruce Bridges both participate in the sprints and jumps and they are said to have C.C.S. potential. Stephanie Wissig who is also on the relay team said, "We are working hard because we have a rough season ahead, but I think we can handle it."

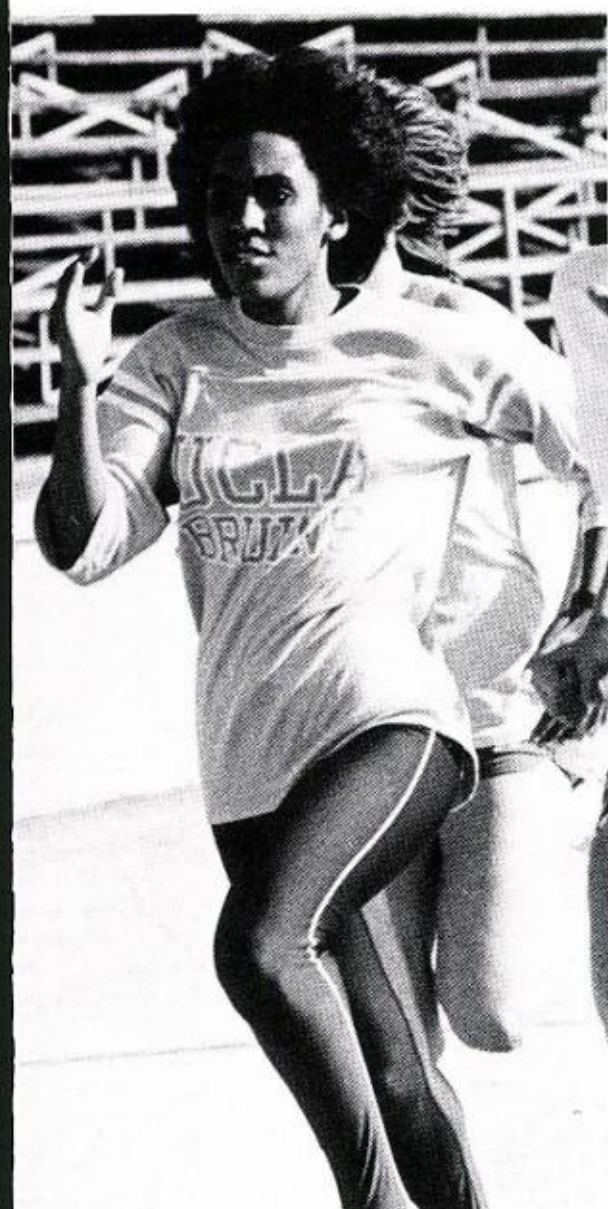

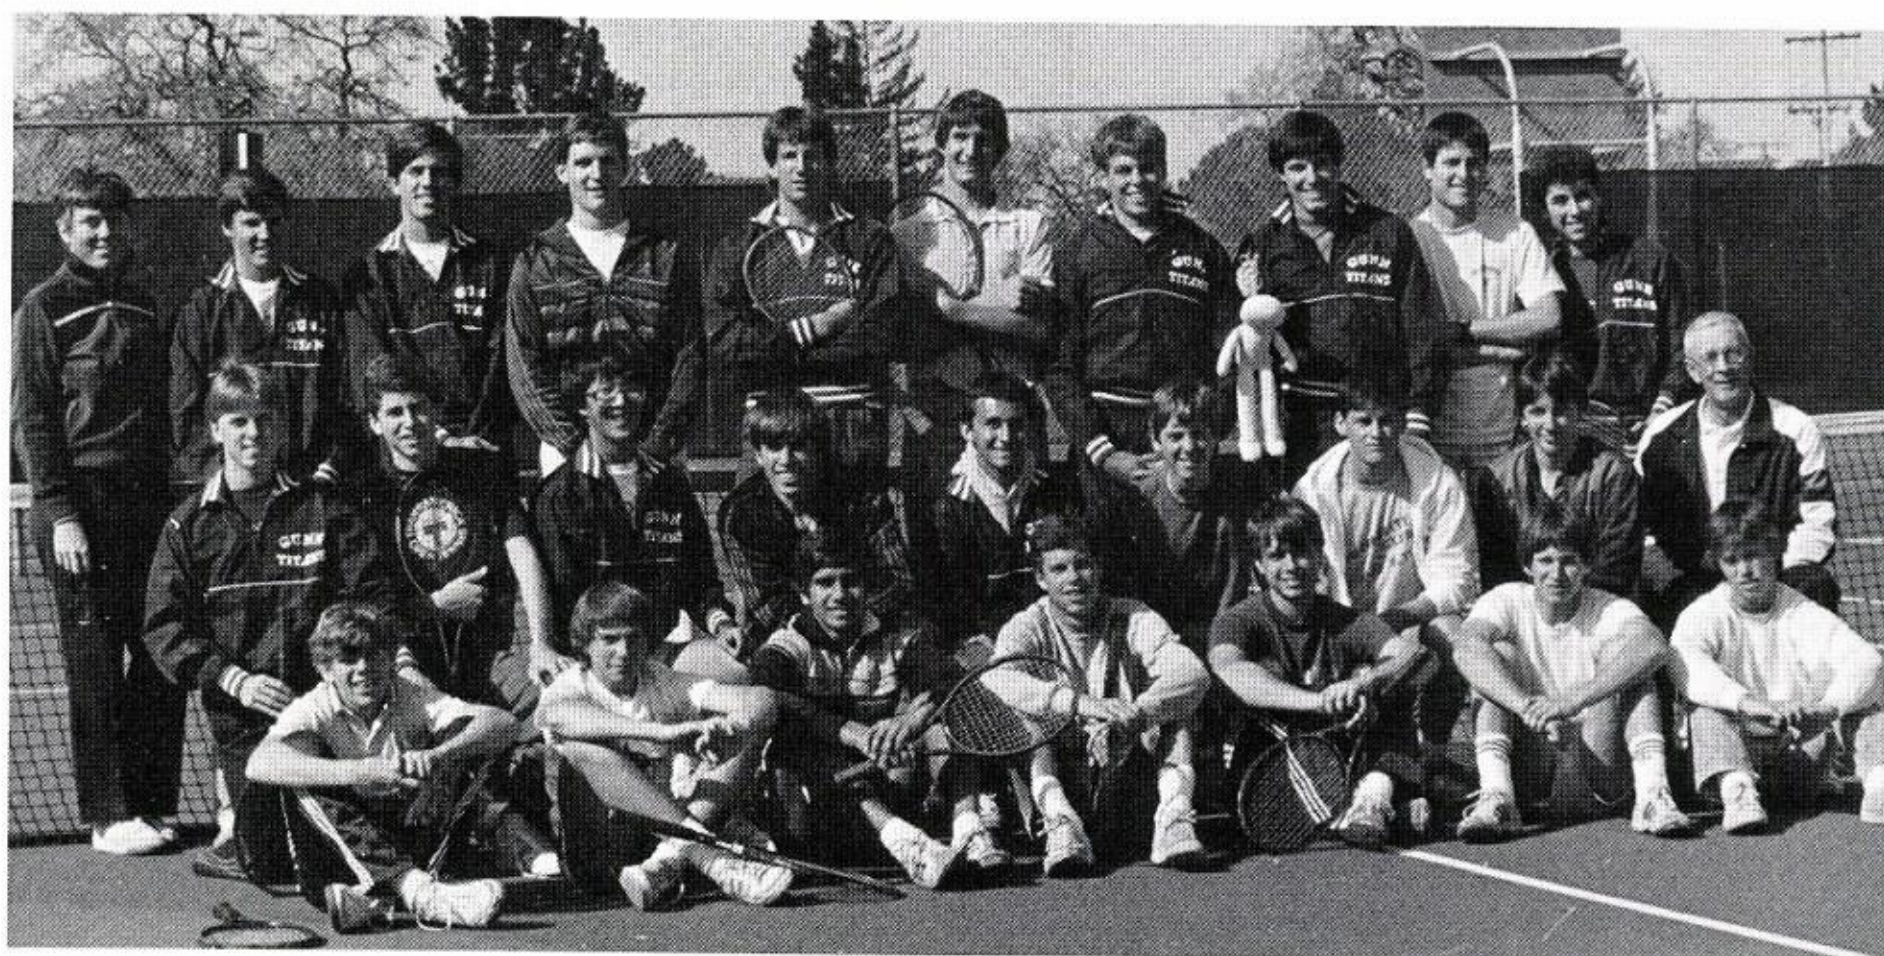

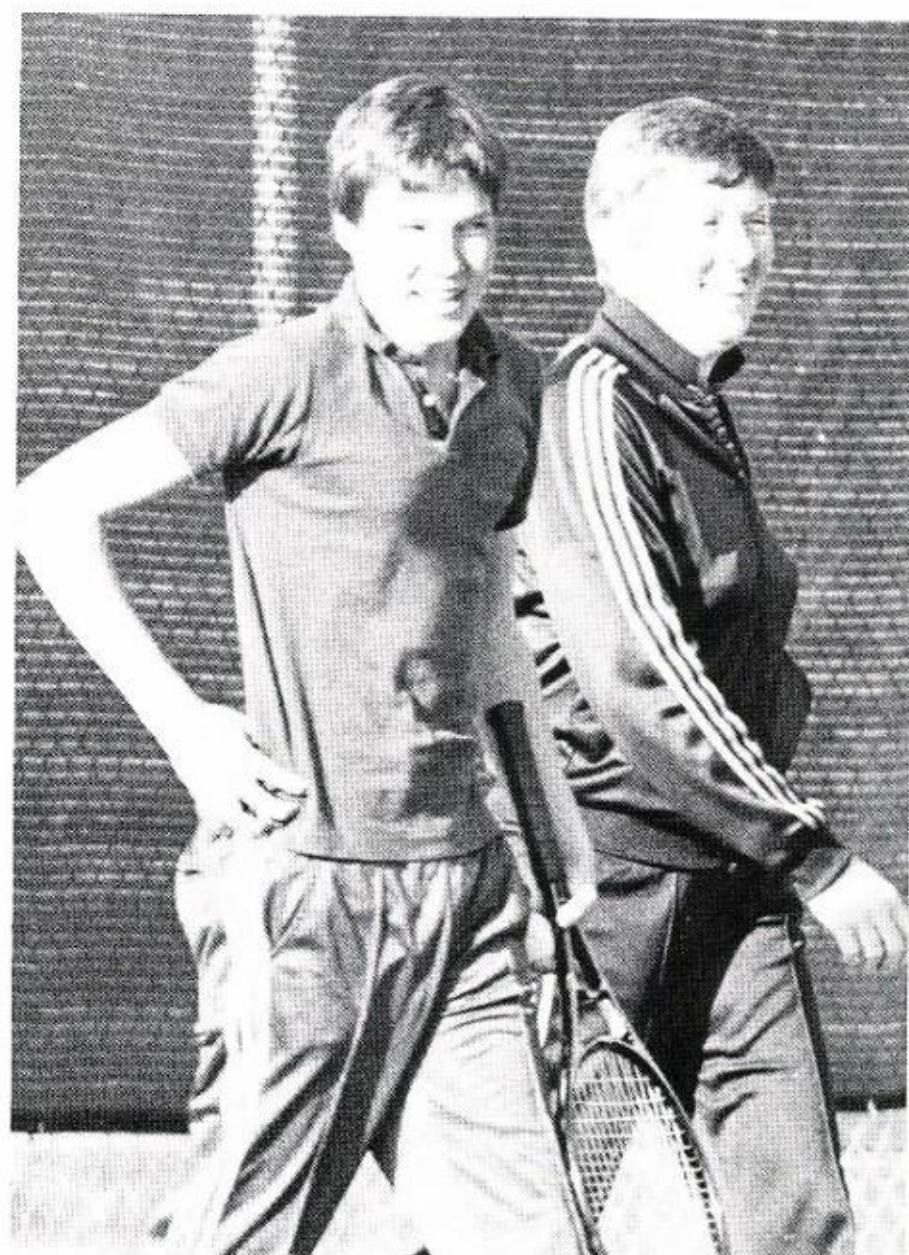

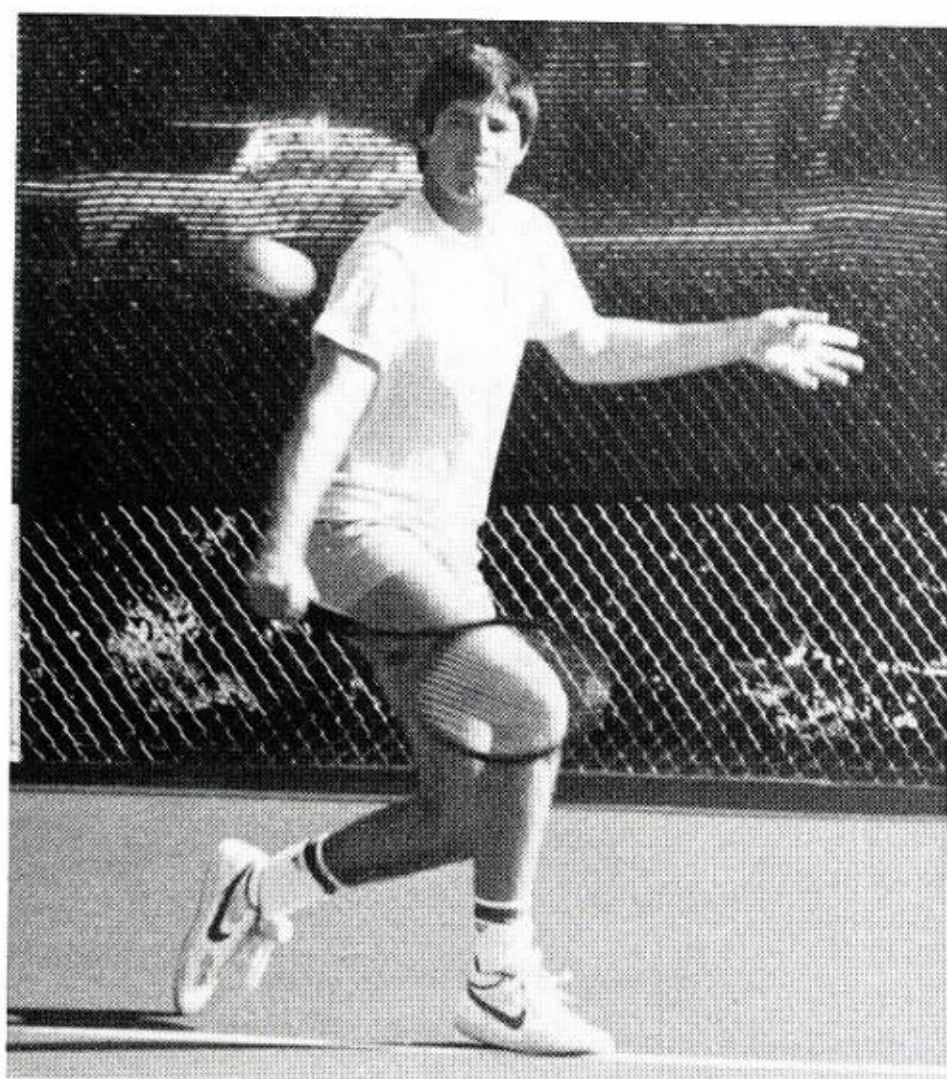

Frosh/Soph boys: Andy Baker, Clint Bennett, Matt Bischoff, Andy Blair, Rick Boehlke, Chris Brooks, Mike Bruce, Dave Buffu, Chris Durgess, Chris Carlson, Steve Chapman, Mike Chen, Haile Clay, John Dunlap, Jeff Dukes, Matt Feuer, Sim Flick, Rafe Fogel, Lejon Guillory, Gwayne Hamel, Hooquin Hartman, Carlos Hernandez, Jorge Hernandez, Ernest Ho, Linden Hsu, Chip Huff, Keith Humphreys, Steve Jonker, Pat Kelso, Joe King, Jeff Khone, Shaun Liaw, Victor Lin, Dave Lyell, Lamonr McCalisrer, Matt McLean, Steve Mongillo, Shemar Moore, Kingdon Offenbacker, Mike Orsuka, Wiley Patterson, Sunil Perikash, Ludovic Salles, Peter Sandhu, Larry Schloss, Jason Seal, Andy Seidel, Ian Shou, Brian Stephens, Joe Taylor, Scott Taylor, Jeff Vogel, Rich VanZant, Dylan Walker, Justin Walker, Matt Wank, Hugo Wang, Dennis Williams, Tim Williams, Wei-Cheng Yu. Boys' Tennis

Row 1: Jon Skoog, Tom Vician, Rajan Perkash, Steve Banks, John Moore, Alex Hayes, Paul Crawl. Row 2: Brooke Van Dyke, Eric Tannenwald, Kenneth Hao, Andy Blum, Mike Seifer, Chris Burge, Mike Hirsch, Scott Wilson, Coach Bow. Row 3: Coach Poff, Brad Porreus, Clint Smith, David Junra, John Burdick, Jeff Johnson, Andrew Fetter, Rick Morgan, Andrew Feldman.

After last year's CCS upset by Los Altos, the Tiran netters are confident of recapturing their title this season. Although they have lost four of last year's senior players, the many returning varsity players, and newcomer Kenneth Hao - "a potential number one player" - look to make the '85 team even better than before. Among the returnees are Mike Seifer, last year's number one, Andy Blum, and John Burdick, who couldn't play last year because of injuries. Another addition is the assistant coach, Sharon Poff, the girls' tennis team coach.

The size of the team also plays a big part in their optimism, giving the Titans depth in both players and skill to fall back on. Undefeated going into the League season, they hope to keep up the momentum, all the way to CCS. Coach Bow is confident of his team's chances despite threats from Paly and Los Altos, as are the players themselves. If spirits stay this high, they are sure to win.

Boys' Swimming And Diving

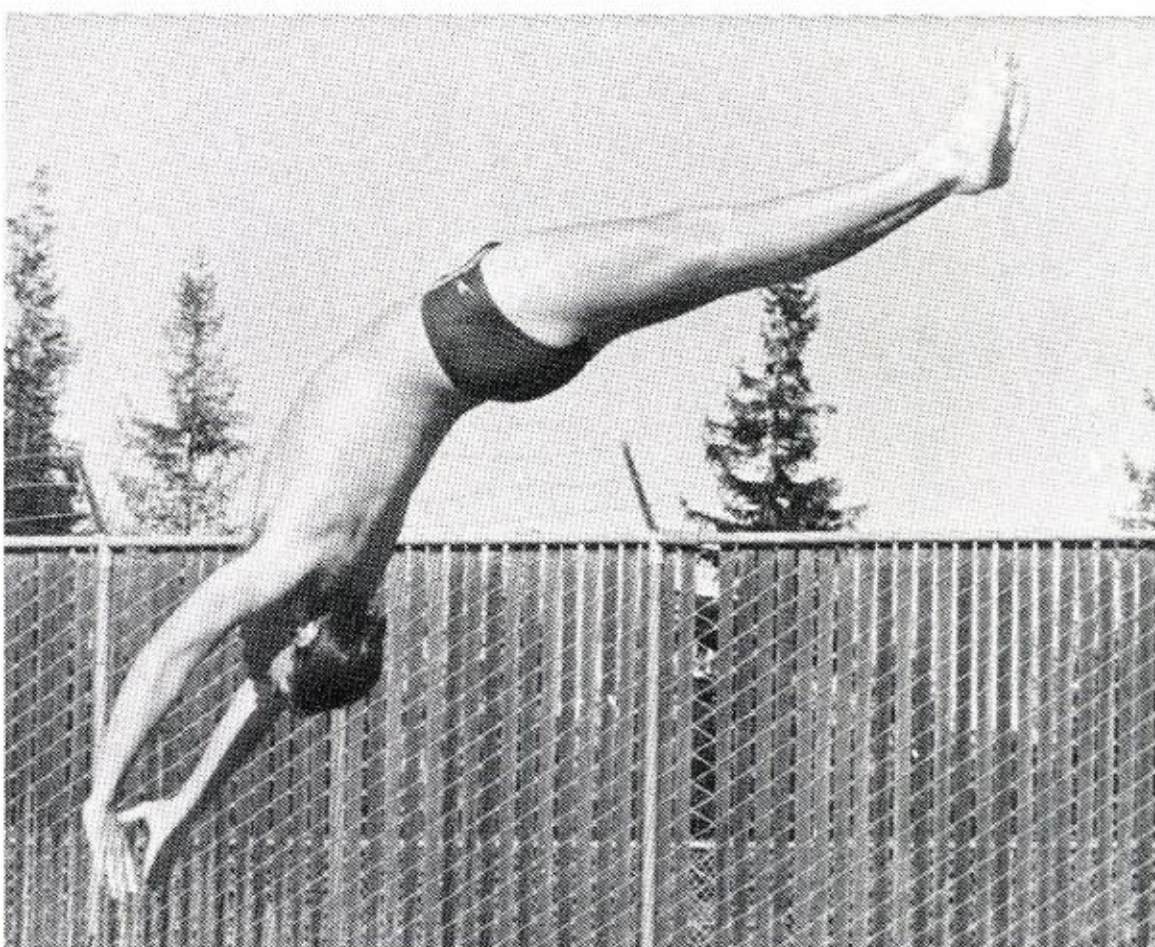

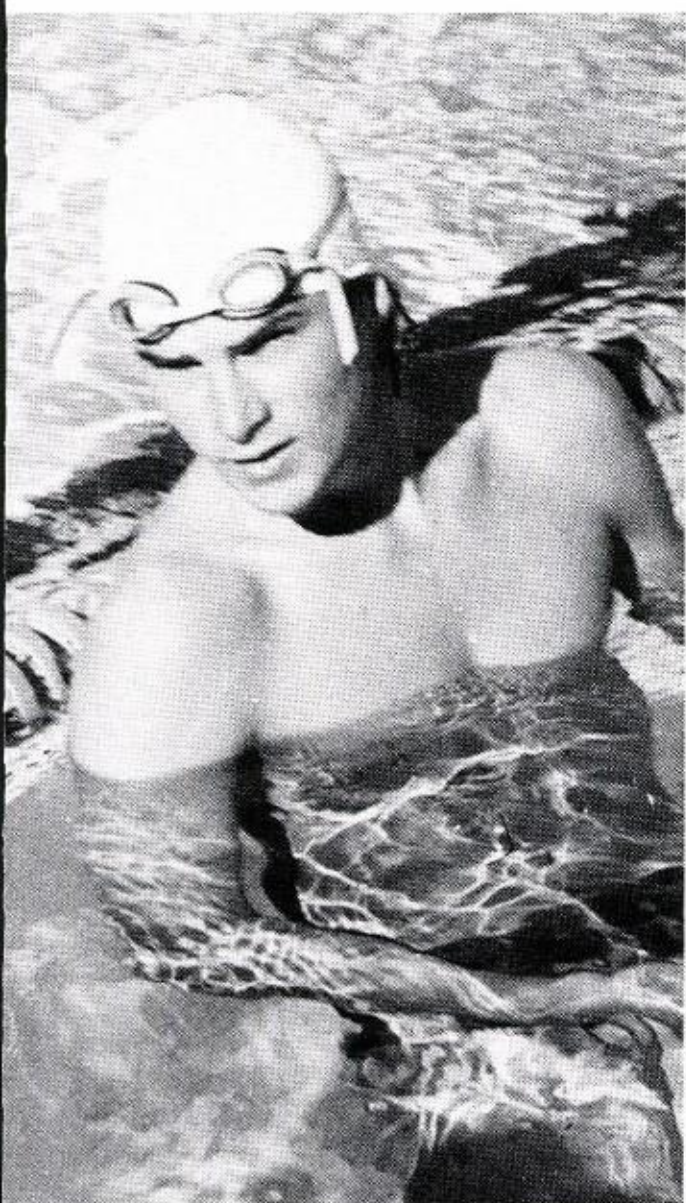

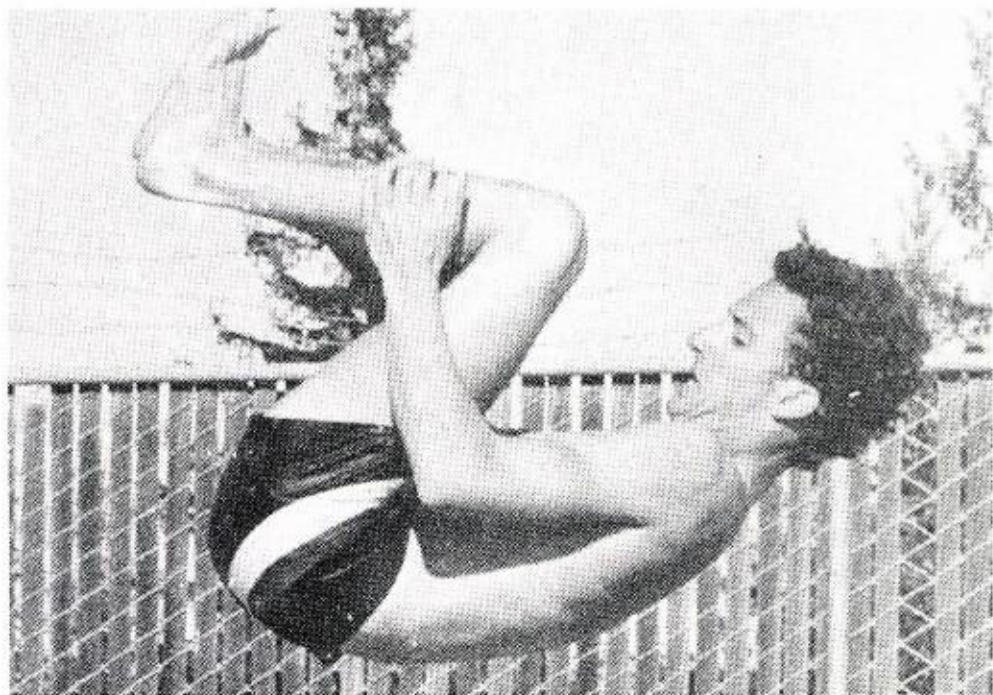

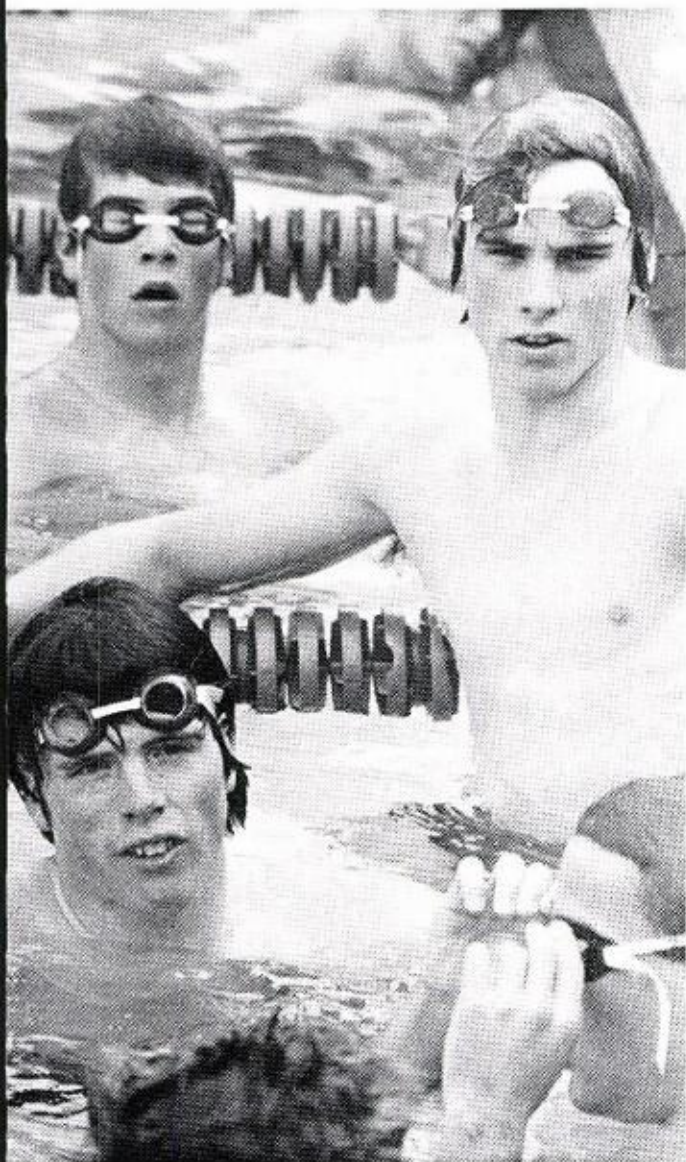

Row 1: Chris Laliberre, Alexander Gheorghiu, Dan Mirski, Phil Massey, Nat Flick. Row 2: Coach Remen, Bry Sanders, Andrew Chin, John Olmstead, Andy Shaw. Row 3: Joe Wells, Joe Murad, Mike Habers, Mark Hillier, Jeff Saunders.

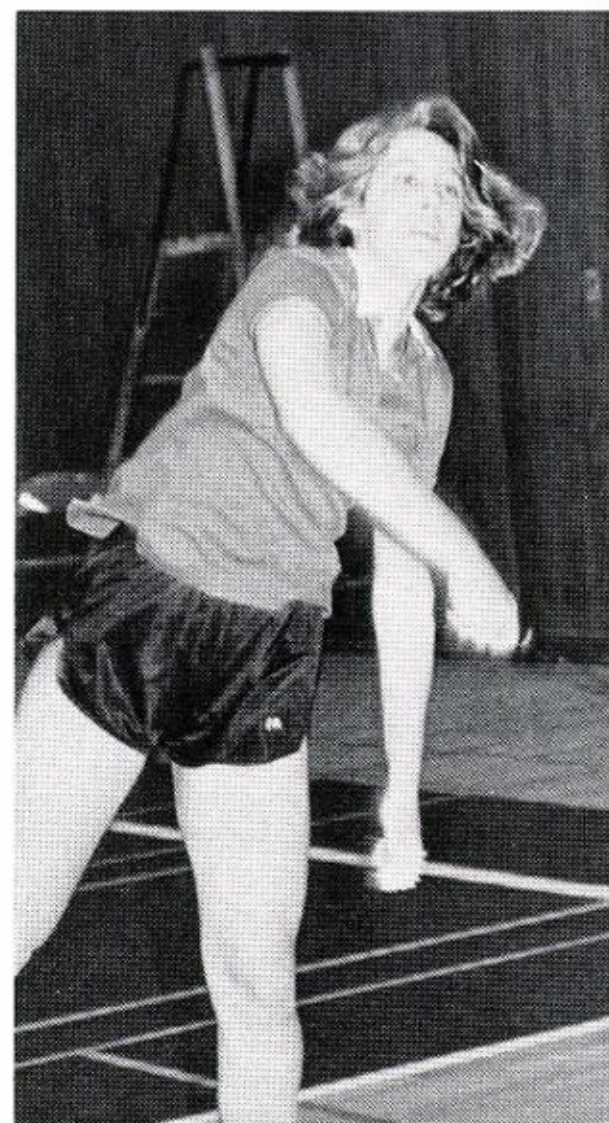

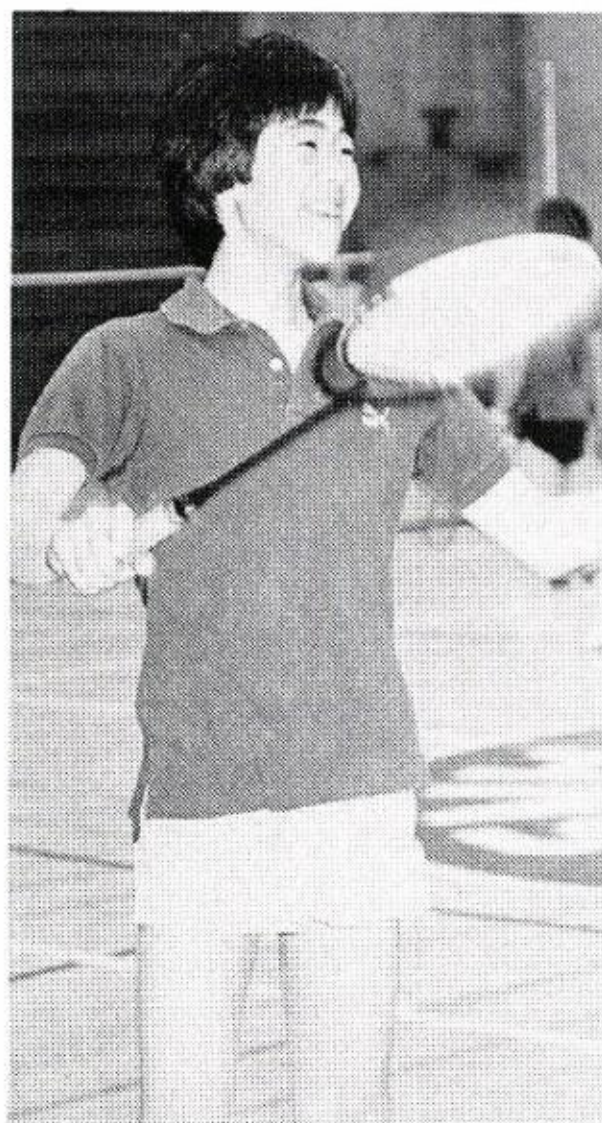

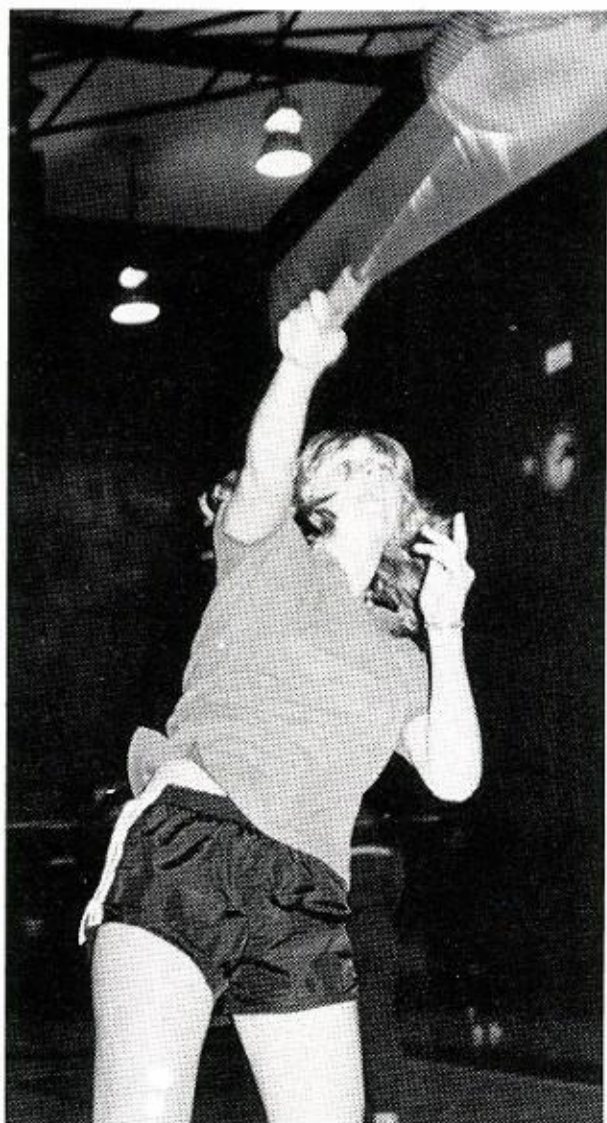

The Tiran Varsity swimmers and divers face a tough season this year, with a smaller turnout than last year and bigger challenges from Paly and Los Altos. Hopes are high, though, and the team is psyched to recapture the SCVAL title, lost last year for the first time in several years. Divers Brent Nolan, Dave Williams, and Bill Haber represent Gunn strongly in that area, and Lenn Rosenberg, Bob Bethke, Sean Murphy, Joe Murad, and Mark Hillier, many of them returning Varsity swimmers, provide both leadership and crucial points in the swimming events.

Although the Varsity team is not as large, the Frosh/Soph team has grown with the addition of many new and very promising swimmers. Together, both make up one terrifying Tiran team. Watch out Los Altos!

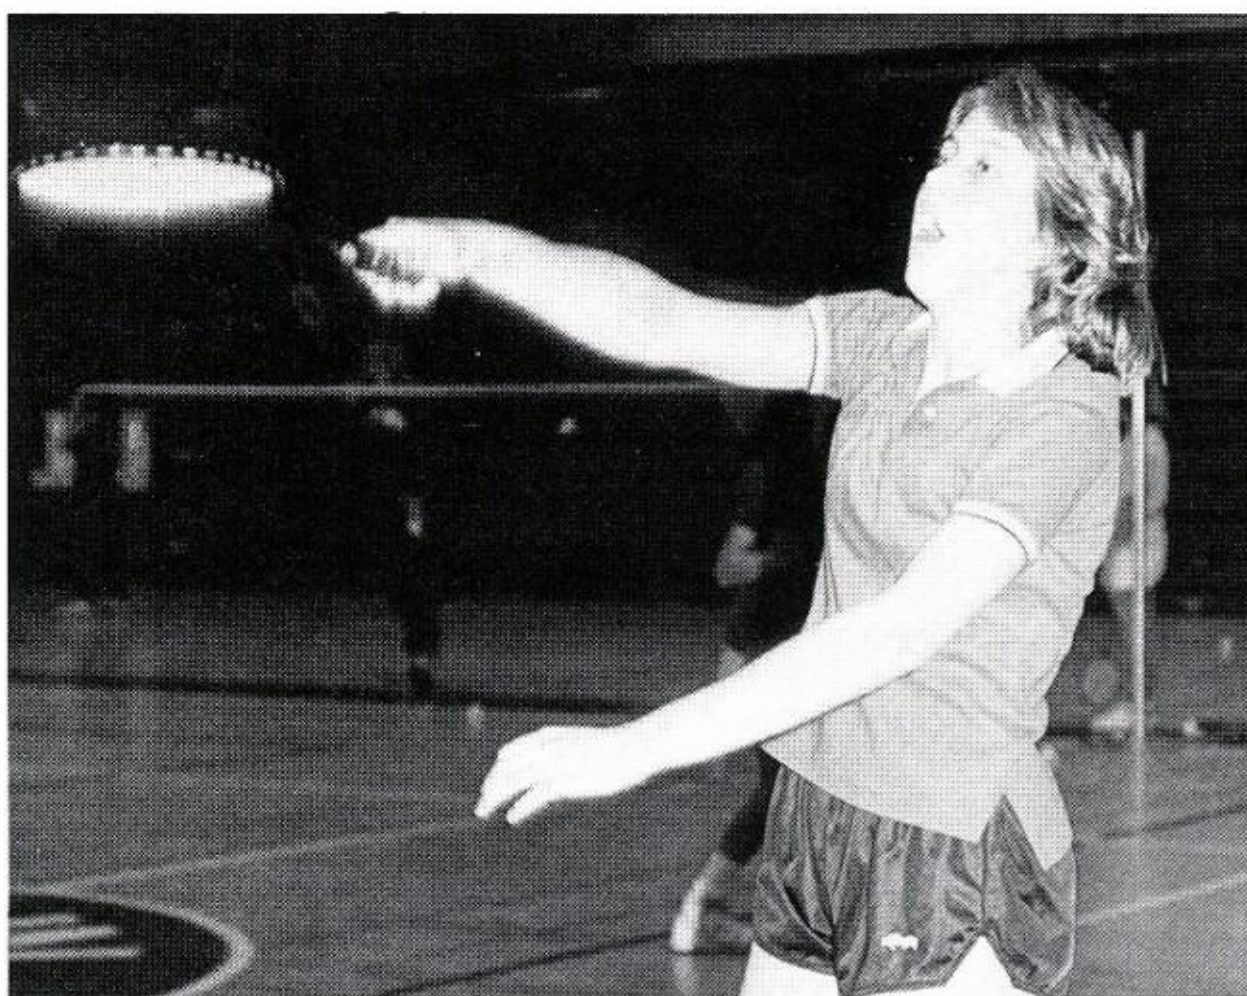

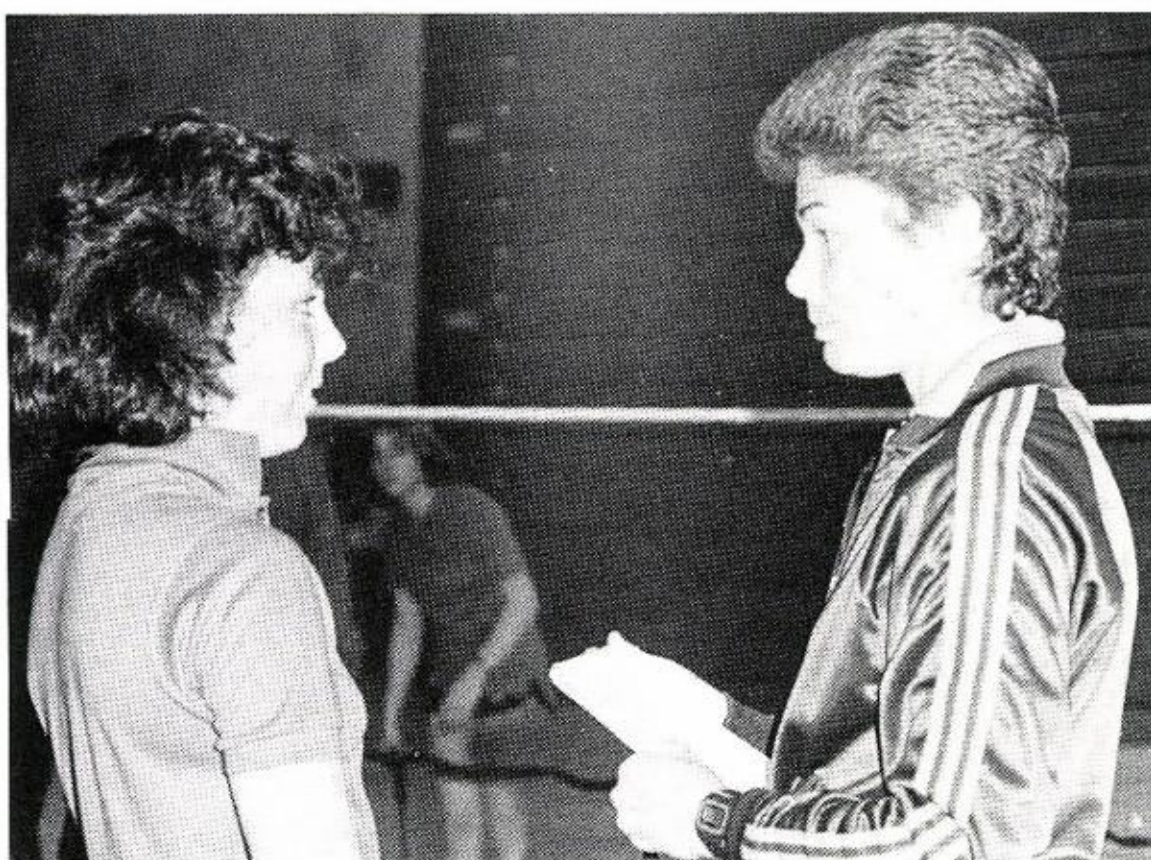

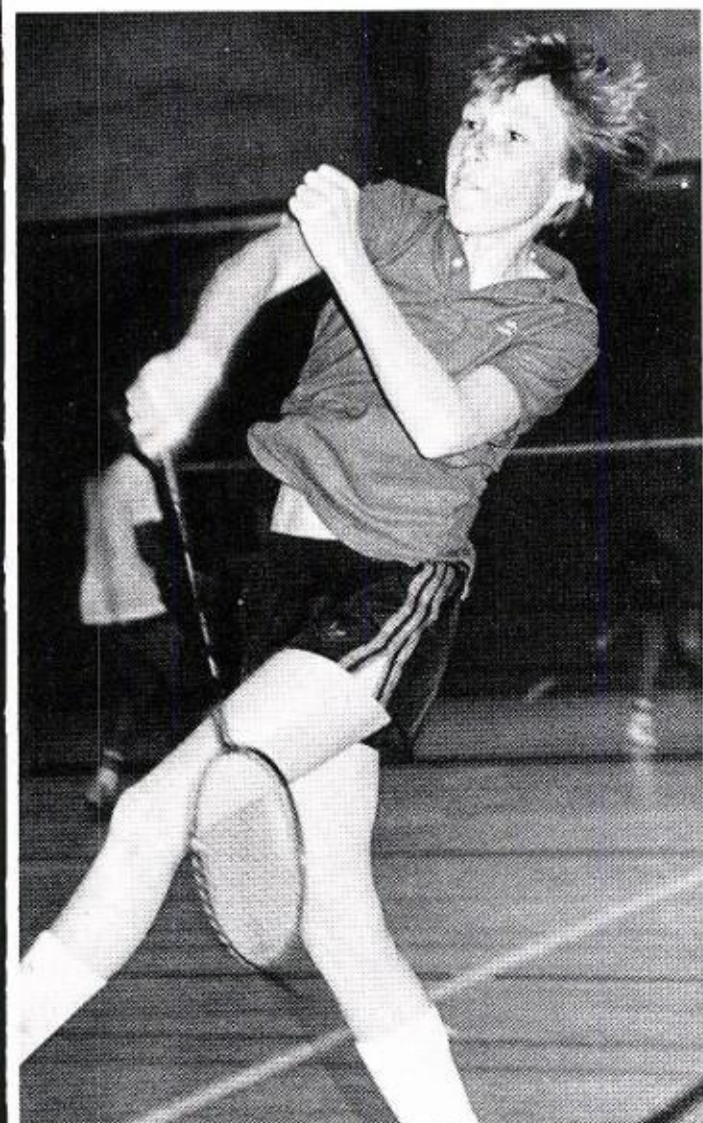

Badminton

The 1985 badminton team, composed of 40 hard-working individuals, started off the season with a record of 20-0. Coach Stephanie Adcock hopes to see the team, led by 1984 CCS champ Lisa Drews, clinch their sixth consecutive League title.

Along with Lisa, the leading team members include Mindy Dalrymple, Joanne Neilson, Rick Chestnut, and Tony Tam. The excellent Steve Yerso/Yun-Chio Shaw team along with the Becky Kilby/Sharon Sussman team are working hard and leading in the doubles competition. The OLYMPIAN congratulates the team for a fantastic season.

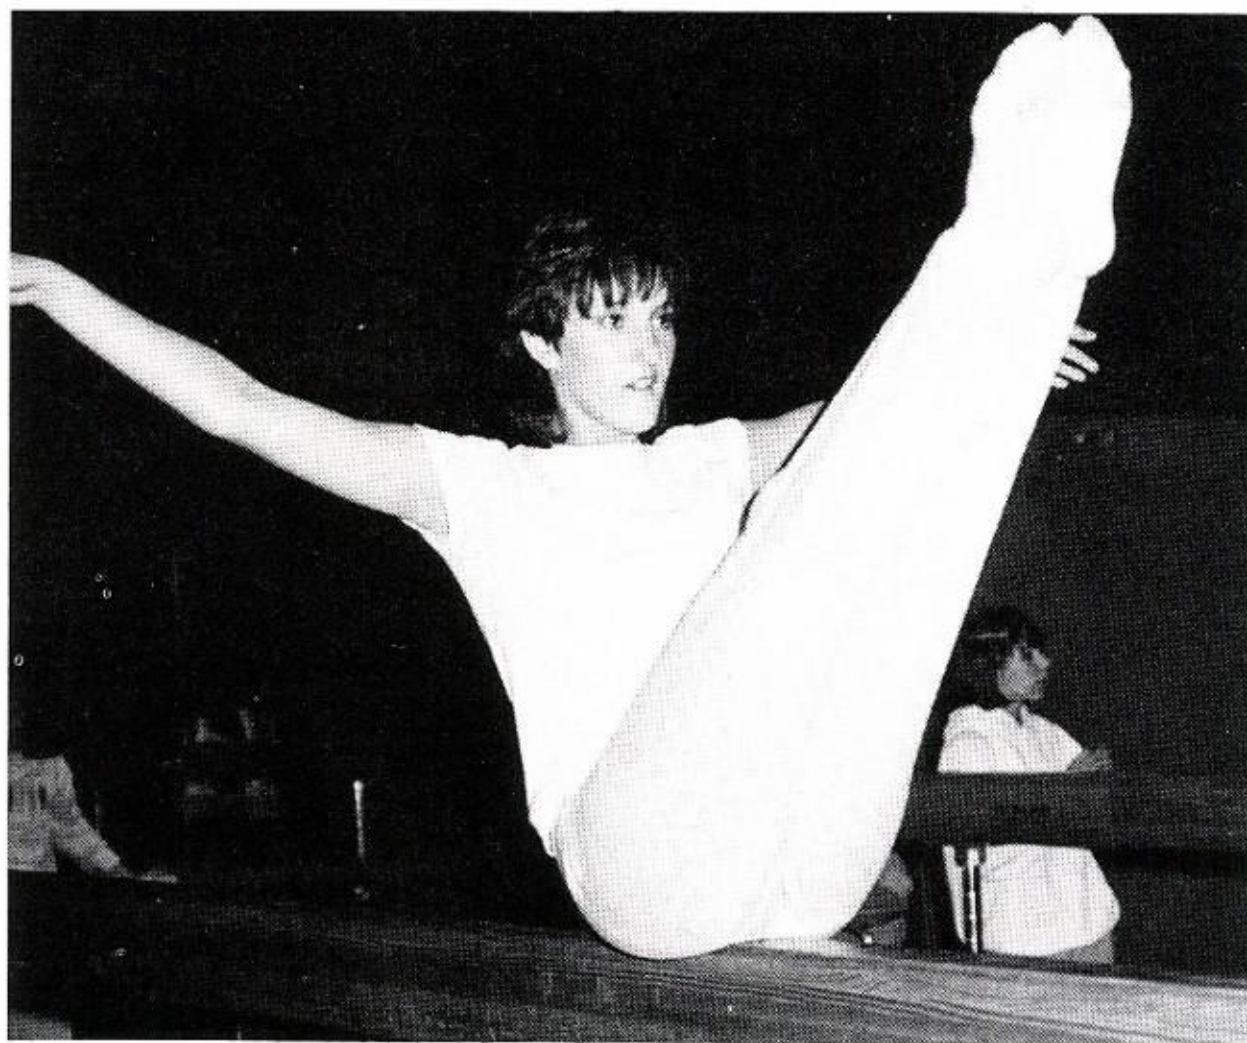

ROW 1: Liz Koo, Priscilla Lee, Erin Rogondino, Yvonne Wang, Kaylee Newell, Evangeline Wang, Grace Truong, Cathy Teo, Matt McConnell, Ashu Saxena ROW 2: Becky Kilby, Robert Wheeler, Sharon Susman, Amy Yu, Candee Smith, Jackie Yau, Meredith Westover, Rache Freiberg, Andrew Cheng, Fred Schmirz, Patrick Chestnut, Keith Lee, Julie Huff ROW 3: Ramin Moallemi, Christian Van Clef, Tony Tam, Mindy Dalrymple, Lisa Drews, Aison Vickland, Joanne Nielsen, Carol Ames, Kendall Osborn, Lise Schwarz, Richard Woo, Grace Lin, Dorin Depue, Coach: Stephanie Adcock

The gymnastics team has been working very hard for their first match against Cupertino. Some of the outstanding players are Shari Cavender, and Wendy Crossman on the bars, Amy Pratt, and Karin Bryant on the beam, and Jenny Wheaton on the floor, and in the vault events. Just a few of the outstanding J.V. girls are Viona Wilson, Tamara Sanford, and Jessica Rosenberg. The team has a lot of potential. Since there are no seniors on the team. They can go a long way.

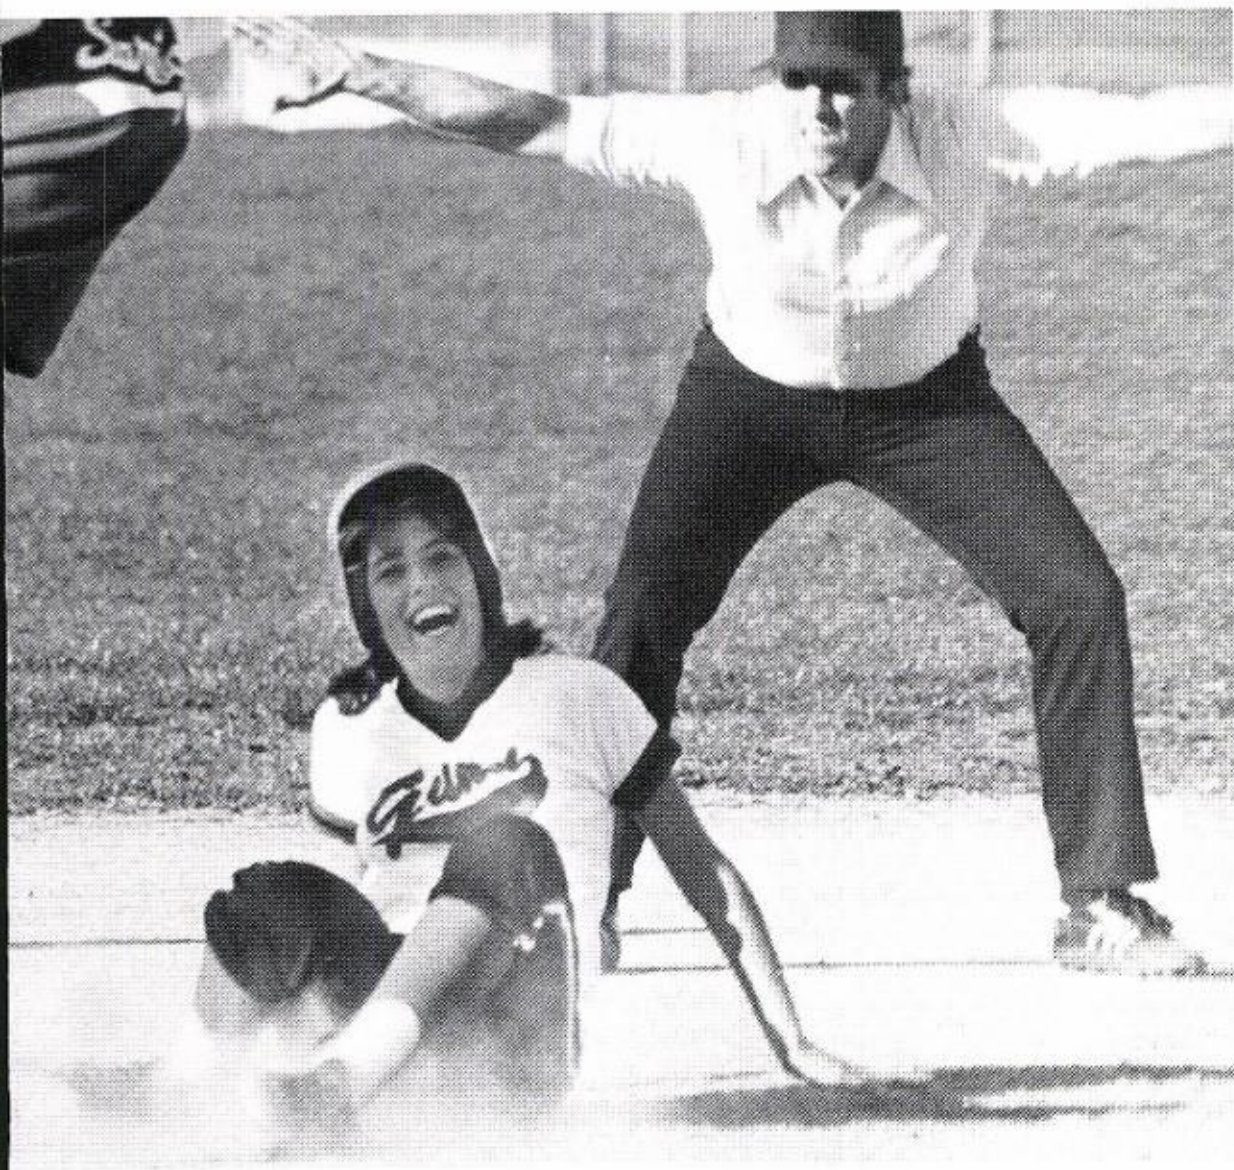

Varsity Softball

Row 1: Stacey Grinstead, Michelle Parker, Paige Coan, Karen Parker, Kim Van Der Maaten. Row 2: Diane Scott, Mary Jane Marcus, Tammi Djumovich, Maria Del Oca, Shirine Kharaka. Row 3: Coach John Sevey, Kelly Collin, Stephanie Bartholow, Denise Anderson, Virginia Thompson, Dorothy Vendley.

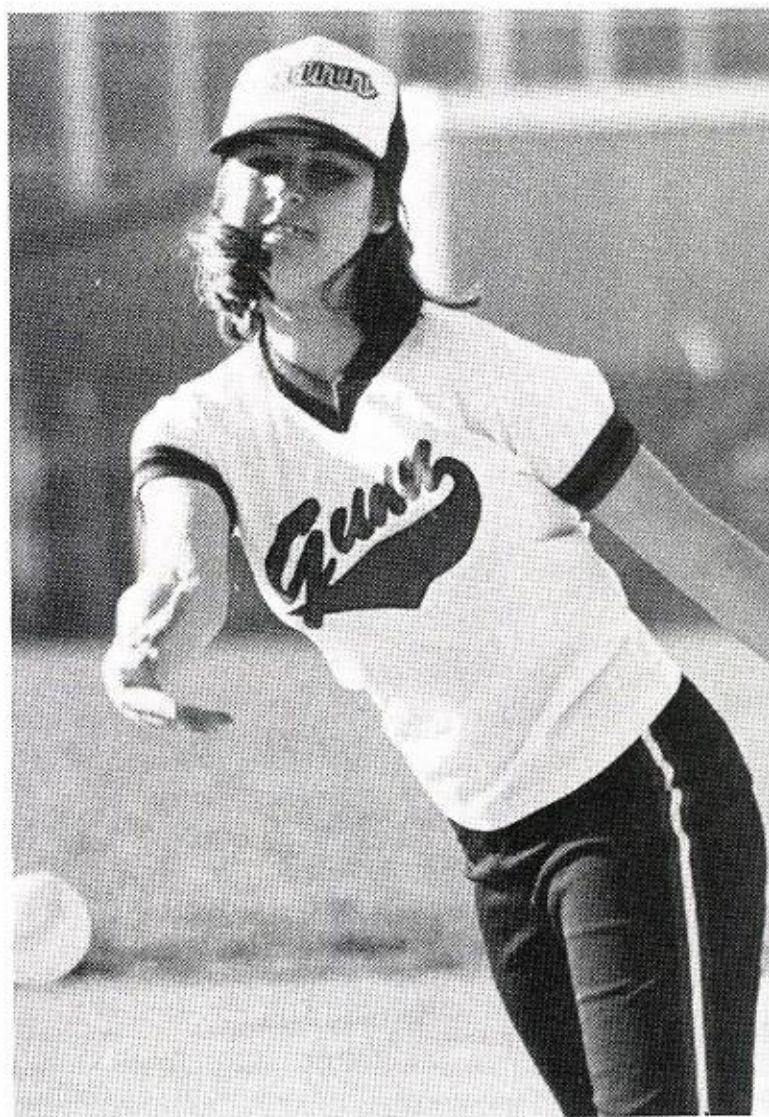

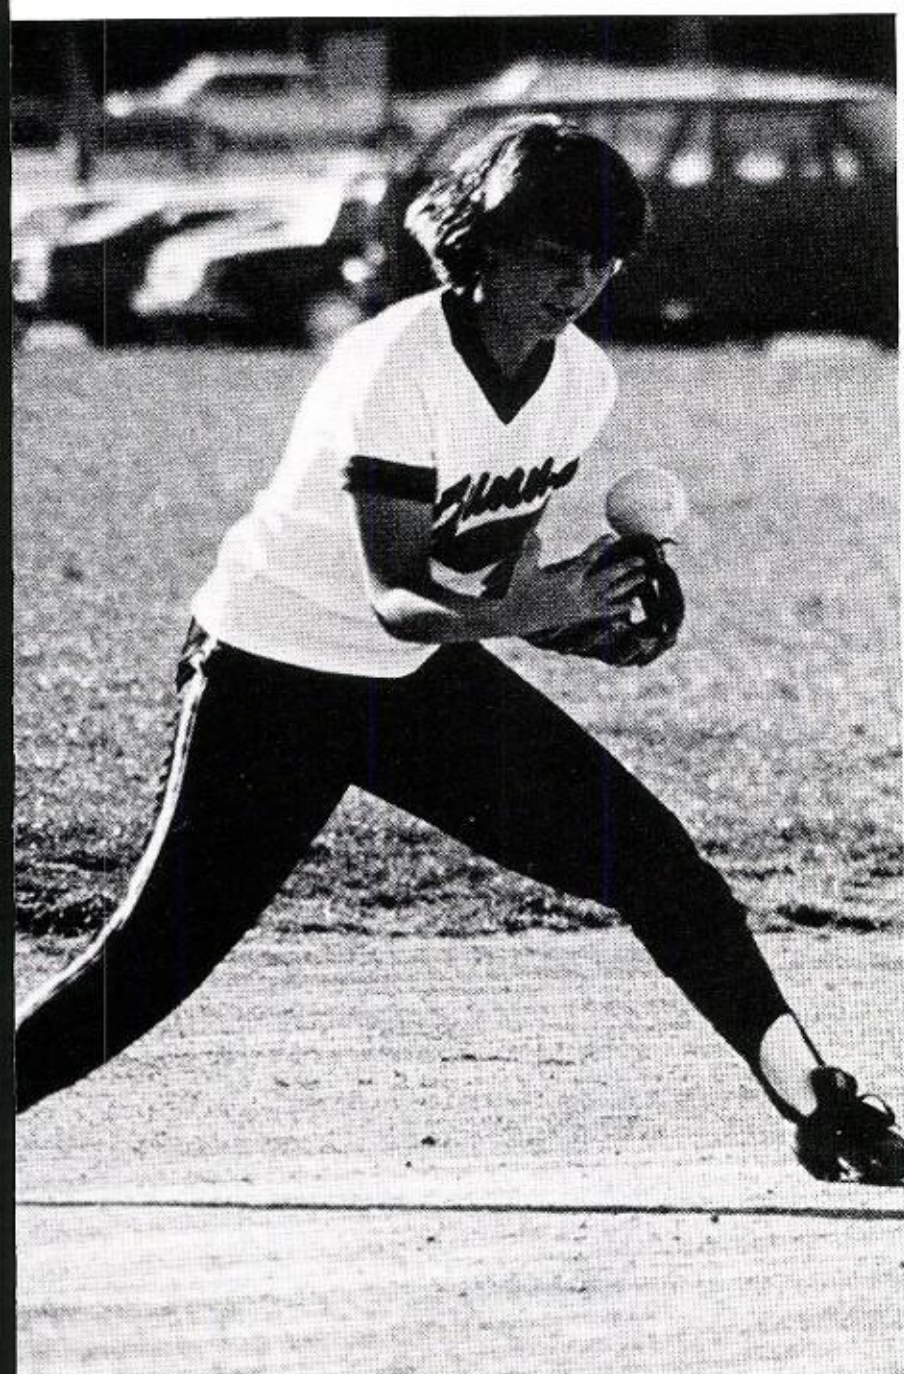

Although softball's regular league season play has not yet begun, first year Varsity coach John Sevey believes this team is the best. "From player one to fifteen, they're all strong," he claims.

Returning seniors Diane Scott and Maria Delloca (co captains), Kelly Collin, Stacey Grinstead, and Stephanie Bartholow provide a strong nucleus and strong team leadership. Junior Michelle Parker and sophomore Shirine Kharaka are also expected to play major roles during the season.

The goals of the team are, according to Sevey, "to become as knowledgeable and fundamentally sound as we can. We want to have fifteen "team" players, all filling certain roles, and sacrificing for the team." Sevey firmly believes that the team will be successful if they can sacrifice personal goals for the benefit of the entire team.

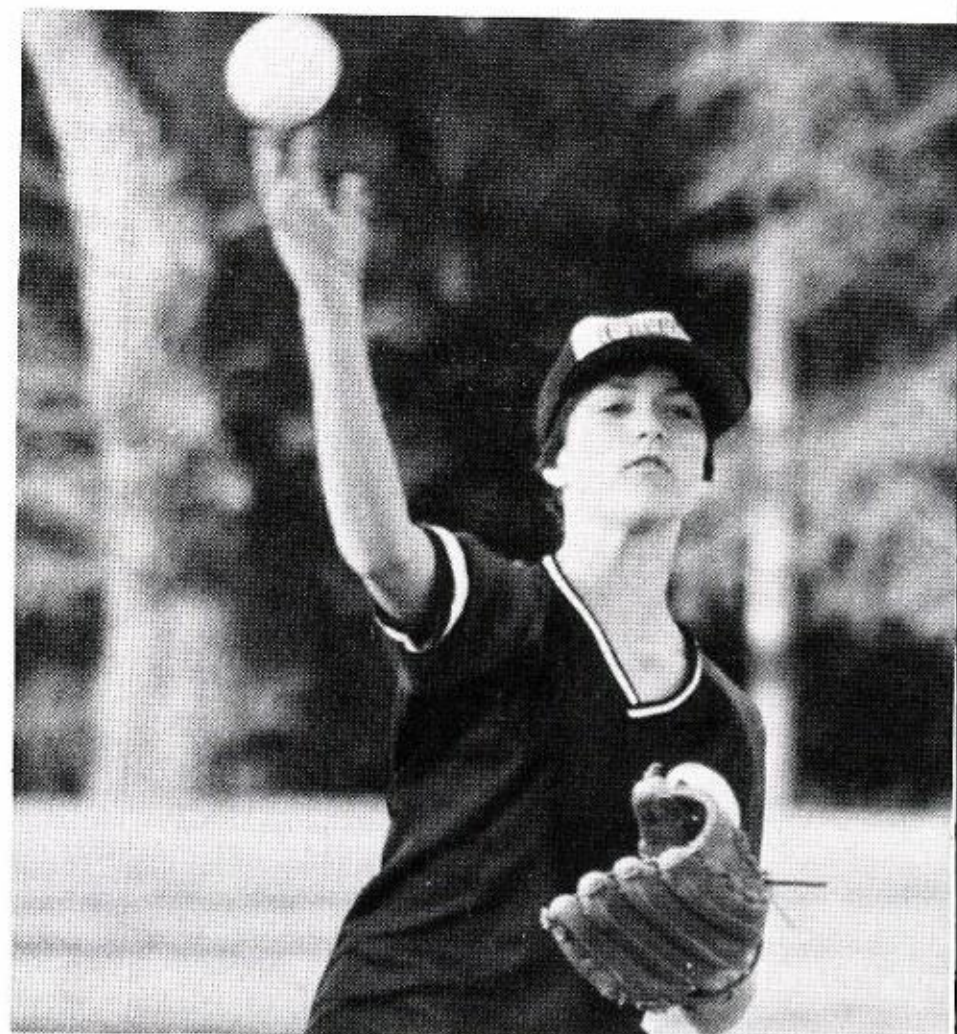

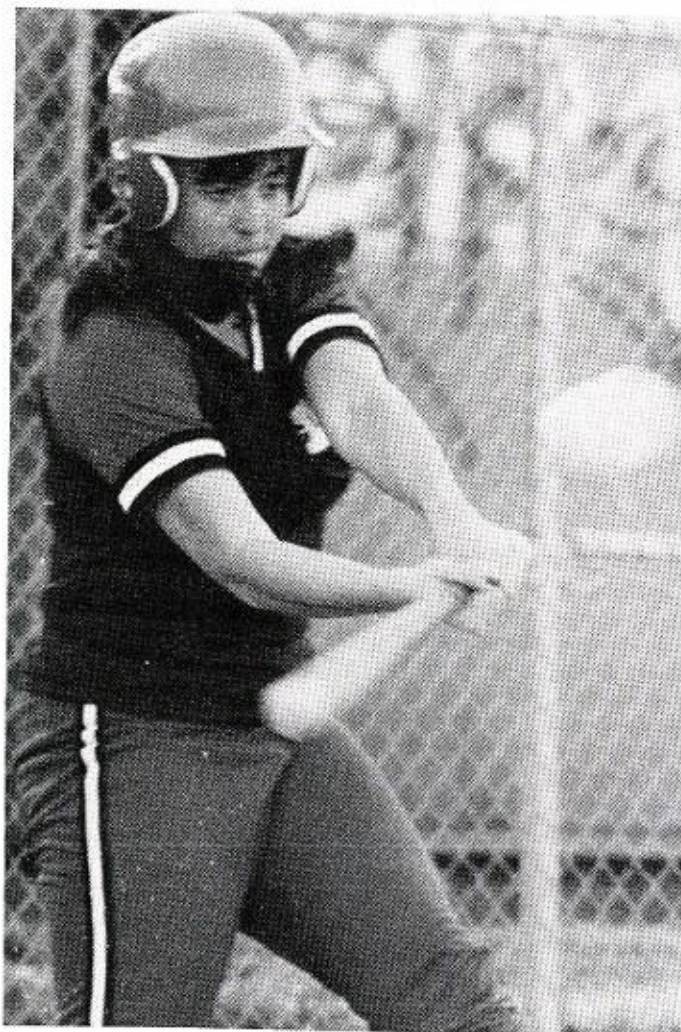

The Titan Softballers have set a goal of finishing in the top 4 teams in the S.C.V.A.L. League, making the playoffs and then they hope to reach C.C.S. Coach Sevey sums up his expectations with, "we're enthusiastic and looking forward to an exciting season. If the team performs up to their potential, they will have a great season!"

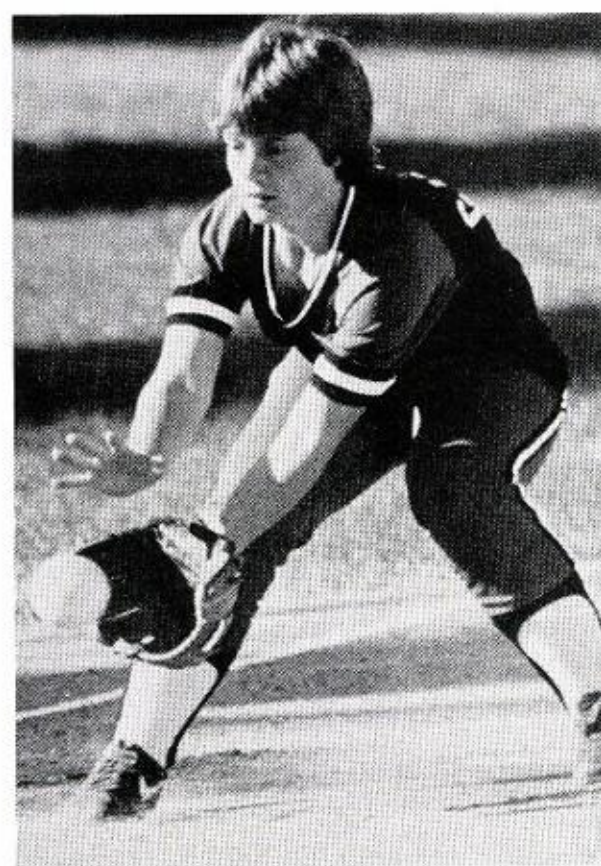

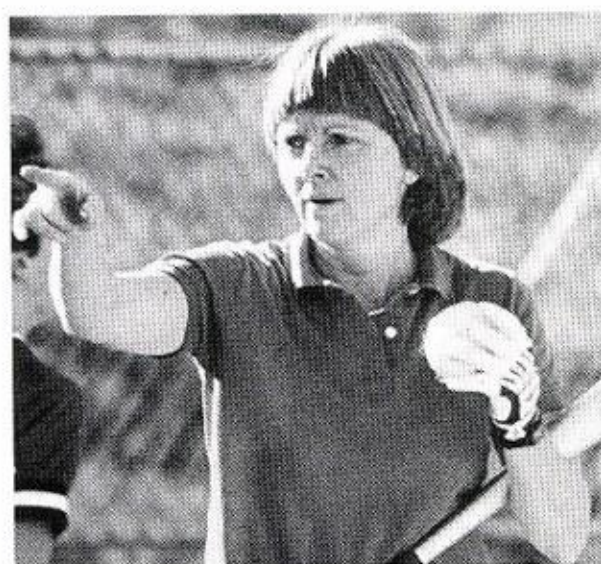

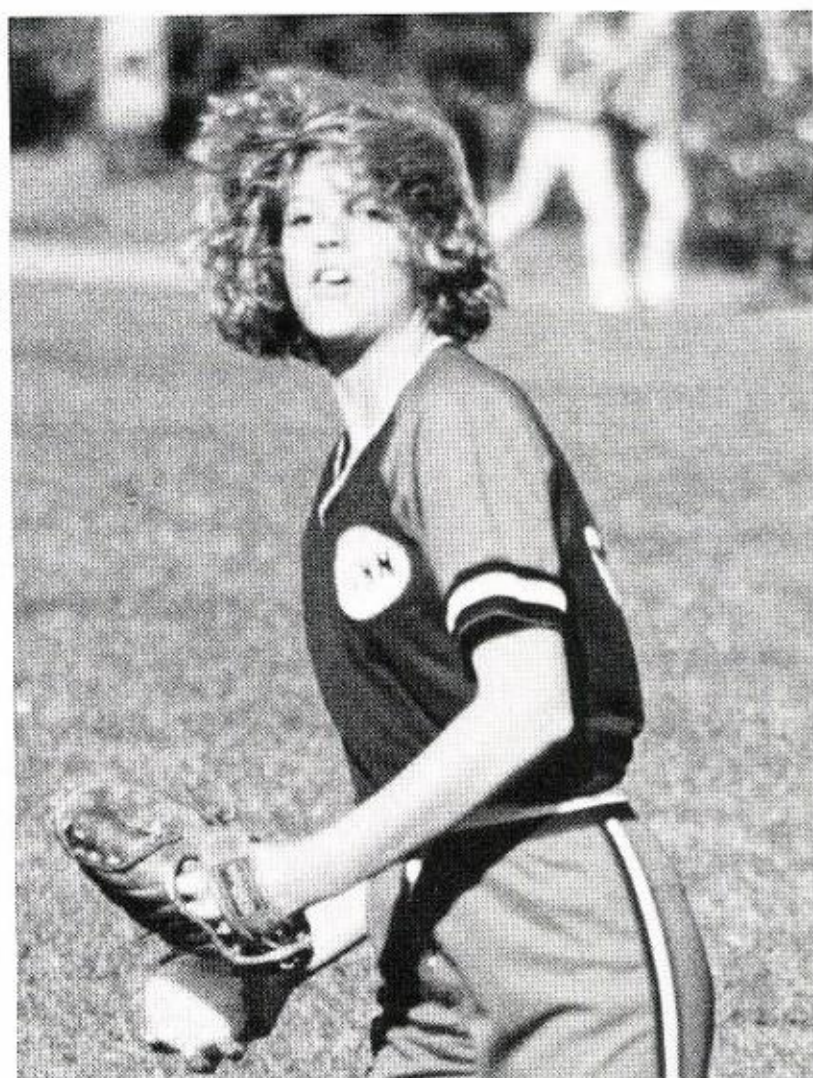

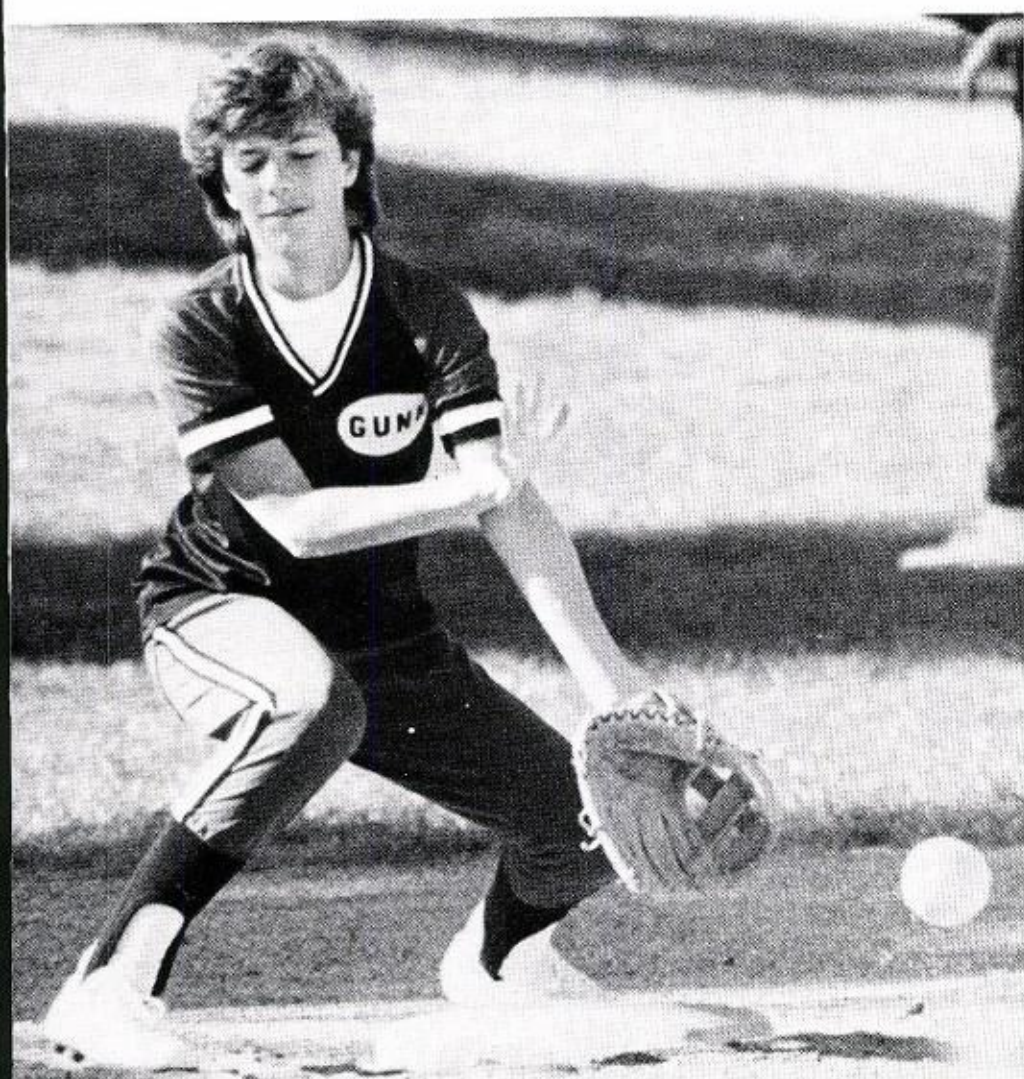

J.V. Girls' Softball

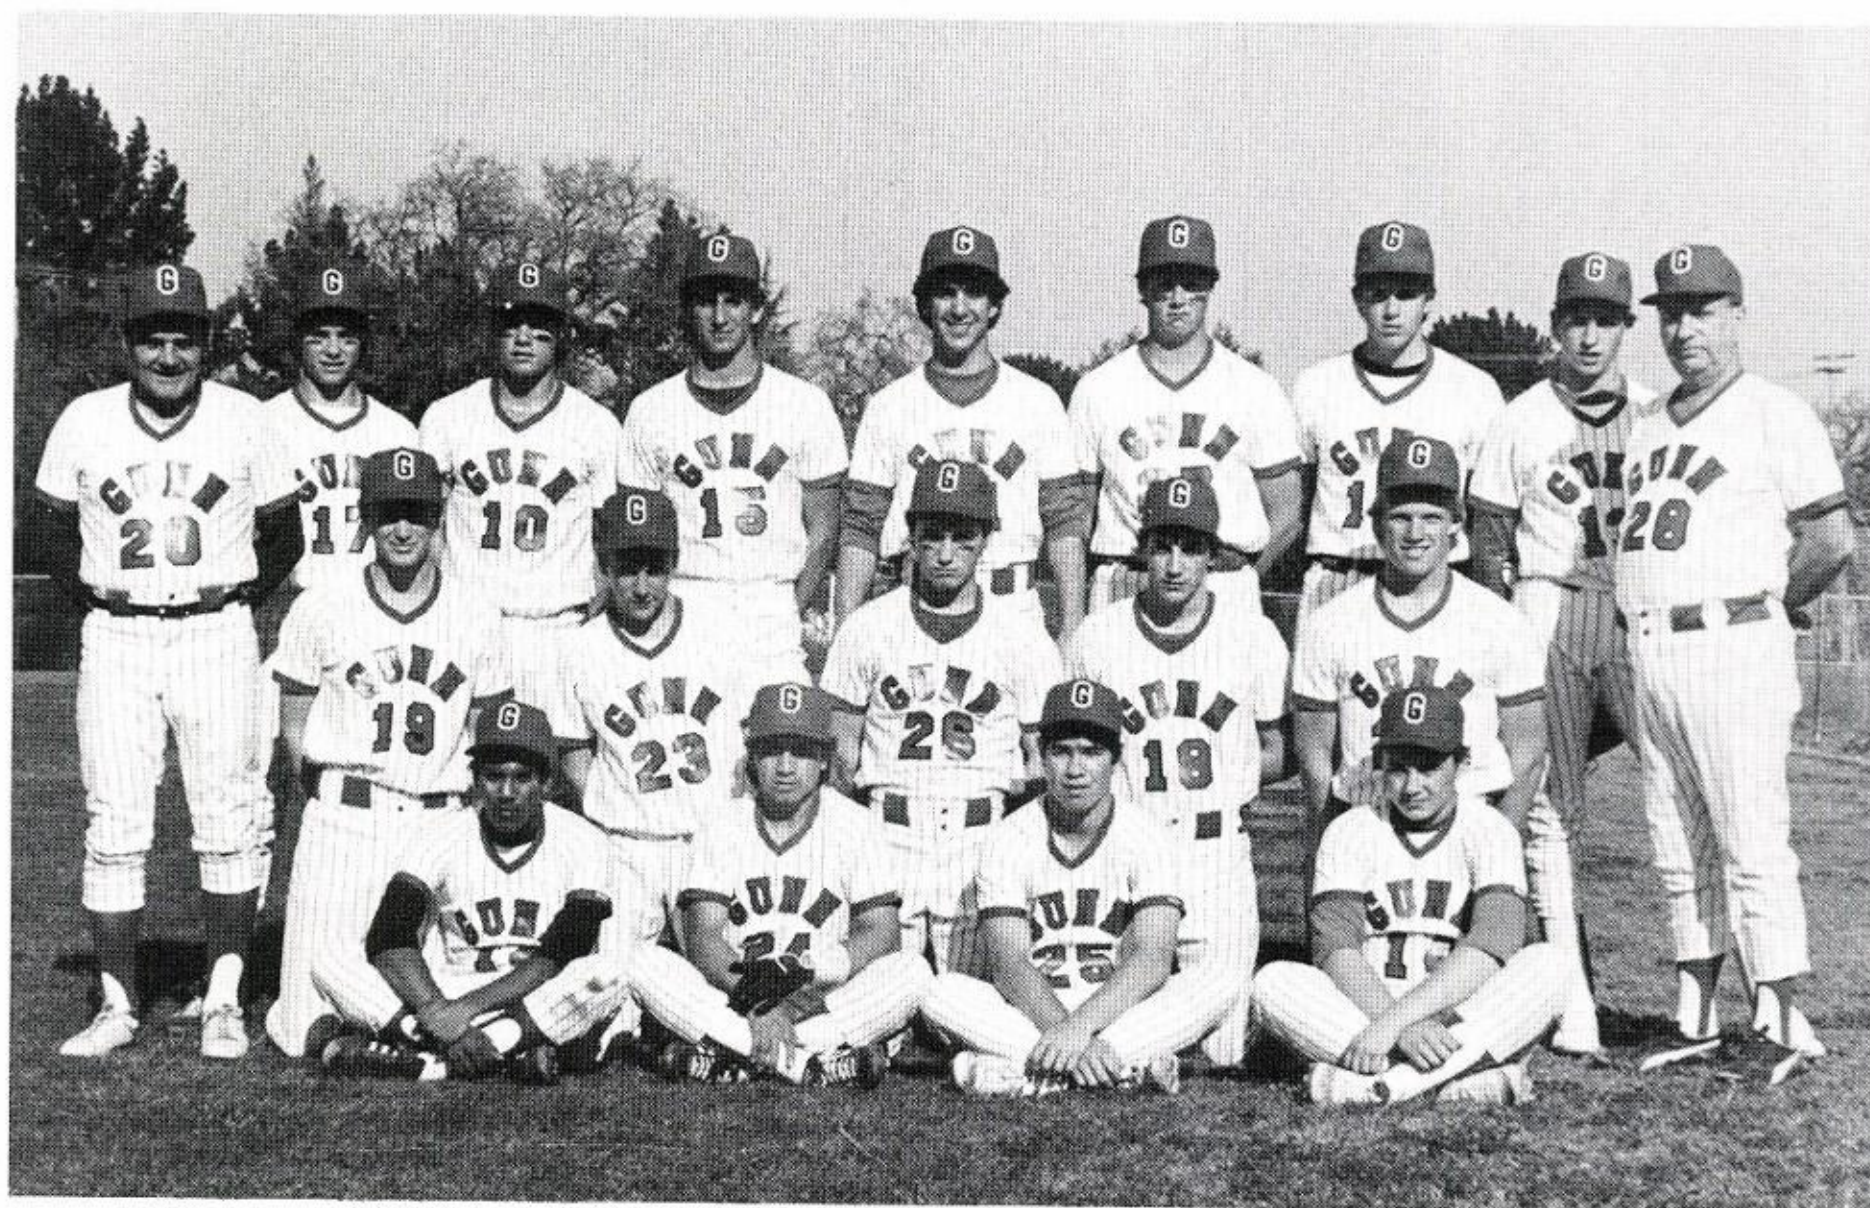

Row 1: Molly Fay, Claire Walters, Jessica McConnell, Michelle Lindzy, Kim Del Carlo. Row 2: Melinda Wassam, Linda Tarango, Jenny Owen, Jackie Crenshaw, Paula Schoeder. Row 3: Jessica Lindzy, Linda Willey, Jenny Perga, Linda Cobb, Jenny Dunham, Coach Kaye Little.

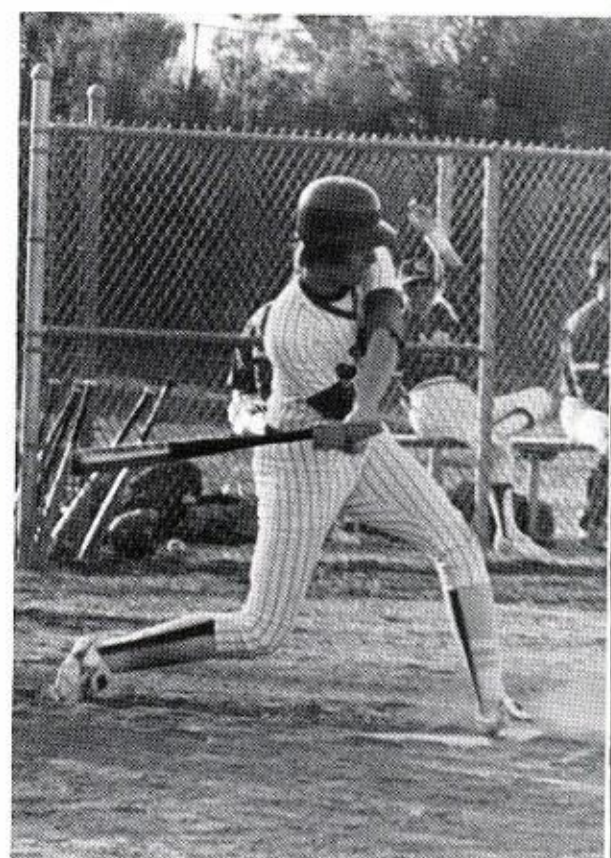

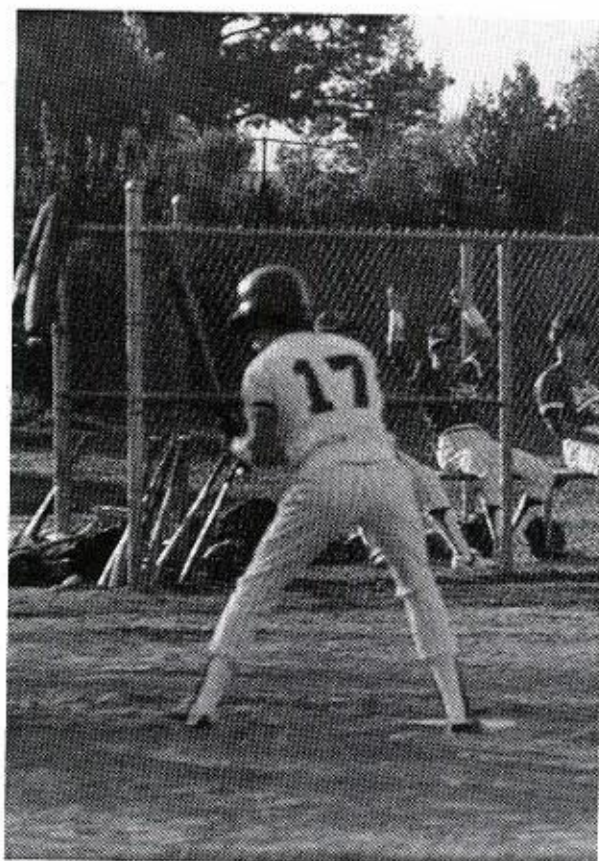

The J.V. softball team, headed by Coach Kaye Little, has just begun pre-season play and has high expectations for league play. With returning players Jenny Dunham and Linda Tarango combined with new players Linda Cobb, Jackie Crenshaw, and Melinda Wassam, the J.V. team promises to be powerful. Coach Little predicts an impressive finish in the standings of the S.C.V.A.L. League if the team can play to their potential throughout the season. Even though practice games have just begun, the team feels success is guaranteed. Sophomore co-captains Jenny Perga and Claire Walters are optimistic. "Team unity will be the key," says Walters. "We're looking forward to improving together, as a team." Adds Perga, "We should do well if we play as well as we are able to. If we keep our spirit up and concentrate on playing to our potential, we'll do well." With the kind of spirit and willingness to work hard the team possesses, they will inevitably be "winners" regardless of the season's outcome.

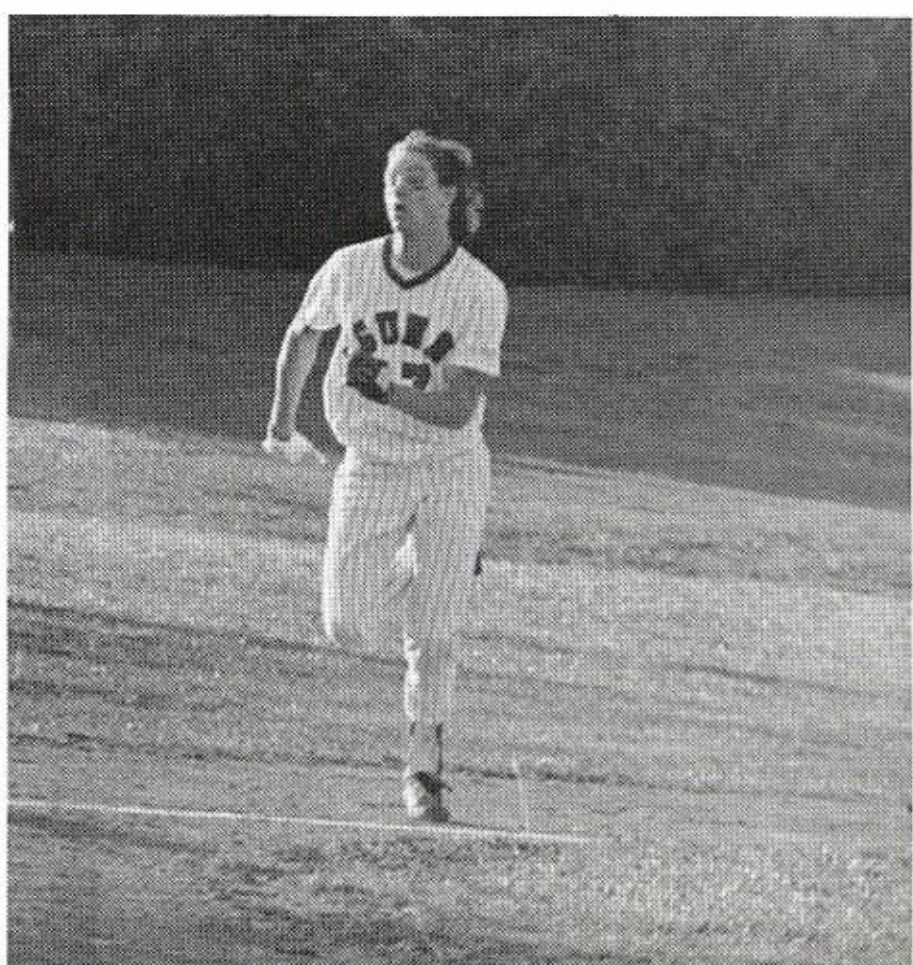

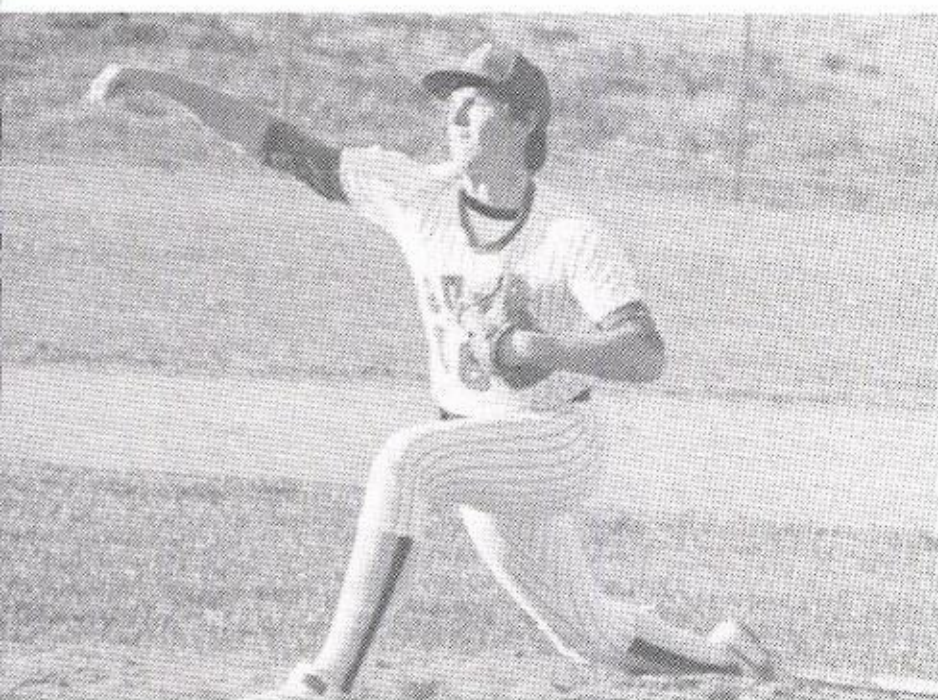

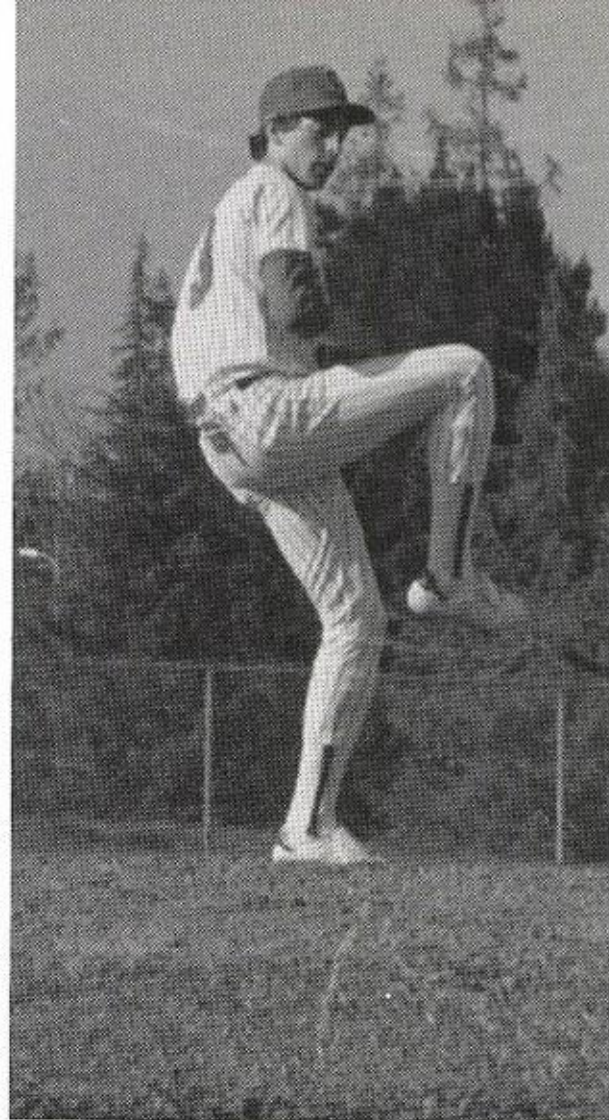

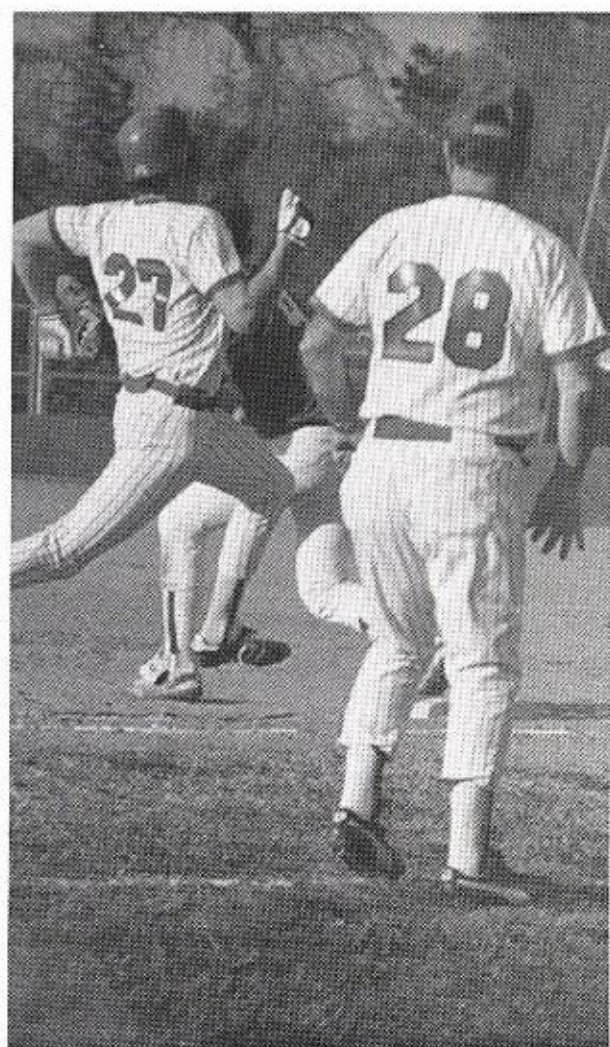

Varsity Boys' Baseball

Row 1: Virar Shah, Manny Freitas, Anton Rabushka, Steve Angelhoff, Row 2: Tom McCall, Paul Jonker, Tom Sutherland, Nick Angelhoff, Dane Stark. Row 3: Coach Bill Ahouse, Andy Coan, Kelly Coan, Rob Schilling, Gabe Radavero, Jeff Ryan, Jeff Gore, Brian Scott, Coach Lou Debari.

The Varsity boys baseball team began their season with a record of 6 wins and 1 loss. This year's squad has changed little from last year's. Coach DiBari said, "Our pitching is a lot better this year, mainly because of the depth of the pitching staff which consists of eight players." Pitchers include: McCall, Radavero, Ryan Freitas, Gore, Angelhoff, Yonkers, and outfielder Brian Scott who couldn't pitch last year due to an arm injury. Gunn's infield has not changed and includes returning all-leaguers Andy Coan (2B), Kelly Coan (SS), McCall (3B) and Jeff Ryan at (1B). The team has high hopes of winning C.C.S. this year. All the team members have contributed to the teams' success.

The boys' Frosh-Soph baseball team has had a slow start this season. Coach Airolti said, "We expect to at least break even this season." Outstanding players include: Jackie Nickell, Craig Harris, Rick Farr, and Dave Chicone. The team has nine Sophomores and eight Freshman. Coach Airolti said, "We have a great head start for our next season because our returning Freshmen will have the necessary experience."

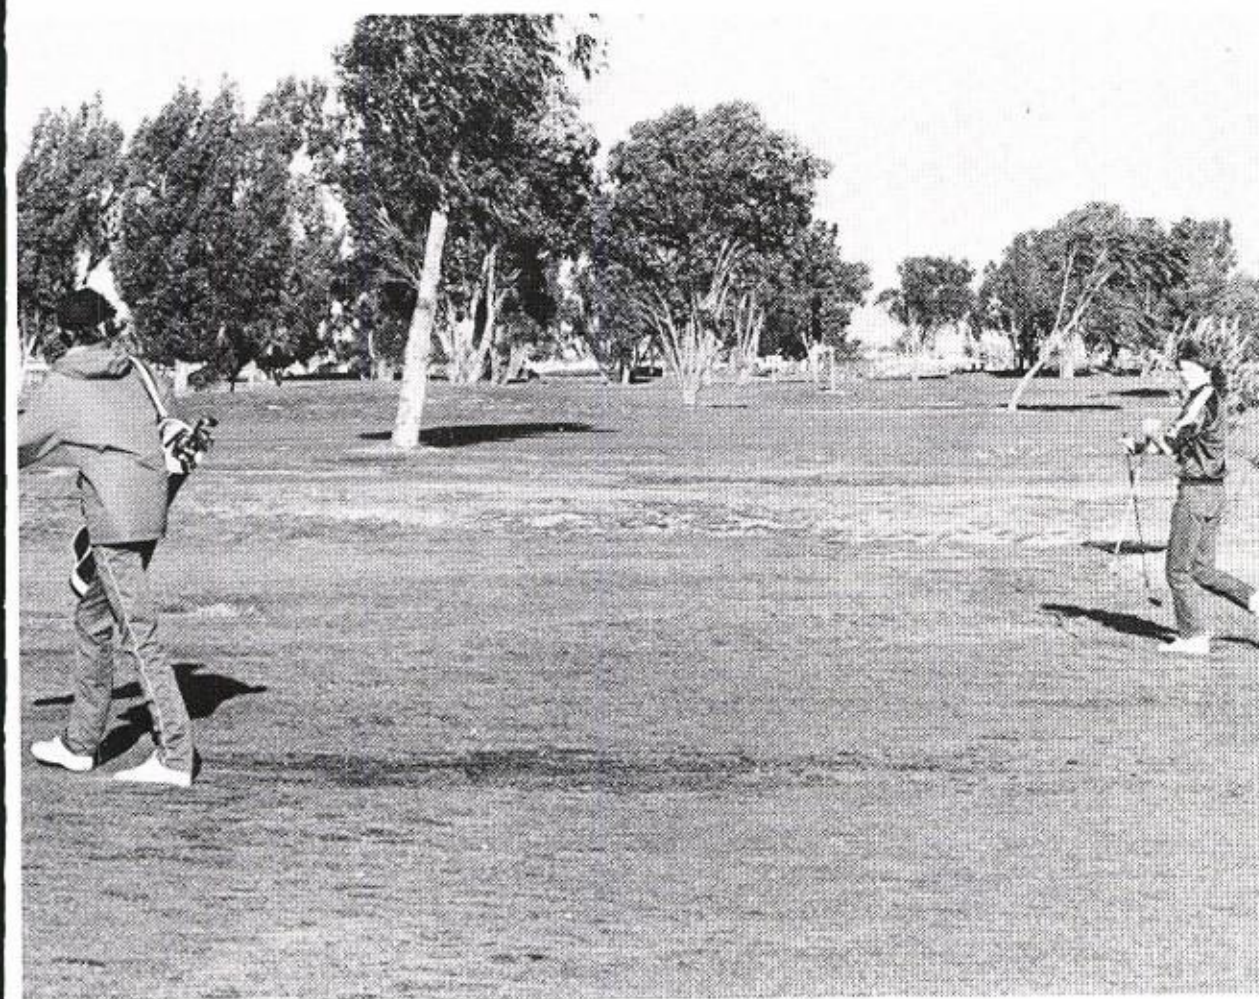

Golf

ROW 1: Sean Hastings, Matthew DeWolf, Seth Sterling ROW 2: Cameron Morfir, Gordon Leith, Todd Smith, John Reimers, Drew Norris.

This will be a building year in Golf, for we have only two returning Varsity Lettermen. Sophomores Gordon Leith and Doug Baron will help us, along with Senior John Reimers, being the oldest on the squad. Cameron Morfir and Freshman Todd Smith are expected to make a positive contribution to the team. At this point the sixth position is being controlled by six other aspiring golfers: Mihir Shah, Sean Hastings, Matt DeWolf, Seth Sterling, Mike Elmar, and Matt Foyer. We all wish the golf team a lot of luck this year.

Gunn High School is known nationally for the quality of its academic program, its outstanding faculty and staff, and the high standard of achievement attained by its students. Organized around eight departments, the curriculum offers more than one hundred courses plus special programs for students who have special needs.

The school day consists of seven periods which allows students' interests to room for afield, and provision for independent study, contract courses, and work experience credit make Gunn's educational horizon unlimited.

Mr. G. J. G. (Mr. Snicker!)

The Acoustically Handicapped Program has existed in Palo Alto for approximately twenty years. Initially housed at Cuberley High School, it moved to Gunn when the two schools merged a few years ago. It is not exclusively concerned with students from the immediate area but serves the handicapped from large portions of Santa Clara and San Mateo Counties.

Class enrollment is small for the special students who participate. This allows the two full-time teachers (one of whom is mainly concerned with communicatively handicapped youngsters) more time for the individual help needed by their charges. Teachers Zita Kennedy and Jim Nichols are supported by two aides and a speech clinician. The curriculum centers itself around English, social studies, auditory training (with emphasis on speech), and language development. Students are "mainstreamed" (enrolled in regular classes) for the balance of their instruction. Mrs. Kennedy and Mr. Nichols express gratitude for the willingness to help special kids shown by teachers throughout Gunn.

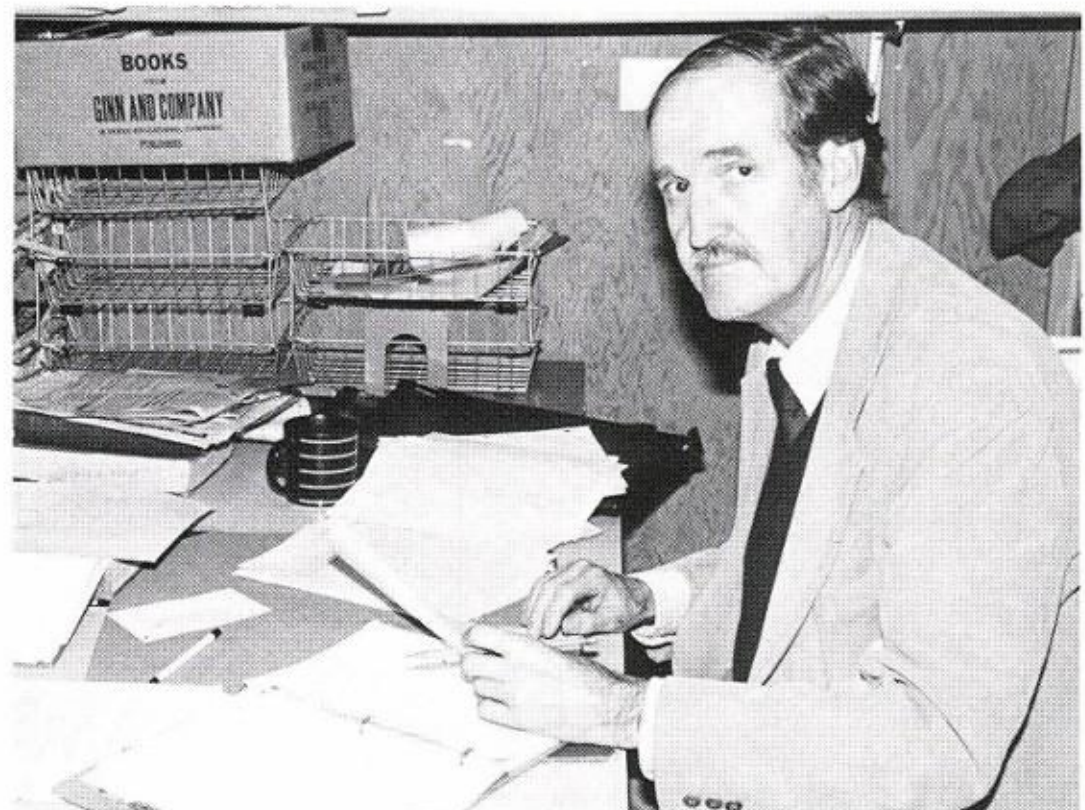

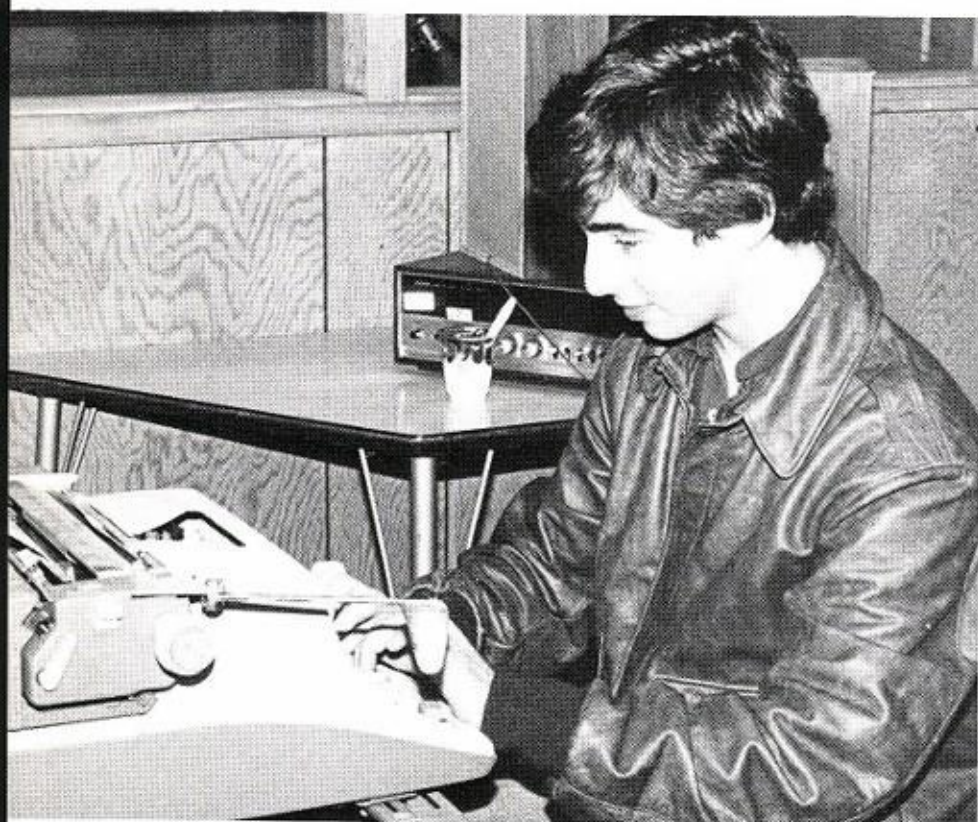

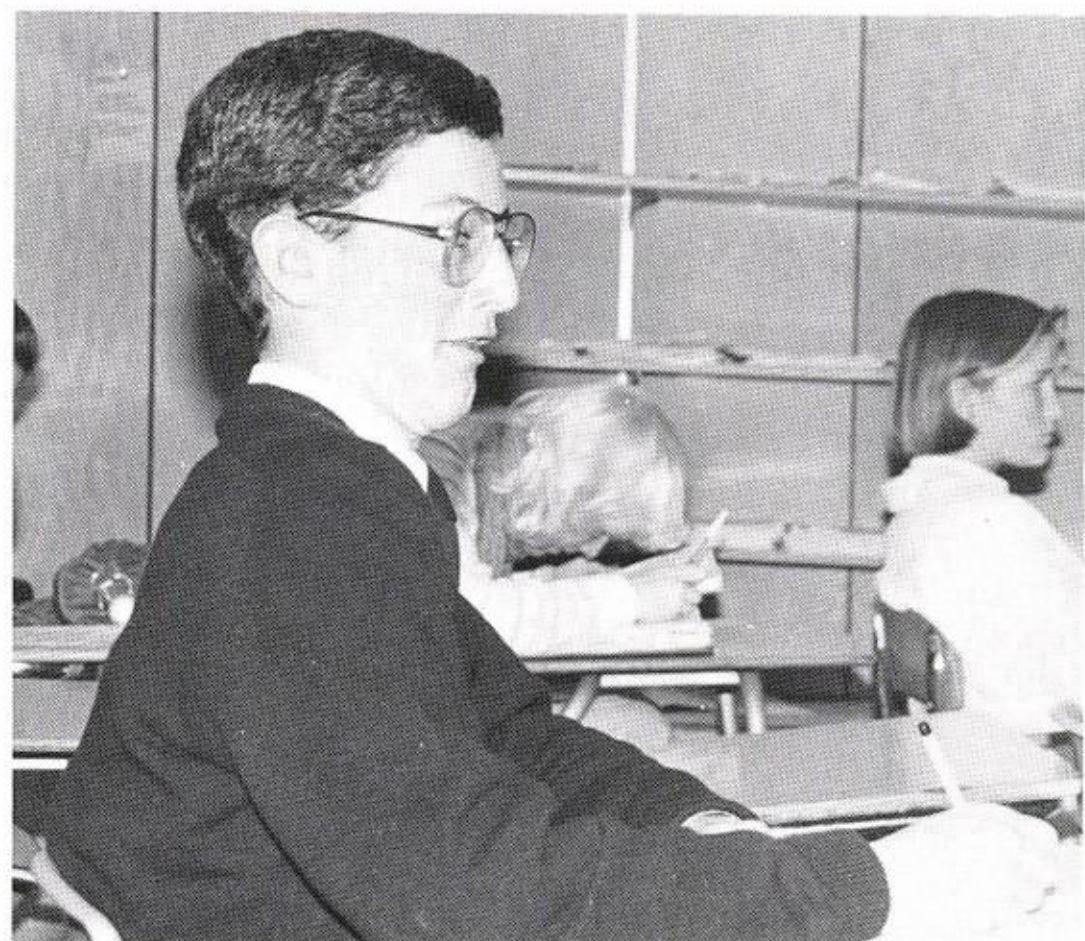

This very special department means a great deal to those who benefit from its daily activity. It is a proud part of Gunn High School.

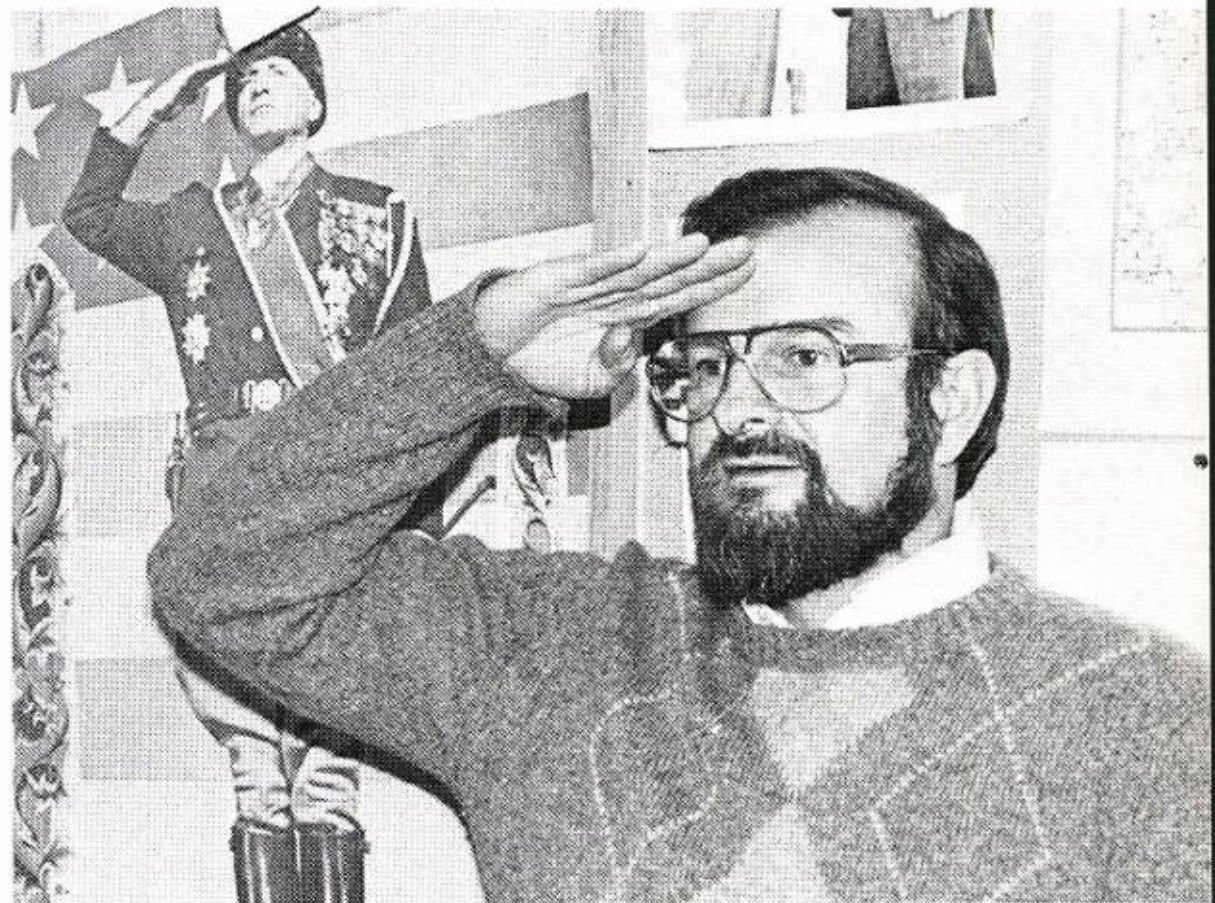

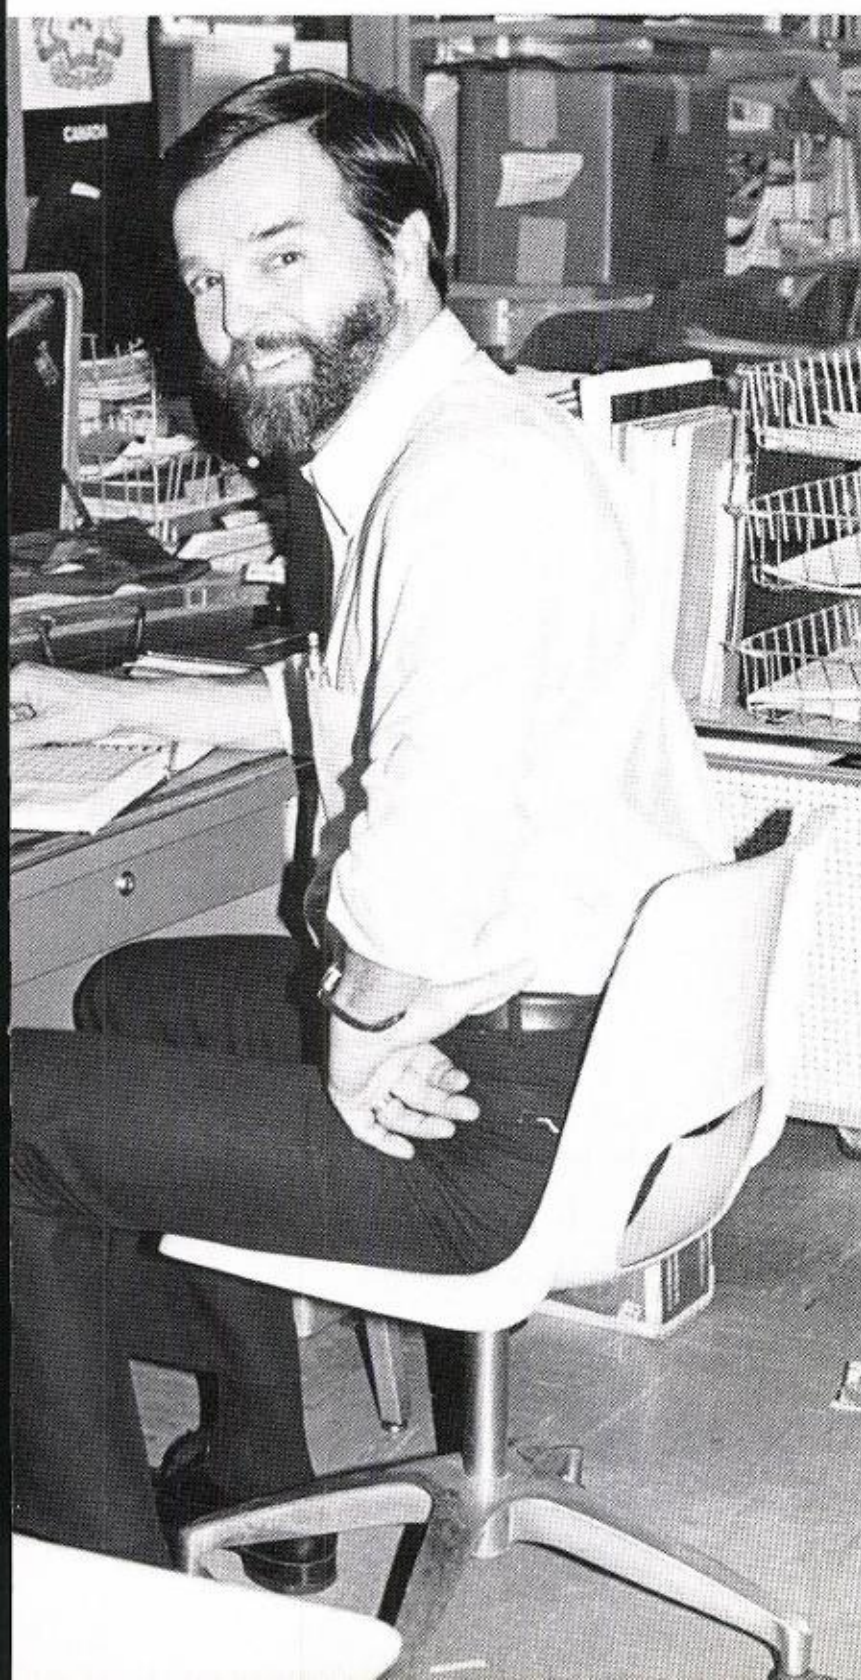

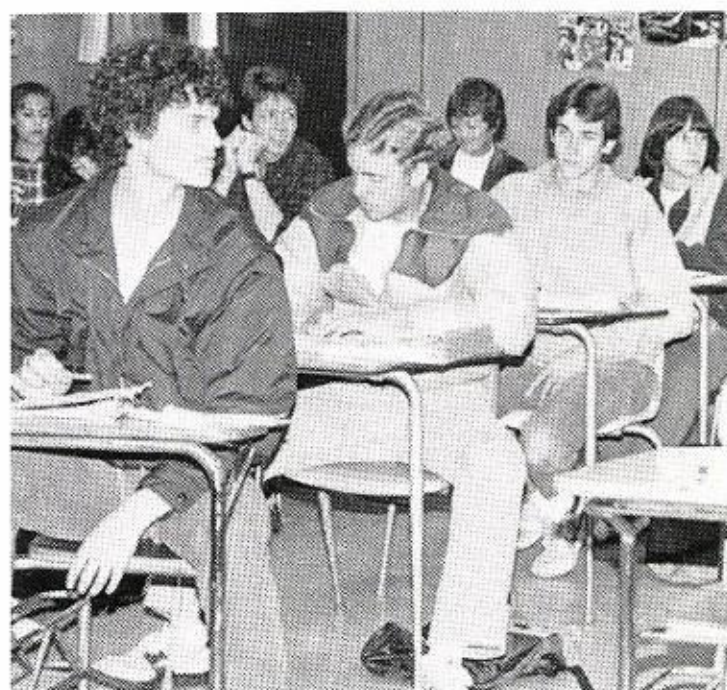

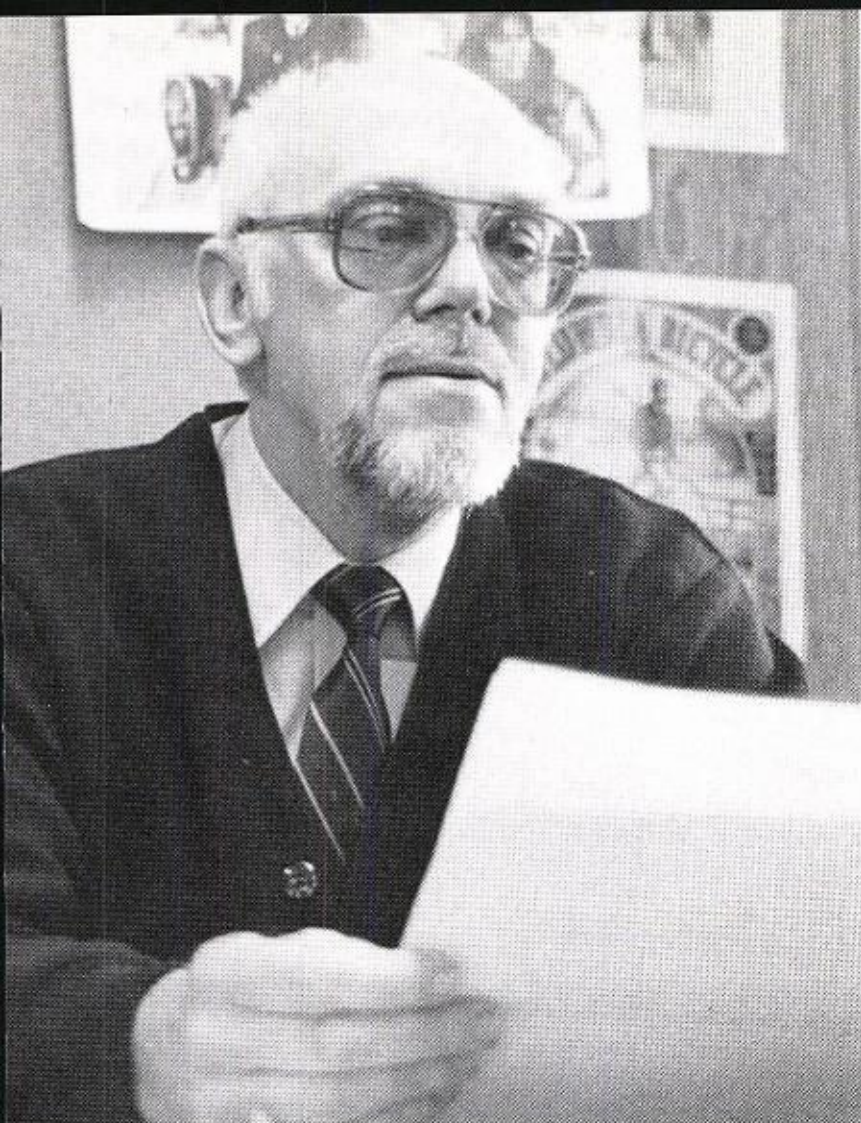

Social Studies

Social Studies

Social Studies

Social Studies

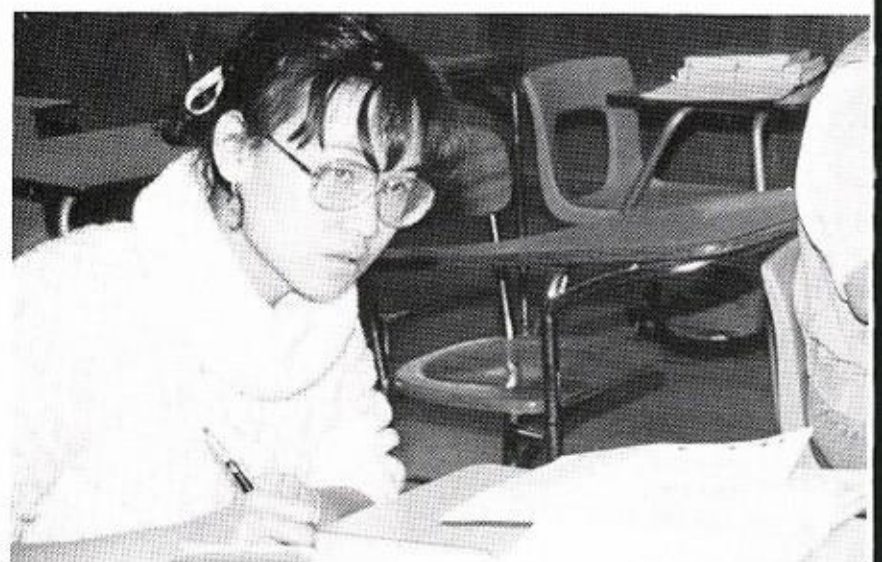

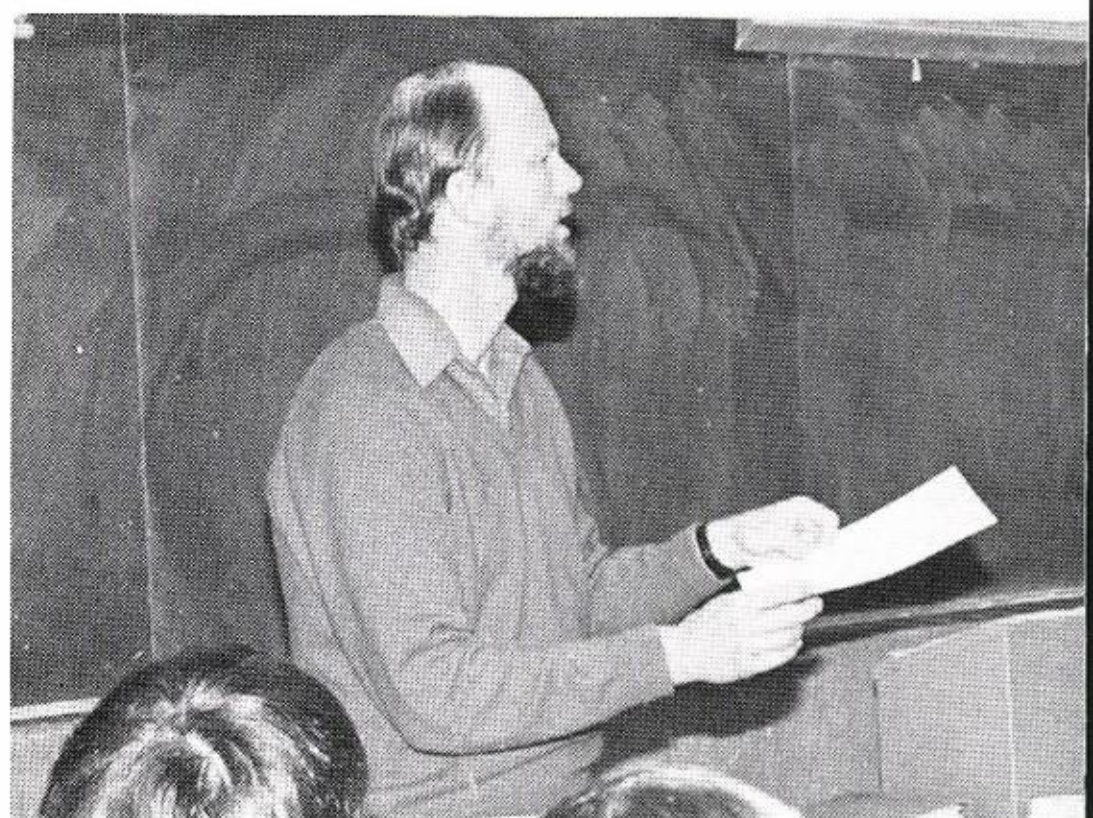

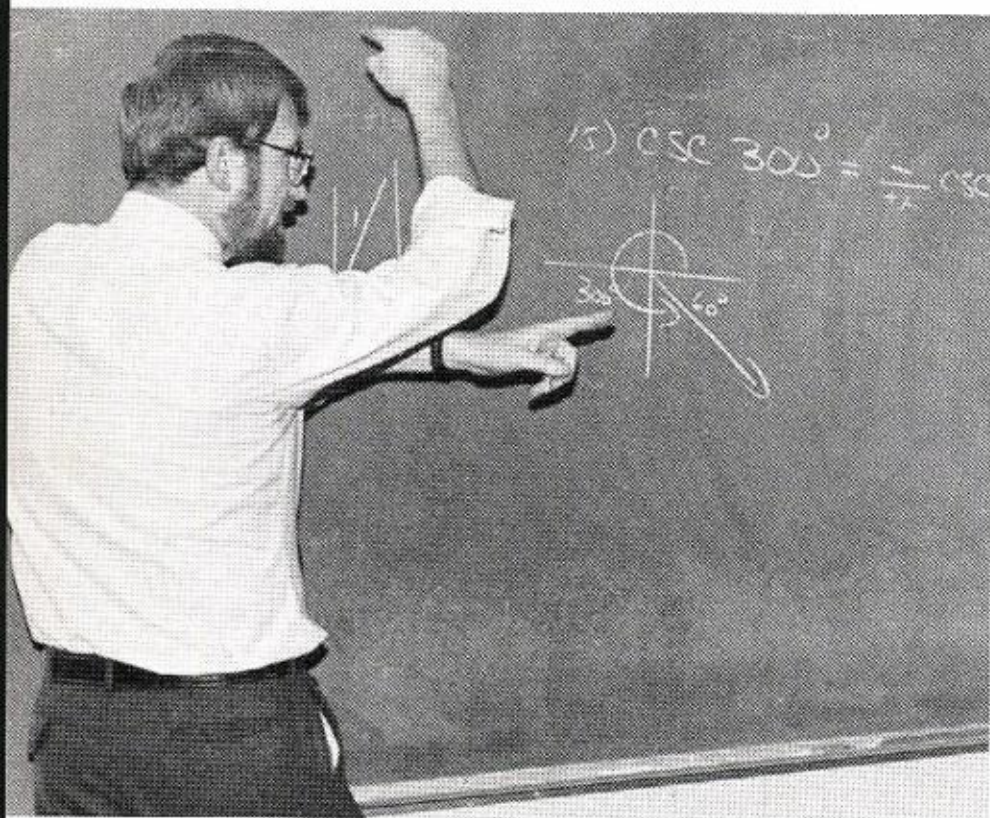

The typical Gunn student probably spends more time in classes taught by the Social Studies Department than in any other academic area. In addition to required classes in U.S. History and Government, choices are available in World History, Far East History (both China and Japan), Art History, and Canada. Economics, Sociology, Psychology and Mr. Frankum's ever-popular Family Life class round out the field. A rich opportunity to learn of life and how it is lived is open to all.

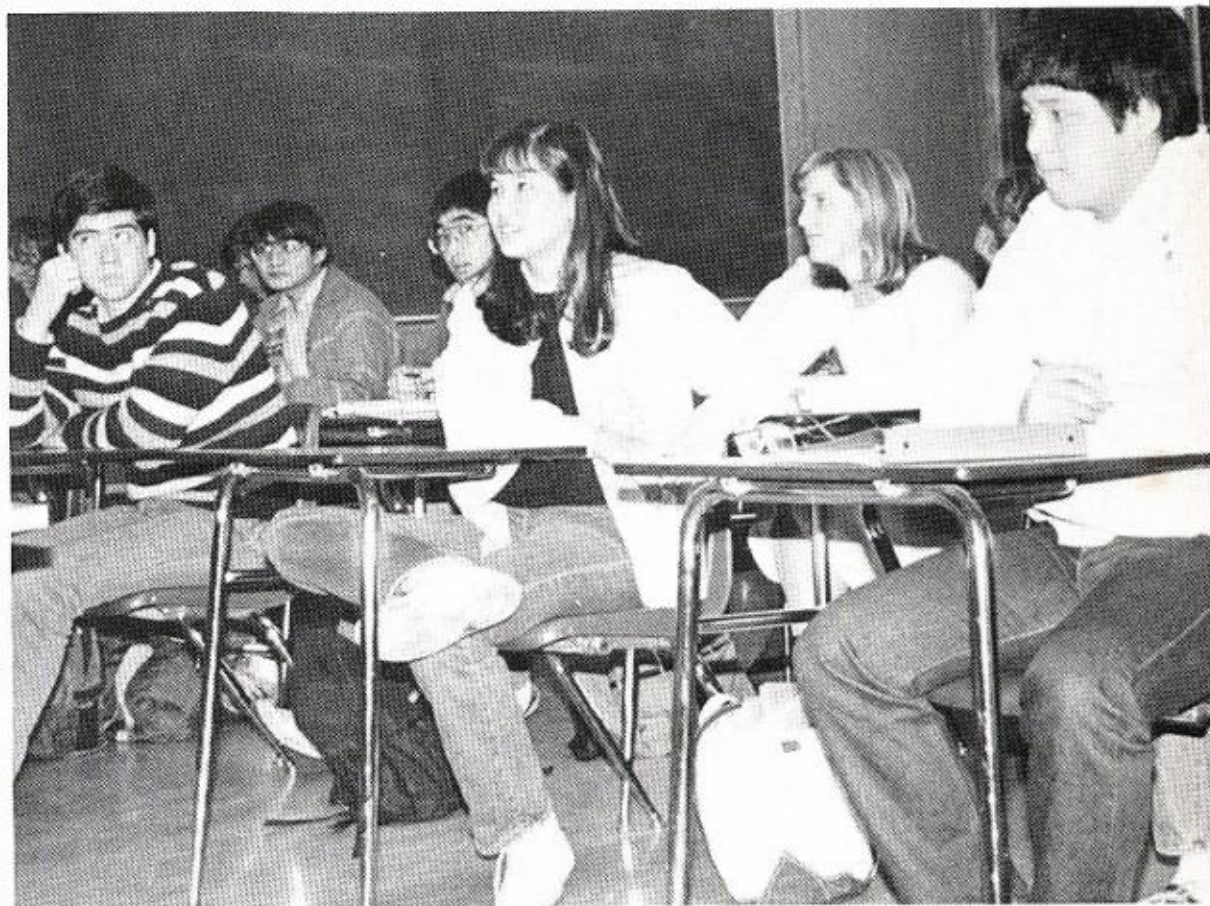

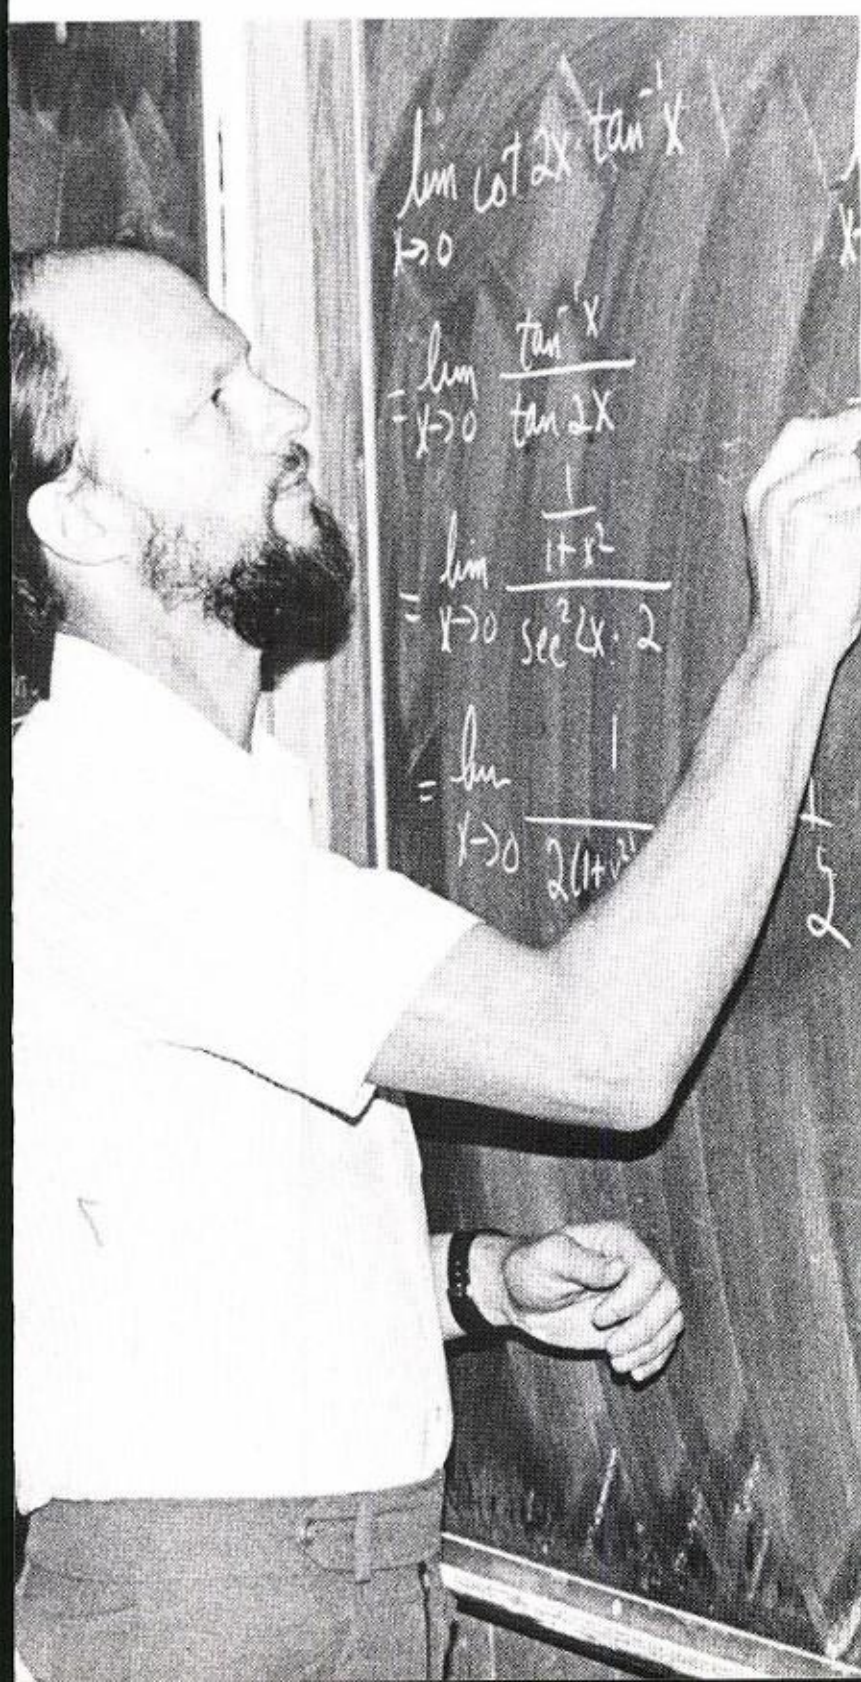

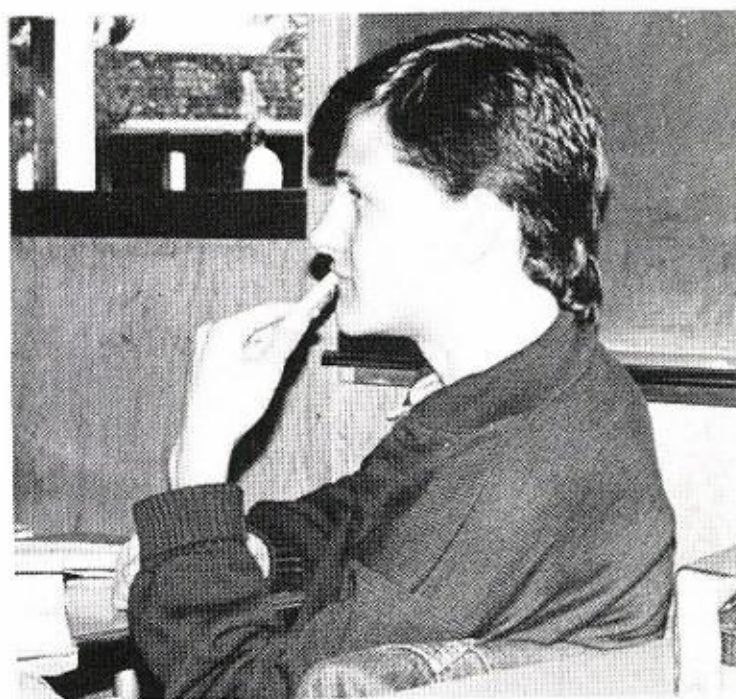

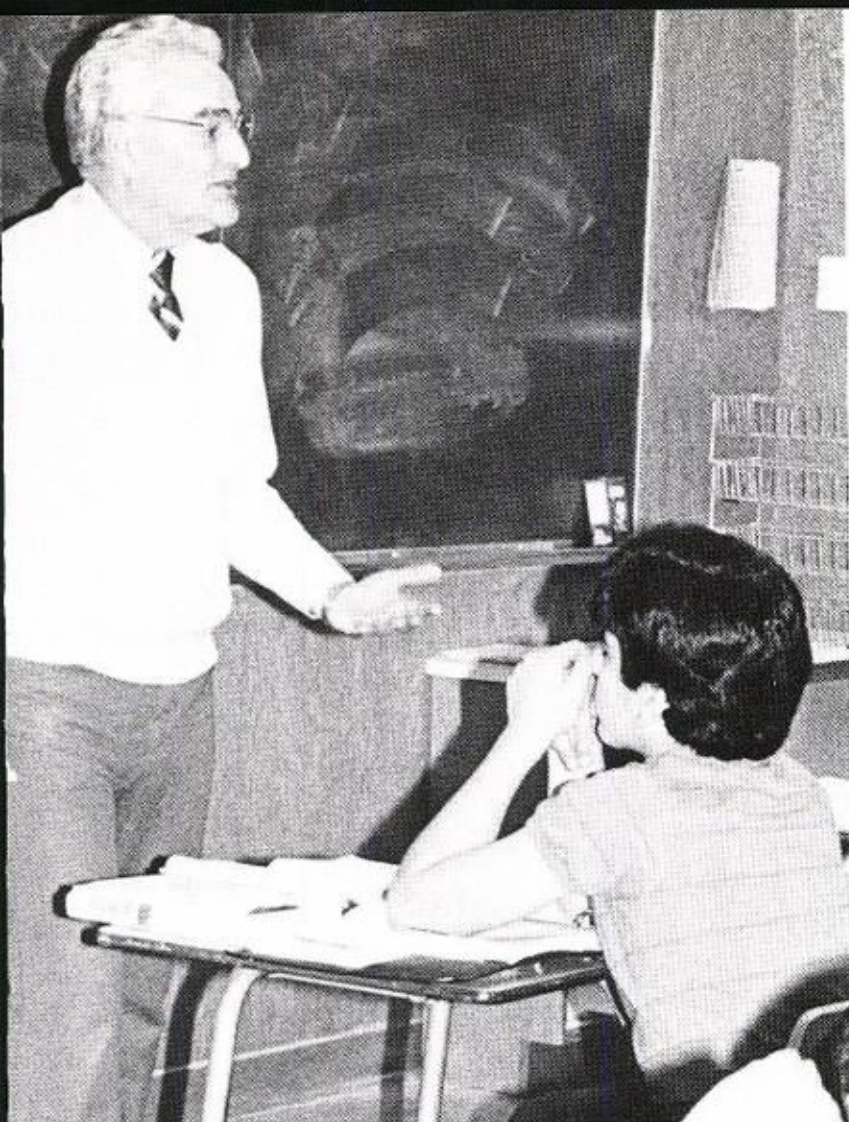

Math

Math

Math

Math

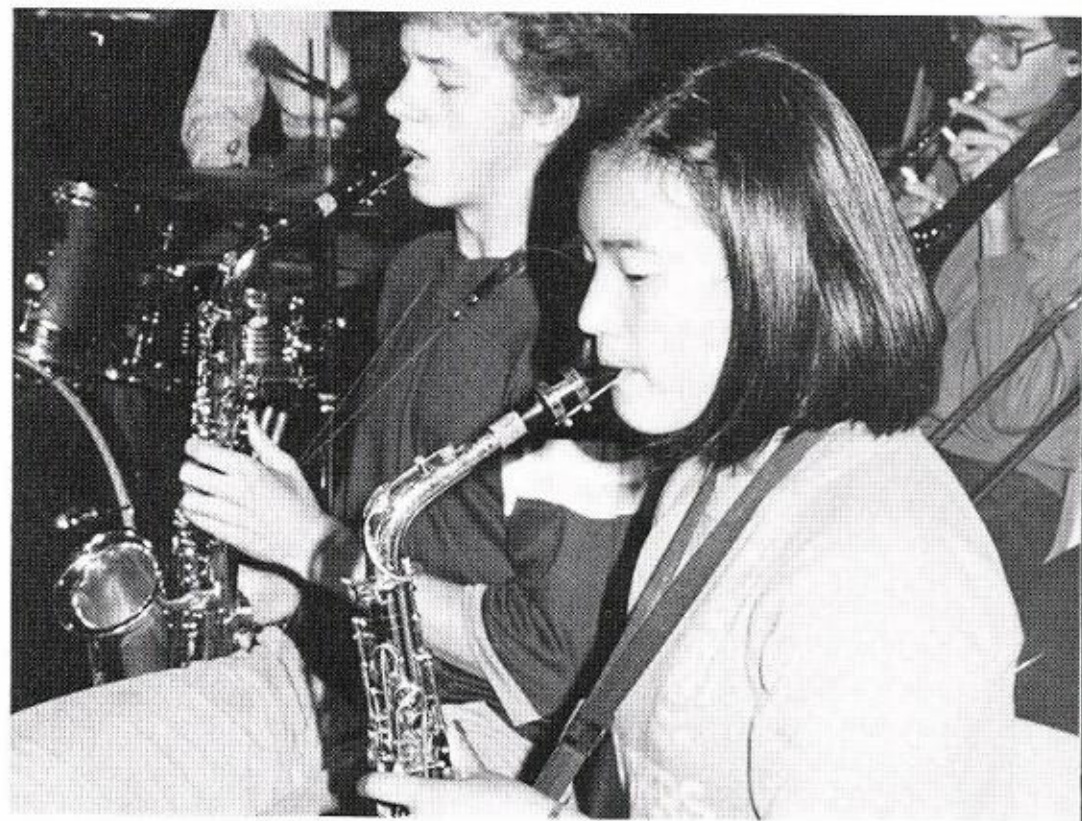

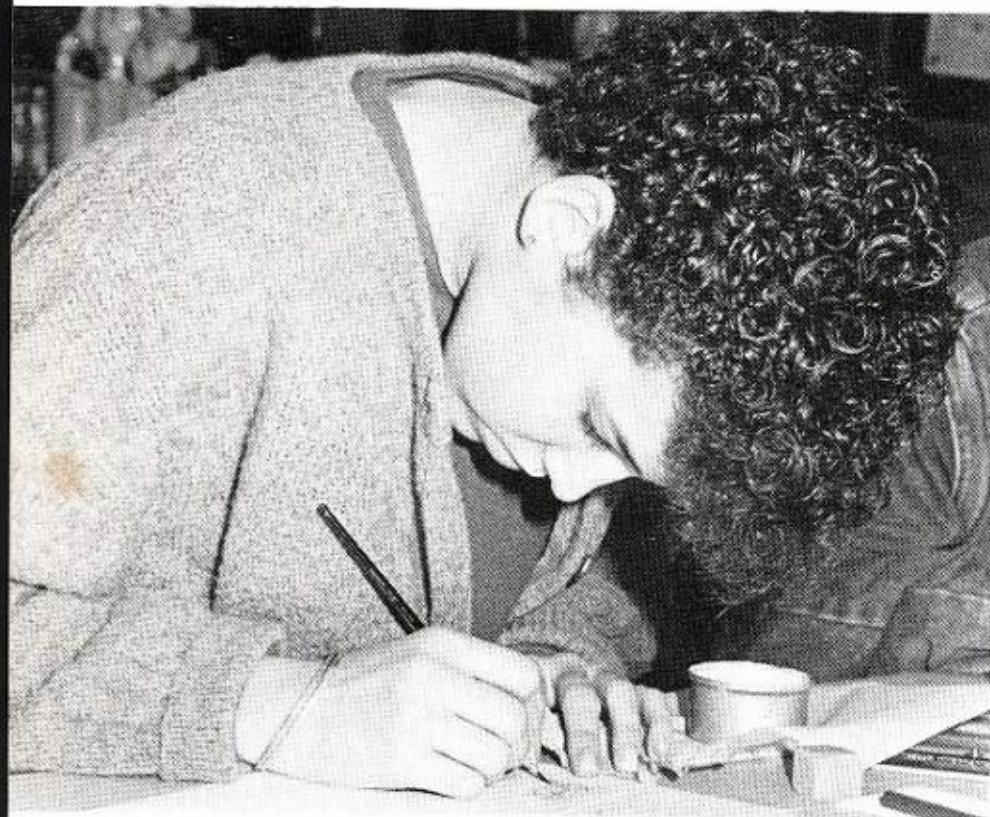

Because many students take a great deal of interest in mathematics, Gunn's Mathematics Department is very active. Course offerings are structured to meet the needs of all and progress from general mathematics, algebra, geometry, trigonometry, statistics, computer math, calculus, and include computer programming at two levels plus a variety of honors courses. Gunn mathematics students are encouraged to compete in math contests, and typically represent their school and themselves very creditably.

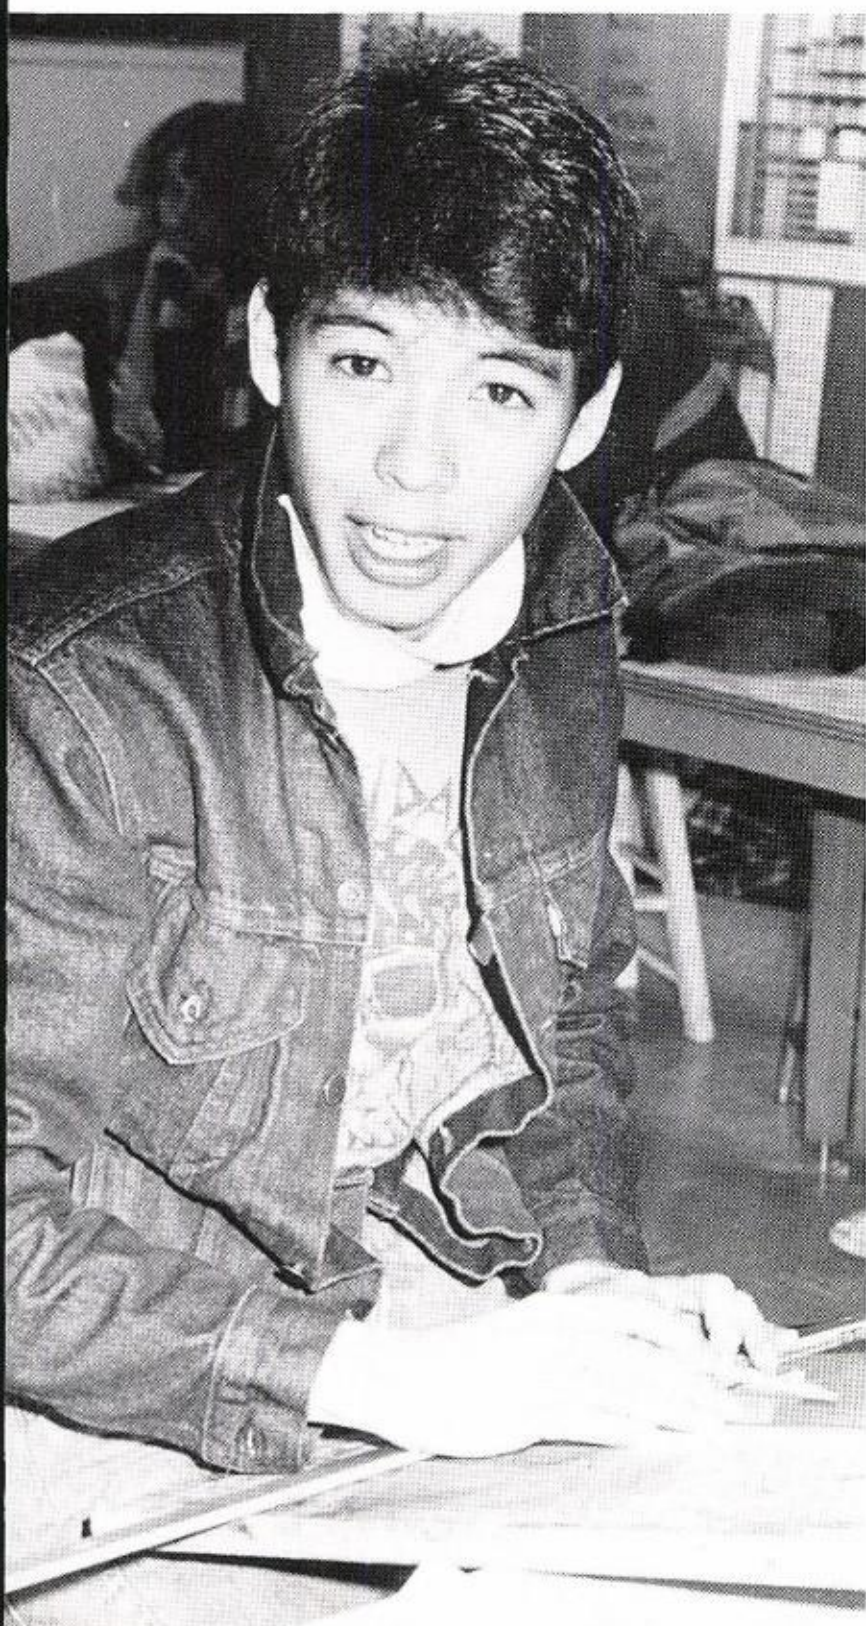

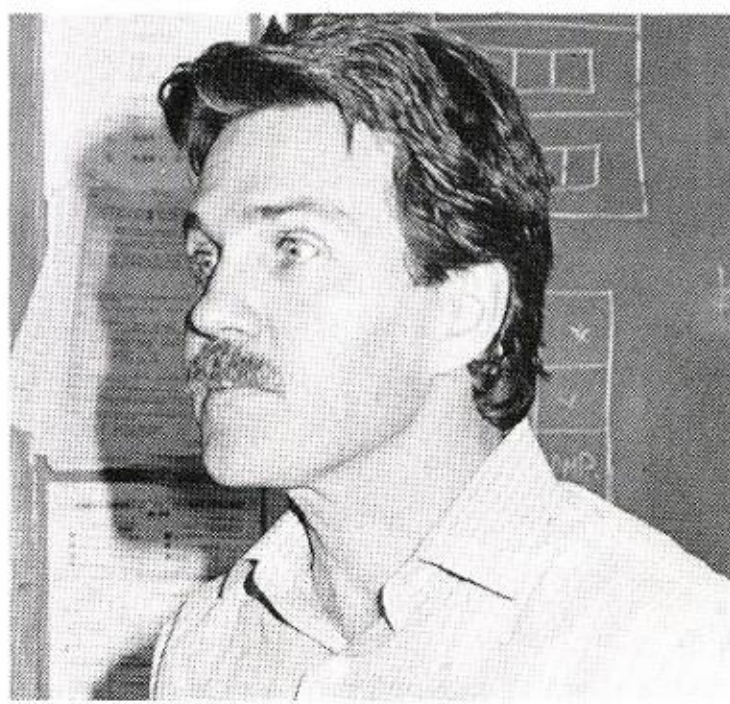

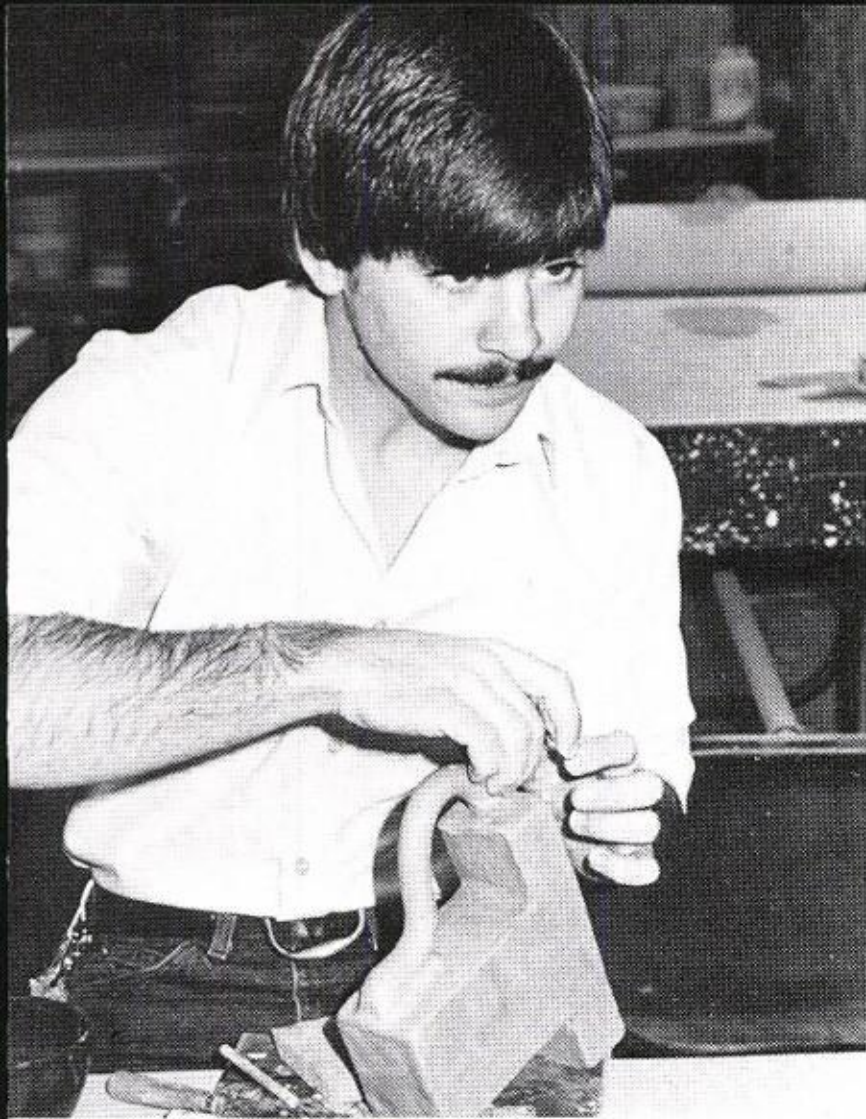

Fine Arts

Fine Arts

Fine Arts

Fine Arts

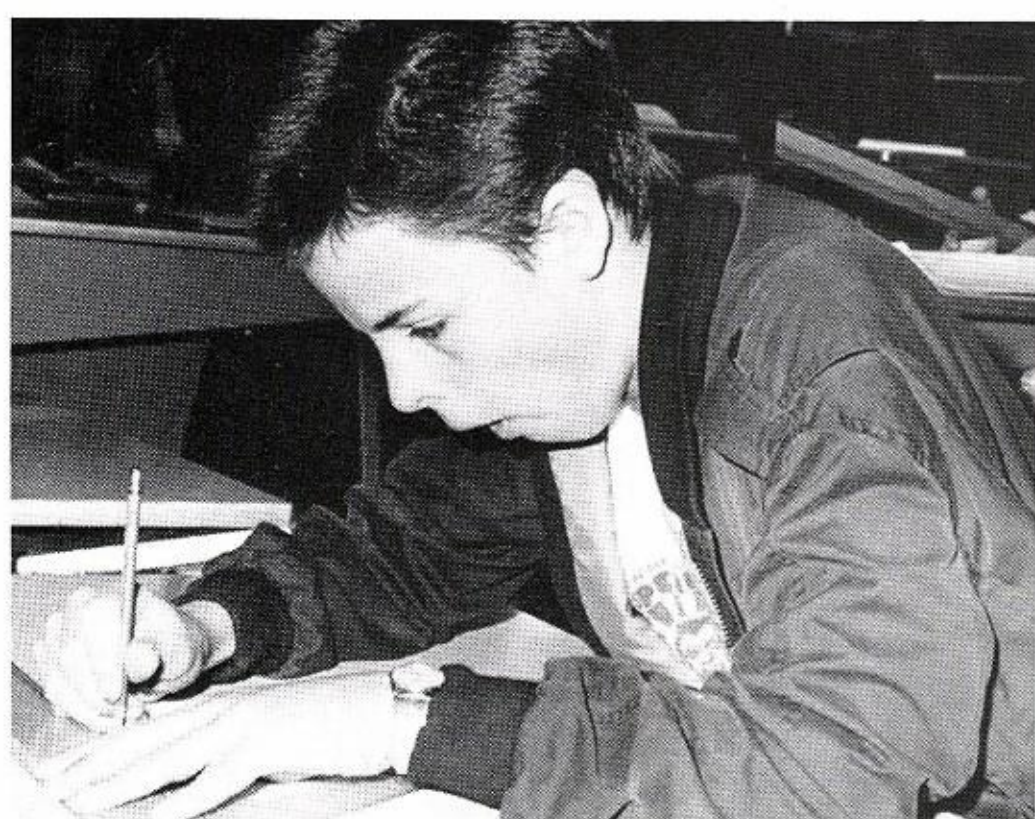

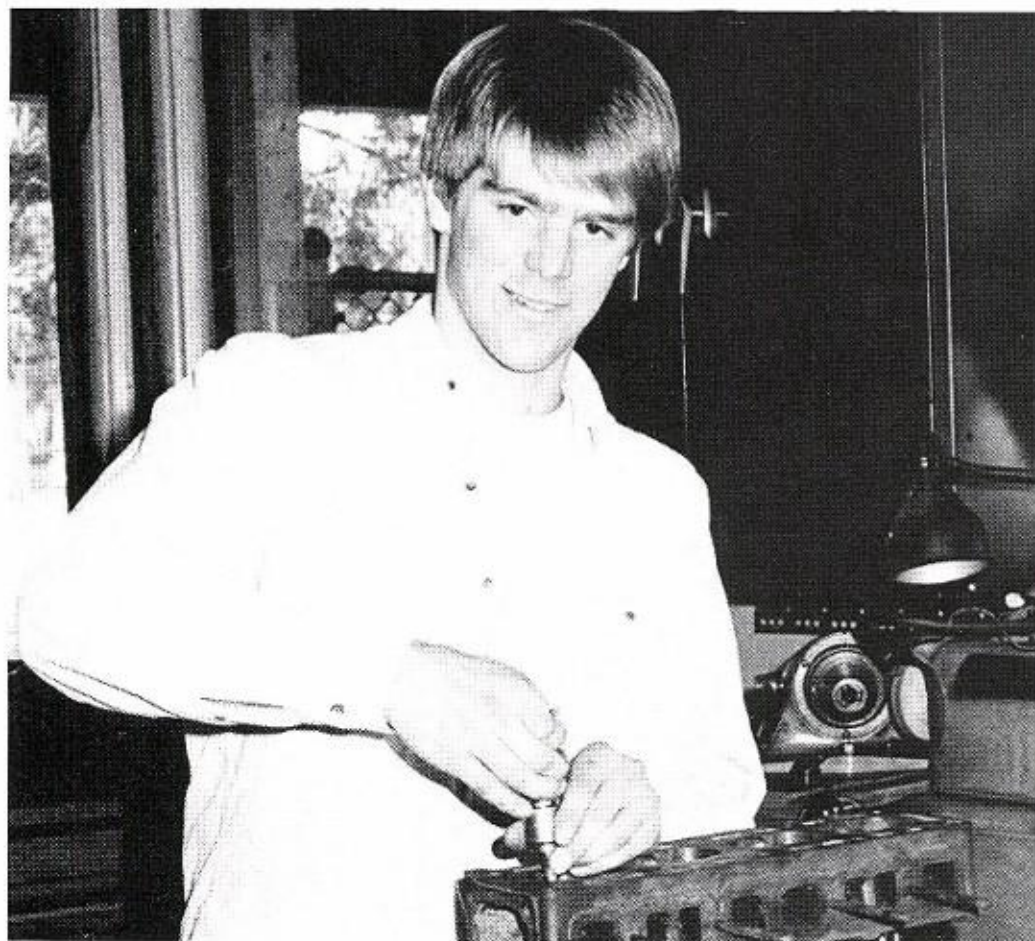

The Fine and Performing Arts Department at Gunn is home to many students whose creative energies flow toward painting, ceramics, photography, or crafts. Others find enjoyment in performing with the band, jazz ensemble, choir, and orchestra — groups which appear both on and off campus. Budding thespians are seen on stage in one-act plays as well as in longer productions including the occasional musical which always is well received. The Arts are alive and well at Gunn.

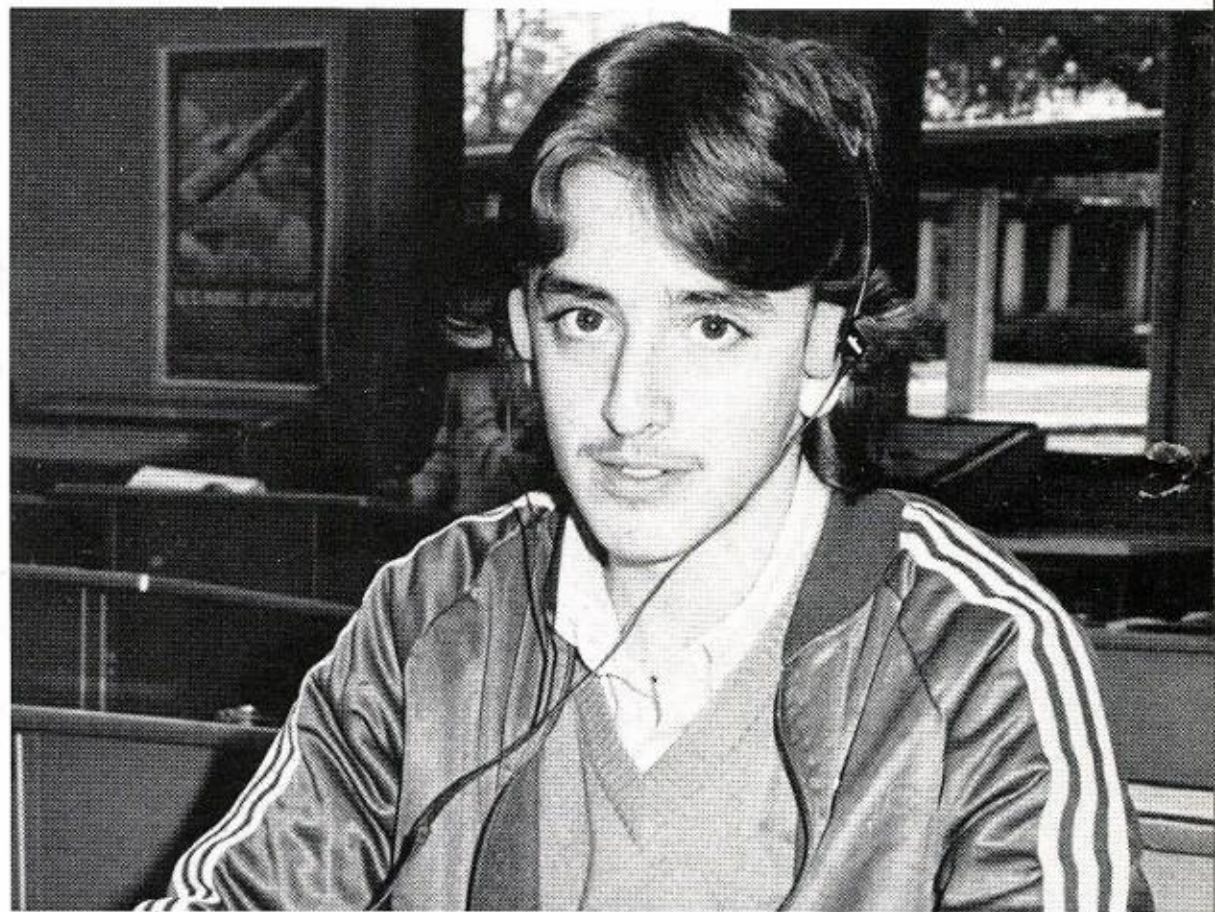

Vocational Arts

Vocational Arts

Vocational Arts

Vocational Arts

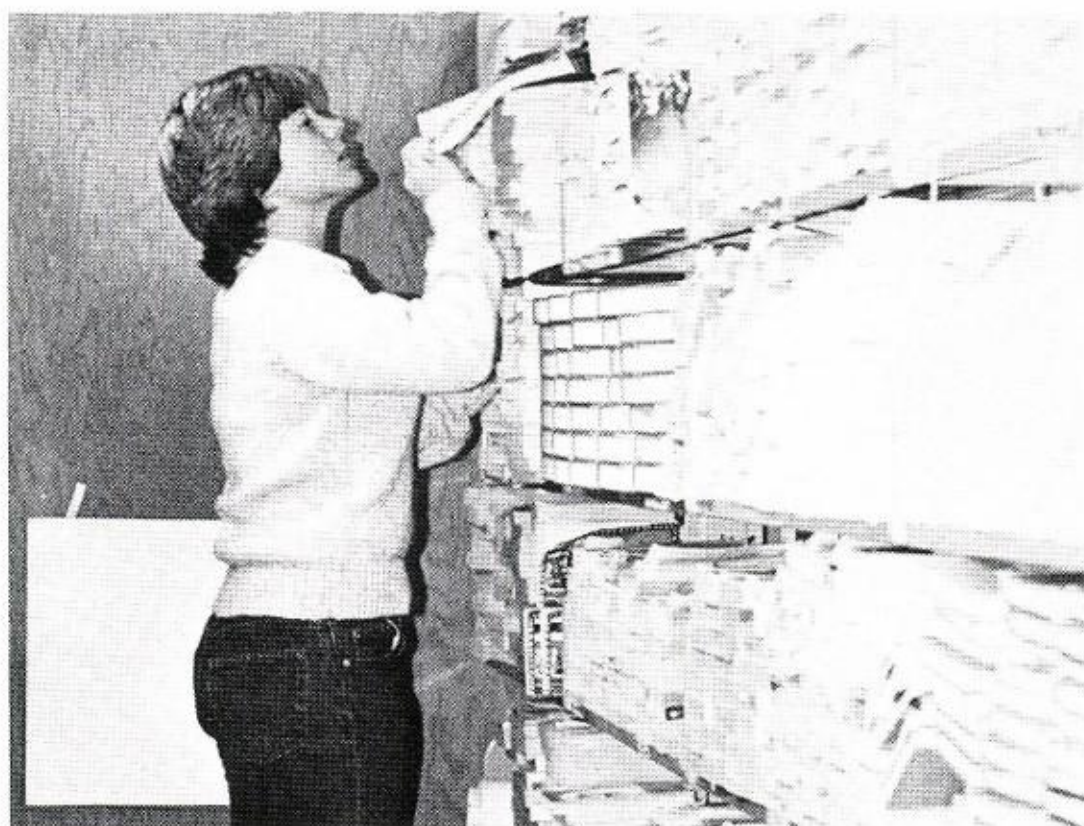

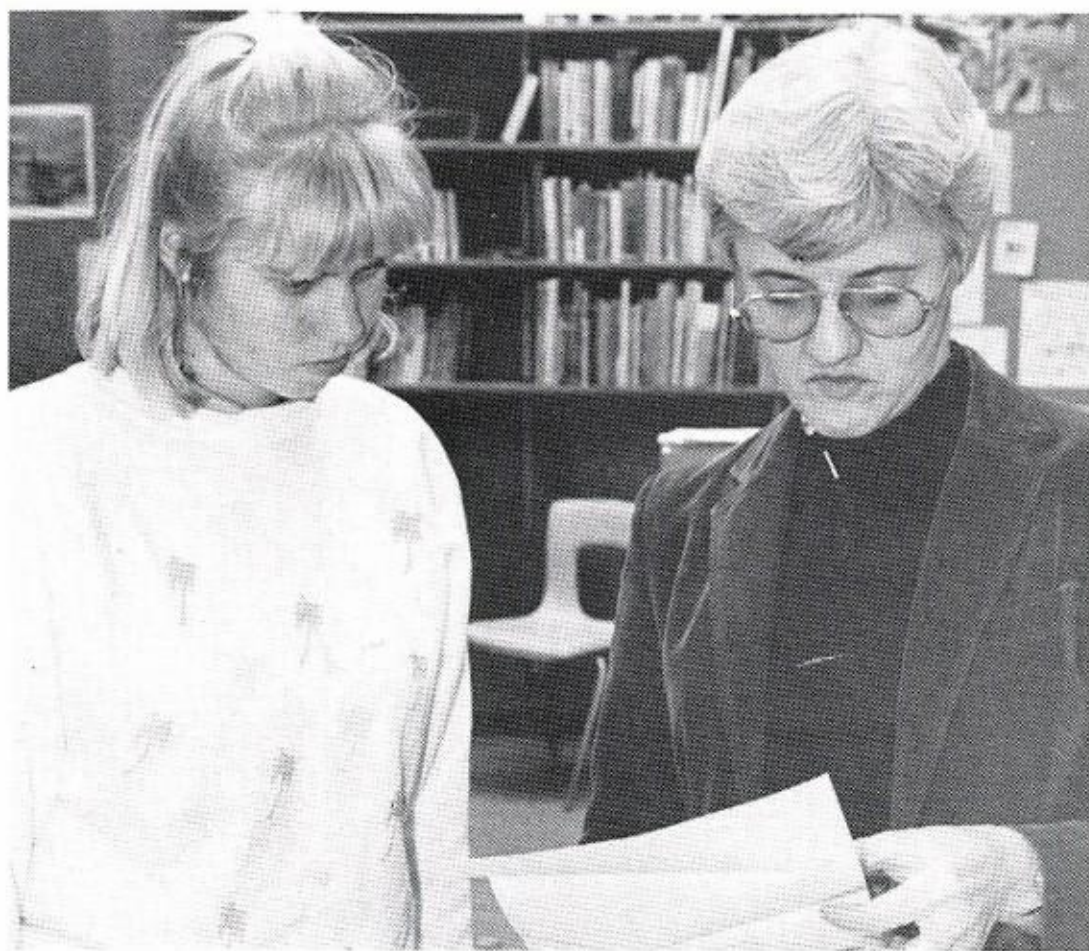

The Business, Home Economics, and Industrial Arts Departments are combined under one umbrella to form the Vocational Arts department. A wide range of classes is offered to satisfy a variety of needs and interests. Courses include accounting, automotive, woodworking, metals, food, clothing, word processing, and drafting. Students who take these classes have the opportunity to learn very valuable occupational and personal skills which will enable them to lead productive and satisfying lives.

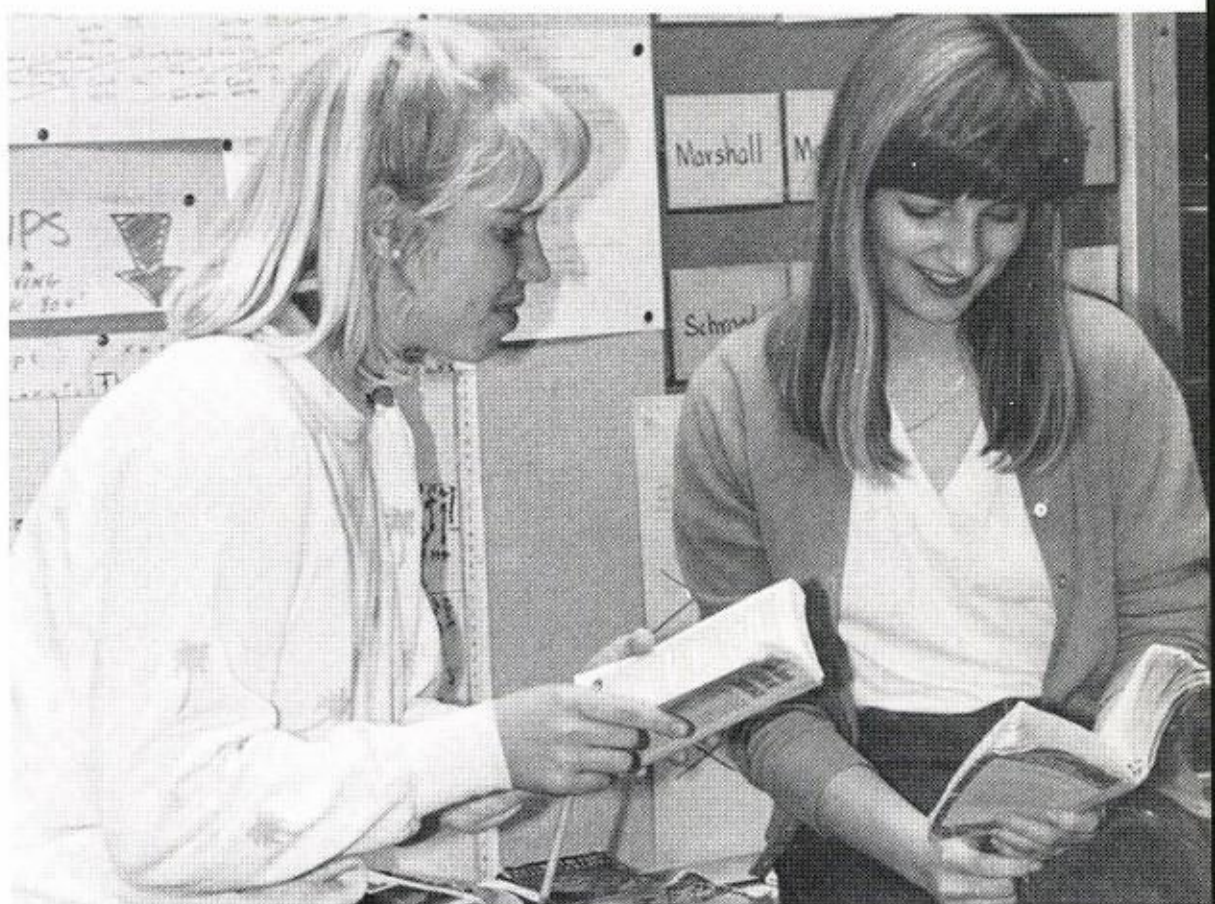

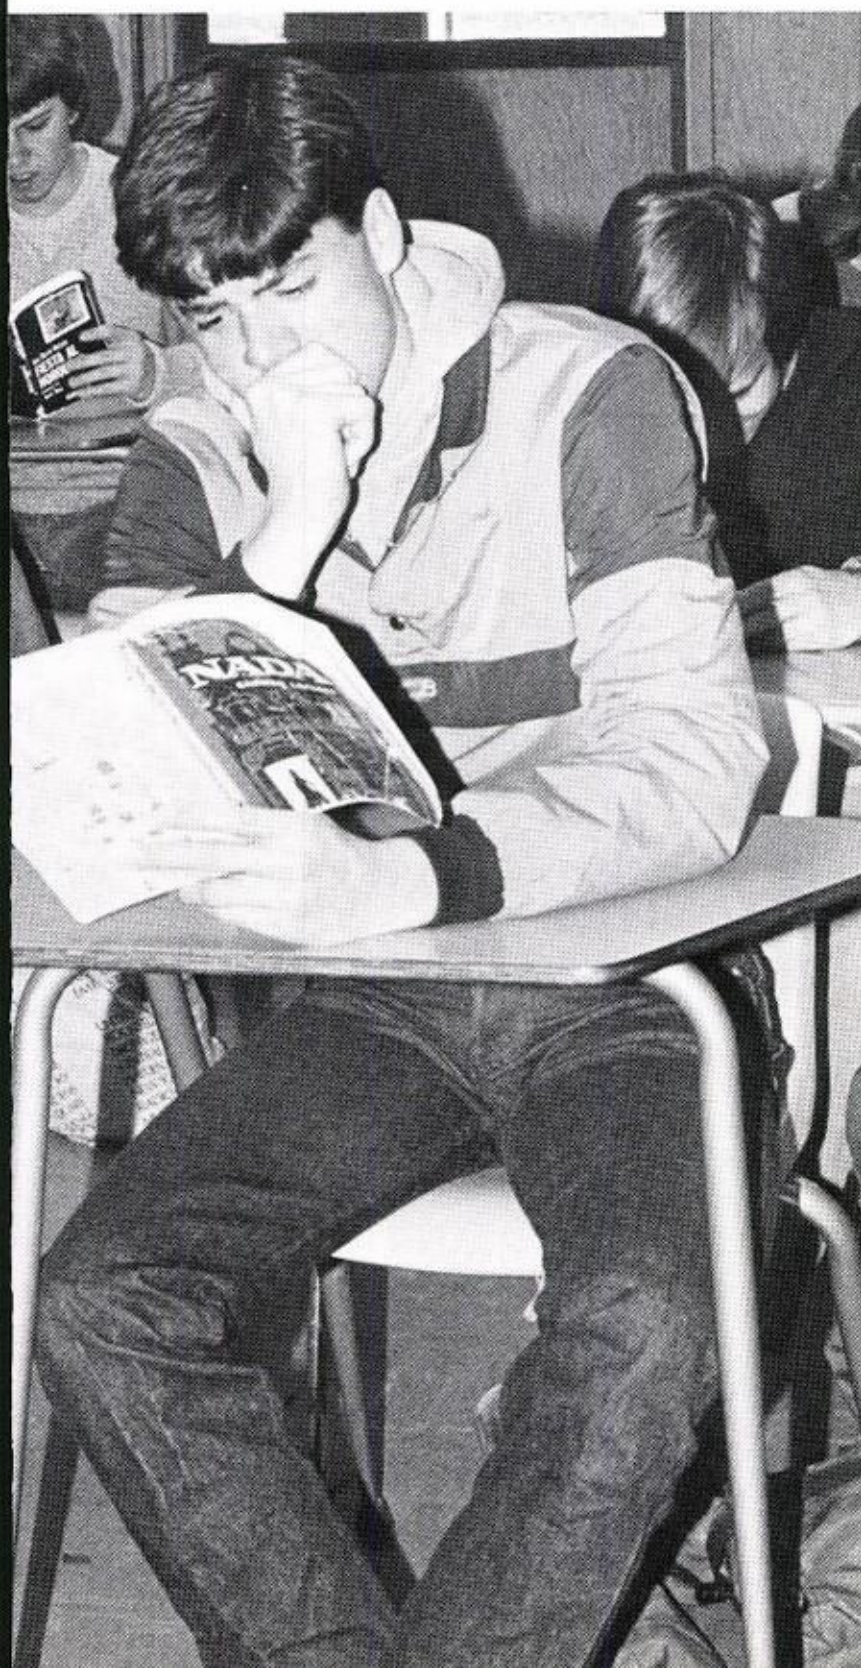

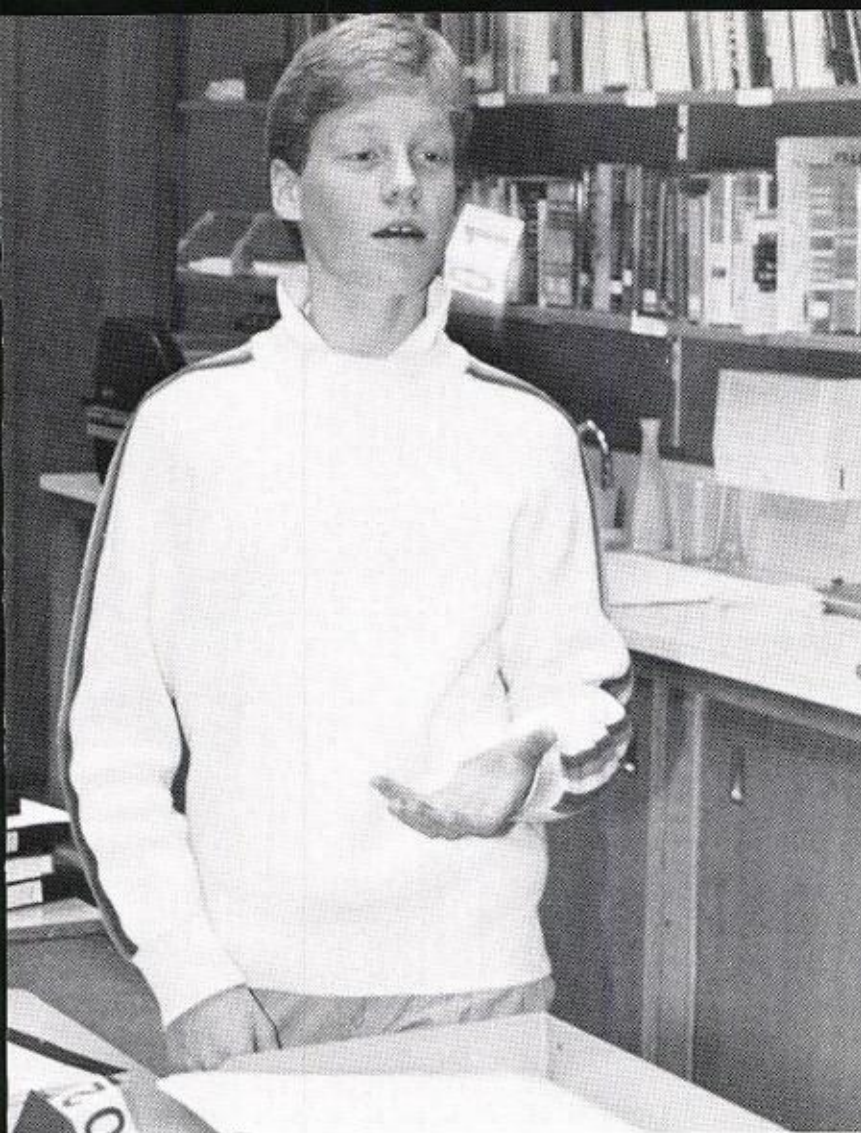

English

English

English

English

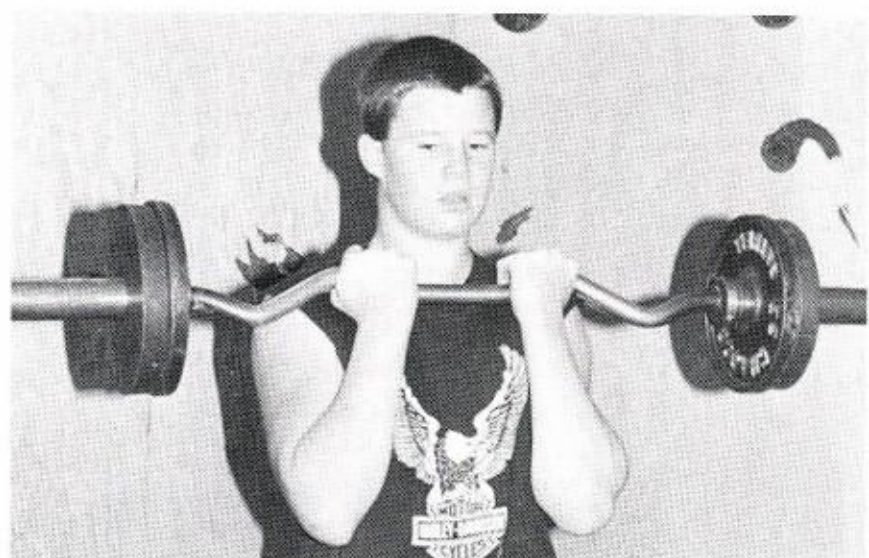

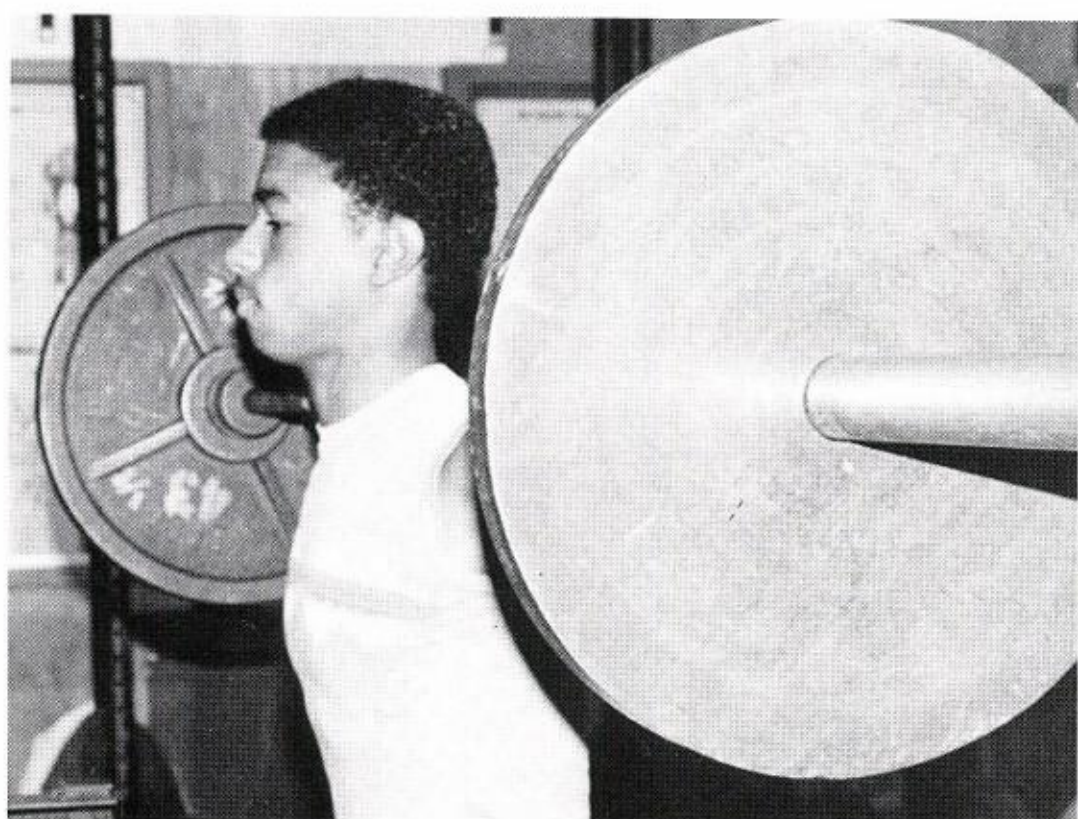

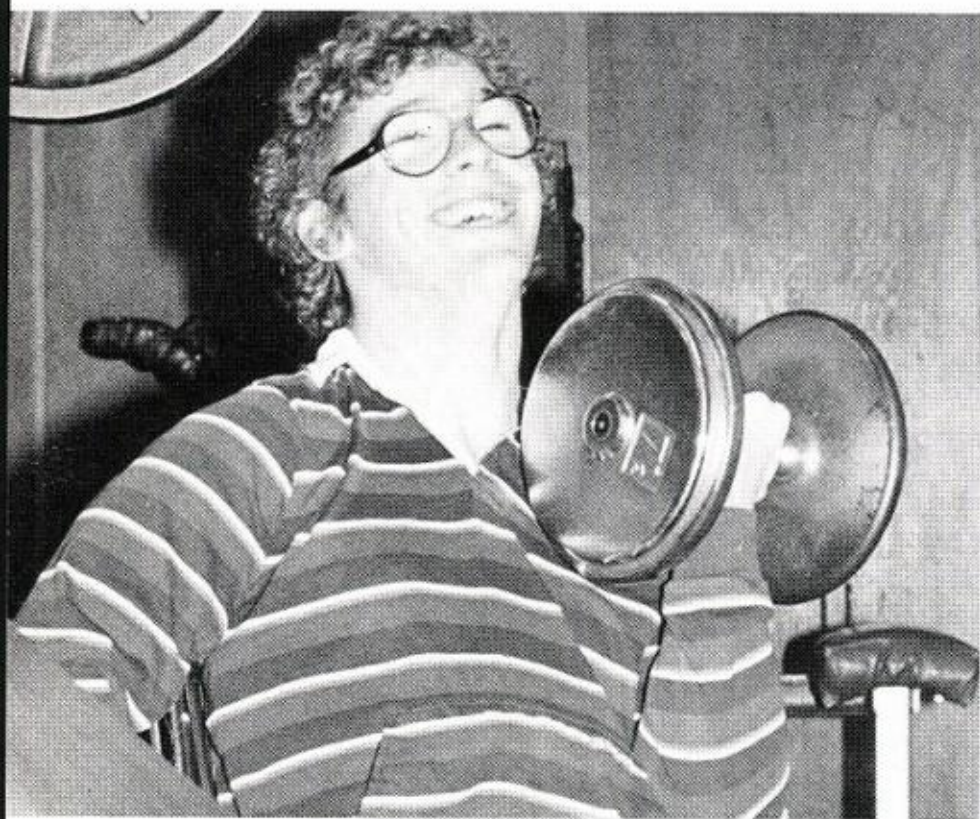

Virtually every student who attends Gunn High School spends considerable time in classes taught by members of the English Department. Although focus is on the traditional concerns of the discipline — composition, language and grammar, and literature — the wide variety of course offerings enables individuals to pursue these ends in ways best suited to their needs, abilities, and interests. Because of the vitality inherent in the program, English becomes a major interest for many students.

Physical Education at Gunn emphasizes acquisition of the skills and knowledge needed to develop and maintain adequate levels of participation in many recreational activities. The relationship between exercise and physiological health is also explored. Team sports such as soccer, flag football, basketball, softball, volleyball — even ultimate frisbee — benefit students in learning how to work with fellow students as a team. Gunn also fields teams which compete in league play in virtually all areas of sport.

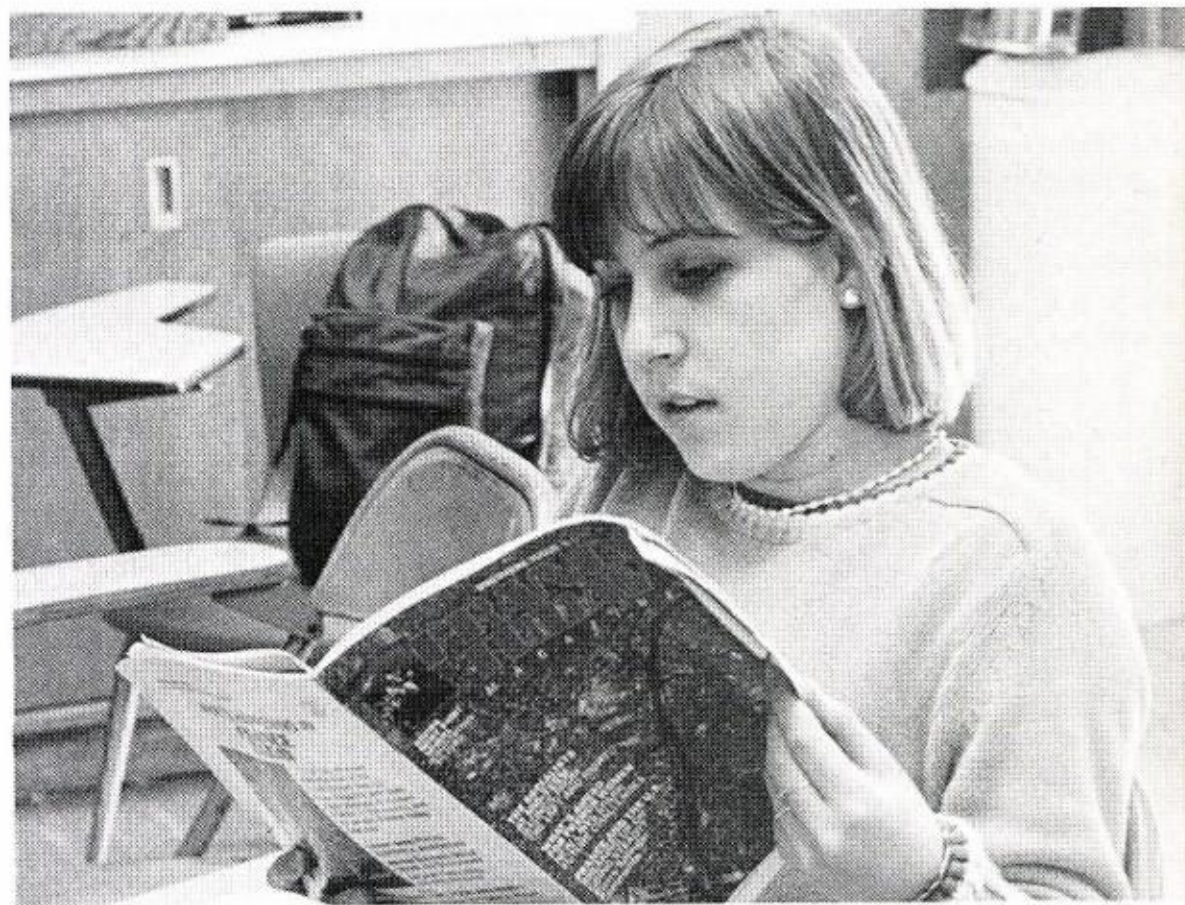

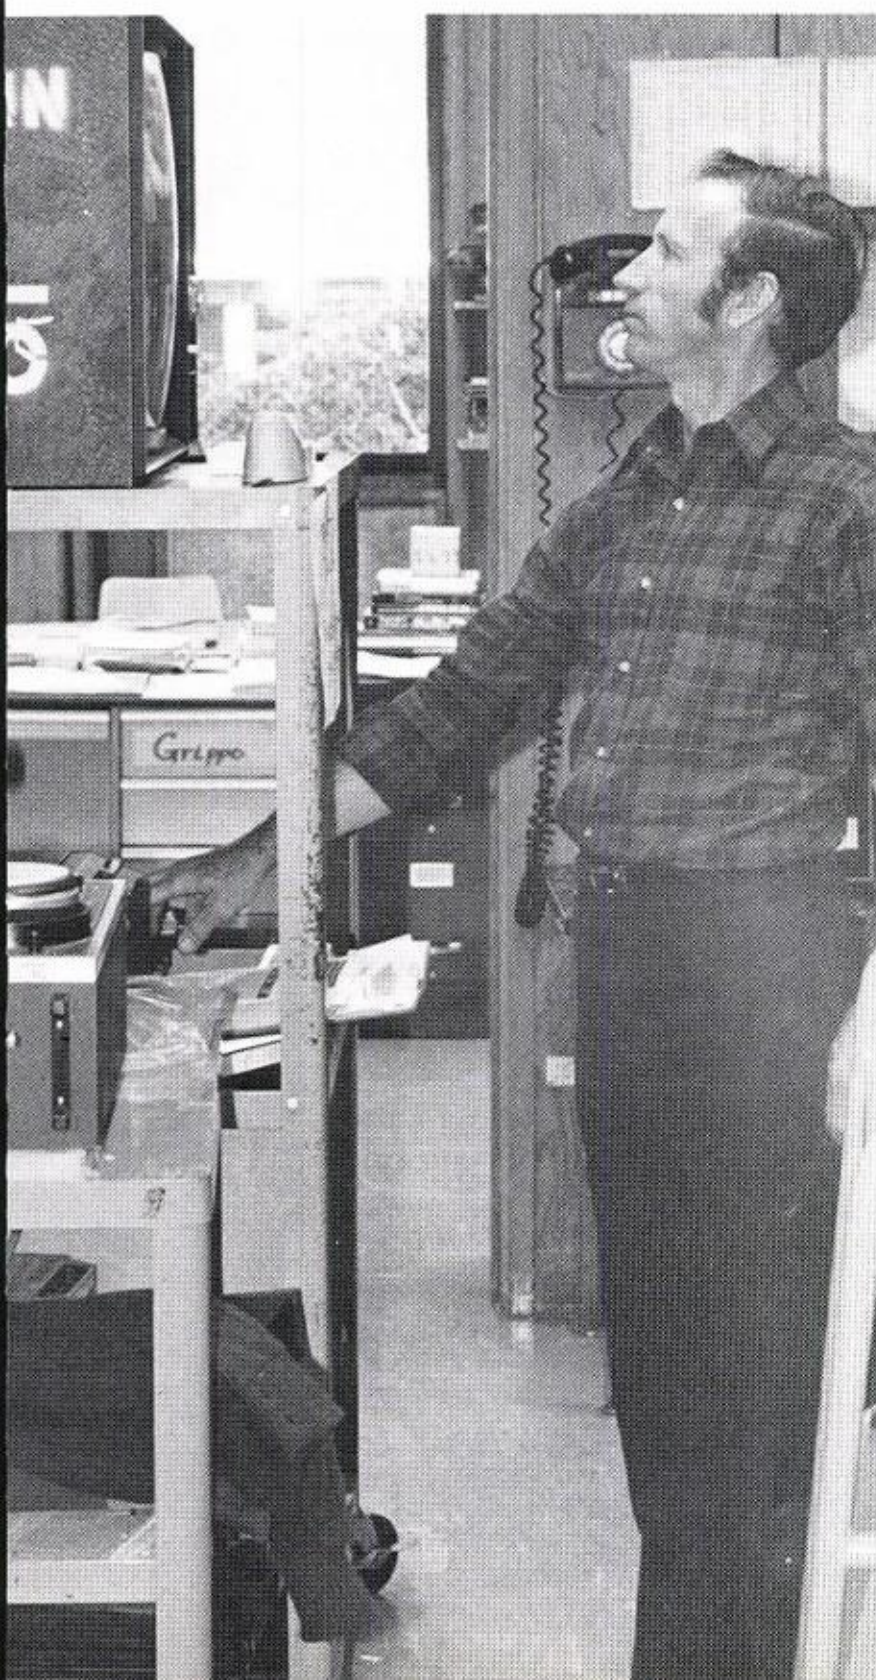

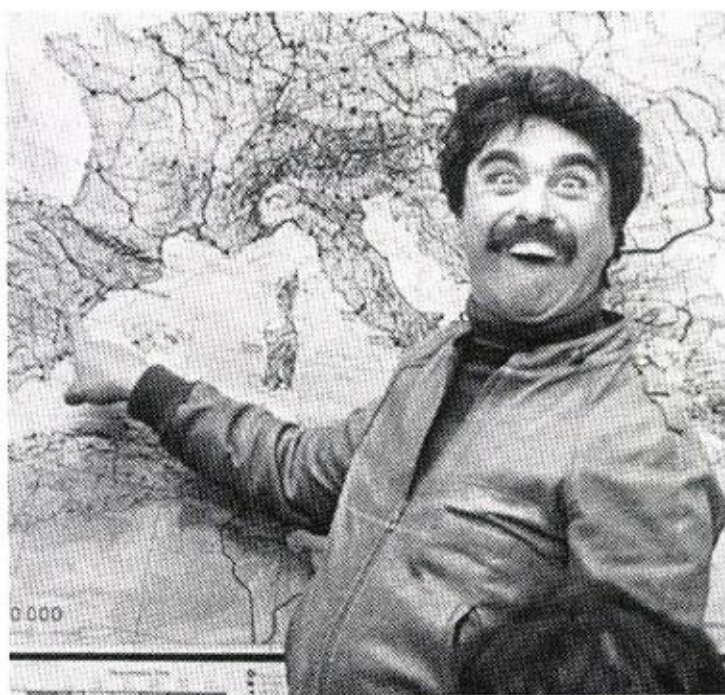

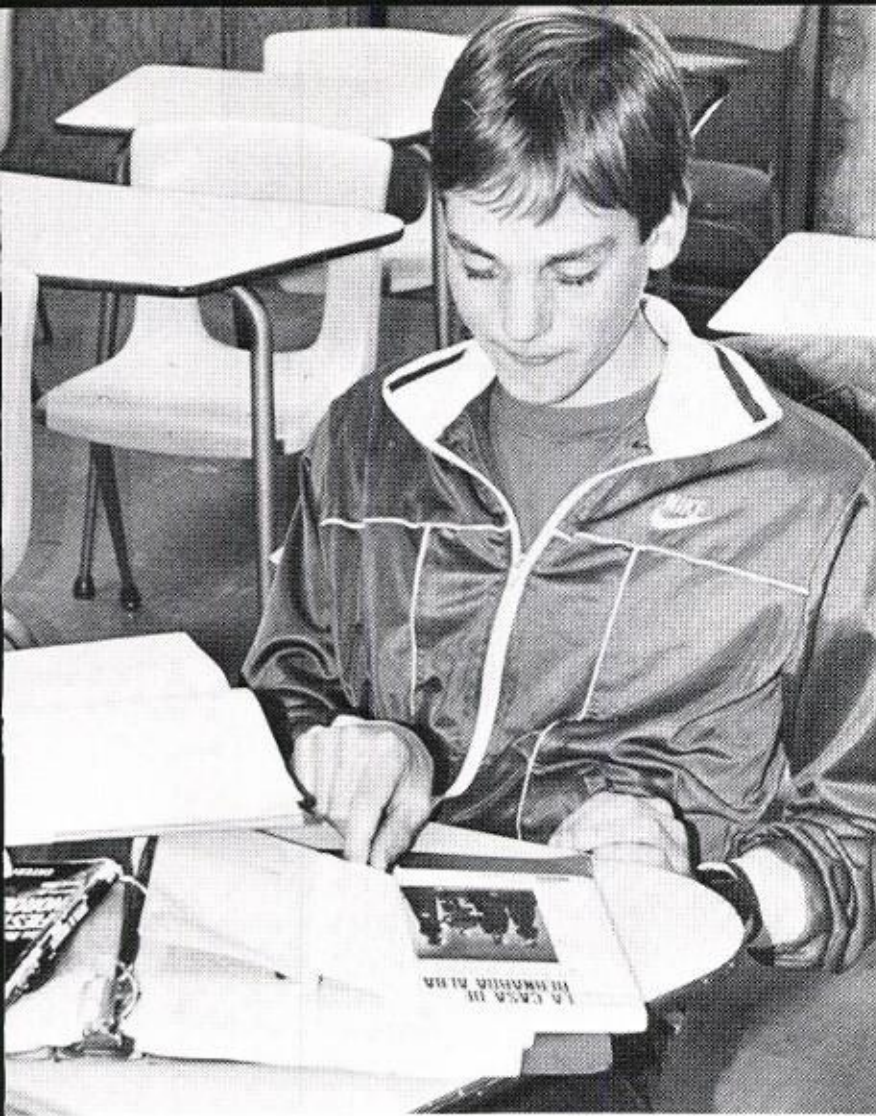

Foreign Language

Foreign Language

Foreign Language

Foreign Language

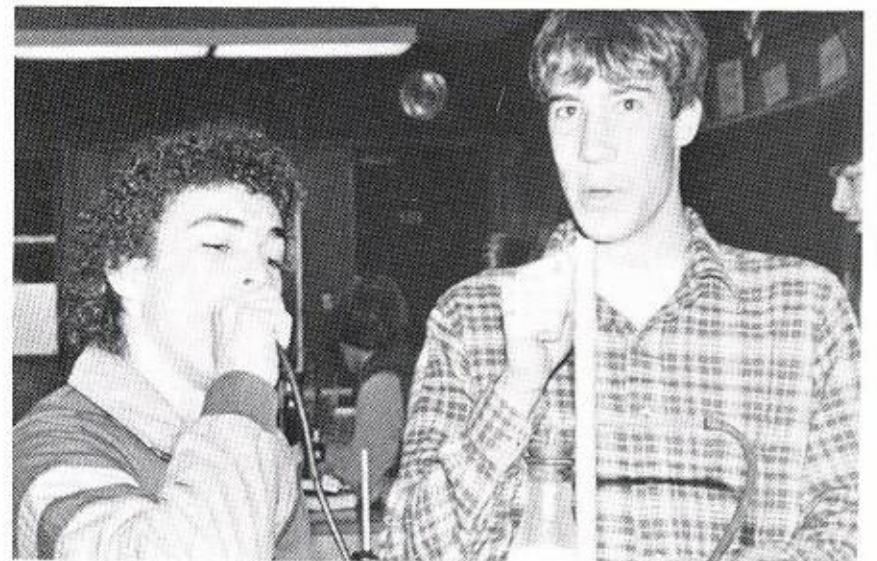

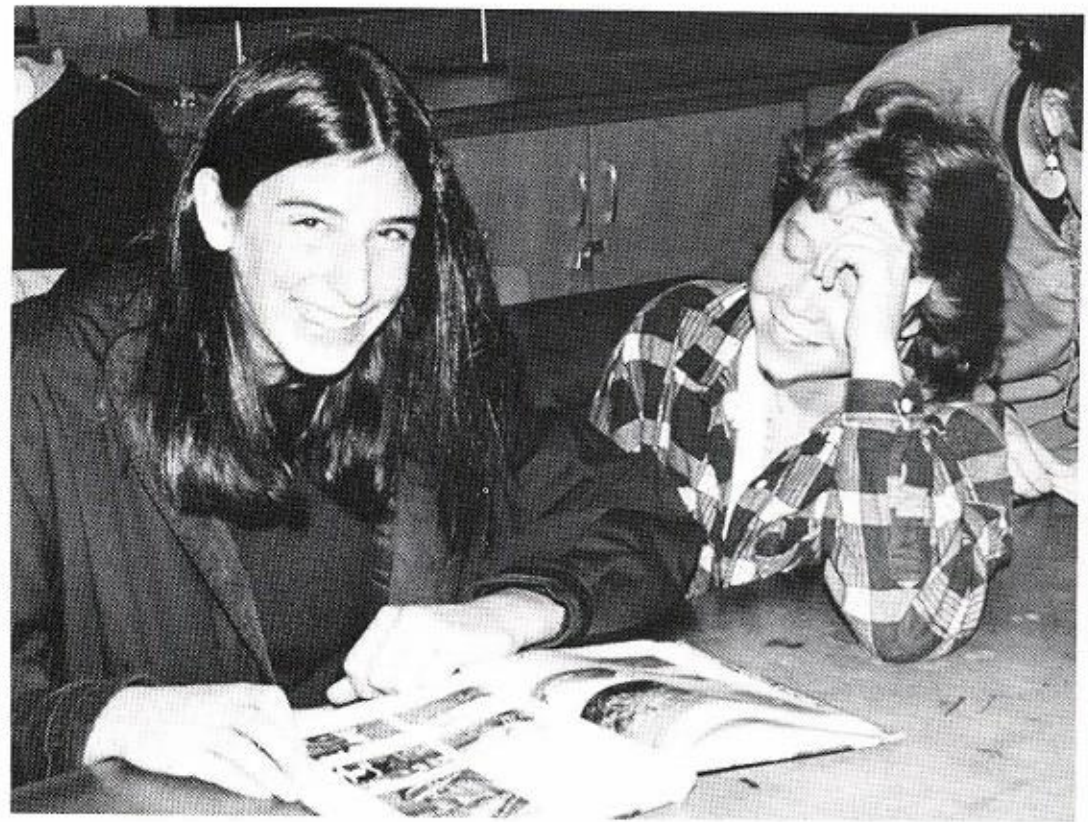

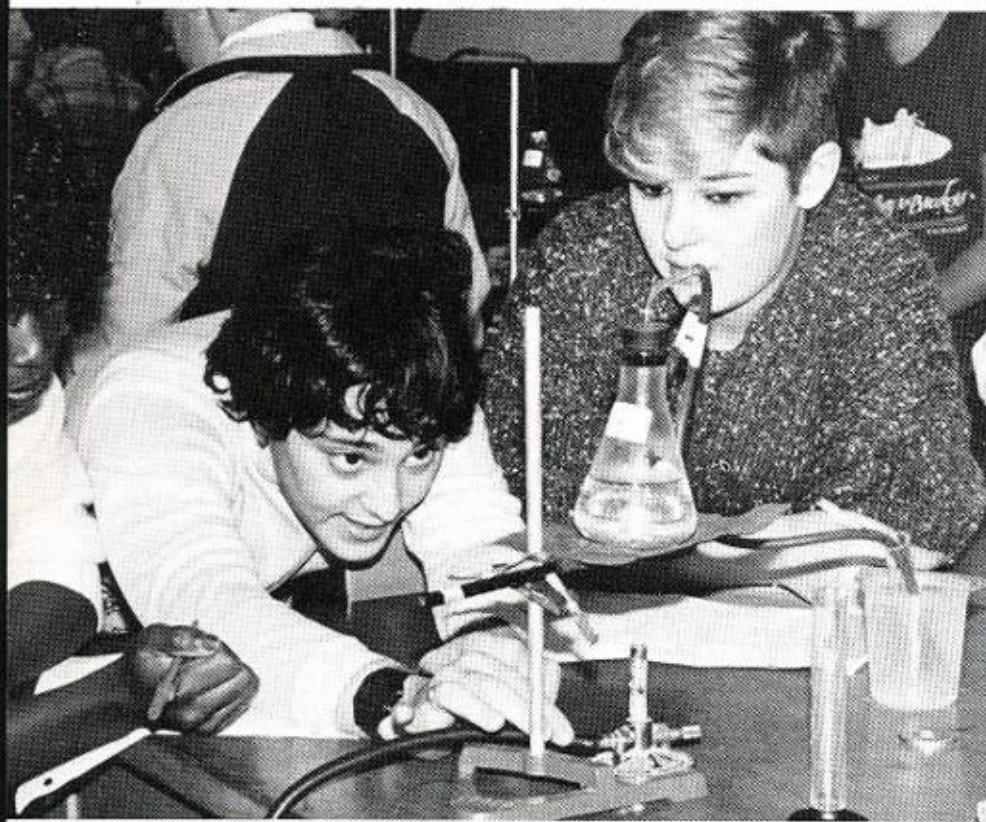

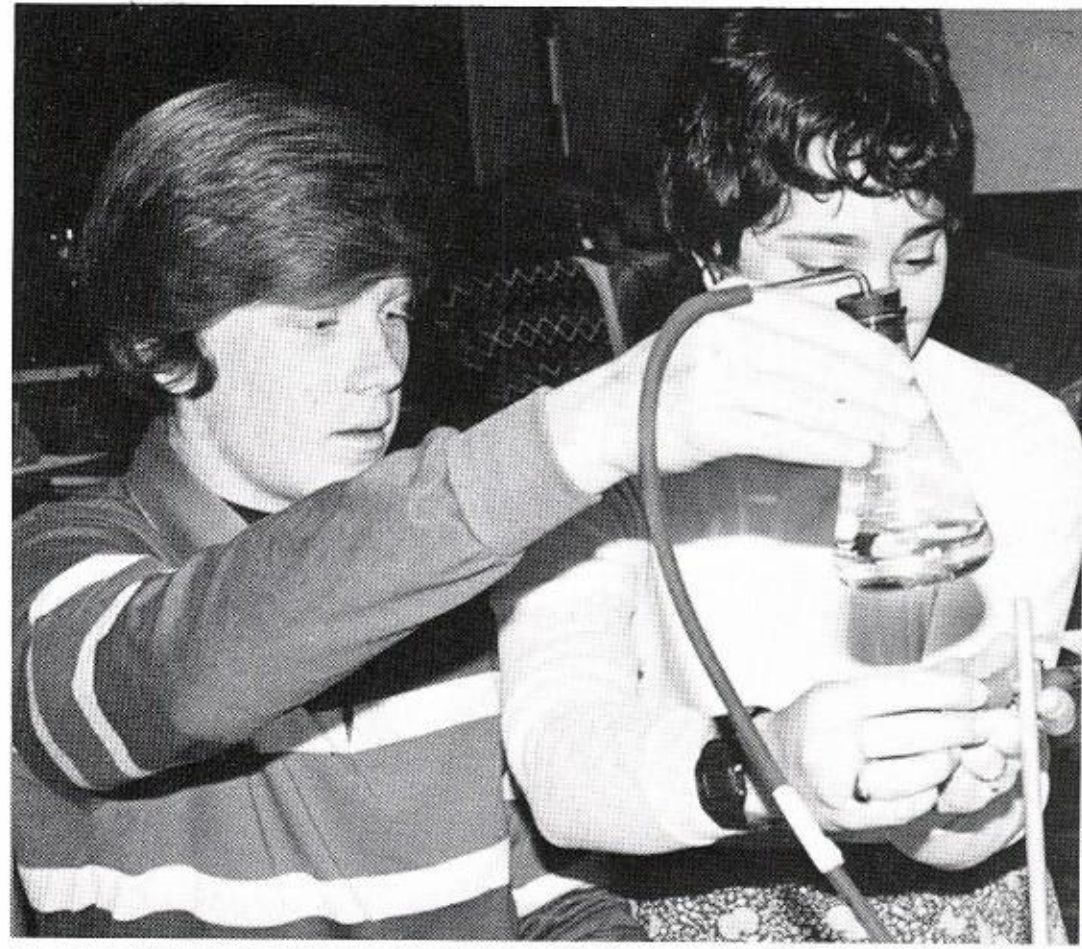

Major objectives of Gunn's Foreign Language Department are listening comprehension, speaking, reading, writing, and cultural familiarity in relation to a complete sequence in a modern foreign language. Courses in French, German, and Spanish — from beginning through advanced placement — are available to students from grades nine through twelve. Five levels of Latin round out the curriculum. Many graduates leave our campus with multi-lingual competence thanks to excellent instruction and facilities.

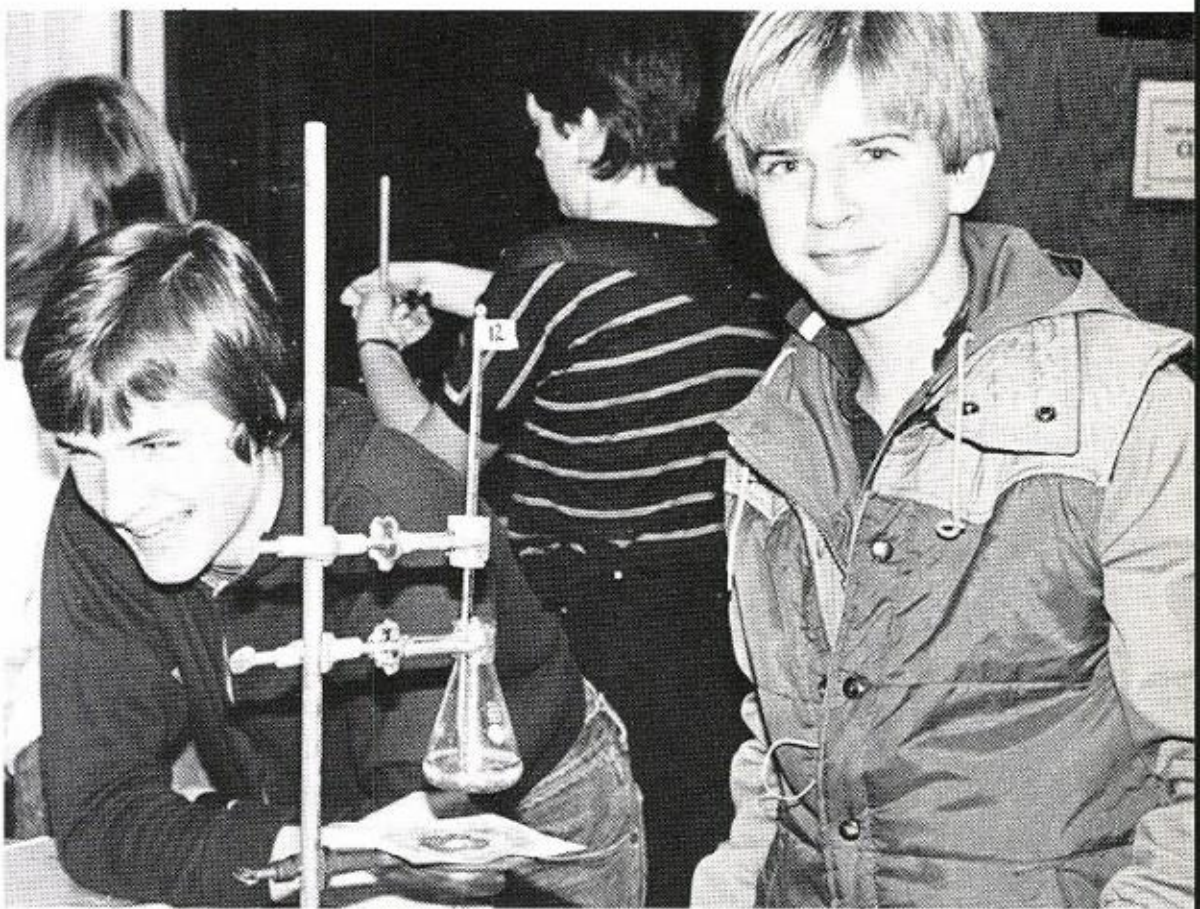

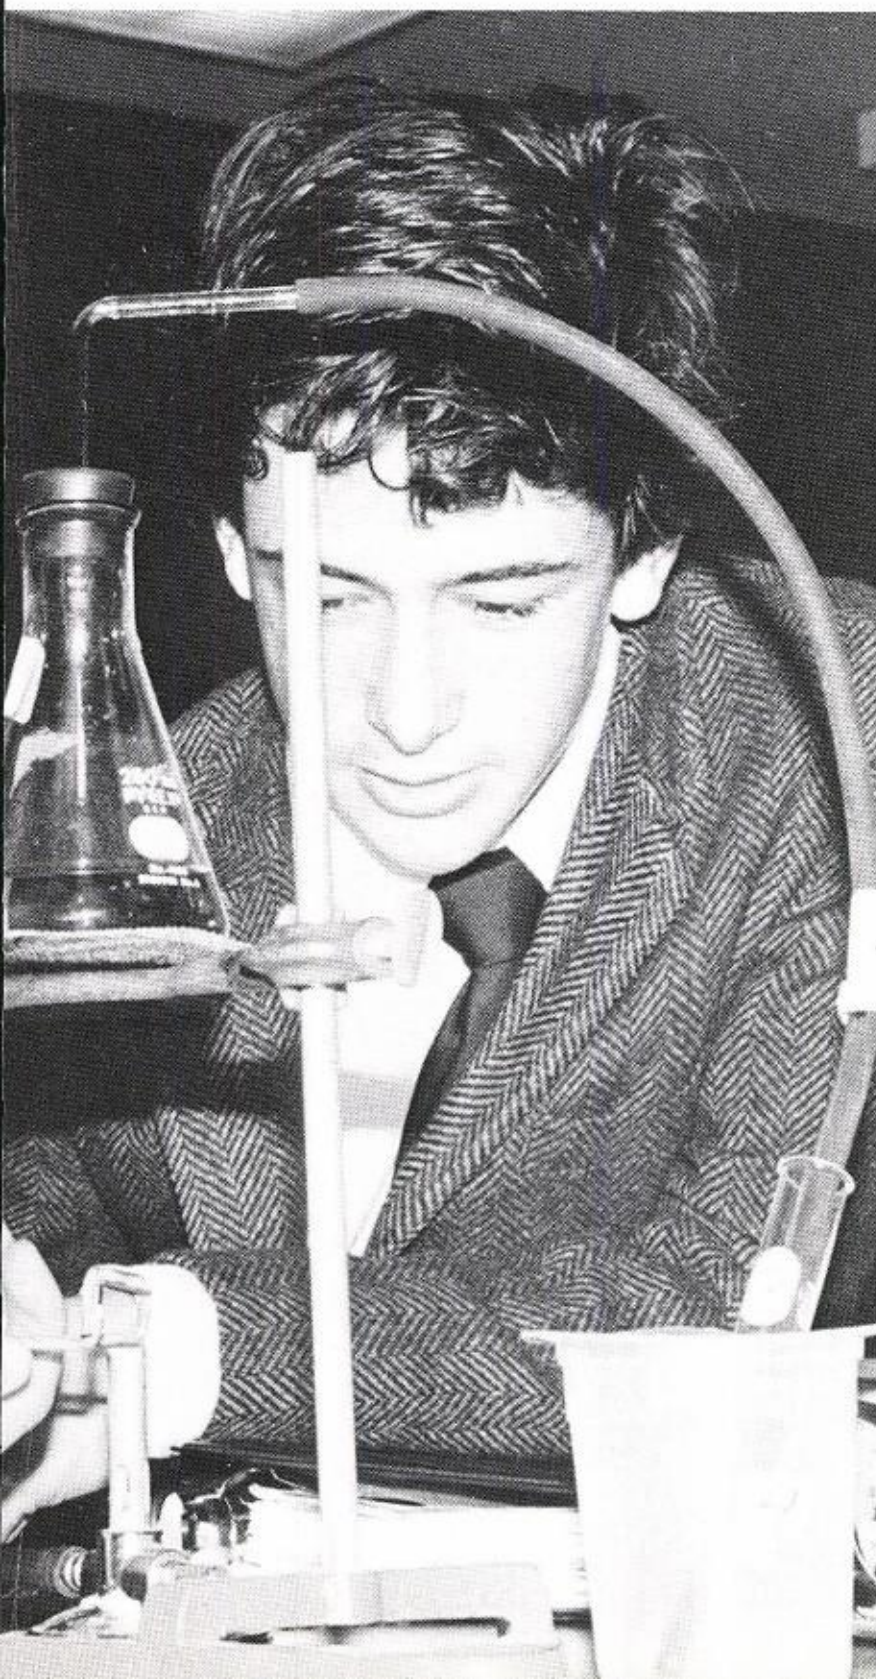

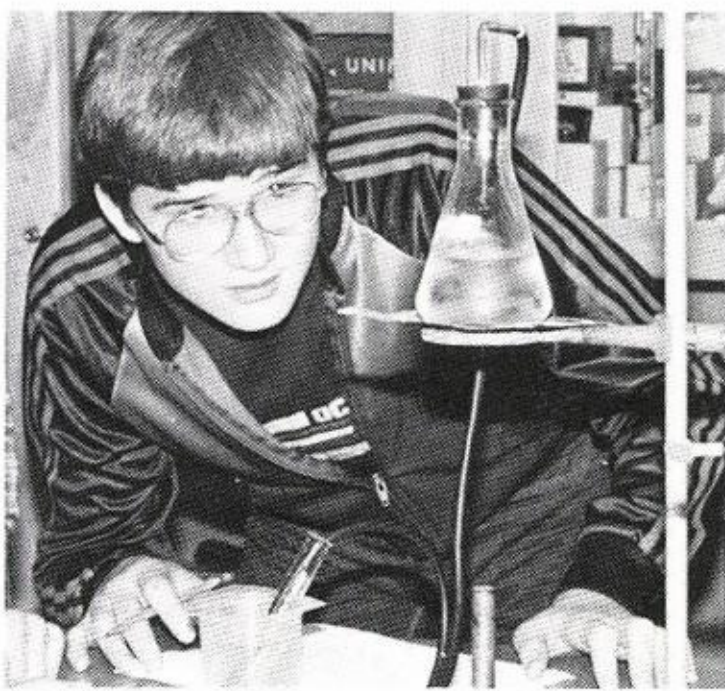

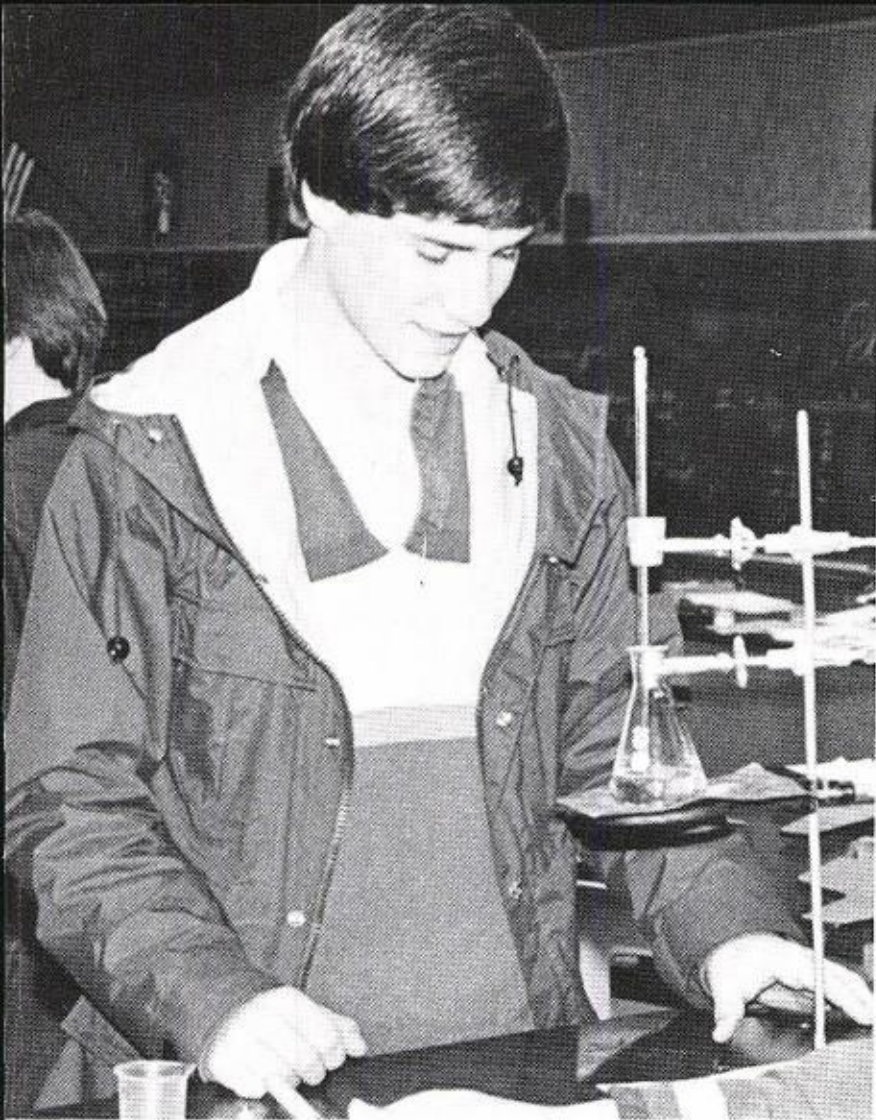

Science

Science

Science

Science

Gunn High School's Science Department presents courses ranging from the basics to college level. Most classes involve laboratory work in the excellent facilities found on campus, so students are taught proper laboratory techniques early in their experience. Learning from situations off-campus traditionally has been a highlight of the program, and field trips to such places as Death Valley and Hawaii are well attended. Those with inquiring minds can find many fascinating ways to learn about the world around them.

Halloween

Halloween is a special time at Gunn High school where people can express their thoughts and feelings by dressing up. There was a wide range of costumes this year, from a "12 foot Thing" to a Jamaican immigrant, but the winner of the 1984 Halloween costume contest was . . . Mark Lewis and Rich Courtney as the two Hari-Krishners. As said by Mark Lewis, "Let us all go to the beach and make salt". The winners of the pumpkin carving contest were: 1st place, International club, 2nd place, Commercial art, and 3rd place, was girls swimming.

The play Curious Savage proved to be one of the years best plays put on by the Gunn Drama Department, led by Mr. Shelby. The play was extended a few extra days. The actors didn't mind one bit because the last performance was 100% profit. All the money they made on the play went into the drama fund. At the end of the performance the actors received a standing ovation that put the icing on the cake.

During the course of the '84-'85 year, the Oracle has again provided a quality publication for the student body. Among ambitious projects that are on going at this time are a possible expansion in size and a righter scheduling. These projects have enjoyed considerable success; Steve Marer (news) and Toph Whitmore (Editor in Chief) deserves much of the credit.

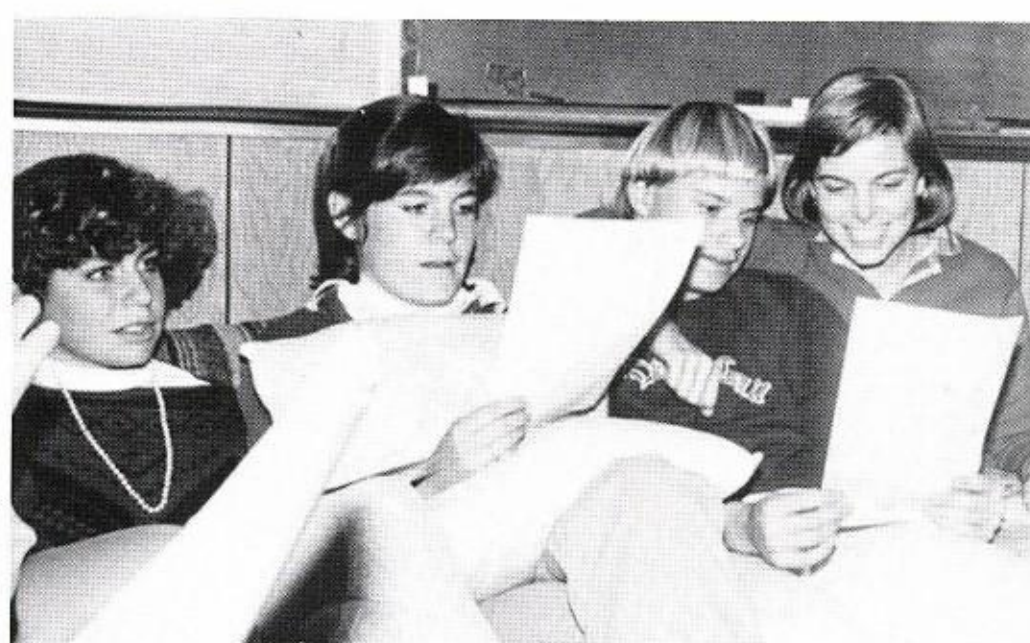

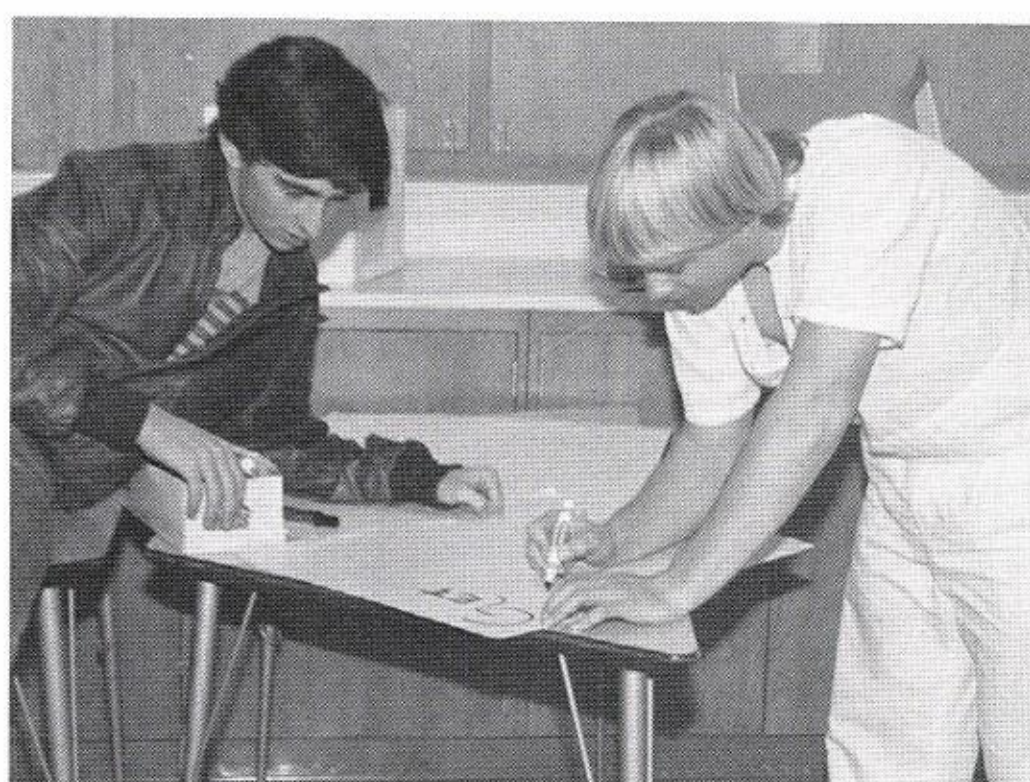

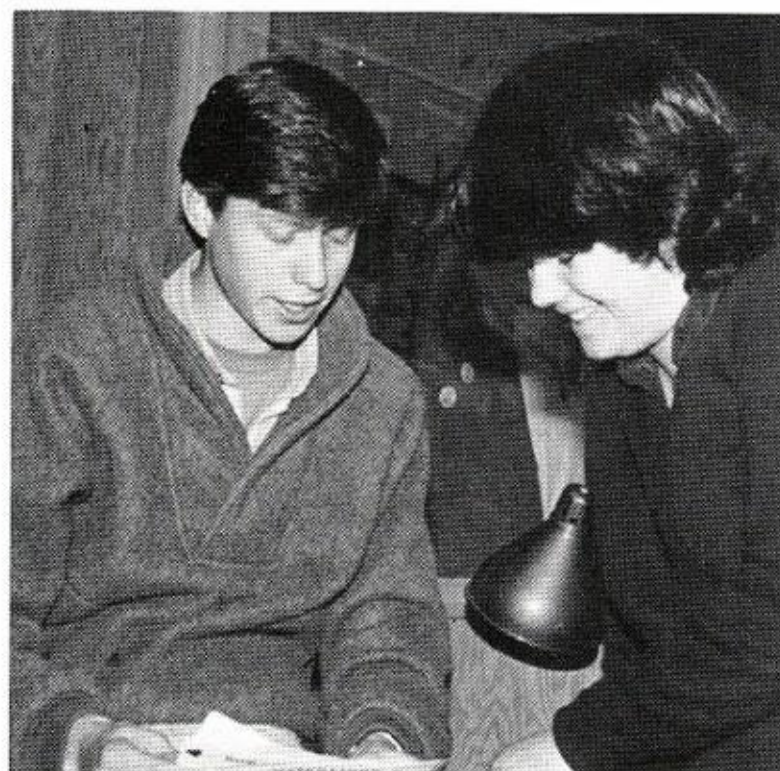

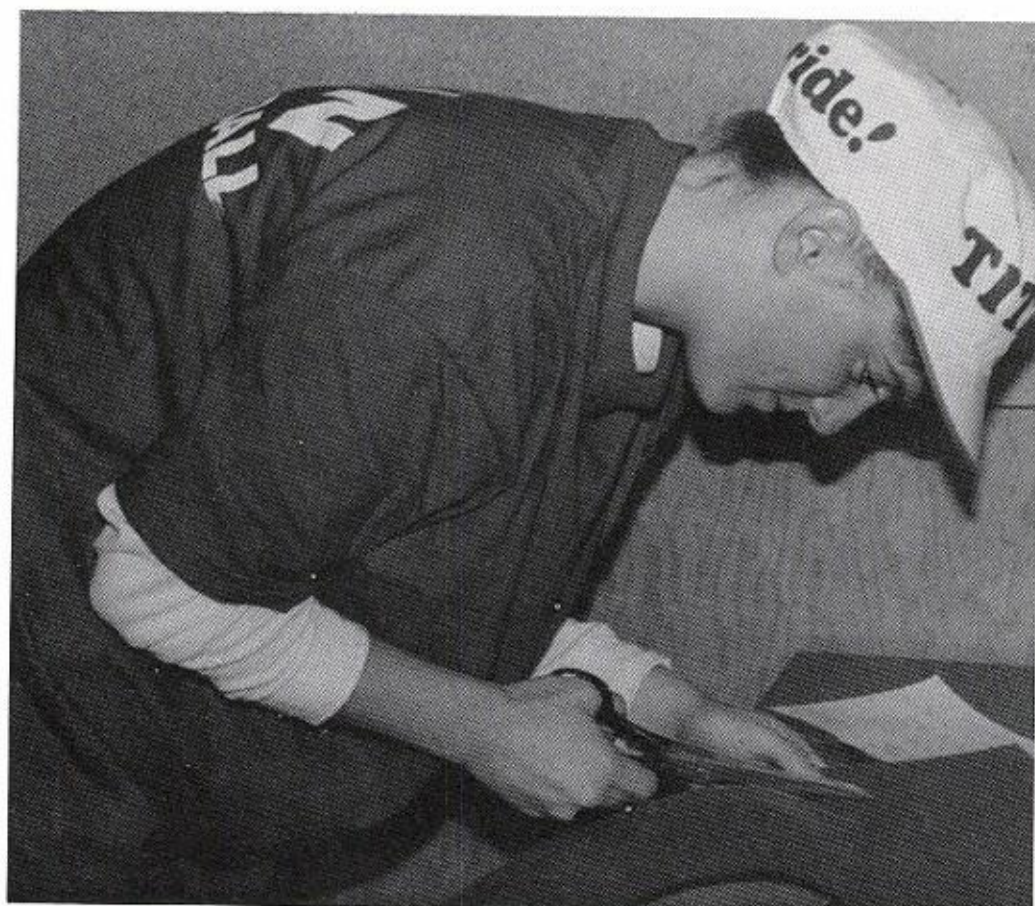

The excellent corp of beginning journalists also deserves much of the credit for this years success. Hopes are high for next year when they will again be under the watchful eyes of advisor Tim Farrell.

This year's Student Executive Council has been working hard to keep up the standards for student activities. Many new activities have been added this year. Cathy Law, Special Events Commissioner, has been hosting weekly interclass competitions. The winning class of these Wednesday Whoopies will receive a cash prize. Another new activity, which was sponsored by Mike Henderson, was the teacher/class breakfasts. There is nothing new about having intramural sports at lunch, but Mindy Dalrymple, Intramural Sports Director, has introduced a few new sports into the schedule, including ping pong and indoor soccer. The Council has also started awarding a Teacher of the Month Award.

When the slopes give way to the beaches as favorite spots for weekend relaxation, most Gunn Titans begin to wonder what to expect from the forthcoming edition of the *Olympian*. None wonder more than the yearbook staffers who have been preparing pages since school began.

As the book inched toward completion, group goals have been to incorporate the use of the computer into copy preparation, adding subject matter previously omitted (or given only token consideration), improving picture quality over previous editions, and providing more written material throughout the book. Our final goal was to offer a book to be enjoyed by all who read it. You be the judge.

The 1985 *Olympian* in your hands is the product of great effort by the entire staff. The largest sections of the book are devoted to the class sections. Co-edited by Janer Hu and Fay Zenoff and assisted by Personnel Staff members Carol Fink, Michelle Hopkins, Kim Lain, Linda Smithwick, and Debbie Sparck, this year's coverage was done more efficiently and with fewer errors than any within recent memory. Sports layout was co-edited by Kaaren Eagle and Joell

Robertson who worked with a brand new staff composed of Claire Walters, Andrew Oliff, and Sean Robertson to produce pages noteworthy for the best written commentary in a long time.

Photographic coverage, the heart of all yearbooks, was the job of Photo Editor Jessica Evans, who coordinated the efforts of Tanya Bauriedel, Ed Fok, Charlie Prael, Chris Schwarz, Ben Shelef, and Eric Tannenwald. These worthies kept the pictures flowing to those doing layout.

Advertising, vital to the *Olympian's* financial well-being, was the province of two newcomers, Andrew Meieran, Advertising Editor and Peggy Chiang. We are grateful for their strong joint effort and appreciate Andrew's original art which makes a more interesting section.

Although the entire group worked well, there were many outstanding individual contributions too. Carol Fink and Fay Zenoff passed the \$200.00 mark in ad sales closely followed by Janer Hu, Allan Manzagol, Andrew Meieran, and Eric Tannenwald with more than \$100.00 each. Rob Wheeler's excellent program for our Apple IIE made record keeping a snap and put us in reach of a future index section. The man who made it happen most, however, was Editor-in-Chief Aaron "Prof G." Guglielmelli. He photographed more events than anyone else, topped ad sales with over \$300.00, worked days, nights, and weekends at darkroom, film processing, and layout tasks. Prof G. was tops. He earned thanks from all of us.

Here's the
first thing
you should
look for...
when you
look into
orthodontics.

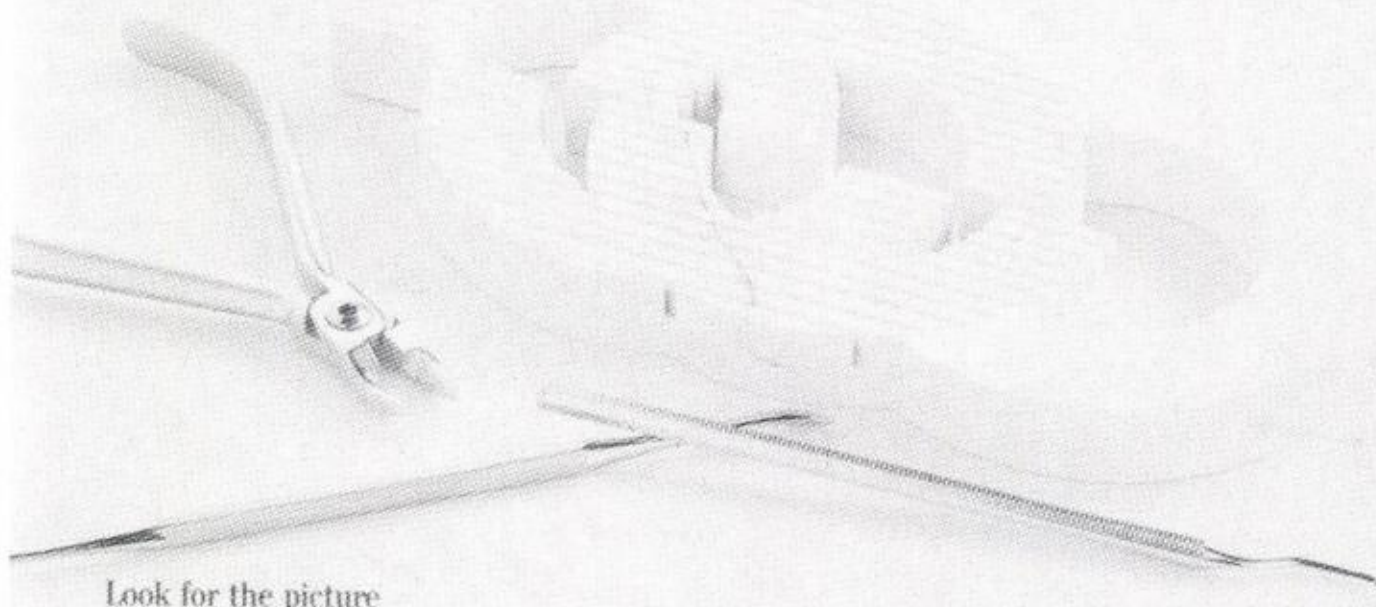

Here's why.

Those three circles, two irregular, one perfect, form the symbol of the American Association of Orthodontists. What they're saying and what they stand for is highly relevant to what you should expect in regard to treatment and who you should look toward to do it.

Look for the picture of health.

Certainly, orthodontics should give you a picture smile and, just as important, make you the picture of oral health.

That's why the symbol moves from irregular forms to a perfectly balanced circle. Balance between teeth and jaws is what the skills of the orthodontist achieve. This facial harmony—more than just moving crooked teeth—helps see to it that your bite, once improved, stays healthy.

Look for the picture of skill.

Wherever you may see it, as you seek treatment, the symbol of the American Association of Orthodontists assures you that you're seeing a specialist. He or she will have had at least two additional continuous years of advanced study in orthodontics after receiving a dental degree. And that study was conducted in a program accredited by the American Dental Association.

Because there are more than 7,500 practicing orthodontists in the Association,

you should find us well represented in your area.

Start your look now.

We'd like to give you more information on orthodontics in general and on what you should expect from treatment. Just mail the coupon. We'll send you information to help you understand even better why you should look for our symbol when you look into orthodontics.

NOT JUST TEETH.**

If you enjoy hearty homemade soup, delicatessen sandwiches that are stacked high, and salads made from fresh fruit, vegetables, and seafoods, you'll enjoy the food at the New Leaf Restaurant. We also bake our own cakes; Old fashion Applenut, Sherry Wine Cake, Chocolate Chip, Oatmeal Walnut made with real butter, and a Cheese Cake that melts in your mouth.

Come and enjoy our garden atmosphere inside, or sit outside under the awning by the lake.

How to find the freshest, best-tasting pizza in town.

Just follow the map, and you'll find the treasure. It's topped with fresh vegetables, fine natural cheeses and good lean meats, baked on a fresh-rolled crust — one of the all-time great discoveries!
